909 Kneel down and call her Queen (9)

As soon as they returned to the beach, su Wanwan was exhausted and didn't want to move at all. PEI Munian smiled and sat beside her, tapping her head with her long finger. with your little strength, you still dare to say you want to compete with me, huh? "

tsk, stop looking down on me. I'm on par with you. I hit you so many times!

PEI Munian's smile deepened. are you sure that's your strength? "

Su Wanwan was stunned and her black eyes widened slightly. what are you doing? did you pee on me? "

The man's lazy voice rang out. Instead of answering, he asked, " what do you think? "

".....?"

Su Wanwan was still extremely proud just now, but she was suddenly shattered by his one sentence, three words. She thought that she could finally redeem a little of the situation and restore her wife's dignity, but the result was that he gave in to her.

"You, you really make me feel bad!"

Su Wanwan sat up angrily and pushed PEI Munian hard on the beach. Then, she rode on his body, lowered her head, opened her mouth, and bit his neck hard.

"I'm going to bite you to death!"

PEI Munian did not struggle and let her bite her. Her eyes were full of gentleness and she did not forget to tease her. so, you can't afford to lose? "

"Can't afford to lose?"

Su Wanwan raised her head. Her beautiful big eyes were like black grapes soaked in water, crystal clear and extremely clear. He could clearly see the fire that was stirred up in her eyes. She pursed her thin lips, grabbed his collar with both hands and said angrily, " get up, let's continue fighting. I'm going to beat you to the ground and make you kneel under my skirt and call me Queen!

"Kneel?"

The light in PEI Munian's eyes darkened slightly. Some images flashed across her mind and her voice became hoarse. Wanwan, so you have this hobby? "

This hobby?

What hobby?

Su Wanwan blinked her eyes in confusion. However, when she met PEI Munian's malicious gaze, she suddenly thought of something. Her blood rushed up and her cheeks flushed red.

"PEI Munian, what nonsense are you thinking about again?"

"Whatever your brain is thinking is what my brain is thinking."

"I, I'm not thinking of anything! I'm not as perverted as you!" Su Wanwan retorted with a red face.

PEI Munian laughed. you're not me. How would you know what I'm thinking about? Wanwan, are you judging others by your own standards?"

Using oneself to measure others

Su Wanwan flew into a rage out of humiliation and punched PEI Munian hard. I didn't! I'm not talking to you anymore, you big pervert!"

Su Wanwan struggled to get up from his body and strode away. PEI Munian also got up and caught up with her in two or three steps. Once she put her arm around her waist, su Wanwan slapped his hand away. come over, I don't want to be associated with a big pervert.

PEI Munian looked at her blushing face and couldn't help but want to tease her. He hugged her again and moved his thin lips close to her ear, saying word by word hoarsely, " what's wrong? Don't You Want Me to kneel under your skirt and call you Queen? You don't need to beat me down, I'll be willing to kneel in front of you."

"PEI Munian, you're still talking. Shut up!"

Su Wanwan anxiously raised her hand to cover PEI Munian's lips, but she felt a touch of moisture sweep across her palm. The tip of PEI Munian's tongue brushed past her palm and she shrank back as if she had been electrocuted.

PEI Munian continued. Wanwan, I can't wait anymore. Why don't we go back to Hanhan now? "
