

## Deeply 982

982 The responsibility I want is to get married (8)

If it wasn't inappropriate, Su Wanwan really wanted to laugh out loud. Xi Zhiwei threatened PEI Munian to make a choice. That didn't give him a chance to choose at all. Moreover, wasn't it ridiculous to compare her with her?

It would have been fine if PEI Munian had liked her, but he had no feelings for her, only responsibilities. How could she say such a ridiculous thing?

However, what should PEI Munian do?

If he rejected her, she might really jump down with her crazy look!

She didn't care about what happened to her, but if she died because of PEI Munian, PEI Munian would feel guilty for the rest of her life. Just like how senior Xi committed suicide because of her, she would never feel good about it. She would also make PEI Munian worry about her for the rest of her life, and her conscience would be uneasy for the rest of her life.

However, if he agreed to her request, wouldn't PEI Munian have to divorce her?

Su Wanwan gritted her teeth. She felt a deep anger towards Xi Zhiwei in her heart. She said that she loved PEI Munian, but that was not love at all. If she really loved someone, why would she be willing to make things difficult for him?

A year ago, she was unwilling to let PEI Munian stay by her side to repay her kindness. She hoped that he would be happy, so she gave up on him and let him return to her. This was true love.

As for her, Xi Zhiwei, she even doubted if she really loved PEI Munian or if she still loved her self-righteous obsession.

What would PEI Munian do? Choose her and give up on her?

Su Wanwan subconsciously swallowed her saliva and looked nervously at PEI Munian in front of her. He was silent for a long time, so long that she began to feel uneasy.

She knew in her heart that even if he said he would choose Xi Zhiwei, she could not blame him. Moreover, if he said he would choose her, it was the right thing to do to calm her down and make her give up on suicide.

However, once PEI Munian started to compromise, Xi Zhiwei would become an eternal obstacle between them. If she could make a scene and commit suicide once, she could do it again until she completely trapped PEI Munian by her side.

She had always known that her niannian was a person who valued relationships and responsibilities. He looked very cold, but in fact, he was very persistent in his feelings, whether it was for her, his parents, or his brother. So, he had never really abandoned Xi Zhiwei because he had responsibilities.

However, what would he do if this responsibility became an obstacle between them? Would she still choose her without hesitation? He was as determined as he was in front of his parents!

Time passed by minute by minute. Su Wan's heart was hanging higher and higher. She didn't know what answer she wanted to see, but if PEI Munian wanted to give up on her, she would definitely be very sad and sad.

Finally, PEI Munian made a move. He did not answer Xi Zhiwei's question but walked towards her.

Su Wanwan stood rooted to the ground and stared blankly at PEI Munian's gradually disappearing figure. Her black eyes widened and her pupils couldn't help but contract. She couldn't believe it. PEI Munian was really going to choose Xi Zhiwei?

Seeing PEI Munian walking towards her, Xi Zhiwei could not help but smile. She knew that PEI Munian would not bear to see her die. Otherwise, he would not have tolerated her for so long. He was finally coming to her side, right?

Xi Zhiwei unconsciously reached out her hand to PEI Munian and called out to him in a hoarse and soft voice, " brother Munian.
