826 So, this is who you are, Wanwan (2)

However, the kiss su Wanwan was waiting for didn't fall. She heard PEI Munian's rapid breathing. After it eased a little, he supported himself with the bed and slowly straightened his body.

Su Wanwan opened her eyes and her eyebrows furrowed a little.

It was the same in the past. Every time PEI Munian was intimate with her, he would stop there. He would kiss her and hug her, but he would never take the last step. At that time, it was because he did not believe her true feelings. What about now?

Both of them had been through life and death together and had even come clean with each other. Could it be that the knot in his heart had not been untied and he still could not accept her?

Her jubilant heart seemed to have been poured down by a basin of cold water in an instant. The smile on su Wan's face also slowly faded. is it still ran ran still not enough? "

Her voice was hoarse. Su Wanwan's eyes couldn't help but show a touch of disappointment and frustration. niannian, you still don't want to believe me? "

PEI Munian was stunned. His black eyes met su Wanwan's eyes and he saw the hurt on her face that could not be hidden. He suddenly realized the meaning of her words and didn't know whether to be angry or laugh.

"Wanwan, what nonsense are you thinking about again?"

PEI Munian's hand slowly fell on su Wanwan's cheek. Her fingers gently rubbed her cheek and lips. Her voice was low and hoarse, revealing a charming magnetism. if I didn't believe you, I wouldn't be here.

"Then why are you in a daze?"

Su Wanwan's brows were tightly knitted and she subconsciously asked. However, when the words reached her mouth, she remembered that she was a little embarrassed to say those words and stopped abruptly.

How could she, a woman, ask a man why he didn't touch her? wasn't this making her look like she was very hungry and thirsty?

However, if she didn't ask, this question would always be stuck in her heart. It was like a needle stabbing into her heart, and it was extremely uncomfortable.

"What do you mean why?" PEI Munian was confused.

that Yingluo is you. Why don't you Yingluo and don't do that? " Su Wanwan could only speak vaguely.

"That one?" PEI Munian raised her eyebrows, seemingly not understanding the meaning behind her words. which one is that? " she asked.

Su Wanwan looked at PEI Munian's deep eyes. They were so deep that she couldn't see the bottom. She didn't know if he really didn't know or if he was pretending not to know. She bit her lower lip and stammered, "it's that me of yours, Yueyue."

"What? I what you?" PEI Munian's tone became more and more puzzled. Her eyes stared at su Wan with a burning gaze, her face innocent.

But she didn't believe that he didn't know!

Su Wanwan's cheeks blushed a little from his gaze. Her embarrassment turned into anger. She clenched her small fist and punched PEI Munian's chest. stop pretending, you know what I'm talking about.

PEI Munian's expression did not change and she remained serious. Wanwan, why should I pretend? I really don't know what you're talking about. What are you trying to ask? What did I do to you?"

".....?"

Su Wanwan lost her last bit of patience and couldn't care about anything else. She grabbed PEI Munian's lapels with both hands and roared at him word by word, "I'm asking you, why didn't you touch me? Is it your problem or my problem?"

Because of her excitement, su Wanwan's voice was a little loud and echoed in the empty Ward. PEI Munian stared at her for a few seconds and burst into laughter. Wanwan, I really didn't expect you to want ran ran to want me so much.

He deliberately lowered his voice for the last two words and dragged it out slightly. His voice was extremely entangled.
