What was she trying to do?

Su Wanwan didn't even need to think to know what Xi Zhiwei's intentions were. She probably saw her with brother Ziwei and misunderstood something, so she wanted to take a photo of her and brother Ziwei together and then go to PEI Munian to sow discord?

She had to say, why did Xi Zhiwei always like to do such embarrassing things? If she could compete with her openly, she would still look up to her, but she always only did these little tricks behind her back!

She treated brother Ziwei as her own brother, so it was inevitable that her actions would be more intimate. If she took those photos, it would indeed cause misunderstandings. She and PEI Munian were in a critical period now, and she could not let her come and ruin things!

Su Wanwan thought about it and was about to turn around and go over to pull Xi Zhiwei out. But she had just moved her feet when she suddenly stopped.

Should she have allowed Xi Zhiwei to take this photo and show it to PEI Munian?

When she moved out of the villa yesterday, PEI Munian had not made any movements at all. It had been almost a day, and there were no messages or calls from her. It was as if he did not care whether she was around or not. If this continued, she would definitely lose this gamble.

She couldn't possibly keep chasing after him. The more she chased after him, the more he felt that she had ulterior motives and wanted to get something from him.

Perhaps, it was time for her to change her way of doing things.

This way, she could also verify if brother Ziwei's words would work!

Su Wanwan's dark eyes turned and her lips curved into a faint smile. Her hand directly held Shen Ziwei's arm and she said softly, "I'll just hold your arm."

"That's good."

Shen Ziwei allowed her to hold his arm as they walked out of the hotel. He then called for the valet to drive the car over.

Su Wanwan turned her face sideways and the corner of her eyes swept behind her. She thought for a moment and said to Shen Ziwei, "Brother Ziwei, why don't you relax for a few days before you think about the company? I haven't gone out to play in a long time. Why don't we go out to sea tomorrow?"

"Go out to sea?" Shen Ziwei raised an eyebrow. why do you suddenly want to go out to sea? "

"I'm out for some fresh air. Didn't you like to go out to sea? He said that he really enjoyed the feeling of being on the sea, galloping in the sea breeze. It's great, the best way to relax!"

Su Wanwan was a little jubilant and her voice rose a lot, causing everyone to look at her. Su Wanwan continued as if she didn't know it: Brother Ziwei, what do you think? "

Shen Ziwei rubbed her head and smiled. "Alright, I'll go with you if you want to."

brother Ziwei, you're the best! Let's go out to sea tomorrow morning!

"Okay, I'll listen to you."

The parking boy drove the car over and respectfully handed the key to Shen Ziwei. Shen Ziwei took it and pulled su Wanwan to the side of the car. He opened the door of the front passenger seat and let her sit in. After he went around to the other side, sat in, and started the car.

Su Wanwan fastened her seat belt and inadvertently looked up at the figure in the hotel. Her eyes flickered a few times and she slowly smiled.

She did not think that one day, Xi Zhiwei's little schemes would be used by her.

She wants to go out to sea alone with a man. PEI Munian, can you really not care? Could it really remain silent?

All of a sudden, she was looking forward to tomorrow!
