

Ditsy Wife 1001

Chapter 1001 She actually thought of divorce

When they reached the door, Hu Yinghong turned around and asked Gong Bai, "The Yu family, ran ran."

...

"You don't need to worry about it!" Gong Bai glared at them and said, "you don't have to worry about it! On the day of the wedding, he could just use himself as a prop! I don't want to see you guys during this period of time. I hope you guys know your place and don't cause me any more trouble, let alone bother the Yu family. Whoever makes me unable to get married, I'll cut off all ties with him for the rest of my life!"

alright, alright, alright, Wanwan! Hu Yinghong hurriedly ran off.

When he went downstairs, he saw Gong Gong's car. It was still Gong Jin who was driving. His third uncle and third aunt were resting in his residence.

After getting in the car, Chi Fei asked in exasperation, "Didn't I tell you to be more obedient? why are you ..."

"How would I know they were so unreasonable?" Hu Yinghong said gloomily, "I just tried to sound them out a little, but they didn't give me any face at all. I'm really worried that your brother will be suppressed after he gets married. He might as well marry an ordinary person. What's so good about being a rich young lady?"

what are you testing me for at this time?! I really don't want to care about you guys! Gong Mao roared.

Gong Jin glanced at them from the rearview mirror and didn't speak.

I really don't know what the aunties are thinking! He still wanted to suppress Yu Xinran? Even if she married a man who was the president, she would not have to suffer the anger of her mother-in-law because of her powerful family and relatives!

He felt that with his uncle and aunt's tormenting ways, it was fine if they didn't become enemies with the Yu family, but he was afraid that Yueyue wouldn't be able to cling onto them. He had better retreat!

After a moment of silence, Hu Yinghong asked, "Then, Qianqian, why don't we go to the Yu family and apologize?"

"What are you going to use to apologize?" Gong Mao helplessly took a deep breath. Stop it! We'll talk about it after they get married! What if you really can't get married now?"

Although Yu Xinran didn't like her, she would definitely benefit from the marriage in the future. Where else could Gong Bai find such a good marriage?

.....

Gong Bai called Yu Xinran and apologized.

Yu Xinran felt very tired. She said, "I hope that the wedding can be held safely. After the wedding, they won't come and bother us."

"Don't worry," Gong Bai promised, "I'll send them back to Nanjiang as soon as possible. I'll ask them to come again during the wedding. I'll send them back after the wedding. I won't let them stay and bother you."

"I'm afraid that Yingluo and the others will request to live together." Yu Xinran said.

Gong Bai was stunned. That kind of situation was very likely to happen.

"Don't worry, I won't let them do that," he said, gripping his phone tightly.

Yu Xinran sighed, "good Yingluo, I'll believe you for now." If they're too annoying, I'll go home."

"I'm sorry, Yueyue." Gong Bai said in a low voice, " they agreed to it before. I didn't expect them to suddenly-"

"It's alright now. I don't believe that they've suddenly changed. Rather than making things difficult for me after we get married, it's better to make things difficult for me now. My parents also know what kind of people they are, so they will plan ahead."

For example, he asked Gong Bai not to live with his parents after marriage.

Yu Xinran also had her own thoughts-if Hu Yinghong and uncle Gong were still like this, she would divorce them!

Hehe hehe

Yu Xinran found it funny. She had actually thought of divorce when she was preparing for the wedding.

She reached out and touched her stomach. If it wasn't for this child, she really didn't want to get married.

In the past, she had thought that as long as she and Gong Bai were in love, there would be nothing that they couldn't get over. Now, she finally understood that the experience that Min Ling and Wu surong had been teaching her was real!

Chapter 1002 The old man is sick from anger

If she could go back in time, she would have fallen in love with Gong Bai without a good ending, and she would not have to think about the future anymore.

...

However, now that she had a child, it was no longer up to her.

She had to get married because of this child. She could ignore the other factors.

.....

After Tian Cheng returned to Beijing, she first returned to her dormitory to put down her luggage. Then, she brought some local specialties from Nanjiang and bought some snacks and toys to Gong Mo's house.

"My cousin has already proposed to the Yu family," Gong mo sighed when he saw her.

what's wrong? " Tian Cheng was taken aback. did something happen? " From her cousin's tone, the situation did not seem optimistic.

"First aunt has gone crazy!"

Gong mo had heard about the situation of the marriage proposal from Gong Bai and the members of the Yu family, and there were no discrepancies in the versions.

She sneered. the Yu family is so angry now. The old man is sick.

"Then what do we do?" Tian Cheng asked worriedly.

"The wedding will be held as usual, but the gong family will not interfere. Eldest uncle and the others are now living at Gong Gong's place. They go out and play with third uncle and third aunt every day."

"Does big cousin not care?"

"He's so busy now, how do we manage him? He'll thank the heavens if you don't bother him!" Gong mo said helplessly, " I think Xinran is tired too. If there are any more accidents, she might not want to get married."

Tian Cheng gasped.

“But don’t worry. Since she had a child, she had to think about the child. Cousin truly loves her, and she also loves cousin. As long as the two of them love each other, they can persist.” Gong mo sighed, “perhaps this is the trial of their love? It was good that it had passed. Let’s go visit her in the afternoon and comfort her.”

Tian Cheng nodded.

After lunch break, the two of them brought Hu Zi to the Yu family.

Yu Xinran was having afternoon tea with Wu surong, Min Ling, and ding dang in the sunroom.

She had been in a bad mood for the past two days. Coupled with the morning sickness, she had been unable to eat for the entire day. Now, she was lying on the sofa listlessly.

Ding dang, on the other hand, had a good appetite and kept eating.

Min Ling saw that Gong mo and Tian Cheng had arrived and said to Wu surong, “let the young people chat?”

“Are you going to play with great-grandma?” Wu surong nodded and asked Hu.

Hu Zi nodded and said to Yu Xinran, “Cousin-in-law, you should eat more.”

“How do you know I didn’t eat?” Yu Xinran smiled.

“You didn’t move.” Hu Zi said with his big innocent eyes wide open.

If he wasn’t full, he wouldn’t want to move. Her mother was the same. When she was hungry, she would lie on the sofa and wait for her father to feed her.

Gong mo rubbed his face and said, "go and accompany great-grandma and Big uncle-in-law."

Hu Zi nodded and skipped away with Wu surong and Min Ling.

Gong Mowen asked Yu Xinran, "are you alright?" Are you okay?"

Yu Xinran sat up and shook her head.

"Your health is more important right now. Don't worry about other things." Gong mo advised.

yes! Yu Xinran nodded. I'm full of energy when I think of children now!

"You don't look like you're full of energy!"

I'm the one who's full of energy ~"ding dang said. I want to be a Criminal Police officer every day. Why would I get pregnant?" I can only do paperwork now. It's so boring ~"

"At least you have a clerk job, be content!" Gong mo said.

that's right ~"Yu Xinran agreed. Now, her family was worried about her health and didn't let her go to the company, so she was idle at home every day.

After a while, ding dang stood up and asked Gong mo and Tian Cheng, " "What do you guys want to eat tonight? I'll go inform the kitchen."

"We'll be back soon," Gong mo said.

Chapter 1003 Lu Yang is getting married

“Then you can tell mom yourself!” Ding dang walked out with a smile. A few minutes later, she came back with a plate of nuts. As she peeled them, she said, “mom has already called Nan Xuan and asked him to come over for dinner.

...

“Then I’ll have to stay,” Gong mo said with a smile.

Tian Cheng was a little embarrassed. She wasn’t a part of this family, so it would be awkward for her to stay.

“Can I go back?” She asked softly.

“It’s fine if you go back.” Gong mo said, “come to my place after dinner. There’s no one in the school during the summer break. How deserted is that?”

“I won’t. There are many people during summer break, so there’s no one during winter break.”

Then, nanxuan and I will send you back to school after dinner.

Tian Cheng could only nod.

After Sheng nanxuan arrived, the few of them went downstairs.

Hu Zi was jumping around in the living room, mimicking the sounds of animals, making the old man laugh.

“If only I had a child as cute as Huzi,” Yu Xinran said with a smile.

“I also want one! I also want one!” Ding dang said.

you might give birth to a mischievous little uncle!

Just as they were talking, Yu Qingliu entered.

Ding dang immediately pointed at Yu Xinran and complained, "Hubby! Xinran is talking bad about you!"

"Big brother must have told her." Yu Qingliu went over to help her up. I was indeed mischievous when I was young. Only big brother remembers.

"I also remember." Wu surong said, "when I was five years old, I dismembered frogs and fish. I secretly went to the kitchen to dissect ducks. I was so scared that I thought I had a pervert!

hahaha! everyone laughed.

quack, quack, quack ... when Hu Zi heard the word "duck," he raised his head and cawed like a duck.

"You're being naughty!" Gong mo pulled him over and sat beside Sheng nanxuan.

Sheng nanxuan grabbed her hand and put Hu Zi on his lap with the other. He asked, "Did you miss daddy?"

"I want to!" Hu Zi nodded.

"How much did you miss me?"

Hu Zi thought for a moment, then opened his hands and drew a big circle in the air. It was so big that his arms could not even fit.

"I think so!" He said.

Everyone laughed, especially Wu surong, who liked it very much.

Sheng nanxuan kissed his cheek and whispered, "Then you should ask mom if she misses you."

His voice couldn't be heard by the others, but Gong mo, who was beside him, heard it. Gong mo pinched him secretly and said, "Don't mess around!"

Sheng nanxuan glanced at her resentfully. Hmph ~ you don't even miss me!

Gong mo replied, "Wanwan hasn't seen me for only a few hours. Is there a need to do that?"

"Lu Yang just called me. He's getting married next month," Yu Qingliu said to Wu surong.

"He's getting married?" Wu surong asked in surprise.

"Yup!" Yu Qingliu was very happy. Lu Yang was his favorite student and his medical philosophy was similar to his. He had always valued Lu Yang.

Yu Xinran bit her lip and couldn't help thinking of Lu Yang. He probably didn't like her anymore, right?

Min Ling asked, "who's the bride?" Do we know each other?"

"He's a University classmate, so you guys probably don't know him. The two of them have been apart and together for many years, but I've never seen them before!" Yu Qingliu said, " he said he'll come over in two days to deliver the invitation. He should be bringing it over. We can take a look at it then.

Wu surong nodded and sighed, "he's the youngest in the Lu family, I didn't expect him to be the first to get married!" But if there's one, there'll be two. Lu Yang and Lu Suan will be there soon, and the group that grew up with them will catch up too. Our xinzhuo will be there soon."

Min Ling also nodded. After he was done with Yu Xinran's matters, he would have to worry about Yu xinzhuo. The gong family made her so angry that she almost vomited blood. She had to take good care of Yu xinzhuo's wife! If there was a problem, she would definitely not agree!

Chapter 1004 Can I bring Gong Bai along?

Two days later, Lu Yang came to deliver the invitation, but his fiancée didn't bring it. She said she had surgery.

...

good, good, good, Wanwan! Yu Qingliu patted him on the shoulder. He was very satisfied with his disciple's fiancée's act of putting saving people first!

Sheng nanxuan also had an invitation. Wu surong called Sheng nanxuan over for dinner so that Lu Yang would not have to make an extra trip.

Lu Yang was embarrassed. He should have delivered it personally, but in the end, he asked the guest to come and take it himself.

"Don't be embarrassed. My mom just wanted to take a look at her grandson, so she pulled him over!" Yu Qingliu said.

Wu surong glared at him but didn't object to his words. She said to Lu Yang, "our Xinran is getting married too. All of you are going to get married and start your own families!"

Lu Yang was stunned, 'Xinran is getting married too? Her fiancé is Yingluo.'

"Gong Bai. You've met before."

"I remember. When will they arrive?"

Lu Yang's heart ached at the thought of his brother. It seemed like big brother had some feelings for Yu Xinran, right?

"New Year's Day." Wu surong said.

"I'll ask my parents to prepare the gift," Lu Yang nodded and said with a smile.

"Good! Hahaha!"

.....

At dinner time, all the members of the Yu family, including Gong mo and Sheng nanxuan, were present.

"Which one of you is going to Lu Yang's wedding?" Yu Qingliu asked.

Yu Zhengming said, "with our relationship with the Lu family, we should all go." Whoever doesn't want to go can raise their hands and say."

Ding dang was amused by his words.

"Gong mo and I will be there," Sheng nanxuan said.

"Then let's go together." Yu Qingliu said, " the Lu family will arrange for an expert to pick you up. You don't have to fly a private plane.

"Alright." Sheng nanxuan nodded.

Yu Xinran said, "it might not be convenient for me to go, so I'll go."

“You grew up with Lu Yang. How can you not go to his wedding?” Yu xinzhuo said hurriedly.

“But I’m afraid that I’ll vomit badly.”

“Then we’ll talk about it when the time comes.”

“Can I bring Gong Bai along?” Yu Xinran asked after some thought.

Everyone was silent for a while. In the end, Min Ling said, “ he’s your fiancé. You should bring him along. See if he’s free.

Gong mo bit his lip. It seemed that the gong family had a strong opinion of Gong Bai.

The good impression that Gong Bai had built up with great difficulty was ruined by Hu Yinghong and the others! They hadn’t left yet, so he didn’t want anything to go wrong!

On the way home, Gong mo asked Sheng nanxuan, “ “Do you have any way to contact Gong Jin?” She didn’t have Gong Jin’s phone number.

“Why are you looking for him?”

“I want him to persuade eldest uncle and the others to go back and continue to stay in the capital. What if they get resurrected?”

“What if he doesn’t listen? On the contrary, you might complain to your Big Uncle and cause trouble.”

“He’s a fence-sitter, so as long as I give him some benefits, he’ll definitely listen to me!”

“I’ll arrange for him to meet you.” Sheng nanxuan nodded.

Gong mo was taken aback, "we don't have to meet?" It's enough to just call and tell me. "

"Who knows who was with him when he made the call?"

"Oh, alright then."

.....

The afternoon sun was scorching. Gong mo carried Hu Zi out of the neighborhood while Sheng nanxuan held an umbrella beside him.

Hu Zi adjusted his sunglasses and looked at Gong mo. "Mom~"

Gong mo looked over-

He lowered his head and revealed his eyes from behind his sunglasses.

"Don't do anything weird," Gong mo said.

Hu Zi pursed his lips and pushed his sunglasses up. He wrapped his arms around her neck and looked around, wanting to tell everyone, " There's a handsome young man here. Everyone, come and take a look!

But there was no one on the road!

Chapter 1005 Learn more from your cousin

I'm so hot! he said to Gong mo.

...

"We'll be there soon." Gong mo consoled.

Sheng nanxuan touched the back of her neck and asked, "Are You Hot?"

"Thank God you didn't touch me, Yingluo. Your hands are burning," Gong mo laughed.

"You're too cold."

The two of them crossed the road and walked into a coffee shop by the road.

Gong mo put Hu Zi down. Hu Zi held her hand and looked around. The waiter in front of him saw him and smiled.

Hu Zi shyly hid behind Gong mo.

Sheng nanxuan kept the umbrella and carried him. He said to Gong mo, "He's inside."

Gong mo nodded and walked to the innermost seat.

Gong Jin stood up nervously, "Cousin, cousin-in-law."

"Have a seat," Gong mo nodded.

She sat down opposite him while Sheng nanxuan sat beside her with Hu Zi in his arms.

Hu Zi looked at Gong Jin through his sunglasses and found that he didn't know him, so he put on a straight face and pretended to be cool.

Sheng nanxuan pushed the menu to Gong mo, who said, "A cup of latte, please."

Hu Zi leaned over and looked at the menu. hmm, hmm, hmm. why couldn't he see it clearly?

Hu Zi raised his head and looked at Gong mo. Gong mo smiled and helped him take off his sunglasses.

He immediately turned to look at the menu and pointed at the beautiful picture on it. "This! This one!"

"Do you know what that is?" Sheng nanxuan asked softly.

Hu Zi: "haha, I don't know!" He wanted good food anyway!

Sheng nanxuan ordered a cake and a glass of milk for him.

"How have you been?" Gong mo asked Gong Jin.

just like that," Gong Jin said awkwardly. ran ran will be sister si Fei's assistant and drive her around.

Driving? Wasn't that the driver's job?

Gong mo thought that he must be having a hard time.

"Are your parents still in the capital?" she asked.

Gong Jin nodded hurriedly and looked at her expectantly. Did she want to meet her parents?

"When are you going back?"

"Uh, Yingluo, this Yingluo."

“Can you take care of them?” Gong mo asked seriously.

Gong Jin smiled bitterly, “they are full of energy, so I don’t need to take care of them. It’s just Huanhuan.”

“You need to spend money, right?”

yeah, Zhenzhen. Gong Jin was embarrassed.

“Then why don’t you ask them to go back?”

“I’ve tried to persuade them, and they said they’ll play for two more days.”

Gong mo nodded and said, “if we go back now, we can still attend the wedding in a few months.” Otherwise, if the Yu family was unhappy and refused to get married, she would have to go back dejectedly! I’m afraid they’ve already told people at home that cousin is getting married. If they don’t get married, how embarrassing would that be?”

yes, yes, yes, Zhenzhen. Gong Jin nodded hurriedly. I’ll go back and tell them to go back as soon as possible!

Gong mo nodded and looked at him, “you should also advise your parents not to be so muddleheaded.” And you! If you know how to follow Gong ye, why don’t you follow your cousin? The Yu family likes cousin because he’s a good person and has good points!”

Gong Jin was stunned for a moment. Then he nodded. I understand. Thank you for your advice, cousin.

“Who wants to give you advice?” Gong mo replied angrily.

She took a sip of her coffee and looked down at Hu Zi.

Gong Jin waited for a while. Seeing that she had nothing to say, he asked tentatively, "If there's nothing else, I'll take my leave, cousin?"

Gong mo nodded his head.

After Gong Jin left, Hu Zi turned to look at Gong mo and pushed his cake to her. "Mother! This, this! It's delicious!" As he spoke, he passed his spoon to her.

Hu 'Zi is so thoughtful. You always remember your mother when you have good things, " Gong mo chuckled.

Sheng nanxuan held his head and said resentfully, "I wanted to have a bite, but he didn't want me to."

Chapter 1006 Shall we go and see Gong mo and the child?

Hu Zi turned his head, reached out, and added some cream to the cake before bringing it to his mouth.

...

"Just this little bit?" Sheng nanxuan frowned.

Hu Zi puffed up his cheeks and pushed his hand forward. This is enough for you! There was no more!

"Yingluo, forget it. You can eat it yourself."

Sheng nanxuan did not want his hands touching everywhere all day.

Hu Zi looked at Gong mo pitifully. Gong mo picked up a paper towel, wiped the cream off his fingertips, and fed him the cake.

Sheng nanxuan leaned over.

Gong mo took a glance at him and fed him a large piece.

ah ah—" Hu Zi protested.

"He's my father." Gong mo frowned and lectured. Why don't you let dad eat?"

Hu Zi was frightened by her. After a moment of silence, he whimpered, " little, little little Yingluo's mother is gone Yingluo "

It turned out that he was afraid that she wouldn't have anything to eat!

Gong mo hugged him and said,"Alright, alright. Yingluo, I know that you love me the most. You want to give me more." However, we have to be fair. No matter how much mommy eats, daddy will eat as well, okay?"

Hu Zi nodded and sobbed,"I know Yingluo, but Yingluo was too big just now."

"Alright, I was wrong." Sheng nanxuan said, " how about this? dad will take a bite of this cake, and mom will take a bite. But I ate too much just now, so I'll eat three less mouthfuls, okay?"

Hu Zi nodded in confusion.

Sheng nanxuan scooped up a piece of cake and fed it to Gong mo. Gong mo glanced at him with a red face and then looked around. He only ate it when he saw that no one was paying attention.

He sneakily grabbed her hand from behind Hu Zi and gave it a pinch.

Gong mo returned the slap!

He snickered and took a second bite of the cake-

Hu Zi looked at him nervously.

He paused for a moment but didn't eat it. Instead, he turned around and gave it to Gong mo.

Hu Zi immediately heaved a sigh of relief.

This happened three times, and he was finally happy. Dad did what he said, he's really a good person! Hu has to learn from his father!

Then, Sheng nanxuan and Gong mo happily ate the cake one after another.

Hu Zi finally remembered,"eh?" Isn't this cake mine?

.....

When Gong Jin returned, he used Gong Mo's words to persuade uncle Gong and Hu Yinghong.

Third uncle and third aunt were a little distressed because they had been spending money like water these few days. Gong Jin didn't have a high income now, and they often had to pay for it. If they stayed here any longer, their whole family would be poor! Thus, the two of them also persuaded him.

In the end, eldest uncle agreed to go back, but Hu Yinghong wanted to stay. Her reason was simple: to take care of Gong Ying.

After being taken care of by her for a few days, she found that Gong ze's mother was very useful-she could take care of his three meals, clean the place, and not pay him. She could throw a tantrum when she was angry, and they could discuss ran ran when they had a problem.

From her own perspective, she hoped that Hu Yinghong would stay, so she agreed.

Gong Jin tried to persuade him again, but his third uncle and aunt did not help him this time. "Sister-in-law, if you want to stay, then stay. Let's go back!"

Gong Jin gritted his teeth and quickly booked plane tickets for them and uncle Gong. If he could send three back, he would. He really couldn't afford to serve them!

"Should we go and visit Gong mo and the child?" third aunt suddenly thought of Gong mo.

She knew that Gong mo was rich and powerful. Seeing that Tian Cheng, Gong Bai, and Gong mo could benefit from a good relationship, she naturally wanted to give it a try.

Gong Fei frowned. forget it. Gong mo is a cold and heartless person. She doesn't want to see anyone in our family except big brother!

"Didn't you see Gong Jin last time?" Third aunt blinked in confusion.

Chapter 1007 It's not as natural as before

"But it was only that one time. I didn't want to see him again after that." Gong Ying said gloomily.

...

Gong Jin lowered his head and didn't speak. He had just seen it. Hehehe, it was useless. He didn't get any benefits.

let's call and ask, Yingluo. third aunt was unwilling to give up.

“Let Gong Jin do it!” she won’t answer my calls, ” Gong Ying said.

Everyone looked at Gong Jin, who was under great pressure. He took his phone and went to the balcony. “I’ll try. But I remember that I couldn’t get through to him before, Yingluo.”

He called Gong mo, but it didn’t go through. He wanted to tell Gong mo about the progress of the matter.

Gong Jin was a little disappointed. He turned around and said, ” “I can’t get through.”

“Then forget it.” Uncle Gong said, ” anyway, they will definitely come when Gong Bai gets married.

.....

After uncle Gong and the others left, Gong mo and Yu Xinran felt that the air was fresher.

Although Hu Yinghong was still around, Gong mo was heavily guarded, and Yu Xinran’s side was also guarded by the Yu family. Hu Yinghong couldn’t find her even if she wanted to.

After a while, Shan Rong and Gambino ended their honeymoon. Before they returned to Italy, they visited Gong mo.

When they entered, Gong mo carried Simon and said to Shan Rong, ” I think Simon has gotten tanned.

“Sister ~” Simon called out sweetly.

“Good girl.” Gong mo kissed him on the cheek.

Hu Zi hugged her leg and looked at her with eager eyes. “Mom, don’t you love me anymore?”

Gong mo smiled and said to him, "let grandma carry you!" It's time to exchange sons ~"

Shan Rong glared at her speechlessly and picked up Hu Zi.

"Grandma ..." Hu Zi shouted and turned to look at Simon.

Simon glanced at him and shouted at Gong mo, ""Big sister ..."

"Grandma ..."

"Big sister ..."

"Outside ..."

"You guys, stop messing around!" Gong mo shouted.

hahaha! Simon laughed happily.

Everyone sat down in the living room. Gong mo asked Hu Zi, " "Did you call him uncle?"

Hu Zi closed his eyes and leaned on Shan Rong's chest, playing dead. Simon immediately went up to pull him back.

Hu Zi simply climbed down from Shan Rong's body and went to the gaming room.

Simon also got down from Gong Mo's body and walked around the house looking for him.

In the end, Hu couldn't take it anymore and called out, " uncle. Simon laughed happily and finally let him go. He turned to Gambino for milk powder.

Dan Rong laughed and said, "these two children are so silly."

"They'll definitely be close when they grow up." Gong mo said.

"How's Gong Bai's wedding going?" Shan Rong nodded and asked her.

In order not to affect Shan Rong's mood during her vacation, Gong mo only told her about Gong Bai's wedding and didn't mention what Hu Yinghong and the others were doing. Now that Shan Rong had asked, she would naturally tell her everything.

Shan Rong sighed, "this is too much!" Gong Bai must have owed them a lot in his previous life!"

"Let's treat him and Xinran to dinner tonight?" Gong mo said.

"Alright, I'll take the opportunity to see Xinran. All the pregnant women are giving birth one after another. It's infectious!"

pfft-" Gong mo burst into laughter.

.....

In the evening, Gong Bai and Yu Xinran came to his house for dinner.

Gong mo felt that they weren't as close as they used to be.

No, it should be said that the intimacy between them was not as natural as before.

Perhaps it was because of what had happened recently, but the two of them had more or less changed their mood, which affected their relationship.

I hope there won't be any problems.

"Simon is so good-looking." Yu Xinran really liked children now. She hugged Simon and chatted with Shan Rong, talking about pregnant women and children.

Gong mo went to the kitchen, and Gong Bai followed him in confusion. He found that there were servants in the kitchen.

Chapter 1008 -want to let go

Gong mo was talking to a servant when he saw him. He smiled and said, "What are you doing here?"

...

"I thought you were going to cook for yourself," Gong Bai said with a smile.

"No, I didn't," Gong mo walked out and asked in a low voice, "how's first aunt?"

"I've been following flare. I haven't seen her yet, and she doesn't dare to provoke me now. I guess we're safe for now."

"We have to find a way to solve this. Otherwise, the Yu family will be embarrassed."

Gong Bai nodded tiredly, "I'm happy that she's safe and sound, so I can't do anything if she doesn't leave." Sometimes, I don't even know if I owe them something. People say that their children are here to collect debts, but I think they are here to collect debts!"

don't worry," Gong mo consoled. let's just do this for now. We'll talk about it after the wedding.

Gong Bai nodded and said painfully, "I just feel that Zhenzhen has let Xinran down." If it wasn't because of the child, I really want to let her go and let her find someone better than me, Yingluo."

"How can you say that?" women are most afraid of men giving up," Gong mo said anxiously. do you understand? No matter how hard it is, she won't be disappointed if you persevere."

"I will," Gong Bai nodded. For the sake of her and her future happiness, I will persevere."

.....

After Gambino and Shan Rong returned to Italy, Lu Yang's wedding arrived very soon.

The day before the wedding, Gong mo and the others went to Beijing city.

Gong Bai didn't want to take leave, so he didn't go. The Yu family didn't have any objections. Yu Xinran didn't know what to feel, so she followed her family on the plane.

Gong mo, Sheng nanxuan, and the Yu family had come all the way here. When they got online, they saw Tang Xinxin with Wu Di.

Many people from the Wu family went this time, and second Wu brought all his grandchildren.

Gong mo took a glance and heaved a sigh of relief when he didn't see Gong Mao among them. The Wu family's daughters, however, did not like her and glared at her angrily.

She innocently retracted her gaze and continued playing her game with Hu Zi.

Wu yayun saw Fang Yang and walked over.

Fang Yang went over and brought her to a private place to sit down and talk. The two of them did not separate on the way.

When they got off the plane, Fang Yang returned to Sheng nanxuan's side, and Wu Yiyun returned to second brother Wu.

what's wrong with you?" Sheng nanxuan asked, puzzled. what's wrong with you?"

uh, hehe. Fang Yang was nervous. Did the boss not like him being with the Wu family's daughter?

He knew that Sheng nanxuan hated women from the Wu family, but Wu Yiyun was different.

But he and Wu Youyun weren't dating. It was just that her family thought that they were dating, so when her family was present, she would walk to his side and let her family think that she had someone to back her up! If no one else was present, Wu Yunyun would usually ignore him.

"It's good that you don't hang yourself on a tree." Sheng nanxuan said. He wasn't trying to meddle in his subordinate's private affairs. He was just a little curious.

Fang Yang replied,"he knows that the" Huahua "tree is referring to Lin Jing!"

However, BOSS Yingying's tone seemed to be a little concerned.

He was a little excited at the thought of this!

.....

When they walked out of the airport, the Lu family sent a car to pick them up.

The Lu family produced cars, and they had no lack of cars. All the cars that came were luxury cars, and they were all parked outside. It was a spectacular sight.

The wedding was secondary to Sheng nanxuan's visit this time. His main purpose was to pick up his custom-made car.

The Liuguang group was in charge of manufacturing cars for the president's personal use. The most praised quality of the President's car was its safety. In addition, it had various functions. It was so comprehensive that if the president was not in his right mind, he could live in the car for the rest of his life without any problems.

Chapter 1009 I have a surprise for you

Sheng nanxuan had asked the Liuguang group to order a car that had the same performance as the President's car, but the appearance was slightly different. He mainly used this one for himself, so he could work in the car. In addition, he made two more safety-focused vehicles for Gong mo and Hu Zi.

...

The Lu family's car sent the guest to the hotel. Sheng nanxuan brought Gong mo back to his room to put away his luggage. let's take a look at the production line of the Liuguang group.

"What's there to see?" Gong mo wasn't interested.

The car production line was definitely made of iron. If it was a food production line, she would like to take a look.

"You can go." She said, "I'll bring Hu to play with candy heart and the others.

Sheng nanxuan furrowed his brows and asked Hu Zi, " "Baby, should we go look at the car?"

"Yes!" Hu Zi nodded.

"Shall we go eat cake?" Gong mo asked.

urgh! Hu Zi thought for a moment. eat first, then we'll drive!

"First Mother, then father." Sheng nanxuan felt that this was the main point and was a little unhappy.

"Can we just eat?" Gong mo was also displeased.

"It's still too early to eat." Sheng nanxuan said, "candy heart might be playing with Wu Di. Don't disturb her. I have a surprise for you."

"The surprise is at the production line of flowing light?" Gong mo was stunned.

Sheng nanxuan nodded. He didn't want to mention it in advance, since she was not interested in cars.

"You bought me a car?" Gong mo asked in high spirits. Then, he became depressed. but I don't know how to drive.

"I can teach you!" Sheng nanxuan slapped his thigh in regret. why didn't I think of this earlier? "You've been so bored recently, you should learn how to drive."

"If I really learn it, will you let me drive it out alone?"

Yingluo wouldn't!

Sheng nanxuan coughed and thought of a brilliant idea."We can drive it when we go out together!"

"And you'll sit next to him?" Why did it feel so strange?

Wasn't it normal for men to drive and women to sit in the passenger's seat? On the contrary, she felt that this man was living off a woman.

“What’s wrong with me sitting next to you? It’s my honor to have a wife driving! Let’s go and see your car!” Sheng nanxuan urged.

The two of them left the room. Gong mo asked, “You really bought it for me? But I didn’t know how to drive before, so why did you buy this? Why didn’t you ask me first? I don’t like any of those small car models.”

“Then What do you like?” The presidential car model was not small at all.

“Domineering!” Gong mo said, “an off-road vehicle and the President’s car. They look so handsome! No, he was cool! However, even if I learn how to drive this car, I don’t think I can drive it. You’ll definitely look very handsome driving this kind of car ~”

“Am I not handsome if I don’t drive?” Sheng nanxuan touched his face and doubted his own appearance.

“You can look handsome in another way,” Gong mo said with a smile.

After half an hour of driving, the two of them arrived at the Liuguang group with Hu Zi.

The Liuguang group occupied a large area. The entire industrial area was equivalent to a city. The car drove for another ten minutes in the industrial area before stopping.

“Mr. Sheng.” A man came over to pick them up. I’m sorry. The president and the rest have been too busy recently and can’t come to receive you personally. Please forgive them.

“It’s fine.” Sheng nanxuan shook his hand.

The man smiled and led them to the white building in front.

After entering, the room was spacious and bright. All kinds of cars and accessories were displayed in the air and on the ground, making it look like an exhibition hall.

wow! Hu Zi exclaimed in surprise and widened his eyes in curiosity.

Chapter 1010 Please get in, my queen

“Is he handsome?” Sheng nanxuan asked.

...

“Cool!” Hu Zi replied loudly.

“Do you want it?”

“I want to!”

“Let’s go!” Sheng nanxuan said.

“Let’s go!” Hu Zi agreed excitedly.

Gong mo was speechless, “how much do you men like cars?” You’re not even three years old, yet you’re so excited!”

the car is a mistress ~”Sheng nanxuan said.

heh ... Gong mo rolled his eyes at him. it seems like you have quite a lot of small wives ...

she’s a concubine to others, ” Sheng nanxuan said immediately. but to me, she’s just a pile of scrap metal!

The manager who was leading the way thought, "hehe, hehe, it's enough to call it scrap metal!" Rich people were really willful!

They stopped in the middle of the hall.

There was a black car parked in front of them. It was very similar to the President's car and looked very handsome! It was the style that Gong mo liked!

"Is this it?" Gong mo asked Sheng nanxuan in disbelief.

Sheng nanxuan nodded with a smile. He walked over and put Hu Zi on the ground. He opened the door to the back seat and bowed to her. "Please get in the car, my queen."

Hearing this, Gong mo raised his head arrogantly and placed his hand on his palm. Then, he turned and sat down.

Hu Zi blinked and thought, "what game are mom and dad playing?" I want to play too!

He immediately jumped up in front of Sheng nanxuan. "Daddy!"

Sheng nanxuan picked him up and threw him in.

Hu Zi was dizzy from the fall. He grabbed Gong mo and sat up.

Sheng nanxuan followed him and sat down. Hu Zi turned his head and looked at him angrily. Daddy is so bad! Why can't you be gentler to me?

Sheng nanxuan rubbed his head and showed Gong mo the various functions of the car.

Hu Zi's eyes gradually widened, showing great interest.

Although Gong mo was surprised, he wasn't very interested. Sheng nanxuan asked, "what's wrong?" "You don't like it?"

there's no Qianqian. I'm just thinking, if we're not living in the car every day, why make the car so well-equipped?"

it's better to be safe than sorry ~ we can go camping once in a while, so we'll drive this car.

"Will you let me go camping with my current body?" Gong mo was even more depressed after hearing this.

Sheng nanxuan, "Yingluo," definitely not!

He sighed and said again, "there's no harm in being prepared." "We can go for a ride!"

"I can't stand the wind in this body, right?"

"At least Yingluo is safe."

"That's not bad," Gong mo nodded.

Yingluo, it was the right decision to focus on the safety of her and Hu's car!

He opened the door and got out of the car, taking her to see the other two cars.

"Why did you buy so many?!" Gong mo was shocked.

Hu 'Zi is going to kindergarten next year. When he grows up, there will be a time when the three of us will leave the house at the same time, right? "

Gong mo was speechless, "there's still a long time to go, why are you in such a hurry?" Is it to be prepared again?"

"Yes, yes, Yingluo wifey, don't be angry. At most, I'll return it."

"Who's angry? You don't lack money anyway, so just buy it!" Gong mo said in a domineering manner.

"I'll buy!" Hu Zi shouted angrily.

"Yingluo, why do I feel like you've given birth to a prodigal son?" Sheng nanxuan asked.

When they returned to the hotel, the Yu family was already arranging dinner. The three of them went straight to the restaurant.

At the entrance of the restaurant, they met Lu Yang, who was entertaining guests, and they greeted each other.

Lu Yang watched them take their seats and saw that they had reached the Yu family's table, but Gong Jie and Yu Xinran had not arrived.

He waited for a moment until Yu xinzhuo's voice rang out from behind him, "Lu Yang."

Lu Yang hurriedly turned around and saw that he was alone. He asked, "Xinran didn't come down?"

Yu xinzhuo looked at him deeply, trying to read his expression. However, Lu Yang's expression was flawless, and one could not tell his emotions.

"She's not feeling well, so she won't be coming down." Yu xinzhuo said.

“Yingluo.” Lu Yang smiled. then you can eat first.

“How about you?”

“Me?” Lu Yang paused. I’ll go see if the others have come.

Yu xinzhuo nodded and walked in.

Lu Yang turned around and walked to the elevator with heavy steps.

They entered the elevator and watched as the numbers changed. Finally, it stopped at the floor where Yu Xinran was staying.

He took a deep breath, walked out of the elevator, and quickly walked to her room.

On the other side of the corridor, Wu Huan appeared casually and was about to head downstairs for dinner. Seeing Lu Yang’s back, he was full of doubts and quietly followed.

Lu Yang walked to the door of Yu Xinran’s room and rang the doorbell.

A moment later, Yu Xinran opened the door, looking a little Haggard. When she saw him, she was slightly surprised. Do you need something?”

Because she knew that Lu Yang was interested in her, she had been avoiding meeting Lu Yang alone to avoid awkwardness. She didn’t expect that he would come to her on his own.

“I wanted to ask you to go down for dinner.” Lu Yang looked at her face worriedly. are you okay? ”

“I’m fine.” Yu Xinran kept the door shut and did not invite him in. She stood at the door and said, “ I don’t have an appetite. I won’t go.

“Because you’re pregnant?” Lu Yang asked in a fluster. He didn’t know what kind of mood he was in when he asked this.

The woman he liked was pregnant with someone else’s child, Yingluo.

yes, ran ran. Yu Xinran nodded her head wildly. She felt that the atmosphere was too strange and did not want to cause any unnecessary misunderstandings. She said hurriedly, “ I’ll have to trouble you to make the trip. I won’t go.

She returned to the room and wanted to close the door.

Lu Yang suddenly reached out and blocked the door.
