Chapter 91 What do you take me for (11)

“Lingyu Qianqian.”

“Wanwan, no matter what our relationship was, you’re already married to my brother. You’re Wanwan, my sister-in-law. It’s impossible between you and me, Yingluo, so I’m not investing in any personal feelings, only business.”

Gong Lingyu simply interrupted su Wanwan’s words and paused for a moment. He spoke in a teasing and probing manner, “ unless you still have any feelings for me, Yingluo.

Su Wanwan’s beautiful eyebrows suddenly furrowed and she snorted. Lingyu, this joke isn’t funny.

She did have a good impression of Gong Lingyu and had indeed thought that if she married him, she would try her best to fall in love with him. However, the moment she proposed to break up with him, she had already sorted out her feelings. After that, she married PEI Munian, so it was even more impossible for her to have any feelings for Gong Lingyu.

Although su Wanwan’s reaction was within Gong Lingyu’s expectations, his heart was still pierced by something and it hurt fiercely. However, it was not obvious on his face. There was still a frivolous smile on the corner of his lips. since there is nothing between us, then there is nothing to worry about, isn’t it?
”

“Besides, Wanwan, don’t you need this investment now? I’ll invest in you and you help me earn money. It’s a win-win situation. What’s wrong with that?”

He had to admit that su Wanwan’s determined heart was wavering a little by Gong Lingyu’s words.

Indeed, she needed an investment. Without an investment, the company would not be able to sustain itself. More importantly, she did not want to beg PEI Munian anymore. The more she loved him, the more she could not bear his mockery and humiliation. She wanted to get out of this situation as soon as possible.

And what Ling Yu said was right, the matter between them was already in the past, it had already been turned over. They were now discussing business and cooperation seriously, not involving personal feelings.

Wouldn’t it be the same if she talked to someone else or Ling Yu?

The more su Wanwan thought about it, the more her heart wavered. However, she still retained a bit of sobriety and didn’t agree immediately. Instead, she replied in a low voice, “ Lingyu, let me think about it, okay? ”

of course, think about it. I’ll wait for your call.

After saying that, Gong Lingyu added, “ Wanwan, I really hope to work with you.

Su Wanwan still politely refused Gong Lingyu's offer to send her home. She hailed a taxi and originally planned to return to the company directly, but she sniffed herself and realized that she reeked of alcohol. It wasn't appropriate to return to the company like this. She thought about it and then said to the taxi driver, " go to Jinxiu city.

At this time, PEI Munian should not be in the villa anymore. She could go back to take a shower, change her clothes, and go to the company.

The car arrived at the entrance of the villa. Su Wanwan paid the fare, got out of the car, and stood at the entrance of the villa for a moment. Then, she pushed the door open and walked in. Su Wanwan was about to change her shoes when she suddenly saw PEI Munian's tall and straight figure standing in front of the huge floor-to-ceiling window.

Su Wanwan's heart suddenly thumped, and her whole body couldn't help but tremble.

PEI Munian was still sobbing.

What would he do if he saw her come back with her clothes in a mess and reeking of alcohol?

Su Wanwan almost didn't dare to imagine the consequences.

Holding her breath, su Wanwan gently put on the shoes that she had just taken off and planned to sneak away. But just as she put on her shoes again, aunt Wu's voice suddenly came from the side, " young Madam, you're back? "
