"Eh? What kind of compensation do you want?" The man's voice carried the languidness and hoarseness after his lust. When it entered Su Wanwan's ears, she couldn't help but tremble.

"No matter what I want, you have to agree!"

Su Wanwan said domineeringly. After lying on the bed and recovering, she turned over and walked barefooted to the sofa. She picked up the paper bag she brought back yesterday, opened it and took out the things inside.

She walked back to the bed and showed it to PEI Munian.

PEI Munian lazily opened her eyes. In front of her was a t-shirt with a cute doll printed on it. He asked in confusion, "this is Wanwan?"

"This is the couple outfit I bought yesterday!"

Su Wanwan then picked up her dress. The style was exactly the same as his, but she had a long dress.

"Let's go out in a couple's outfit today, okay?"

Yesterday, she saw many couples wearing couple outfits on the street. She was tempted and went to the store to buy this set of couple outfits, wanting to wear it with PEI Munian.

She had wanted to wear a couple's outfit with him when they were in University. It was a pity that they broke up after being in a relationship for less than 24 hours. She wanted to make up for her regrets at that time.

PEI Munian had thought that she had mysteriously gone to buy it yesterday and then insisted on looking for it. It turned out that it was a couple's outfit. He didn't mind wearing a couple's outfit with her, but this style might not be too shabby.

PEI Munian stared at the cute doll printed on the clothes and shook her head reflexively. I don't want to wear this!

He could even accept a pure white t-shirt, but with such a cute doll, it would damage his image too much!

"You're not wearing it?"

Su Wanwan's voice rose a few octaves and she stared at him with her beautiful big eyes. You just said you were going to make it up to me. You're going back on your word so quickly? No! You have to wear it with me!"

".....?"

PEI Munian held her forehead helplessly. Wanwan, you have to wear a couple's outfit with me. Okay, but can we change to another set? This Yingluo."

When he saw the chubby doll in front of him, he really didn't have the energy to complain.

“What’s wrong? How cute is this? No matter what, you have to wear this today. I’ve already thought about it. We’ll wear this to the beach, and I still want to take a lot of photos!”

“.....?”

Without another word, PEI Munian lay back on the bed. I’m a little tired today, so I won’t be going out!

PEI Munian, stop pretending to be dead. Get up!

Su Wanwan immediately jumped onto the bed and sat on his waist. She grabbed his clothes with both hands and pulled him up. if you don’t want to wear it, I’ll help you wear it!

She unceremoniously tugged at PEI Munian’s sleeping robe and took it off halfway, revealing his firm and sexy chest.

PEI Munian’s Black eyes narrowed slightly, revealing an ambiguous look. Her large palm grabbed su Wanwan’s slender waist, turned over, and pressed her under her body again. you want to help me wear it, huh? Alright, I’ll cooperate with you!”

PEI Munian immediately took off the nightgown on the other side. like this? Do you still want to continue?”

He grabbed her hand and placed it on his belt, pretending to pull it away. Su Wanwan angrily retracted her hand and clenched her fist to punch him. PEI Munian, you Big Bad guy!

“Big Bad guy? If I don’t cooperate, you’ll be bad. Why am I still bad after cooperating with you, huh?”

“.....?”He only knew how to bully her!

Su Wanwan gritted her teeth, unceremoniously grabbed his hand and bit it hard.
