

Deeply 916

916 Do you want me?(6)

Su Wanwan raised her eyes and looked over.

The man was dressed in a black suit, which accentuated his tall figure. He walked slowly towards her. Under the light, he looked extremely handsome. There was a faint smile on his lips, and the gentleness in his eyes was like the ocean behind him, able to drown people in it.

Su Wanwan's line of sight couldn't help but fix on his face, her black eyes facing his eyes.

His eyes seemed to be more dazzling and beautiful than the stars in the sky at this moment. He was like a god who had fallen to the mortal world, carrying a Fatal Attraction that made people unable to look away.

PEI Munian's lips curled up as he walked over step by step. He stepped into the big heart-shaped stone circle, walked towards her, and reached out his hand.

Su Wanwan seemed to have been bewitched. She slowly raised her hand and it fell on his palm. PEI Munian held her hand and held it. He took a few steps back and led her into the middle of the heart-shaped stone.

Su Wanwan looked around in a daze. Even though she had already guessed that PEI Munian might be giving her a surprise, she still couldn't help but be amazed and excited when she saw these things.

"Niannian, Yingluo, when did you prepare this?"

Hadn't he always been with her? When did he secretly prepare these things?

PEI Munian chuckled and said in a deep and pleasant voice, "In the afternoon."

"In the afternoon?"

"Yes, when you were asleep." PEI Munian said calmly, "I picked up 99 stones from the beach and slowly arranged them into a heart shape. This is my heart. Wanwan, do you see it?"

His heart was heavy.

"You ... You did this yourself?"

"Of course, the heart I want to give you must be made by me."

PEI Munian held su Wan's hand and pressed it against his chest. the heart you stole, I'm giving it to you now. It completely belongs to you. Wanwan, do you want to take it away?"

Su Wanwan lowered her eyes. She was obviously happy, but her nose was sour and a layer of mist floated in front of her eyes. She glared at him reproachfully and smiled: "Isn't your heart already mine?"

"Yeah, it's already yours!"

PEI Munian smiled. He took a step back, bent his knees, and slowly knelt in front of su Wanwan. He raised his other hand and his slender fingers held a ring. The diamond on it was shining with a dazzling light.

Wanwan, didn't you say that when I could accept you wholeheartedly, trust you wholeheartedly, cherish you, I'd put this ring on you again and we'd really start over? I'm ready now."

After a pause, he raised his eyes. His black eyes stared at su Wan's delicate and beautiful face. His thin lips opened slightly and he spat out word by word seriously and clearly, "Wanwan, this proposal that was so late for so many years, I wanted to tell you about Hanhan at that time.

"Su Wanwan, marry me. I love you. I hope we can be together for a lifetime."

Back then, he had wanted to tell her that he had spent almost all of his savings without hesitation to buy the ring from the first jewelry store that he had found in the entire city.

He wanted to put his entire self, his most sincere heart, in front of the woman he loved deeply, to tell her how much he loved her.
