918 Do you want me?(8)

PEI Munian stood up and hugged the woman in front of her. The corners of her lips curled up devilishly as she said in-flirtatious voice-“ Wanwan, shouldn’t we respond to the audience’s request? ”

Su Wanwan smiled until her eyebrows curved, like two crescent moons. Her beautiful big eyes stared at him for a second and said domineeringly: “Then what are we waiting for?”

She hooked her arms around PEI Munian’s neck, tiptoed, and took the initiative to kiss her.

PEI Munian was stunned for a moment, then a smile quickly flashed across her eyes. His little woman indeed didn’t know how to spell the word ‘reserved’, but he just liked Wanwan!

PEI Munian’s arms wrapped around su Wanwan’s waist tightly and she turned the tables and kissed her back.

Their lips intertwined and their breaths were hot. The two of them kissed each other deeply. All their emotions were in each other. They wished that they could be in each other’s company!

The people around them cheered, cheered, clapped, or whistled. Some even carried their guitars on their backs and started singing a love song.

Standing in the crowd, Yu Jia looked at the couple who were hugging and kissing each other in the heart-shaped stone circle. His eyes were full of emotions, some were emotional, and some were sighing.

No one knew better than Wanwan how much she loved PEI Munian and chased after him time and time again. She had been in despair so many times and thought that they were really going to part ways, but things had turned around in the end.

In the end, the heavens were still unwilling to break up infatuated lovers. It was great that lovers were finally together.

Seeing them break up and get back together, and finally being able to be together so blissfully, it made people believe in love and want to love it vigorously.

Gong Lingyu stood beside Yu Jia and watched them with his dark eyes. He had thought that it was impossible for him to let go, but it turned out that he could let go so easily. Seeing them so happy, the last bit of unwillingness and heaviness in his heart seemed to have disappeared.

Su Wanwan was the first woman he truly liked. Although her choice wasn’t him, he was still grateful to her. It was she who let him understand the taste of love and also she who let him understand the true meaning of love. She even let him understand that protecting was also a kind of love.

At this moment, he had truly let go of this woman, truly opened the lock in his heart, and let her out.

There was a second of emptiness in his heart, but he subconsciously turned to look at Yu Jia beside him. Looking at her quiet and beautiful face, his empty heart was suddenly filled with strangeness, as if something had quickly entered it.

His entire body trembled, and his eyes widened in disbelief.

He urged him to let go of su Wanwan so easily, to not be persistent, to be so relaxed. Could it be because he urged his heart to let someone else walk in unconsciously?

Then, was Qianqian Yu Yu Jia?

Yingluo, how is this possible?

He had always been Yu Jia's good brother. How could he have such strange feelings for her?

But if he didn't, why did he want to get close to her and be with her? why did he want to be by her side all the time?

A sound suddenly rang in his ears, and a huge flower bloomed in the sky. The fireworks were resplendent and extremely beautiful. Everyone's eyes were attracted, except for Gong Lingyu, who was still fixed on Yu Jia's face.
