PEI Munian raised her hand and rubbed su Wanwan's head. She leaned over and kissed her on the lips. see you at noon then.

"Alright!"

Su Wanwan couldn't help but kiss PEI Munian back, making him smile. if you're like this, I can't bear to let you out of the car.

Su Wanwan reproached him and pushed him away. She unfastened her seat belt, pushed the door open, and got out of the car. She stood outside the car and waved at PEI Munian. let's go.

"You go first, I'll watch you go in."

Su Wanwan smiled sweetly, then turned around and walked towards the hospital step by step. When she reached the door, she subconsciously turned back and saw PEI Munian sitting in the driver's seat with a faint smile on her lips. Her eyebrows were full of gentleness and her heart was as soft as water.

She smiled and waved at him again, mouthing, " let's go.

The man smiled and finally retracted his gaze. He started the engine and stepped on the accelerator. The car slowly merged into the traffic.

After returning from the Maldives, su Wanwan only contacted Yu Jia on WeChat. However, she didn't expect that her mental state wasn't very good. She was in a daze and couldn't help but look at her worriedly. Yu Jia, are you okay? "

"Would you be like this if you're fine?"

Su Wanwan stared at Yu Jia suspiciously, her face full of disbelief. tell me, what happened? " Was it related to Ling Yu? I remember that Dr. Xu also went to the Maldives. Did Ling Yu and Dr. Xu get into a fight?"

Yu Jia shook her head weakly, her face full of distress. the ones who should be fighting should be Gong Lingyu and me!

“What happened to Yingluo? I’m dying of curiosity to know what you’re talking about.”

“Let’s not talk about this for now. I’ll take you for a checkup first. We’ll talk after the checkup.”

She and Yu Jia returned to Yu Jia’s clinic. Yu Jia poured her a cup of warm water and said, “The results will be out later, but don’t worry too much. I don’t think there’s a big problem.”

“Yes.”

Su Wanwan picked up the disposable cup and took a big gulp. After swallowing, her black eyes fell on Yu Jia’s face and stared at her closely, “You can tell me now, right?”

Yu Jia lowered his eyes, and a complicated light flashed in the bottom of his eyes. He subconsciously crossed his hands and said in a deep voice, “Wanwan teased me, I’m pregnant.”

Su Wanwan was drinking a second mouthful of water. When she heard Yu Jia’s words, the water in her mouth spurted out. what? ”

She used to think that Yu Jia and Dr. Xu’s progress was too slow, and they only kissed each other on the forehead after being together for so long. Now, they had a child in just over a month?
