PEI Munian retracted her hand in pain. su Wanwan, are you born in the Year of the Dog? Do you like to bite people?"

He didn't know how many times she had bitten him, but every time, she was merciless and unkind.

"Yes, I'm specifically biting you to let you bully me!"

Su Wanwan stretched out her neck and bit his neck again. She bit him while glaring at him and mumbled, "do you want to die or do you want to wear a couple's outfit?"

"I want to die, Zhenzhen."

"What?" Su Wanwan frowned.

"I want to wear a couple outfit!"

Su Wanwan nodded with satisfaction and let go. She smiled with her eyes curved. I'll let you off!

PEI Munian raised her hand and rubbed her head with her large palm. She pulled her up. let's go and wash up!

"I don't have any strength, you carry me." He had used up all his strength just now. It was all his fault!

Su Wanwan unceremoniously opened her arms at him.

PEI Munian smiled, bent down, and picked up the energy in front of her. She then got off the bed and walked towards the bathroom.

After washing up, su Wanwan dragged PEI Munian out. She ignored his expressionless face and put the t-shirt on him. After tidying up a little, she quickly changed into her own dress.

She pulled PEI Munian to stand in front of the full-body mirror. The handsome man and beautiful woman were wearing the same clothes and were particularly eye-catching.

Su Wan looked down at PEI Munian, held her chin and thought for a while, then said: "Niannian, wait for me!" After saying that, she turned around and walked to their luggage. She squatted down and rummaged for a while, finding a hat and sunglasses.

Back in front of PEI Munian, su Wanwan stood on her tiptoes and put the hat on PEI Munian. Then, she put on her sunglasses. After making some slight adjustments, she took two steps back and looked at PEI Munian for a few seconds. Then, she snapped her fingers. it's perfect.

The man was wearing a simple t-shirt and casual pants, which made him look tall and slender. His hat was slanted on his head, which added a touch of devilish handsomeness. Under the sunglasses, his fair skin and smooth and sexy jawline could be seen. His lips curved slightly, and his evil smile could easily hook the souls of countless women.

Su Wanwan looked at it and suddenly felt a little thirsty. She subconsciously swallowed her saliva and the next second, she said to PEI Munian, "Niannian, you'd better take off this set of clothes and wear something else."

".....?"

She was the one who forced him to wear the clothes, and now that he had put them on and dressed up, she wanted him to take them off?

Su Wanwan furrowed her eyebrows and looked conflicted. you're too handsome dressed like this. Why should I dress you up so handsomely for those women outside to see? You should just wear whatever you want."

PEI Munian suddenly didn't know whether to be angry or laugh. He took a step towards su Wanwan, reached out his hand, and pressed it against the mirror behind her. He lowered his eyes and smiled evily. Wanwan, I'll still look handsome even if I wear casual clothes. Of course, I'll look even more handsome if I don't wear them ~"

"How about we stay in the room today? I don't need to wear anything and you can look at me however you want!"

The light at the bottom of su Wanwan's eyes flickered and a faint blush appeared on her cheeks. She glared at him reproachfully and raised her hand to push him away. in your dreams. You should just go out in this.

Su Wanwan wriggled out from under his arm and quickly ran towards the door. come out if you're done. I'm going to find Yu Jia and Lingyu.

PEI Munian shook her head and laughed. This woman, ran ran.
