838 A strange phone call (8)

Su Wanwan frowned. It's so late, who are you on the phone with?

She pushed open the door to the study and walked in. Her movements were very light, but PEI Munian seemed to have eyes in the back of her head. The moment she walked in, he turned around and glanced at her. Then, he said a few words to the other side of the phone and hung up.

"Why did you hang up the moment I came?" Su Wanwan's big eyes scanned PEI Munian's face. who called? It's already so late and you're still chatting."

PEI Munian smiled and replied naturally, "it's assistant Wu. She has some business to report to me.

"Are you really that busy? You've been on the plane for the whole day, so you should know that you're tired. Why can't we talk about it tomorrow?" Su Wanwan's eyes unconsciously swept over his phone.

"It's fine. We're done."

PEI Munian walked over and casually placed her phone on the desk. She reached out and wrapped her arms around su Wanwan's slender waist. She lowered her head and buried it in her neck. She took a deep breath. you've taken a shower? " It smells so good."

Su Wanwan was a little tickled by his hair and couldn't help but push him, pretending to be disgusted. if you're done, go take a shower quickly. Your body smells like the cabin.

"Eh? Are you despising me?"

Not only did PEI Munian not let go of her, but she also hugged her even tighter. Her thin lips pecked her delicate neck, causing su Wanwan to Dodge repeatedly. Her feet kept moving back and finally hit the desk. There was no way to retreat.

PEI Munian grabbed her waist with both hands and carried her to sit on the desk. His hands were on both sides of her body, and his handsome face was pressed down, his lips curved into a devilish arc.

"Now that you have the same smell as me, it seems that you have to wash again. I don't mind washing with you."

"Yingluo, who wants to shower with you!"

Su Wanwan raised her hand to push him away, but she couldn't move him at all. He used strength in his arms and directly picked her up horizontally. His voice was low, hoarse, and flirtatious as it rang in her ear, " your protest is invalid.

Su Wanwan's body suddenly rose into the air. Her hands subconsciously hugged his neck and kicked her legs, saying, " "Put me down! I don't want to take a bath with you!"

PEI Munian carried her out of the study and walked towards the master bedroom as if she had not heard her.

"Put me down!"

At this time, the villa was very quiet. Su Wanwan's voice suddenly echoed in the huge villa. PEI Munian smiled and glanced at her. Wanwan, if you need the audience to watch, you can shout louder. Aunt Wu's ears should be quite good.

".....?"

Su Wanwan suddenly closed her mouth, but her cheeks still couldn't help but be stained with a thin red. She silently mouthed to PEI Munian: "Pervert."

"Yes, you're a pervert. We're a perfect match--"

"I, when was I-lecher?"

"Oh? Have you already forgotten how you treated me like a hungry wolf?" PEI Munian teased. After a pause, he continued, " but it's okay. I can repeat history and help you recall it.

While they were talking, PEI Munian had already carried su Wanwan back to the master bedroom. Su Wanwan was thrown onto the soft bed. PEI Munian's tall body pressed down and her fingers rubbed her lips. Her voice was extremely flirtatious. how is it? "

Su Wanwan immediately closed her eyes and pretended to be dead. I'm tired. I'm going to sleep.

As she spoke, she pushed him away while he was unprepared. Then, she pulled the blanket over and quickly wrapped herself up.
