

Deeply 920

920 Do you want me?(10)

Yu Jia's eyes widened in shock as she looked at the man in front of her. In the midst of the fireworks, his handsome face flickered, making it impossible to see the expression on his face clearly. Only his eyes were different from the past and his gaze that fell on her seemed to have a strange kind of heat.

Yu Jia subconsciously avoided his gaze and felt a little uncomfortable. She lowered her eyes to hide her strangeness, and then tried to shake his hand off.

However, his grip tightened and Yu Jia couldn't shake him off. She took a deep breath, looked up, and said coldly, "let go!"

She was really tired of Gong Lingyu's pestering. She hated to see him and hated that her heart was always wavered by him. She hated that in front of him, the calm and rational her seemed to have changed into a different person.

She didn't like to change, and she didn't like her emotions being controlled by others.

Yu Jia bit her lower lip and shot a cold glare at Gong Lingyu. She said word by word, "Gong Lingyu, I'm telling you, I hate you very much now. I hate you very, very much. I don't want to see you, and I don't want to continue being friends with you. If you really treat me as such an important and precious friend, shouldn't you consider my feelings? Even if I really don't care about that incident, it was still my Yingluo's first time. Do you think I'd be happy if you kept showing up in front of me and reminding me every day? Whenever I see you, I feel like I've let wind down. So, can you please disappear from my sight?"

For so long, no matter how much Gong Lingyu pestered her, she had never said anything harsh to him. At most, she would tell him to get lost and stop pestering her because she didn't want to make things too complicated and didn't want to expose too many of her thoughts. However, she couldn't bear it anymore.

She came here to relax and sort out her wrong feelings. She wanted to forget him completely and let him go. From then on, he would just be a stranger to her.

But? He was constantly pestering her, and not only was she unable to sort it out, but her heart was even more chaotic because of him.

What right did he have to ruin her life and mess it up so casually?

"I really don't want to see you at all!" Yu Jia bit her lower lip and spoke again, her words heavy and clear, without mercy.

Even though the surrounding noise was so loud, Yu Jia's words still reached Gong Lingyu's ears one by one. He couldn't help but loosen his grip on her wrist.

Did he not know that Yu Jia hated him so much?

That's right, he was worth hating. She said she didn't mind that night in bed and he really believed her. But for a girl, and it was her first time, how could she really not mind?

Perhaps he didn't really believe it, but was just trying to escape.

At that time, he didn't like Yu Jia and couldn't be responsible for her. Since she was free and easy, he would play dumb with her. He didn't expect that he had unknowingly hurt her without even knowing.

But even so, he still couldn't let go. Even if she hated him now, his feelings for her didn't decrease at all. Instead, they became more turbulent, surging and colliding in his whole body, as if he was looking for an outlet to vent.

"Yu Jia," His thin lips moved slightly, and an impulse made Gong Lingyu open his mouth. if I say Yingluo.
