The woman subconsciously raised her eyes and glanced at the man beside her from the corner of her eyes, but she quickly looked away.

"T-thank you,"

Su Wanwan held the woman's arm and took her to the exit of the alley. PEI Munian stared at su Wanwan's figure for a few seconds, sighed, and then followed.

When they arrived at the hospital, the woman's mood was much more stable. Su Wanwan accompanied her for a checkup. Fortunately, she only had superficial injuries. Su Wanwan also dragged PEI Munian to the doctor for a checkup. There were no major problems, so she was completely relieved.

The doctor prescribed some medicine for their external injuries. PEI Munian went to pay for the medicine while su Wanwan helped the woman to sit on the chair in the rest area and wait.

Seeing PEI Munian walk away, su Wan turned back to look at the woman and said softly, "Do you feel better?"

"Yes."

The woman responded softly. Her voice had returned to normal and no longer trembled. She couldn't help but express her gratitude to su Wanwan again. I'm really grateful to you and your husband. If it weren't for you, I'm afraid I would be dead now.

sigh, don't think about the past. Go back and have a good sleep tonight. Tomorrow will be a good day. But, Wanwan, you're a girl in the future, so you should be more careful. Don't walk out alone at night. You'll be easily targeted by those criminals.

"I know, I'll be careful." The woman curved her lips at su Wanwan and continued, "My name is Jingting. Ning Jingting, what about you?" she asked.

"Jingting? It's a very nice name. My name is su Wanwan. Yingluo, I think you should be younger than me, you can call me sister Wanwan."

Ning Jingting smiled and didn't stand on ceremony with her. She directly called her, "sister Wanwan, your name is also very nice.

After a pause, she looked in the direction that PEI Munian had left and continued, "What's your husband's name that night, sis Wan?"

"Him? he's called PEI Munian."

PEI Munian

Ning Jingting muttered this name unconsciously. The softest part in the depths of her heart seemed to be gently touched by something, and it trembled violently.

She couldn't help but think of the scene in the alley just now. His figure when he was fighting. With a few simple and cool moves, he had easily taken down a few big men.

He also held her arm. Even though it was only for a short while, she could still feel the warmth of his palm.

Now that she was wrapped in his sweater, she could feel his breath surrounding her. It calmed her flustered heart down, and she no longer had a trace of fear.

"By the way, Jingting, do you live here or are you here for a vacation? Is there anyone I can contact? If you do, send someone to pick you up."

Su Wanwan's questioning voice pulled ning Jingting back from her daze. She blinked and reacted after a few seconds, "Ah, yes, there is.

sister Wanwan, please lend me your phone.

Su Wanwan nodded, took out her phone from her bag, unlocked it and handed it to ning Jingting.

The screensaver of the phone was a photo of PEI Munian, su Wanwan, and Xiao Zeze. It was taken when they were at the amusement park. Ning Jingting stared at PEI Munian's handsome face and then at the child in su Wanwan's arms. Her eyes were a little dead. you already have a child? "

Su Wanwan was stunned. Then, she looked at her phone's screensaver and knew that she had misunderstood. She smiled and shook her head. no, this is my brother.
