814 The line between life and death (10)

PEI Munian's words slowly entered su Wanwan's ears word by word. She almost didn't dare to believe what she heard. She fell in love with PEI Munian at first sight, and PEI Munian, his Wanwan, also fell in love with her at first sight?

He pretended not to remember her because of senior XI's matter. That was why he was so cold to her and kept him at a distance. But in the end, he still fell in love with her?

All this time, she had thought that he hated her, even hated her, so he agreed to her confession and was with her, but it was just a lie and revenge.

But, wasn't it like this?

"Nian ... Niannian ... Y-you agreed to be with me ... B-because you like me?"

PEI Munian seemed to think that su Wanwan's question was funny. She gave her a side glance and asked instead of answering, " why do I have to be with someone I don't like? "

That's right. Why did she have to be with someone she didn't like? love was the last thing she could compromise. Back then, she, Wanwan, was afraid of seeing PEI Munian's disgusted gaze and didn't ask anything. She even used her words to hurt him for her self-esteem.

she said that pei munian was an idiot, but she was the idiot, a super idiot.

A tear unconsciously flowed out of the corner of her eye, but it quickly froze into ice. Su Wanwan was so cold that her whole body trembled. If only she had known earlier, she would have known earlier.

"I'm sorry, I'm sorry, niannian, I'm sorry, I'm sorry, Yingluo."

Su Wanwan sniffed hard. The coldness invaded her and she almost couldn't breathe, but she still gritted her teeth and said word by word, " I thought, thought you were Wanwan because of Xi, senior brother Xi's matter, that's why you, that's why you got together with me. You wanted to take revenge, take revenge on me, that's why I urged me to treat you and say those words to you. I didn't think, wanted to play with you. I never did.

"Qian?"

This was the first time they had mentioned anything about Xi Zhiqian after knowing him for so long. As Xi Zhiqian had always kept a low profile and had never revealed his relationship with the PEI family, other than PEI Munian's close friends, no one knew that PEI Munian and Xi Zhiqian knew each other and had such a good relationship.

PEI Munian had always thought that su Wanwan didn't know that he knew Xi Zhiqian, but she didn't expect that she knew him.

"Yingluo, you know about my relationship with ah Qian? How can you be Yingluo?"

As far as he knew, Xi Zhiqian probably hadn't mentioned anything related to him to su Wanwan. Because that time, he accidentally noticed Xi Zhiqian looking at a photo with a gentle smile. As soon as

he walked over, he hid the photo. He teased him about whether he had a girl he liked. At that time, Xi Zhiqian said that the time wasn't right and that he would introduce her to him in the future. That was to say, he hadn't introduced him to su Wanwan.

"Xi Zhiwei, Xi Zhiwei told me. I was shocked too. I never thought that Xi Zhiwei would be brother Xi's sister. You, you are brother Xi's good brother."

"But I'm also stupid. Xi Zhiwei, Xi Zhiqian, such similar names, I actually didn't think of it."

However, that was also because she had deliberately not remembered anything about Xi Zhiqian. Because she felt too guilty, when Xi Zhiwei told her about Xi Zhiqian and PEI Munian's relationship, she was so defeated that she did not even have the courage to question her.
