Chapter 79 Why did you help her (11)

He had someone backing him?

All of Xi Zhiwei's attention was focused on these few words. Then, PEI Munian's face appeared in her mind uncontrollably.

However, the next second, she shook her head violently.

Impossible, brother mu Nian would never help su Wanwan. He hated her so much, how could he help her? he wouldn't!

However, the more she denied it, the more uncertain she felt and the more flustered she became. She furrowed her brows and thought for a while, but she still picked up her phone and dialed PEI Munian's number.

She didn't believe that brother mu Nian would help su Wanwan, never!

—

The phone on the table suddenly vibrated. PEI Munian's dark eyes glanced at the screen, but there was no change in her expression. She shifted her gaze away and continued to read his report.

The phone vibrated for a while before hanging up automatically. A few seconds later, it vibrated again. PEI Munian continued to ignore it.

It was only after Xi Zhiwei had made nearly twenty calls that PEI Munian put down her pen and picked up her phone. Her voice was calm and emotionless. what's the matter? "

Xi Zhiwei had called so many times before PEI Munian finally picked up. She could not help but feel a little aggrieved. brother Munian, are you busy? Why did you take so long to answer the phone?"

PEI Munian leaned back in her chair and smiled. She replied lazily, " I'm not busy. I just saw your call and didn't want to answer it.

Xi Zhiwei was already aggrieved, and her tears almost fell when she heard PEI Munian's venomous words. She forced a smile and tried to find a way out of this situation. brother Munian, you always like to joke with me.

PEI Munian's lips twitched and she exposed her without hesitation. you've known me for so many years. Have I ever joked with you? "

Xi Zhiwei's tears rolled out of her eyes. She could not help but sob. brother mu Nian, how can you bully me like this? "

When PEI Munian heard Xi Zhiwei cry, she did not seem to be moved. Her voice became even more languid and even carried a trace of nonchalance. did I bully you? Did I ask you to run around in high heels under the sun or did I pour the hot porridge on you?"

Xi Zhiwei's tears suddenly stopped.

She had initially called to confirm if PEI Munian had helped with the endorsement deal. However, after hearing his words, she knew that she did not need to ask anymore. The answer was obvious.

Xi Zhiwei's grievance instantly turned into sadness and unwillingness. She bit her lower lip and choked with sobs. brother mu Nian, I can't stand how su Wanwan treated you. She didn't love you but still used you and forced you to marry her. You're not angry. I feel that it's not worth it for you. But Qianqian, you still helped her find Ji Xinxin to be her spokesperson. Brother mu Nian, why did you help her? "

At the end of her sentence, Xi Zhiwei's voice became a little aggressive.

PEI Munian listened to her expressionlessly and suddenly laughed.

Xi Zhiwei was confused by his laughter. What was so funny about her words? She was still so sad. She couldn't help but say, "Brother mu Nian, what are you laughing at?"

"Wei Wei, we've known each other for so many years. Why did I only realize today that you're so funny? You're asking me why I'm helping my wife. How can you ask this question in such a serious manner?"

"Brother mu Nian, but su Wanwan, she's a coward."

"Wei Wei, for your brother's sake, I'll let this matter go. But remember, don't provoke su Wan again. If you touch her even a finger, I'll let you pay it back double, hmm?"
