PEI Munian got out of the car and went around to su Wanwan's side. She opened the car door, stretched out her long arm, unbuckled su Wanwan's seat belt, and then brought her out of the car.

The two of them walked into the house and changed their shoes at the entrance.

Auntie Wu walked out of the kitchen and said, "young master, young Madam, you're back. Have you had dinner?" Do you need me to heat up the food?"

PEI Munian thought that since su Wanwan was able to follow him to Xi Zhiwei's place, she must have left the house when she was on the phone with him. She must not have eaten anything. He nodded at aunt Wu. mm, it's hot. Also, pour me a cup of warm water.

"Yes, young master." Auntie Wu replied and went back into the kitchen.

PEI Munian and su Wanwan walked into the living room. PEI Munian brought her to sit on the sofa. Aunt Wu brought over a cup of warm water. PEI Munian took it and handed it to su Wanwan. drink some warm water to warm yourself up first.

Su Wanwan's eyelids lifted slightly but she didn't say anything. Instead, she took the cup and gulped it down. After drinking, she wiped the corner of her lips and heavily put the cup on the table, making a harsh sound.

"Can you tell me now?"

She had endured all the way until now, and this was already her limit.

PEI Munian raised her eyes and looked at su Wan. Seeing the uncontrollable anger on her beautiful face, a ray of light flashed in his eyes and disappeared in a flash.

His thin lips opened slightly and he said slowly, "Wanwan, I've told you before. I have no relationship with Xi Zhiwei.

This sentence again!

She had believed him before and didn't ask him anything, but after seeing this scene tonight, he still only said this one sentence?

"Niannian, this is your explanation? Are you trying to brush me off?"

Su Wanwan's lips twitched and a sneer unconsciously emerged from her throat. you said that you have nothing to do with Xi Zhiwei, then why did you go to her house and say that you would stay to accompany her? you just said that you have nothing to do with her. Can I believe you? "

Wanwan, there are some things that I can't tell you right now, but it's not what you think it is.

PEI Munian frowned. He didn't want to see su Wanwan's sad expression. He didn't want her to be sad, so he couldn't let her know everything.

I'll settle this matter as soon as possible. You don't have to worry about her, okay? "

The man's voice became gentle. His hand also stretched over and held su Wan's hand. His palm was very warm, but it could not bring her any warmth.

She slowly shook her head. it's like this every time. Every time you mention Xi Zhiwei, you're always vague. I really want to believe you, but you have to at least give me a reason to believe you!

Su Wanwan took a deep breath and continued, "I know that the person who always calls you in the middle of the night is not assistant Wu, and it's not about work. That Wanwan is Xi Zhiwei, right?"

PEI Munian did not expect her to mention this and was slightly stunned.

she always calls you in the middle of the night and in the morning. She calls you frequently, and you take a long time to answer her calls. She's already affecting us. Do you think it's possible for me to not take her to heart? "

"Niannian, what's the thing you can't tell me? If you have any difficulties, you can tell me, unless Yingluo doesn't have any."
