Chapter 86 What do you take me for?(6)

The other side was empty, and there was no one there. However, the bedsheets were slightly wrinkled, and there were signs that someone had slept on them. PEI Munian had returned last night, so did he carry Yueyue to the bed to sleep?

Su Wanwan's heart started to beat wildly. Although she didn't know why Pei Munian carried her to the bed to sleep, she couldn't help but feel a touch of sweetness in her heart.

Her body rolled to the side where PEI Munian was sleeping and buried her head in the pillow. His breath seemed to still be on it. Su Wanwan closed her eyes and reveled. The bedroom door was suddenly pushed open and PEI Munian walked in with long legs.

In an instant, su Wanwan's entire mind went blank.

Why hasn't PEI Munian left yet?

But what was she doing?

She was hugging his pillow, intoxicated. If he saw her, wouldn't he laugh at her to death?

Su Wanwan's whole body suddenly quivered and she immediately threw the pillow away. Then, she jumped up from the bed and staggered a few times before she barely stood firm.

PEI Munian seemed to be shocked by her sudden movement. He stopped in his tracks and looked at her with his dark eyes.

Su Wanwan lowered her head guiltily. Her voice was as soft as a mosquito and she squeezed out a sentence, " morning, morning, Huahua.

PEI Munian didn't see what su Wanwan was doing just now, so she couldn't understand her panic at this moment. However, ever since they got married, she had always been very cautious in front of Wanwan, as if she was afraid of doing anything wrong. This was the first time she was so rash in front of him.

It was just like before.

PEI Munian looked at her and could not help but smile. Even the corners of her lips curled up slightly. She even opened her mouth and replied, " morning.

When PEI Munian's voice reached su Wanwan's ears, she thought there was something wrong with her ears. PEI Munian actually replied to her in a daze?

She raised her eyes in a daze and looked at the man in front of her. She seemed to be able to see the smile on his lips.

It's over, it's over. Not only did she have problems with her ears, but now, even her eyes had problems?

PEI Munian went back to her room because she had left a document behind. He walked over to the sofa and took the document. When he returned, he saw that su Wanwan was still standing in the same place in a daze. Her eyes were in a daze, and he didn't know what she was thinking.

PEI Munian's Black eyes narrowed and her gaze sank. Su Wanwan's condition didn't seem right. Could she be sick?

As PEI Munian thought about it, she subconsciously walked towards her.

Su Wanwan's face was red and her heart was beating fast from PEI Munian's smile. She was at a loss. Suddenly, PEI Munian came closer and closer. Her heart thumped, as if she was afraid that he would see through her. Her eyes flickered a few times and she quickly stammered, "I, I'll go wash up."

Before she could finish speaking, su Wan's figure had already disappeared in front of PEI Munian. PEI Munian's footsteps stopped there, her eyes couldn't help but be a little dejected, and a heavy sense of defeat floated in her heart.

Even though he was trying his best to get closer to her, she probably still didn't like him getting close to her.

—

Su Wanwan hid in the bathroom and listened to the footsteps outside slowly go away. She then stroked her heart and calmed her wildly beating breathing.

I was so close, so close to being discovered again.

In the past, she could not wait for the whole world to know that she liked PEI Munian. However, after knowing that, she could only hide her feelings and not let anyone know.

This was the only thing she could do to protect herself.

If she were to lose even this, then she would really be a joke.
