834 A strange phone call (4)

PEI Munian's action of kissing su Wanwan paused for-moment, but she ignored it. Her thin lips once again fell on su Wanwan's lips, pried open her teeth, and the tip of her tongue entered, hooked around her, and wantonly entangled.

After the phone automatically hung up, it rang again in less than two seconds, as if it wouldn't give up until he answered the call.

Su Wanwan's dazed consciousness was awakened by the ringing of the phone. She opened her eyes, put her hand on PEI Munian's chest, and gently pushed him. niannian, answer the phone first.

PEI Munian kissed su Wanwan's lips and slowly straightened up. He reached to the bedside table and took his phone. He glanced at the phone screen and frowned. Then, he got up and walked towards the window.

Su Wanwan also sat up from the bed, tidied up her messy clothes, and looked sideways at PEI Munian.

PEI Munian did not say much, only a short " mm. "Alright," he said. She looked at his tall and straight figure as he spoke. The sunlight from outside the window shone in, and he seemed to be surrounded by a circle of light. His casual standing posture was extremely charming and breathtaking.

Su Wanwan looked at him and couldn't help but be infatuated. Her man was too handsome. Her taste was really good and she took a fancy to him at first glance.

Although Yingluo was a little difficult to pursue and the process was a little tortuous, he still completely belonged to her now.

Su Wanwan squinted her eyes. After her injuries were fully healed and her body recovered, she would give birth to a baby for him. She wanted a baby as handsome as him. Their family of three could be happy together forever.

Su Wanwan lowered her eyes and unconsciously raised her hand to touch her lower abdomen. The corners of her lips couldn't help but curve up.

After PEI Munian was done with the call, she deleted the call history before putting her phone away.

When he turned around, he saw su Wanwan sitting on the bed and smiling foolishly. He walked over and pinched her cheek with his long fingers. He smiled and said, " "What are you thinking about? Why are you smiling so foolishly?"

Su Wanwan returned to her senses and raised her eyes to look at him. Her hands subconsciously hugged his waist and muttered in dissatisfaction, " how am I stupid? You're smiling so beautifully!"

niannian, let's quickly have a baby, " she said expectantly. a baby like you. It'll definitely be the most handsome one in the world.

"Su Wanwan, is your head full of thoughts about how to pounce on me now?"

".....?"

“Who’s missing you? I’m thinking of the child!” Su Wanwan pretended to be disgusted and glared at him. you’re just a side effect.

As su Wanwan spoke, she inadvertently glanced at the phone in his hand and said, ” “Niannian, who’s calling? Is it about work again?”

“Yes.” PEI Munian replied lightly.

In the past week, PEI Munian’s phone had been ringing frequently. Although he always said that it was work, su Wanwan still vaguely felt that he didn’t look good after answering the phone. Was she too sensitive?

However, it was indeed because of her injury that PEI Munian had been staying in Switzerland to keep her company. The company must have needed him for many things.

Of course, she hoped that PEI Munian would stay in Switzerland to keep her company. However, she felt a little apologetic when she saw his phone call non-stop every day. She thought about it and said, ” niannian, if there’s really a lot of things to do, why don’t you return home first? I’ve almost recovered, and brother Ziwei is here to take care of me. You don’t have to worry.

“Don’t need to worry?”

PEI Munian glanced at su Wanwan, raised her eyebrows, and said impolitely, ” you want me to leave you and your brother Ziwei here and go back on my own? ”
