Defying Fate: The Unstoppable Eileen Chapter 17

Chapter 17

“Are we still waiting for Hubery and Kaleb Bblythe asked at this point.

The production team said, “Hubery’s flight won’t arrive until tonight, and as for the last quest, he he’s already here”

They pointed, and everyone looked over, very surprised to see Egbert, who had just come through security

“Wow, it’s Mr Reed

The comments were also very excited.

Kenleys here, and so is Egbert, double good news!]

Kenley is a fan of Mr. Reed. He’s meeting his idol

came for Egbert someone said he wont be in this episode who spread that rumor]

To the person above its probably not a rumor. They said that Kaleb hasn’t fully recovered since leaving the hospital and wasn’t fit enough to be in the program, so Egbert will probably be appearing for another episode or two]

Cving Egbert look at mel

Egbert walked over with his suitcase and Josiah and Bblythe hugged him.

Egbert hugged almost all members. When he saw Kenley extending his hands, he ignored Kenley and asked Josiah, ‘Am I late?’

Kenley was taken aback, but no one else noticed this small incident, since Phyllis and Eileen didn’t hug each other either

“No it’s just starting now” Josiah said.

At this point, the production team began to lay out the rules for the second episode. Again, it was 100 travel funds, stay for three days, visit five attractions

Phyllis immediately said. "But there are seven of us this time, why is the budget even less?"

There is a difference in exchange rate between 100 dollars and 100 euros. If you really calculate it, the budget for this time is indeed much less

The production team calmly said, "These are the rules, or do you want to kick out the guests?"

You guys are too bad After Phyllis complained, she looked at Eileen.

Everyone else also looked at Eileen

Eileen glanced at them, smiled coldly. "Now you remember me?"

Bblythe couldn't help laughing patted Eileen's shoulder, "Kenley is a new friend, we naturally are a bit enthusiastic, are you jealous?"

"Bullshit" Eileen walked up to the crew without expression to get the money

The crew gave her the money, Eileen pulled her suitcase and walked straight outside.

Everyone else followed obediently

Kenley and Phyllis were last, Kenley asked, "I thought Travel Concierge's job was to take care of our daily life, didn't expect him to be the team leader"

Phyllis immediately lowered her voice vigilantly, seeing that Eileen in front didn't seem to hear, she relaxed, "You should never say this in front of her, or she will get

angry

Kenley raised his eyebrows. "I heard she's pretty fierce?*

“She’s not just fierce, she’s a tyrant! She’s the kind that hurts people at the drop of a hat!” Phyllis exaggerated, then warned, “No matter what, you must not provoke her. Once you upset her you’ll be in endless trouble, didn’t you watch the last episode?”

Kenley shook his head with a smile, “I’ve been on the mad a lot lately”

Phyllis nodded, “I understand. You’ve been very popular lately, anyway, you must not provoke her. She’s very petty and will take revenge on you.” Kenley chuckled, obviously he didn’t take this to heart. Him being retaliated against in the live room? He didn’t believe Eileen had the courage.

They were led to a bus stop

Soon, they got on a bus

Switching buses, and switching again, Phyllis felt dizzy. “How many more times do we have to switch?”

Eileen calmly said “Just follow along, don’t ask too many questions

Kenley raised his eyebrows, didn’t expect Eileen to be so rude to Phyllis in front of the live camera.

As the rumors said, she’s a spicy one

Kenley didn’t know much about Eileen, he just heard from his manager before he came that Eileen was very beautiful, but had a lot of bad rumors. The rumors said

she was a loose woman

But Kenley didn’t care about that, he’s been very busy lately, working hard every day, he hasn’t relaxed in a long time. This time he came to this travel variety show as a guest, Kenley considered it a vacation. Since it’s a vacation, having sex with a beautiful woman is also relaxing.

Kenley didn't believe he couldn't chase Eileen. She was just a small star with a lot of bad rumors, and he was a rising top star, many women wanted to be with him. If it weren't for his manager being strict, he wouldn't have to endure so much

Thinking about this, Kenley occasionally glanced at Eileen, who was sitting in front of him looking at her phone, and sometimes a smile appeared at the corner

his mouth

But what he didn't notice was that behind him, a pair of eyes were also looking at him, giving him a cold look. They sat on the bus for an hour and a half, and finally arrived at a somewhat inconspicuous and remote small inn. The Inn was cheap. They rented two rooms, a total of thirty dollars.

The small inn was quite clean, one room for the guys, one for the girls.

It was still early, after they put down their luggage, Eileen directly said, "We'll go to one of the attractions this afternoon."

Although everyone was a bit tired, no one objected.

Eileen had been checking the route on her phone on the bus, and she had already planned the itinerary for the next three days.

Before setting off, everyone gathered, but Kenley was still not down, Eileen was getting impatient, "I'll go check."

Egbert was sitting on the sofa in the lobby on the first floor, hearing this, he frowned, watched Eileen walk towards the elevator, and got up from the sofa.

"Mr. Reed, where are you going?" Josiah asked

"I forgot my phone." Egbert said, walking towards the elevator, but saw that the elevator Eileen was in had already gone up.

Eileen stopped at the door of the boys' room, knocking on the door.

The door was quickly opened, and Kenley, who was only wearing a pair of underwear, was the one who opened it.

The live cam was downstairs, they didn't have one up here.

Eileen was frowning at Kenley's antics, her face quickly turning frosty "We're ready to go, what the hell are you doing?"

Kenley was fit, with quite the six-pack. He smirked a little, checking to make sure no one was behind him before grabbing Eileen's arm and pulling her into the room. When Egbert stepped out of the elevator, the hallway was deserted

He squinted, moving to the boy's room and knocking gently

But there was no sound from the other side.

Egbert frowned, unsure if Eileen was in there

Kenley ignored the knocking at the door, effortlessly pinning Eileen against the door with one arm, trapping her in his manly embrace. His other hand was making an attempt to touch her chin.

Eileen jerked her head away, looking at him coldly. "Are you looking for trouble?"

A full-blown smirk crossed Kenley's face, a hint of rakishness in his eyes. "Stop playing coy, I think you're pretty. How about we have a little fun?"

"Fun?" Eileen looked at Kenley, a slight smile playing on her lips. "What kind of fun? Are you thinking of playing some touchy-feely games that only adults play?"

Touchy-feely... Kenley couldn't help but burst out laughing. Seeing Eileen's cooperation, his voice grew even deeper and more enticing. "Yes, I want to... touchy-feely with you."

get

Eileen's eyes curved slightly. "Alright"
