840 A strange phone call (10)

Before su Wanwan could react, PEI Munian had already turned over. The sky and earth spun and the two people's positions were reversed. Su Wanwan was pressed under PEI Munian.

The corners of PEI Munian's lips curled up, and her fingers gently lifted the collar of her sleeping robe. mm, Wanwan, where should we start? "

She had wanted to tease him, but in the end, she was teased instead. Previously, he didn't have any reaction when she seduced him like that, so she thought he was an uninteresting piece of wood. Now it seemed that she was wrong!

Su Wanwan suddenly thought of something. Her black eyes widened and she said angrily, "Niannian, tell me the truth. How many women did you have before me?"

Although she didn't know why Su Wanwan asked this, PEI Munian was surprised for a moment but still answered truthfully, " No.

No?

This answer was beyond su Wan's expectations. After all, they only met in University. With PEI Munian's conditions, she was probably surrounded by women since kindergarten, but she actually never had a girlfriend?

I don't believe you. If you've never had a woman before, where did you get your flirting skills from? "

As su Wanwan spoke, her eyes turned cold. If she said that there was no woman before, then after that, Xi Zhiwei's figure involuntarily floated up in her mind and her eyes suddenly sank.

Don't tell me he's quarreling with Xi Zhiwei.

In that case, she had not talked to PEI Munian about Xi Zhiwei during this period of time. During her recovery, she had been so happy that she had forgotten about Xi Zhiwei.

"Nian Nian, you ran ran."

The phone suddenly rang and interrupted su Wanwan's words. PEI Munian reached out to the bedside table, took the phone, looked at the caller ID, and her eyebrows couldn't help but furrow.

Wanwan, I'm going to take a call.

PEI Munian gave a simple instruction and got up from su Wanwan's body. She got off the bed and walked to the balcony with her long legs.

Su Wanwan's gaze followed PEI Munian's figure and she pouted in dissatisfaction. His calls were too frequent, right? He called after midnight, and now he was calling again early in the morning.

She grabbed her phone and looked at the time. It was only eight in the morning.

Wasn't assistant Wu a little too dedicated?

About five minutes later, PEI Munian returned from the balcony. However, she did not return to the bed but walked towards the bathroom.

Su Wanwan hugged the quilt and got up. She looked at him and said, "Niannian, aren't you going to sleep a little longer? It's still early, isn't it?"

no, you can continue sleeping. I have an important meeting in the morning.

"Alright," he said.

PEI Munian had accompanied her in Switzerland to recuperate for more than a month. She had accumulated more than a month's work and was indeed a little busy. work hard, then. I have to make a trip back to the SU residence today.

PEI Munian, who was about to step into the bathroom, stopped in her tracks. Her dark eyes narrowed. back to the SU residence? "

"Yeah, I have to go back and pack my luggage."

if you need anything, you can just buy a new one. You don't have to go back.

".....?" He didn't want her to go back and see brother Ziwei, right? How long would this childish dry jealousy last?

"But I still want to see Xiao Zeze!"

"Get someone to bring him over and leave him here."

Su Wanwan didn't know whether to laugh or cry. Xiao Zeze was a child of the SU family. How could he stay in the PEI family?

Su Wanwan got off the bed and walked in front of PEI Munian. She tiptoed and kissed him on the lips, acting coquettishly, "I'll be back soon, okay?"

PEI Munian didn't answer. Su Wanwan didn't give up. okay? "
