

## Deeply 901

901 Kneel down and call her Queen (1)

The sea water kept surging, and there were still many swimming figures on the surface, but Gong Lingyu was the only one missing. She was afraid that she was seeing things, so she looked at him seriously a few times, but she still didn't see him.

Yu Jia's heart skipped a beat. She had just kicked Gong Lingyu and he sank into the sea. Could something have happened to Yingluo?

That shouldn't be the case. From the way he swam just now, his swimming skills should be quite good. Moreover, her kick wasn't very heavy.

Yu Jia was flustered and couldn't think too much. She jumped back into the sea in a hurry and swam in the direction of where she was just now, searching around.

"Gong Lingyu! Lingyu!" She floated up and called out loudly a few times before sinking back into the sea, searching with wide eyes.

Finally, she saw Gong Lingyu's sinking figure not far ahead. She hurriedly paddled and swam over. Then, she held his chin with her arms and lifted her feet, bringing him to the surface of the water. She then looked at the beach and swam over.

She pushed Gong Lingyu to the beach with great effort. Yu Jia was already so tired that she was panting, but she couldn't care less. She knelt beside Gong Lingyu and pushed his body with both hands. She patted his face and shouted in a panic, "Gong Lingyu, wake up. Lingyu, wake up quickly!

Gong Lingyu didn't move at all. He just lay on the ground quietly.

Yu Jia placed her hands on Gong Lingyu's chest and pressed down on it. Then, she took a deep breath, pinched his nose with one hand, and lifted his chin with the other. She leaned down and transferred air into his mouth.

"Lingyu! Ling Yu! Quickly wake up, wake up!"

Seeing that he didn't respond, Yu Jia's tone became more and more anxious, and her eyes were filled with panic. She pressed his chest hard again and lowered her head to help him breathe.

People slowly gathered around and started discussing.

"What's wrong with this man?"

"Are you drowning? There's no response from the emergency treatment. Could he have already slipped away?"

"Do you need me to call an ambulance?"

Yu Jia could hear the discussions of the people around her. She was so anxious that her tears started to fall drop by drop. Gong Lingyu, stop playing. Wake up quickly. I know you did it on purpose to scare me. Wake up quickly!

“Didn’t you say you had something to tell me? Do you want to talk to me? If you die like this, would you be willing? Wake up and finish what you have to say!”

Gong Lingyu, don’t die. You can’t die and provoke me. I still have something to tell you! When she shouted this, she couldn’t help but cry.

hey, open your eyes quickly. Do you have to be beaten up before you wake up? ”

“Gong Lingyu!”

Yu Jia punched Gong Lingyu’s chest hard, and a low groan entered her ears. She was stunned and looked at Gong Lingyu with her dark eyes.

Gong Lingyu had opened his eyes, and his handsome face was full of smiles. Yu Jia, I only know now that you can’t bear to see me die.

Yu Jia blinked and looked at him with teary eyes. For a moment, her eyes froze.

The smile on Gong Lingyu’s lips gradually deepened. He originally only wanted to scare Yu Jia, but he didn’t expect to get an unexpected reward.

During this period, Yu Jia didn’t give him a good look at all. Every time, she wanted to draw a line with him and even pretended not to know him. It turned out that she cared so much about him, so worried about him, and so concerned about him!
