Chapter 97 Deadlock (3)

Although su Wanwan was already very clear about every word Gong Lingyu said, it was still like a sharp arrow, stabbing straight into her heart. Su Wanwan's cheeks couldn't help but be stained with a touch of paleness.

Gong Lingyu's Black eyes stared at su Wanwan and he didn't give up trying to persuade her. Wanwan, if you're not willing to marry me, you can try to persuade me.

"I am!" Su Wanwan suddenly opened her mouth and interrupted Gong Lingyu's words.

Su Wanwan stood there, her dark eyes slowly turning and meeting Gong Lingyu's eyes. She slowly spoke, pausing after each word, " I married PEI Munian willingly. I didn't wrong myself. Is this answer enough? "

Gong Lingyu was stunned. His eyes widened in shock, and his voice seemed to have gone hoarse, unable to speak for a long time.

Su Wanwan didn't stay for long. She picked up her bag and left for the coffee shop.

—

Su Wanwan got into the taxi. The driver asked her where she was going. Su Wanwan casually said " go home " and the driver asked again, " miss, where is your home? "

Where is your home?

Su Wanwan suddenly couldn't answer such a simple question.

The SU residence was supposed to be her home, but after her parents passed away, she was more like a host there. Later, she married PEI Munian, and the villa in Jinxiu city should be her home. However, PEI Munian did not love her and did not treat her as his wife, so it was not her home either.

The world was so big, but she didn't even have a home. She couldn't even find a place to stay.

Su Wanwan closed her eyes and leaned against the back of the chair tiredly. Then, she said in a low voice, " master, you can drive around casually.

The car made a turn around the entire L city. Su Wanwan rolled down the window and a breeze blew in, bringing a trace of coolness.

Gong Lingyu's question unconsciously rang in her ears. He asked, " Why did she marry PEI Munian?

For what?

For concubine su, for the SU family, to live up to grandfather's expectations, Yingluo.

She had many, many reasons, many, many reasons, but she still could not lie to herself. The real reason she married PEI Munian was because she loved him.

Even though she had known from three years ago that PEI Munian did not love her and had hated her from the start, she was still silly and without a backbone. She could not help but love him.

Therefore, she did not lie to Gong Lingyu. She was willing to marry him and did not suffer any grievances.

Even though PEI Munian had given her so much pain and sadness, this was the only way she could get close to him and fulfill her love.

Su Wanwan wandered around until seven o'clock in the evening and returned home on time.

Ever since that night when she didn't return home and PEI Munian said those unpleasant words to her, su Wanwan had become the obedient and well-behaved young Madam of the PEI family. She went out on time and returned home on time. She would never stay outside for a minute longer. Then, when she faced PEI Munian, this financial backer, she was also well-behaved and sensible, and served her well.

When su Wanwan walked to the entrance, she saw PEI Munian's shoes and knew that he had returned. Her heart unconsciously hung up.

He didn't come back for a few days after she made him leave in anger. He's back today, Yingluo.

If she could, she really wanted to turn around and leave. Right now, she really did not want to face PEI Munian.
