863 A sweet outing (3)

PEI Munian acted as if she didn't see it. She curled her lips and didn't speak.

Seeing this, Yu Jia hurriedly said, "Wanwan, forget it. You're going on a honeymoon. It's such a burden to bring me along. I'll just take a walk.

Before Yu Jia could finish speaking, su Wanwan had already tiptoed and leaned close to PEI Munian's ear. She lowered her voice and said, "Niannian, if you agree to go with Yu Jia, I can also agree to one request of yours."

PEI Munian lifted her eyelids and her gaze finally fell on su Wanwan's face. She lazily opened her mouth. any condition? "

Su Wanwan gritted her teeth. any condition is fine!

"Alright, deal!"

PEI Munian answered simply and nimbly. She pulled su Wanwan into her arms with her long arms, her thin lips close to her ear, and said clearly, "don't go back on your word.

".....?"Why did she feel that PEI Munian had been waiting for her to say this?

"Profiteers!"

With a smile on her handsome face, PEI Munian looked at Yu Jia and said, "Yu Jia, let's go together."

Yu Jia didn't want to be the third wheel between PEI Munian and su Wanwan, but it was difficult to refuse their hospitality. She opened her mouth but couldn't say no. In the end, she could only nod gently. alright then.

Gong Lingyu had been making her upset recently, so she took this opportunity to go out for a walk and relax. It was also good for her to sort out her inner feelings. After all, when she got there, she could play alone without anyone disturbing her and think about things properly.

When boarding the plane, su Wanwan unconsciously looked back frequently, but she didn't see the figure she wanted to see. She couldn't help but frown.

PEI Munian noticed her expression and pinched her chin with her long fingers, turning her face back to her. Wanwan, What are you looking at? "

"Ah?"

Su Wanwan met PEI Munian's deep eyes. The gaze that she shot over seemed to be able to penetrate people's hearts. Her long eyelashes trembled slightly and she subconsciously shook her head. no, I'm not looking at anything.

PEI Munian's suspicious eyes swept across her face. Su Wanwan swallowed her saliva and her eyes flickered. Then, she held his arm as if nothing had happened. I'm so happy. I can finally go on a honeymoon with you. We must have fun.

After saying this, su Wanwan didn't give PEI Munian a chance to speak and quickly dragged him onto the plane.

PEI Munian had booked business class. Their seats were on the left and Yu Jia's seat was on the right. There was an aisle between them. After su Wanwan sat down, she thought for a while and said to PEI Munian, "I'm going to the washroom."

"Yes."

Su Wanwan got up and walked towards the back of the cabin. While she was distracted, she glanced at the people sitting on the left and right seats. She looked from the beginning to the end but still found nothing.

Su Wanwan couldn't help but sigh. In any case, she fought for the opportunity herself and she could only help up to this point.

When the plane landed in the Maldives, it was past 3 p.m. Local time. The sun was bright and sunny, and the gentle breeze blew on them, revealing a comfortable coolness.

They got off the plane, collected their luggage, and walked toward the airport gate.

He did not expect to see a familiar tall figure as soon as he walked out of the airport gate.

The man stood there with a suitcase by his feet. He was dressed casually, wearing a straw hat and sunglasses. As if he had accidentally glanced at them, he smiled and waved at them. hey, what a coincidence. How did we meet here? "

PEI Munian and Yu Jia were both stunned. Only su Wanwan was beaming with joy and responded with a smile, " what a coincidence. Lingyu, are you here for a vacation too? "
