

CHAPTER THIRTEEN

Unknown POV

Right after the paparazzi took mine and my partner's picture, I was a car drive in. I instantly knew who it was by the plate number. Moreover he likes driving his SUV when he goes for a serious meeting. So I wonder what business meeting he has on valentine's day. Just then, Blake stepped out of the car with a young woman. Hmm!!! Interesting. The chauffeur went to park the car and they went hands in hands into the restaurant. He came with a date for valentine? No, this is either bad or good. He has never taken a girl out for valentine in like forever. Who could this lady be? I mean who is she to get the almighty Blake on his feet and take her out for valentine. She must be someone precious to him. They were getting photos clicked. The reporters did the right thing by coming here today, this news is going viral.

He said something to her. Maybe he was telling her to lighten up because she didn't look like the type that enjoys the spotlight. She is gorgeous though. We should not leave out the dress, it is the best of the best. Her red gown which compliments her body gure which looks like that of a model. Just the right woman Blake goes out with. I give her ten out of ten.

She said something but loud enough for only Blake to hear and she started posing and smiling for the pictures. What she did to Blake next was unexpected. She kissed him on the lip. Though it was a light kiss but the fact is that she kissed him on the f****g lips in front of this whole people and the numerous camera, she's got a bold front. It is like she is telling the world that this is my man so stay clear.

I was taken a little bit aback. I mean, Blake's a playboy and he dates women meant for the streets but I think this woman is a whole lot different from the former women he had. It is like she is in control this time. No woman have ever summed up the courage to be like that with Blake but she kissed him right in front of the crowd. Even the crowd was shocked. Just as she was about to withdraw, he pulled her back. He pulled her lips back and deepened the kiss. I guess she is not contemplating on either to continue with the kiss or just break it off. She kissed him back. The paparazzi kept taking pictures of them. When they felt like that was enough pictures and videos taken, they stopped the kiss and they left the red carpet. You might be wondering why there is a red carpet in front of the restaurant. Like I said earlier, today is valentine and due to the fact that this restaurant is a popular and expensive restaurant, it is only normal for the reporters to be here so they can have a very good story to write because celebrities and all other prominent people will be coming here. Also there is an event going on inside which everyone present must participate in. They went inside the restaurant and sat at a table far away from mine. I decided to let the couples be and just tease Blake later. Like man, what the f**k? They took the VVIP eating lounge. Classic Blake. I like being on the VIP lounge. I don't play too rich for the ladies I date.

"Good evening ladies and gentlemen." The MC said into the mic.

"Good evening." People replied to him.

"Today, we are playing how much I know her." The MC said again. This game is only for men.

"Who is going rst?" he asked no one in particular and no one answered him.

"It will be only fair if table 1 goes rst." The MC said and called up the guy on table 1.

They asked questions like: When is her birth month? What is her best colour? What is her favourite meal? What is her favourite ower? Her best quotes, her dos and don'ts etc. Originally, the lady would be called up to write down her answer before the guy is called up to answer them. Some lost and some won. I don't know but I think it showed how weak their relationship is. It got to Blake's turn. It is time to know the truth. I need to know how serious he is about this woman, so before the MC called them to the stage, I wrote down some different questions that the ones we nd by looking into someone life or the ones we nd in a resume and I sent it back to the MC. Heads up, I play the relationship game because I can't afford to be seen. The MC was a little bit hesitant in calling Blake up, yeah Blake is mean but he eventually did call him up.

"Mr. Blake can you please come up, it is your turn." The MC said.

Blake and his date had a little conversation. I don't know but it seemed like the lady is hesitant to come up to the stage. He took her hands anyways and they stood up and went to the stage. They both look worried though.

"I don't wish to answer any question to prove that I know my girlfriend well." Blake said. Girlfriend? I don't know how I feel about the sound of that. That word just doesn't sound well with me. Blake has never ever called his dates girlfriend. Wow!

"What do you want to do now sir? It is a must you do something here sir." The MC said.

"I will read her a poem." He said. I was as shocked as the crowds were. What? A poem? Why would he read anyone a poem? And a poem is not much a bad idea for people to know how much seriousness he is putting in this relationship of his. This couldn't get more exciting.

"I prepared this poem for you and it has been a very long time now. I was going to say this poem to you after we are done here but I gured saying it in the crowd will make you feel much more special." He said with sincerity in his eyes. The crowd awed. I cringed up at Blake's words. Can't he nd better lines? Those lines are cheeky.

"No matter where you say it darling, I will always feel special." She said back to him. I almost gagged at her words. The crowd stayed silent so I guess this is his cue. Then he started.

Love is in the air every sight and every sound

Love is in the air, in the rising of the sun

So far, every moment we've spent together has been awesome

But I promise you, that the best is yet to come

Since the time I've met you, I cry a little less

Laugh a little harder and smile all the more

Just because I have you, my life is a better place

Every day with you is a wonderful addition to my life's journey

You're my paradise and I'd happily get stranded on you for a lifetime

Just when I think that it is impossible to love you

Any more than I already do, you prove me wrong

If someone asked me to describe you in just two words, I'd say *UNIQUE DAISY*

Love is in the air everywhere I look around

Love is in the air, when the day is nearly done

And I don't know if you are an illusion

Don't know if I see truth

What on earth did I think about all the time before you?

If loving you was a job, I'd be the most deserving, dedicated, and qualied candidate

In fact, I'd even be willing to work for free!

Your smile is literally the cutest thing I've ever seen in my life

Love is in the air, in the whisper of the tree

Love is in the air in the thunder of the sea

Don't know if I feel safe

But it's something that I must believe in

If only you knew how much those little moments with you matter to me

You do a million little things that bring to joy to my life

I know fairy tales come true because I have you

There are only two times that I want to be with you: now and forever

My six word love story: I can't imagine life without you

Love is in the air, I see you everywhere

Love is in the air, I don't know what is and what's not

I don't know what it is, but I am sure

If nothing lasts forever I will be your nothing

Throughout the time he read her this poem, I felt like this is not Blake. The sincerity of love that was laced through his voice is much more than some real couples or couples who have been in love for years. Immediately, she stood up from the couch and walked up to him with tears in her eyes. What she did, I never expected it. She kissed him AGAIN. What is up with her and kisses? She deepened the kiss this time. This time, they kissed passionately. I don't think he is in his right mind but when he gets better, he might regret this and I will make sure to tease him as hell with this. One thing though, he didn't initiate the kiss both times so she will be so embarrassed. I smiled. The crowd awed and stood up to cheer for them. Am I in a dream because Blake looks like he is in love. No, he is in love. They went back to their lounge and ate and had small chats. You have got to be kidding me. Today, I felt like I was the third wheel in Blake's date even though I was not in the date. I ditched my date but I couldn't care less since I have some many other people to go on dates with. Blake has got some explanation to do the group. Note, I am not a friend to Blake. I am people's worst nightmare. I would not be doing some explanation on that because trust me, you don't want to know who the hell I am. All I can say is that I AM YOUR WORST NIGHTMARE. I am no simple person though I look simple. I smiled.

"Look into that woman Blake was with tonight. I need to know who she is." I said to my right hand man. She doesn't know what kind of person she is involved with.
