

## Desperation 114

### Chapter 114

However, the next second, Jaden squinted condescendingly at Frankie, who was blocking the road.

“Frankie? I’ve never heard of you.”

Frankie was stunned upon hearing this, and his smile suddenly froze, looking funny.

In fact, Jaden had heard of Frankie and knew that he was Ashley’s eldest brother, but he couldn’t stand how Frankie had bullied

Ashley before, so he deliberately mocked him.

Frankie looked embarrassed. Then he thought Jaden was the founder of Glory Youveile and rarely came to Zyrrinthia, so it was

normal not to recognize him. So, Frankie shifted his gaze to Jessica.

Jessica understood Frankie’s meaning and nodded slightly. She looked the assistant beside Jaden and smiled gently. “Damon, I

contacted you yesterday. Now that Mr. Walter is in Zyrrinthia, we’d like to offer our warmest welcome and treat him to a meal.

Can we have this honor?”

Damon whispered to Jaden, “Mr. Walter, this is Jessica.”

Jaden frowned, “Jessica?”

He didn’t know Jessica.

Damon lowered his voice and said, “She is my college classmate, and she said she wanted to make acquaintance with you.”

Jaden had a good relationship with Damon. He heard what Damon said. and turned to look at Jessica.

Jessica saw his gaze and was pleasantly surprised.

Frankie was excited when he noticed that Jaden’s attitude toward Jessica was different.

He thought, Jessica is capable and can strike up a conversation with Jaden!”

Jessica took the opportunity to introduce, “Mr. Walter, Frankie is my eldest brother. We would like to treat you to dinner. We won’t

delay you for long.”

Jaden heard this, and the gentleness on his face suddenly disappeared. He sneered.

He thought, Jessica turns out to be Frankie's sister. She is also the one. who bullied Ashley. That bad woman!

Frankie didn't know why Jaden's face suddenly turned cold.

Jessica didn't understand what happened. She thought, 'Did I say something wrong?'

Frankie couldn't help but ask, "Mr. Walter, the Ramos Group's clothing. brand was expelled from the Millein Fashion Association

a few days ago. Could you please tell us the reason?"

Jaden glanced at him, his cold gaze tinged with a hint of sarcasm. "The Ramos Group's clothing brand is just a low-end brand.

You were lucky enough to join the association. Isn't it normal to be expelled?"

His words dumbfounded the surrounding reporters. They looked at each other in confusion.

They thought Jessica knew Jaden's assistant and could befriend Jaden. But now, it seemed that was not the case.

Jessica bit her lip in embarrassment and took a step forward. "Mr. Walter, we don't mean to waste your time. We just want to

have a chance to talk. with you."

Jaden was stopped again, and his face turned even colder, especially. when he saw Ashley waiting for him not far away and

seeming to be impatient.

yawned

Ashley saw Jaden standing at the exit for a long time. She yawn impatiently.

Jaden saw this and immediately ran over.

He couldn't let Ashley wait for him and be anxious.

Jaden ran away, and Damon also ran after him.

Those reporters saw this scene and were a little stunned.

It was rumored that Jaden came from an aristocratic family and was a respecter of proprieties. Why did he run away in such a

hurry in public?

Frankie frowned.

Jessica comforted and said, "Frankie, don't worry. We will meet Attelia. Mr. Walter hurriedly left because he must have

something important to do. We can talk to him much today, which is already a good start."

Frankie nodded. Jessica was right. It was good enough to talk so much Jaden just now.

However, halfway through Frankie's nodding, he stopped stiffly. He stared in a certain direction in surprise.

"Frankie, what are you looking at?"

Jessica was confused and followed Frankie's gaze. The next second, she was also stunned.

She saw Jaden, who had just run away in a hurry, running toward Ashley.

Jessica gritted her teeth. She still had a fluke, thinking Jaden just passed by Ashley. Yes, it would!

But the next second, Jaden ran to Ashley and stopped. He smiled, open his arms, and wanted to hug Ashley, but Ashley stopped

him in disgust. and refused to let him hug her.

Frankie and Jessica were shocked.

The surrounding reporters were all dumbfounded when they saw this.

scene.

Jaden ignored etiquette and ran over in a hurry to go for Ashley!

Those reporters suddenly remembered another thing.

Ashley just said that she was there to pick up someone. So, the person she picked up was...Jaden, the founder of Glory

Youveile!

Oh, dear! How could these two people know each other?!

Those reporters caught the big news with their acute insights. They immediately ran over and asked questions.

"Ashley, What is the relationship between you and Jaden, the founder of Glory Youveile?"

"You seem to have a good relationship. Have you known each other for a long time?"

"Ashley, are you and Jaden friends or lovers?"

Jaden heard these questions and raised his eyebrows. His blue eyes were

as charming as the sea. "Ashley, she is my...dream girl."

As he finished his words, the surrounding reporters were shocked again.

Jaden's family was one of the top ten noble and oldest families al What was more, he was the founder of Glory Youveile, a world-

fai luxury brand.

But he said that Ashley was his dream girl.

It was surprising.

Some people whispered, "So, Jaden, whom Jessica and Frankie tried so hard to make friends with, is Ashley's friend?!"

"Just now, Jessica said that she knew Jaden's assistant. I thought her connections were wide enough, but now, she is

completely worthless compared to Ashley."

"Ashley, how did you and Jaden know each other? Is this question. convenient for you to answer?"

Ashley heard the words "dream girl" and glanced at Jaden warningly.

Jaden immediately changed his words. "Okay, okay. I won't call you my dream girl. Just my friend, okay?"

Compared with the indifference he treated Frankie and Jessica, his flattering manner was totally different from that just now.

Those reporters were surprised.

Sure enough! The relationship between Jaden and Ashley was special.

It wasn't until Ashley and Jaden left the airport that Frankie came to his senses. He stared in the direction where Ashley was

leaving.

He tried hard to curry favor with Jaden, but Jaden was obedient and flattering to Ashley.

Frankie thought, 'How did Ashley know Jaden? That damn girl!'

The scene between Ashley and Jaden was posted online by reporters. It instantly drew the attention of netizens.

[Could Ashley have worked in Glory Youveile before and met Jaden?]

Ashley drove Jaden and Damon to a villa.

After entering the door, Ashley said, "Jaden, it will be inconvenient for me to pay you a visit if you stay in a hotel, and the public

will

misunderstand our relationship if we are caught on camera. This villa vacant, and you can stay here for now!

Jaden understood. "Is this your villa?"

Ashley nodded. "I've already asked someone to clean it. I'll buy whatever is missing."

Jaden immediately rushed over and wanted to hug her. "We haven't seen each other for a long time. Let me hug you..."

Ashley stretched out her arm and warned him with a serious look. "Stop.

Don't come over.

Being refused again, Jaden looked depressed.

Ashley was about to take Jaden to have dinner when her phone chimed. She received an email.

Ashley clicked it casually. After checking it, she smiled brightly.

But Jaden felt that her smile looked dangerous.

"What is it?" Jaden asked.

Ashley showed him the screen and said in disdain, "An annoying man wanted to make an appointment with Attelia."
