PEI Munian raised her eyebrows and narrowed her black eyes. The light at the bottom of her eyes surged. Her thin lips slowly moved to su Wan's ear and she said word by word, "it's okay. You can just get on my bed.

".....?" Su Wanwan angrily threw a punch at him.

PEI Munian's hand accurately grabbed hers and pulled it to her lips. Her thin lips kissed the back of her hand and her voice was as gentle as water. alright, don't be angry. Are you hungry? I made breakfast for you as an apology."

"You made it yourself?" Su Wanwan's attention was taken away by his words and she said in surprise, "You can cook?"

PEI Munian's lips curled up into a smile, with her usual arrogance. what can't I do? "

Tsk, smug again! "Don't cook any dark cuisine."

we'll see whether it's a human delicacy or a dark cuisine when we try it later. PEI Munian replied, " go and wash up first.

Su Wanwan nodded. She wanted to take a step, but her whole body was sore and weak. She couldn't even walk. She couldn't help but glare at PEI Munian. look at what you've done. I can't even walk now!

"It's okay, I can walk. I'm your legs."

The man's low, hoarse and charming voice floated past su Wanwan's ear. He smiled and picked su Wanwan up horizontally. He strode towards the bathroom.

Su Wanwan leaned in PEI Munian's arms, stared at his handsome and extraordinary face, and said proudly, "You have to serve me."

"Alright," he said. PEI Munian answered without thinking. After a pause, he lowered his voice and added, " my lady.

Su Wanwan's cheeks, which had faded a little, turned red again because of his words. She was so angry that she punched him again. you're not allowed to say these words again!

Last night, while he was having sex with her, he had deliberately kept calling her " Your Majesty. now that he said those words, her mind couldn't help but be filled with those red-faced images!

She must have been out of her mind yesterday. Why would she want PEI Munian to kneel down and call her 'Queen'? he really did it last night and kept kneeling there and calling her ' Wanwan'.

How annoying!

"Yes, my Yingluo."

"You're still talking!" Su Wanwan's beautiful big eyes were round, full of anger and shyness.

PEI Munian chuckled. The lines on her handsome face softened and her brows were filled with gentleness and love. She then continued, pausing after each word, " my dear wife.

".....?"

Su Wanwan directly buried her face in PEI Munian's chest. She really didn't have the face to see anyone. This man was simply too bad!

After washing up, PEI Munian turned on the hot water and wanted her to take a hot bath to relieve the soreness in her body. He turned around and wanted to help su Wanwan take off her clothes, but she said in disdain, " I can do it myself, you go out.

"You can do it yourself?"

"Yes, I can't and can't let you stay here, you big pervert."

Su Wanwan pushed PEI Munian out of the bathroom and closed the door.

She couldn't let him help her wash. If she accidentally got into a fight while she was washing, her little life would be lost here. She couldn't afford to offend a man who had been absent for more than a year.

PEI Munian's voice could be heard from outside the door. I'll be outside. Call me if you need anything. Don't fall asleep in the bathtub, okay? "
