955 Who's that on the phone?(1)

The phone rang a few times before it was picked up quickly. Assistant Wu's voice on the other end clearly had a hint of surprise. young Madam, why did you call? What's the matter?"

"Yes."

Su Wanwan replied softly, " it's nothing. I'm just asking. Mu Nian should be at the company this afternoon, right? " I want to send him some soup."

After all, PEI Munian was so busy. She was worried that if she went to the office, he would be socializing outside and they would not bump into each other. Thus, she called assistant Wu to ask about it.

I see. Young Madam, please wait a moment. I'll check boss PEI's schedule for today.

"Yes."

After that, su Wanwan heard the sound of someone flipping through pages. Less than a minute later, assistant Wu's voice sounded again. boss PEI has an appointment at two O 'clock this afternoon. He will be in the company before that. You can come over.

After a pause, assistant Wu added, " but young Madam, boss PEI has been very busy these few days. He might not be able to take care of you if you come over.

"It doesn't matter! I'm just there to deliver food, and I'll be back after that. See you later then."

After hanging up the phone, su Wanwan walked into the kitchen and asked assistant Wu to make two more dishes that PEI Munian liked to eat. It wasn't that she didn't want to cook personally, but with her cooking skills, it was better not to harm PEI Munian.

At about 11 O 'clock, aunt Wu finished cooking and su Wanwan put the food into the lunch box with her. She went upstairs to change her clothes and put on some light makeup. Then, she took her bag downstairs and picked up the lunch box. Su Wanwan went out, got in the car, and drove away.

When su Wanwan arrived, it happened to be the company's lunch time. There were only a few scattered people still sitting in their seats on the top floor of the office area. The others had all gone out to eat.

Su Wanwan walked over and saw that assistant Wu was still sitting in the president's office. She smiled, walked over, and placed the lunch box that aunt Wu had prepared for him on his table.

Assistant Wu was surprised,"young Madam, you're here?" This is a Kasaya?"

"Auntie Wu asked me to bring this to you. She said you've been working hard and should get some nourishment."

Assistant Wu smiled and nodded. thank you, young Madam, for your help.

"Where's mu Nian? Are you in the office?"

boss PEI is in the meeting room. He has a video conference. As assistant Wu answered, she raised her hand and looked at her watch. "It'll end in about 20 minutes."

“Okay, I’ll wait for him in the office.”

Su Wanwan lifted her feet and walked out. When she walked to the door, a ray of light suddenly flashed through her mind. She thought of something and quickly retreated back.

Assistant Wu was stunned. young Madam, is there anything else? ”

Su Wanwan nodded and said solemnly, ” assistant Wu, I know that mu Nian has been very busy recently. There’s a lot of work to deal with, but no matter how busy he is, he still needs to rest. So can you try not to call him in the middle of the night? it’s too affecting his rest. If there’s anything, we can talk about it during the day.

She had been resenting this matter for a long time, and she finally had the chance to complain to him.

I know you’re competent, but don’t be like this in the future. You need to rest too. Mu Nian needs to rest too, don’t you? ”

“.....?”

After assistant Wu heard su Wanwan’s words, she was at a loss, as if she didn’t understand what she was saying.

After half a second of confusion, assistant Wu said, ” young Madam, I’m ran ran. When did I call boss PEI in the middle of the night? ”
