

Deeply 778

778 Force out his true heart (18)

“What?” Su Wanwan immediately raised her eyes and looked around. There was only the vast sea around her and PEI Munian’s figure was there. where? ” Brother Ziwei, you’re lying to me?”

Shen Ziwei didn’t answer. He pulled su Wanwan up and walked out of the boat. He whispered in her ear, ” look forward, look further.

Forward?

Su Wanwan followed the direction of Shen Ziwei’s words and looked over. She could faintly see a huge shadow on the other side of the sea. That was Qianqian trying her best to open her eyes wide. That was a cruise ship.

A cruise ship?

Could PEI Munian be on that cruise? It wasn’t that he didn’t come, but that he came first?

Her dull eyes were immediately dyed with light again. Su Wanwan’s lips couldn’t help but rise. She turned back and urged Shen Ziwei, ” brother Ziwei, let’s drive the boat over.

“No, they’ll drive over.”

That’s right, she was here to test someone, so she couldn’t show too much anxiety, or all her previous efforts would be in vain!

Su Wanwan raised her smiling face and raised her hand to hold Shen Ziwei’s arm. She smiled and said, ” brother Ziwei, let me make good use of you today.

Shen Ziwei looked at her from the corner of his eye and saw the smile in her eyes. are you sure this is a good way to test me? ”

Su Wanwan’s gaze followed the argument in the distance and sighed softly. I’m not sure, but brother Ziwei, we’ve reached an impasse that words can’t break. We can tell each other that we love each other, but we can’t make the other trust us. I have to open the knot in his heart and force out his true heart.

As su Wanwan spoke, she couldn’t help but smile. although the method is a bit silly, as long as it works, I can do it.

“No, I’m not.” Shen Ziwei shook his head, his large palm caressing her hair. Wanwan, it’s a good thing that you’re brave enough to pursue your love. After all, if you miss it, you won’t be able to make up for it even if you regret it for the rest of your life.

“Don’t regret it, and don’t let the person you love regret it.”

Don’t regret it yourself and don’t let the person you love regret it. Su Wanwan looked at Shen Ziwei in a daze and suddenly felt that she was the happiest person in this family.

At least, she still had the chance to pursue her love. As for brother Ziwei and sister Wanwan, she would never get the chance.

While they were talking, the cruise ship unknowingly approached. PEI Munian stood by the railing of the deck and lowered her eyes. She saw su Wanwan and a man standing at the bow of the small yacht below and talking. The man said something and su Wanwan looked at him sideways, her eyes focused and affectionate.

PEI Munian's dark eyes suddenly darkened. Assistant Wu walked over and coldly ordered, "Keep the ship going, don't change direction."

Assistant Wu was shocked. but in front of Yueyue is young Yueyue and miss SU's small yacht. If we don't change direction, we'll crash into Yueyue.

PEI Munian's dark eyes swept over coldly. Assistant Wu nodded without a word. okay, I understand.

The cruise ship came crashing in. Shen Ziwei was the first to react. He quickly got down from the cabin and adjusted his direction. He barely brushed past the cruise ship but was still hit by the huge splash of water from the cruise ship. Su Wanwan, who was standing at the bow of the ship, couldn't Dodge in time and was drenched all over.

Lu Sheng walked up from behind and looked down. He then looked at the expressionless PEI Munian and put his hand on his shoulder. He said in admiration, " young master PEI, I really can't offend you. It's just that the colors of the clothes are similar. Do you have to drench me in seawater? "
