988 She's changed for the better?(4)

Her whole body was controlled by that indescribable feeling. Su Wanwan wanted to struggle but couldn't break free. He was neither fast nor slow. He just didn't want to give her a quick death. Su Wanwan's head shook and her voice was hoarse, with a trace of pleasant pain, "I don't know Huahua.

She didn't know what to say.

"You don't know? It seemed like he still didn't feel it? Since that's the case, I can only wait for you to feel it."

PEI Munian suddenly stopped moving completely. She leaned on su Wanwan's body and kissed her again and again with her thin lips. It was light, as if a feather was brushing over it. It was itchy and unbearable.

And when he stopped like this, not only did su Wanwan not feel any better, but she felt even more uncomfortable, as if something was gnawing at her, scurrying around in her body, wanting to rush out.

Su Wanwan couldn't help but open her eyes and punch him angrily. hurry up and clean up.

PEI Munian raised her eyebrows slightly, a teasing look flashing in her eyes. hurry what? "

Her pearly white teeth bit her lower lip hard. Su Wanwan stared at him uncomfortably. Her beautiful big eyes were covered with a layer of mist and her pink cheeks were particularly charming.

Seeing her like this, PEI Munian almost couldn't hold it in anymore. No matter how familiar she was with this woman, she was always unconsciously bewitched by her and couldn't struggle.

Hot sweat slowly seeped out of his forehead and dripped down. His breath sprayed on her face. There was a look of endurance in his eyes, but he still didn't want to fulfill her wish. Wanwan, if you want me to hurry up, answer me.

Although it wasn't the first day she knew that this man was bad, su Wanwan still hated his bad behavior at this moment. Every time he deliberately teased her, she opened her mouth in anger and embarrassment and bit PEI Munian's lips. However, he easily took back the initiative and kissed her back deeply.

Su Wanwan's consciousness gradually blurred and her rationality gradually lost. She didn't know anything and could only feel the unusually hot thing in her body. It was so hot that her whole body was unbearable. She could only nod hard and nod again. I feel it.

"Eh? Say what? Your voice is too soft, I can't hear Yingluo."

I can feel it. I said I can feel it. Hurry up! Su Wanwan screamed. In the end, her voice was almost hoarse with a trace of crying. Her hands clenched his shoulders tighter and tighter, and her nails scratched his back.

The smile in PEI Munian's eyes deepened. All her endurance disappeared and turned into a storm that swept everything away.

“Alright, I’ll give you some.”

The man’s voice fell, and his large palm clasped her waist, sending himself into her body, and the two became one.

After a long time, everything slowly calmed down. Su Wanwan lay there, her body spasming slightly. Her mind was blank, and her whole person was light as a feather. She didn’t know what day it was.

PEI Munian laid on top of her and looked at su Wanwan’s beautiful and exquisite face. She affectionately kissed her between the eyebrows and slowly withdrew from her body.

The two of them lay on the bed and panted. They slowly regained consciousness.

PEI Munian got up and carried su Wanwan, who was sore and weak all over, to the bathroom.

After the hot water was turned on, PEI Munian held su Wanwan and sat in the bathtub. The hot water soaked their bodies and made people sigh. Su Wan leaned against him, quiet and well-behaved like a kitten.

PEI Munian saw that she had finally escaped from tonight’s horror. She lowered her head and kissed her cheek. are you feeling better now? ”
