“Who is it?” Su Wanwan said suspiciously. She reached out to pick up the phone, her finger sliding on the screen and picked up, “ Hello, I’m su Wanwan. May I know who this is? ”

PEI Munian’s body slowly leaned against the back of the chair, her black eyes lazily looking at su Wanwan. She first frowned slightly, but quickly smoothed it out again, with a smile on her face. ah, it’s Jingting.

Ning Jingting?

PEI Munian raised her eyebrows. The light in her eyes flickered, but it disappeared in a flash and returned to calmness.

It was unknown what ning Jingting said on the other side, but the expression on su Wanwan’s face kept changing. The two people talked for about three or four minutes before she hung up the phone.

PEI Munian looked at her and asked, “ why did she call you? ”

Su Wanwan picked up a small tomato from the plate and put it in her mouth. She chewed and swallowed it before saying, “ He said he wanted to thank us for saving his life and wanted to treat us to a meal.”

“Oh?”

I didn’t want to agree at first, but her tone was too sincere and earnest. I can’t reject Qianqian niannian. You’ll come with me, right? ”

“I didn’t save her. I saved you.”

“Aiya, I know, I know, but didn’t I already agree to it? She said that we might not have the chance to meet again in the future, and she really wanted to treat us to a meal to thank us properly. She didn’t want to leave any regrets, so niannian Qian Qian, come and have a meal with me. ” Su Wanwan acted coquettishly and wrapped her arms around PEI Munian’s neck. She kissed his cheek. at most, I’ll reduce your time in bed for half a month.

“Half a month?”

“Uh, ran ran, add two more weeks.”

“What?”

“Three weeks?”

“All reduced!”

Su Wanwan couldn’t help but widen her eyes. niannian, you’re too ruthless!

“Then forget it! Go and have dinner with her. Let her thank you for saving her life.” PEI Munian stood up.

“Good, good, good!”

Su Wanwan pouted and hugged PEI Munian’s arm with both hands. She dragged him back to the chair and signed the unfair agreement helplessly. all the exemption is all the exemption.

After a pause, she added angrily, ” you profiteer!

“Thank you for your praise, Madam.”

The restaurant ning Jingting invited them to was the most high-end restaurant on the island. The chef was first-class, the environment was first-class, and the taste was naturally first-class. It was said that one had to make a reservation at least a year in advance to eat there, and it was difficult to make a reservation even if one had the money.

Therefore, the people who could eat here were not ordinary people.

Su Wanwan could roughly guess that ning Jingting was born into a rich family, but she didn’t expect that her family seemed to be more powerful than she imagined. Of course, she just sighed. After all, the man beside her was a real rich aristocrat.

Su Wanwan walked in with PEI Munian’s arm in her. The waiter respectfully led them to the reserved private room. Ning Jingting was already waiting inside. When she saw them, a touch of joy floated in her eyes. sister Wanwan, Mr. PEI Feifei, you’re here.

As she said this, her eyes swept over PEI Munian.

He was still as handsome as ever. The expression on his face was indifferent, but it carried an extreme seduction, making people want to explore the passion under his cold and distant exterior.

She had seen his gentleness before. It hit her heart directly, making her toss and turn in bed, unable to sleep.

Su Wanwan smiled and responded. PEI Munian only raised her head slightly and didn’t even look at her.
