Chapter 101

taking photos

If it's a loss, we'll live in the sewers. Sheng nanxuan looked pitiful.

...

Gong mo was speechless.

She walked into the study and saw the stock market information on the electronic screen. It was half red and half green, and she became even more nervous.

Which ones did you buy? She asked.

A few hundred, I can't say all of them in one breath.

"....."

Don't worry, I won't lose anything. Sheng nanxuan sat in front of the computer and sold all the stocks he had earned.

Gong mo stared at the computer screen until he finished his operation. He finally understood a little.

Are these all profits? she asked hurriedly.

Yes.

Did you break even?

No, I didn't. The rest have all fallen. They've shrunk by one billion.

pfff! Gong mo almost vomited blood.

Don't worry, I'll take it back in two days.

Are you sure?

I'm sure.

I don't believe you. Gong mo turned his head and saw the stock market on the other computer. He was in a bad mood.

She stood up and said, you can play by yourself. Remember to let me know if you're going to live in the sewers. I'm going to read my books first! Otherwise, I won't be able to read any books in the future!

haha! Sheng nanxuan could not stop laughing. He grabbed her, pressed her into his arms, and rubbed her hard. you're so cute!

Quickly let me go! Gong mo shouted.

Sheng nanxuan paused and looked at her with dark eyes.

What do you want now? she stammered.

Again? Sheng nanxuan asked in amusement, why did you say 'again'?

Gong mo was petrified.

Why?

It was all because he kept touching her! She could even guess his next move from his expression!

She pushed him away with a red face and wanted to run.

Sheng nanxuan picked her up, turned around, and took two steps forward. He placed her on the empty desk.

Gong mo was not used to looking down from above, What are you doing?

What did you think I was going to do? He asked in amusement.

Gong mo was stunned and turned his head away angrily.

He chuckled in a low voice.

What are you laughing at? Gong mo asked angrily. Let me down!

Okay, okay, okay, Yingluo, I won't laugh anymore. He quickly surrendered.

Gong mo blushed and felt a little uncomfortable. He pushed him away and whispered, Let me down.

I won't. He used his hands to circle her between himself and the desk.

What are you trying to do? Gong mo was depressed.

I'm not doing anything, He raised his head and looked at her. I just want to look at you like this.

Hearing this, Gong mo lowered his head shyly and muttered, If you want to look, just look. You don't have to look like this.

Why did he suddenly say such sweet words? She couldn't even handle it.

If I don't look at it this way, what else can I look at? This is what you call watching! He lowered his head and looked at her face.

I'll take a photo for you. Take your time! Gong mo turned his head away.

Alright! You shoot! Sheng nanxuan picked up his phone and handed it to her.

Gong mo reached out to take it, but he suddenly retracted his hand and said, Don't move! I'll film it!

As he spoke, he stepped back and turned on the camera to point at her.

Gong mo felt a little uncomfortable and didn't dare to look at him.

He said in all seriousness, where are you looking at? Look at the camera.

Gong mo pursed his lips and looked up at the camera in his hand.

He took a picture and Gong mo heaved a sigh of relief. Just as he was about to go down, he shouted again, Don't move! The one just now wasn't good! Why aren't you smiling?

Zhenzhen can't laugh!

Is your married life with me that hard? You can't smile?

It's not because of that. I'm just sad that I'm going to live in the sewers tomorrow.

pfft-Sheng nanxuan laughed. it's hard to live in the sewers with me. It's even harder than living in the presidential palace.

you can continue bragging ~Gong mo pouted.

Kachaa!

Sheng nanxuan took another picture.

Yingluo, why didn't you say hello? Gong mo was shocked.

Nature is beautiful, understand?

But what if I look really ugly in the photos?

A person's beauty has nothing to do with photography skills!

Gong mo took a deep breath and said angrily, Are you saying that I'm very ugly?

Kachaa!

The third card.

Gong mo was stunned and stared at him.

Kachaa! Kachaa!

Continue!

Sheng nanxuan felt that she was too cute now.

He's not done yet? Gong mo hurriedly lowered his head and buried his face in his arms.

However, Sheng nanxuan felt that even if she did not have a face, the ahoge on her head was still beautiful. He continued to shoot!

Are you done? Gong mo raised his head and shouted.

No... Sheng nanxuan continued to shoot.

Gong mo was so angry that he didn't know what to do. He could only cover his face with his hands.

This action was also nice to watch!

Sheng nanxuan continued!

What do you want? Gong mo cried. Stop taking pictures! It's so ugly!

How can it be ugly? I think it looks good. Sheng nanxuan said with a smile.

Didn't you just say that a person's beauty has nothing to do with photography skills? Gong mo pouted.

That's someone else! As for you, Yingluo, if you're ugly, it's definitely because I didn't do well.

pfft- Gong mo burst into laughter and looked at him coyly.

He continued to film, but this time he turned off the sound. Gong mo didn't hear the sound of the camera, so he didn't know.

Sheng nanxuan was almost done taking photos. He suddenly looked at her. You're really not going to laugh?

Is this okay? Gong mo was stunned.

It's too stiff.

I haven't taken a photo in a long time, I don't know how to!

Chapter 102

102 A joke

"Then you should think about mom and the baby." Sheng nanxuan said.

...

Gong mo thought for a moment and said awkwardly, "that's too deliberate!" No!"

"Then, do you want me to tell you a joke?"

Gong mo thought for a moment and nodded, "alright." Go on. "

Sheng nanxuan opened the browser on his phone and searched for 'jokes'. Then he said, "The old couple went to take photos, and the photographer asked, "My Lord, do you want to see sideways, backlight, or full light?" "I'm fine with it, but can you leave me a pair of underpants?" the old man said shyly.

pfft- "Gong mo covered his mouth and laughed. you're really something. I'm taking photos and you're just looking for a photo as a joke.

“This is called fitting of the occasion ~”

Sheng nanxuan hurriedly switched back to his camera and took a picture of her smiling face.

“Did you read it out loud?” Gong mo suddenly asked.

“You found out?” He laughed and said, “ it doesn’t look like this joke is funny. You actually have the mood to care about this Yingluo? I’ll change to another one!

Gong mo looked at him with a smile.

He would first take a picture of her in this state, then find a joke.

four rats bragging-a: I eat rat poison like candy every day; [B: my feet itch if I don’t step on a rat;] [C: I feel uneasy on the street a few times a day; D: “it’s getting late. Let’s go home and get the cat.”

“It’s not as funny as the previous one,” Gong mo shook his head.

“Then I-”

“Enough!” did you take a photo just now? ” Gong mo asked.

“You’ve found out again!”

“Let me see,” Gong mo snorted.

Sheng nanxuan walked over with the phone and handed it to her. “How is it? I’m pretty good, right?”

He felt that every picture was extremely beautiful!

ah! Gong mo screamed in pain. why is she so ugly? ”

“What? How could it be ugly? She’s clearly very beautiful!”

“All of them are very ugly!” Gong mo shouted, ” delete it! Delete it! Don’t stay!”

“No!” Sheng nanxuan snatched the phone back. how dare you delete my wife’s photo? I’m not done with you!

but he’s very ugly, ” Gong mo said as he looked at him pitifully.

He immediately took out his phone and took another picture of her.

Gong mo was shocked and slapped him angrily, ” “Can’t you say hello first!”

“Waiting for you to pose like an internet celebrity after we say hello? If I want that, I can just go online. Why do I need you to take pictures of me?”

Gong mo was stunned and didn’t know what to say.

Sheng nanxuan opened the photo album and said,“let me see which one I’ll choose as wallpaper, Yingying.”

“I’ll do it!” don’t pick randomly! Gong mo said hurriedly.

“I’ll just randomly pick one and it’ll be beautiful enough to break the sky, okay?”

Gong Mo’s face turned red,“aren’t you embarrassed, Zhenzhen?”

“You’re shameless.”

“Tsk!” Gong Mobai glanced at him and flipped to the last page. “This one’s not bad.”

“Alright, this one. In my eyes, every picture is beautiful.”

Gong Mo’s face turned even redder and he lowered his head in silence.

Sheng nanxuan finished setting up the wallpaper and carried her down from the table. “Let’s watch a movie together?”

ah, ran ran. Gong mo was stunned for a moment before he replied in a low voice, “sure, ran ran.

Sheng nanxuan smiled and put her on his lap. He clicked on the player. “What do you want to see?”

“As you wish.” It was fine as long as he accompanied her.

yes, Yingluo. Sheng nanxuan looked around. this one then.

“An animated film?” Gong mo chuckled.

“I can’t?”

“Sure, sure!” cartoon is my favorite! Gong mo replied immediately.

I knew you would like it. Otherwise, how would I choose? Sheng nanxuan thought.

He chose to play it, then placed his hands on her stomach and gently stroked it.

Gong mo felt a little uncomfortable and was afraid that he would be touched. Who knew that he would be so honest, and she gradually relaxed.

After the movie, she leaned into Sheng nanxuan's arms and almost fell asleep.

Sheng nanxuan picked her up and she was slightly shocked. "Eh? Are you done?"

Chapter 103

dream

"I'm finished." Sheng nanxuan said, " I'll send you back to your room.

...

"No, no need!" put me down! I can do it myself! Gong mo said hurriedly.

Sheng nanxuan kissed her forehead and said lovingly, " "What's wrong with me carrying you?"

"Uh, Yingluo" it was nothing. But she was still not used to it!

In the end, she still let Sheng nanxuan carry her back to her room.

Sheng nanxuan placed her on the bed, his movements especially gentle.

She looked at him and couldn't help but feel a little dazed.

Why was he so good to her?

That night, she had a dream. In her dream, the sun was shining brightly and there was a very empty classroom. Everyone had left, leaving her alone in her seat, seriously thinking about a math problem.

Suddenly, a hot breath hit her ear. She turned around and saw Sheng nanxuan standing behind her, looking down at her.

He looked very young. He was wearing a white t-shirt and sports shorts. He had a black wrist guard on his hand and was holding a basketball. Sweat was flowing down his cheeks.

“What are you doing?” she asked angrily. Don’t disturb me!”

“I was looking at your question! I see that you’re very tired. You don’t know how to do it? Do you want me to tell you?”

“Oh Yingluo, do you know how to?” Gong mo sneered.

“Of course I will.”

“Stop bragging! You only got 30 marks for math last time and you even asked me to tutor you. Have you forgotten?” Gong mo lowered his head and said while writing, “ playing basketball again! If you don’t do any homework, do you still want to go to college?”

“You’re wrong.” Sheng nanxuan suddenly said, “ this problem can’t be solved this way.

Gong mo put down his pen angrily and turned around to glare at him.

He reached out to take the pen and turned it in his palm. His peach-shaped eyes fell on her face.”What would you say if I solved it?”

“I’ll be your slave!” The worst student in the class, so bad that the teacher arranged for her to tutor him one-on-one, actually dared to say such big words?

“There’s no need to be a slave. This world probably doesn’t have the technology to turn humans into animals. However, he narrowed his eyes and suddenly reached out to touch her face. you can let me kiss you.

“Sheng nanxuan!” Gong mo chased after him angrily and wanted to hit him.

Sheng nanxuan threw away the basketball and the pen, turned around, and ran. He ran to the podium, picked up a piece of chalk, and quickly wrote on the blackboard.

When Gong mo was about to catch up, he continued to run.

The two of them walked in circles in the classroom, and every time he ran to the podium, he would stop to write.

At the last lap, he stopped running and quickly wrote something.

Panting, Gong mo walked over with his hands on his waist. He picked up the triangular board on the desk and was about to knock it on his head.

He threw away the chalk and dodged it quickly. Then he pointed at the blackboard.”Look! You’ve solved the question!”

Gong mo looked over and was stunned.

He had really solved the problem. The steps were detailed and there were no mistakes. How was that possible?

.....

When Gong mo woke up, he rubbed his head and thought, “ How was that possible?

Why was she dreaming of Sheng nanxuan again? It was still the same scene from high school.

Could he really be her high school classmate?

But she didn't lose her memory at all! Moreover, what happened in high school was still vivid in her mind. She couldn't have just forgotten about Sheng nanxuan, right?

When Gong mo walked into the dining room, Sheng nanxuan was already having his breakfast.

When he saw her, he reached out and touched her bowl of porridge, saying, "Just in time. It's not too hot or cold. Come and eat."

Gong mo walked over and looked at him while eating his porridge, trying to find a flower in him.

Chapter 104

deep hypnosis

Sheng nanxuan felt very uncomfortable under her gaze.

...

Even a man would be nervous when his sweetheart looked at him like that, okay?

"What are you doing?" he asked awkwardly. You've suddenly fallen in love with me?"

Gong mo was stunned. He glared at him and lowered his head to eat his porridge.

Sheng nanxuan suddenly felt a little regretful. He should not have been so fierce to her.

"What's wrong?" he asked gently.

nothing much," Gong mo mumbled. He raised his head and asked, "did we know each other in the past?"

“How long ago?” Sheng nanxuan looked at her in confusion.

She bit her lip, not knowing how to explain. She couldn’t even believe it herself.

“I dreamed of you last night.” She said.

Sheng nanxuan smiled and looked at her suggestively. “You like me that much? You even dream of me?”

Gong Mo’s expression changed. He glared at him and lowered his head, ignoring him.

He reached out and touched the back of her hand, and she quickly moved her hand away.

“I was wrong, okay?” he asked, trying to please her. I shouldn’t have teased you Yingluo.”

you ... he actually dared to say ” molest “!

“Alright, alright, alright, I won’t say anything!” Sheng nanxuan raised his hands in surrender. Then he asked, ” then tell me, what did you dream of? ”

“I don’t want to say anymore!” Gong mo turned his head away in anger.

Sheng nanxuan looked at her and suddenly smiled. He got up and walked behind her. He held her shoulders with both hands and lowered his head to kiss her on the cheek.”Eat slowly.”

After that, he went to the study.

He knew what she was asking. But how could Yingluo do that?

How could she have any recollection of the past?

He turned on the surveillance camera at the door of the study to monitor Gong Mo's movements. He couldn't let Gong mo find out what he was going to do next.

He sat in front of the computer and quickly opened a foreign web page. The text on it was not in English, but the same as the original text of 'corpse language' - Italy.

Sheng nanxuan logged into the website, found the only person in his friend list, and clicked on the video chat.

Soon, an old man with a white beard and a white doctor's robe appeared. From the old man's facial features, he was sure that he was not China.

"Dr. Rich," Sheng nanxuan said in Italy.

"So it's night." The old man smiled.

I would like to ask, if a person whose memory has been erased by deep hypnosis doesn't issue the hypnosis removal order, is it possible for them to recover their memory? "

Ricky was taken aback, and a curious expression appeared on his face. this situation is quite rare. It all depends on the hypnotist's abilities, as well as the body of the person being hypnotized.

"What's the physique of the hypnotized person?" Sheng nanxuan asked calmly, but he was extremely nervous.

his brain is very active, his memory is stronger than the average person, and there are things he wants to remember forever in his erased memories. Rich said.

Sheng nanxuan knew that 'wanting to remember' and 'unwilling to forget' were two different concepts.

If one wanted to remember, no matter how weak the thought was, it would always be remembered, because the person who had such a thought had never thought of forgetting it.

Not willing to forget, no matter how strong the thought was, it was still forgotten, because the person who had this thought would subconsciously think that they would forget, not remember it.

Was it like this? She could still dream of the old him. Did that mean that ran ran wanted to remember him?

He suddenly didn't know if he should be happy or sad.

"Are there any other questions?" Rich asked.

Sheng nanxuan looked at him. I bought a book a few days ago. It's an original Italy book called 'corpse language.' It's a detective novel. You live in Italy. Have you heard of this book?"

Chapter 105

105 Isn't your husband amazing?

"Eh? A detective novel?" Ricky was even more curious. I don't read detective novels, so I've never heard of it, but I can help you ask.

...

Sheng nanxuan thought for a while and refused. No, thank you.

He didn't want to beat the grass and alert the snake.

Sheng nanxuan closed the webpage and rubbed his forehead. Was the scene at the beginning of the book just a coincidence?

Could it be that person?

He remembered that the man didn't look like a Chinese. Could Yingluo be Italy?

Could there be such a coincidence?

If it was him, why would he write about these things in his novel?

Suddenly, he saw Gong Mo's figure on the surveillance screen. He immediately turned off the surveillance camera and turned to look at the stock market information on the wall.

A few seconds later, Gong mo pushed the door open and entered. He was still angry about what had just happened and asked with a straight face, "Are we going to live in the sewers?"

Sheng nanxuan chuckled and extended his hand to her. "Come here."

Gong mo hesitated for a moment and walked over awkwardly. He was immediately carried onto Gu Yusheng's lap.

"Eh?" let go of me! Gong mo screamed and struggled.

Sheng nanxuan pressed her down. don't move. I won't do anything.

"Who's going to believe you!" Gong mo shouted in dissatisfaction.

Sheng nanxuan patted her head lovingly. He held the mouse and opened a stock speculation software."Come, look at this."

what? " Gong mo glanced at it.

"Don't worry, we won't live in the sewers," he laughed. I've made a profit from all the stocks I bought yesterday."

how is this possible?! Gong mo asked in surprise.

He made a profit by buying one, maybe it was luck.

It was possible that he would earn even if he bought ten.

However, he had already made a profit by buying a few hundred of them, so how was that possible? This one hundred percent probability was too terrifying!

Was he an immortal?

Sheng nanxuan said proudly, "100%." How was it? Do you worship me?"

Gong mo looked at him blankly and asked, "you used to be in the stock market?" It's all worth it. "

"Of course!"

"You've never failed?"

"Of course not. Isn't your husband amazing?"

you're quite powerful, Zhenzhen, " Gong mo mumbled. are you a God? "

pfft-" Sheng nanxuan laughed out loud. how can there be Immortals in this world? It's just that your husband is more powerful! This is just the tip of the iceberg. Your husband's abilities are not limited to this."

"Oh, really? What else is there?" Gong mo looked at him suspiciously.

“There’s still a lot that you need to slowly unearth.”

Gong mo pouted his lips in dissatisfaction and asked, “You can tell which one will rise and which one will fall?”

Sheng nanxuan nodded.

“How did you do it?” Gong mo asked curiously.

“It’s just a mathematical ability.” Sheng nanxuan simply said, “anything can be turned into numbers in my eyes. The numbers in this world change, and I’m naturally sensitive to numbers. I can quickly analyze the direction of a certain number.”

“It’s that magical?”

“It’s not magical at all. You can think of my brain as a high-speed computer, but my computer ...”

He nodded his head. it’s intelligent! It wasn’t just the numbers that were being analyzed, the environment was also being analyzed. For example, when I look at this stock, I think of everything related to it-the company, the company’s history, how many people are there in the company, the company’s competitors, partners, what those competitors and partners do, performance, stock prices, and the impact of the recent international situation on the industries these companies are involved in. Anyway, the results are easy to analyze.”

Chapter 106

106 Your husband dotes on you so much

Gong Mo’s jaw almost fell off,“you make it sound so easy!”

...

She almost cried when she heard that.

How was this a human?

Where was the computer?

He was simply a God! A God who controlled the entire world!

“Which stock will fall?” she suddenly asked.

“What are you doing?”

“Tell me, I’ll see if it’s really going to fall. I’ll see if you’re really that good!”

Sheng nanxuan looked at the screen on the wall and thought for a few seconds. Then, he picked up a pen and wrote down a few stock codes on a piece of white paper. As he wrote, he said,

this one has been rising, but it’ll start falling this afternoon. Tomorrow or the day after, it’ll drop to its limit. In three days, it’ll fall below the issue price.

Sheng nanxuan wrote down the changes of each stock in the next three days and flicked the pen back into the barrel.

He then said to Gong mo, “just you wait!” In three days, you’ll know how powerful your husband is!”

Gong mo didn’t make a judgment. Instead, he carefully observed the situation of the stocks he mentioned.

That afternoon, the few that he said would fall really fell!

This was too strange!

However, Gong mo refused to believe it. He said to Sheng nanxuan, " "Can you teach me how to do that?"

"What?" Sheng nanxuan looked at her in confusion.

"I want to learn."

"Sure, I'll get Fang Yang to open an account for you."

"Don't I need to go by myself?" Gong mo was puzzled.

"No need, just send him the scanned ID card."

After Sheng nanxuan sent the scanned ID card, Fang Yang sent Gong Mo's stock account number in less than half an hour.

Sheng nanxuan taught Gong mo how to operate the machine step by step. After he was done, he said, "Buy this one, it will go up."

"I don't want to." Gong mo slapped his hand away and bought the one that he had said would drop to its limit the day after tomorrow.

"This one will fall!" Sheng nanxuan said seriously.

"Who knows if you're telling the truth?" Gong mo pouted.

Sheng nanxuan was silent for a while. He reached out and rubbed her head. alright, you can play however you want. You still have me anyway.

The next day, Xuxu

The stock price had really fallen. Gong Mo's heart ached. She had really invested a lot of money into this!

On the third day, the stock price continued to fall.

Gong mo couldn't take it anymore. He hurriedly asked Sheng nanxuan, "After today's fall, it will rise tomorrow, right?"

"Who told you that?"

you're talking about the limit down stock price for the next two days? then tomorrow ...

I only said that it would drop to the limit down for the next two days. I didn't say what would happen tomorrow.

"Then tomorrow, Yingluo."

this one will fall for the next month until it falls below the release price.

"I've been trapped just like that?" Gong mo gasped.

"That's right, I told you to buy another one, but you just had to go Against Me! Your husband is so powerful and loves you so much. Would he lie to you?"

I thought Zhenzhen ... Gong mo suddenly didn't know what to say. He paused for a moment before slamming the table. who would believe you? "You're not that powerful!"

"Look at the other groups, are they all the same as I said?"

Gong mo was shocked. It was indeed the same!

She immediately grabbed Sheng nanxuan. then, when will my branch rise? ” she asked.

Sheng nanxuan looked at her sympathetically. you’ll lose less if you sell it now. Otherwise, when it falls below the issue price, there won’t be any improvement for at least half a year. As for half a year later, we’ll have to look at the situation and analyze it. ”

“What?” Gong mo was shocked. I’m really not suited for high-risk things. I won’t buy them again! I’ll go sell it now! Wuuu!”

Sheng nanxuan followed her slowly and entered the study. He saw her sitting in front of the computer hesitating.

Chapter 107

107 I can make the stock price rise

Aiyoyo

...

Pregnant women shouldn’t overthink!

Sheng nanxuan walked over and stood behind her. He put his hands on the desk on both sides of her.
“Why aren’t you selling?”

Gong mo started to cry. I bought all the money my mother gave me. If I sell it, I will lose 40000 Yuan. If she finds out, she will kill me.

“She won’t kill you.” Sheng nanxuan reached out and touched her head. she loves you so much.

“She’ll be angry.”

“Let’s not tell her.”

“I can’t hide things in my heart.”

“.....”

“Wuwuwuwu”

“Don’t cry.” Sheng nanxuan said helplessly, “ I can make the stock price rise.

Gong mo was shocked. He raised his head and looked at him with his eyes wide open.

He lowered his head, his lips almost touching hers.”If I stand here and don’t move, it will definitely drop to its limit. If you want it to rise, tell me, I’ll do it. ”

Gong mo came back to his senses and pushed him away gently. “I don’t believe it!???.....???????,?????!”

Then, she watched the stock she bought continue to fall.

This was too terrifying!

Sheng nanxuan looked at her conflicted expression and asked, ” “Is it going to increase?”

“Go ahead,” Gong mo bit his lip.

So, Sheng nanxuan sat in front of the computer and started to buy and sell stocks.

Gong mo saw that the price of the cigarette he bought was rising!

When the price was higher than when she bought it, she would sell it immediately!

Sheng nanxuan stopped her. It's not easy for it to rise, so let's wait for it to reach its limit."

"Will it reach its daily limit?"

"Of course I will." Sheng nanxuan looked at the unpredictable stock market and suddenly felt a little bored. which brand do you hate? "

"What?" Gong mo was puzzled and didn't understand why he asked this.

"What do you hate? tell me, and I'll bankrupt that company."

I hate the Sheng family! Gong mo said without thinking. I hate the Sheng family!

no, I'm going to keep the Sheng family and play with it slowly. Don't you think it's better to let people ascend to the clouds and then fall back down?"

Gong mo opened his mouth but didn't say anything.

The Sheng family was his home after all. Even if he had the ability to bankrupt it, he would not bear to do so, would he?

"Who else do you hate?" Sheng nanxuan held her hand and gently rubbed his fingers a few times.

yes! Gong mo thought for a while and said, " that magazine,'talking joy', rejected my offer previously!

"Oh, that's good. I don't like it either. It actually dared to reject my wife's offer! Just let it go bankrupt!"

but 'talking with joy' belongs to Qing Yu media! Gong mo said immediately. the boss of Qing Yu media is the richest man in the country!

"That's why we'll make sure Yu Zhengming doesn't become the richest man in the country this year."

"Ah? Do you want to be one?"

"It's boring to be the richest man. The gun hits the bird that takes the lead. Being the richest man is equivalent to being a target for others to shoot. I'm not doing it. I prefer to control in the dark. Let Yingluo and Lin Lei be the richest. The luminous night electronics he manages specializes in information technology, which is the most profitable industry at the moment. It's easy to be the richest man. "

Gong mo was stunned for a moment. He felt that he was too terrifying.

Who would let anyone be the richest man just because they said so?

"You're not breaking the law, are you?" she asked in a hurry.

"Why would it be illegal?" Sheng nanxuan looked at her in dissatisfaction. did I kill someone? Did he set a fire? Did you sell drugs?"

Gong mo choked and pushed him away in dissatisfaction. He actually used what she had said in the past to shut her up. How annoying!

Just then, the doorbell rang. She stood up angrily."I'll go take a look! It might be the chef!"

Chapter 108

108 Nan Xuan is the true love of my life

When she opened the door, it was Fang Yang who was panting.

...

“Where’s the BOSS?” Fang Yang asked as he leaned against the door.

“The study room.” Gong mo pointed inside.

Fang Yang immediately ran inside and shouted, ” BOSS, you’ve ruined the stock market!

Hearing this, Gong mo stuck out his tongue guiltily.

It couldn’t be because of her, right?

Just as she was about to close the door, she suddenly realized that there was another person standing outside the door, and that person was glaring at her angrily.

It was Lin Jing.

Lin Jing swaggered in uninvited.

“Did you come here with Fang Yang?” Gong Mo closed the door.

“Why do you care who I’m with?” Lin Jing raised her chin and said arrogantly, “I’m telling you! I don’t care if you’re legal or illegal, you can’t be with Nan Xuan! I’ve known nanxuan for a long time. We’re a match made in heaven and will be together sooner or later!”

Gong mo thought that she was crazy.

It just so happened that Gong mo was a little hungry. He had been worried about the stock market today and hadn’t had an extra meal.

what do you want to drink? “she asked Lin Jing as she walked towards the kitchen.

“Who wants to drink your food?” Lin Jing roared. She paused and said, “no! This is nanxuan’s, not yours. I want to drink it!”

Gong mo was speechless. He made her a cup of flower tea.

Lin Jing got angry when she saw this and roared, “You actually made such cheap tea for me to drink? Don’t you have coffee?”

“I’m sorry! I’m pregnant and we can’t find coffee at home!”

Lin Jing was stunned. She stared at her stomach and asked in a daze, “What did you just say? You’re pregnant?”

that’s right. Please be understanding and don’t speak too loudly. Gong mo turned around and started eating his afternoon tea.

Did you tell nanxuan that? ” Lin Jing pointed at her. you’re lying to her, aren’t you? I know all the tricks you women have up your sleeves!”

“Us women?” Gong mo looked at her in confusion. you’re a woman too? Why do you say that?”

She said it as if she wasn’t a woman.

“How can I be the same as you!” Lin Jing shouted, “we are both women, but we are completely different species! Tell me, how much money do you want to leave nanxuan!”

“Ah?” How did the topic change so quickly?

Lin Jing sat down, opened her bag, and took out a check and a pen. She wrote on a piece of paper and tore it off. here’s a million. Leave nanxuan’s side immediately!

Gong mo looked at her movements and thought in a daze, " Did she watch too much television?

"What's wrong? Too little?" Lin Jing asked aggressively.

Gong mo came back to his senses and put down the plate of snacks. He snatched the check and wanted to tear it into pieces!

However, this was too weak!

This was money!

A million!

She might not be able to earn that much in her entire life. If she tore it up, her heart would ache!

Gong mo thought for a moment and suddenly smiled. He raised the check and said, " "This is not enough!"

you ... Lin Jing was furious. you actually dare to demand such an exorbitant price!

nanxuan is the true love of my life. Why can't I demand an exorbitant price? Could it be that in your heart, he's only worth a million? It seems that you don't love him! In my heart, he's worth at least 100 million! No, I won't sell it even if it's a billion!"

She rolled up her sleeves twice-because she was wearing a short-sleeved shirt, she didn't have any sleeves at all-and then pounced on Gong mo, " "You evil woman ..."

Gong mo was shocked and wanted to Dodge.

Just then, Sheng nanxuan's stern voice was heard. "Enough!"

Chapter 109

why are you making things difficult for yourself?

Lin Jing stopped and turned back to look at him. In a second, she became a gentle lady. 'Nanxuan Yunjun'

...

"Take her away!" Sheng nanxuan frowned at Fang Yang and shouted, "tell Lin Lei to discipline him!"

"Yes." Fang Yang was so frightened that he hurriedly went to drag Lin Jing away.

Lin Jing roared, 'nanxuan! Why are you doing this to me? I like it ... Wuwuwuwu "

Fang Yang covered her mouth and dragged her out of the door.

Sheng nanxuan walked to Gong Mo's side and took the check from her hand. He crumpled it into a ball and threw it at the door, hitting Fang Yang's head.

Fang Yang picked up the check, closed the door, and carried Lin Jing to the elevator.

Lin Jing shouted on his back, "bastard Fang Yang!" Put me down! I'm telling you, I will never like you in my life ... Put me down!"

.....

Sheng nanxuan looked at Gong mo with a smile.

Gong mo was a little scared and couldn't help but retreat. "What are you doing, Qianqian?"

Sheng nanxuan grabbed her and pulled her into his arms.

He lifted her chin and asked with a smile, "I'm your true love? Hmm?"

"No way!" I was just trying to force her! Gong mo quickly denied.

"I don't care!" Sheng nanxuan acted shamelessly. words that have been said are like water that has been spilled. I will remember them in my heart!

you! Gong mo was dumbfounded. How could there be such a shameless person?

"It's up to you if you want to remember!" She turned around.

Sheng nanxuan hugged her from behind and smiled. "Since you love me so much, I must love you too, Yingluo."

"What?" Gong mo was shocked and pushed him away. what are you doing?!

She remembered what happened two days ago. He wouldn't be urging her to do that again, would he?

"What are you thinking?" Sheng nanxuan saw her vigilant expression and knew that she had misunderstood. He couldn't help but tease her. your brain is quite impure.

"You're the one who's not pure!" Gong Mo's face turned red.

"Yeah, I'm not pure."

you're shameless! he actually admitted it!

"But I'm not pure, I'll admit it. Unlike you, you're clearly not pure, yet you still deny it. "

“You.” Sheng nanxuan said gloomily.

Her?

Gong mo didn't understand. After a while, he finally realized what was going on and was furious.

This hooligan!

She slammed the table and was about to scold him when she felt a sharp pain in her palm.

****, I hit you too hard, it hurts!

She hurriedly raised her hand and gasped in pain.

Sheng nanxuan hurriedly held her hand and said with heartache, “What are you doing? It hurts, right? Who told you not to dote on my wife!”

Hearing this, Gong mo hit him with his other hand.

He held her injured hand and kept blowing on it. “Does it still hurt? Why are you in such a hurry? I'm your husband, what's wrong with teasing you a little? At most, you can tease her back. Why do you have to make things difficult for yourself?”

“You still dare to say that!”

He had already taken advantage of her by teasing her, and now he wanted her to tease him back and take advantage of him again?

In your dreams!

Sheng nanxuan paused and admitted his mistake in a low voice, 'alright, I won't say it. I just wanted to translate a few more novels for you, but I didn't know you would have such a big reaction.'

Gong mo was furious, 'didn't you say that you would translate my novel?' You clearly ... Clearly said Yingluo Hmph!

Sheng nanxuan looked at her and saw that she was angry. Her face was blushing, and she looked more and more beautiful.

He lowered his head and kissed her on the cheek. 'Is 'corpse language' good? That author has a few more books, I'll translate them for you?'

Chapter 110

110 You can only lose your temper at people close to you

Gong mo hesitated for a moment before nodding.

...

Sheng nanxuan held her hand. but don't look too much. Don't scare the child.

"Hurry up and translate!" Gong mo shouted at him.

"Yingluo, you're getting more and more fierce to me."

Gong mo was stunned.

Did I? She teased him,

Uh, this is not right. She could only lose her temper with people close to her. She was not familiar with him, so this was not very good!

Sheng nanxuan could not help but shake his head when he saw her conflicted expression.

This silly wife. They had known each other for many years! Even if she had forgotten about it for the time being, she would still subconsciously be attached to him.

.....

A few days later, Sheng nanxuan handed the translated second novel to Gong mo.

“Have you ever thought of publishing them?” Gong mo asked.

“Published?”

“Yeah! It’s not interesting enough for me to read such a good story alone. Since it has been translated, why don’t we publish it for everyone to see! But you’re only a translator. If you want to publish it, you’ll have to contact the original author. I’m sure the original author will agree, right?”

“If you wish to publish it, I’ll get someone to contact the original author,” Sheng nanxuan said with a doting smile.

sure! Gong mo said happily. do you want to get a pen name? ” When it’s published, your name must be signed in the translation column.”

“Let’s call him mo Xuan. If you want to write a novel in the future, use this name too.”

“This isn’t good, is it?”

“I like this.” Sheng nanxuan said, “I’ll use this name anyway.

suit yourself then ~”Gong mo shrugged. Anyway, she wasn’t interested in writing novels, so she probably wouldn’t need it.

“You haven’t been out for a long time, have you?” Sheng nanxuan suddenly asked, “do you want to go out for a walk?”

“I do want to go out, but where?”

“Anywhere is fine! As long as it’s a place you want to go, I can take you there!”

but Zhenzhen,”Gong mo said hesitantly,” I don’t like to go out. I want to stay at home. I still have so many novels to read ~”

you ... Sheng nanxuan rolled his eyes in anger. This kind of wife was too unambitious!

He suddenly remembered. Lin Lei is having a banquet in a few days. I’m going. Do you want to go with me?”

“I’m not going if I’m running away, right?”

She remembered Sheng Dongyi’s birthday party. It was full of important people in Nanjiang city. In the end, she was out of place and could not blend into their circle at all.

Now that they were in the capital, the people attending the banquet would definitely be more powerful than those in Nanjiang city. If she went, wouldn’t she be even more uncomfortable?

“You’re not going?” Sheng nanxuan retorted, “ this is Lin Lei’s banquet. Lin Jing will definitely be there. Aren’t you afraid that she will pester me? ”

Gong mo was stunned. He looked at him for a while and turned his head away, “ “So be it, what does it have to do with me?”

Sheng nanxuan was a little unhappy when he heard that. However, looking at her reaction, he knew that she didn’t mean what she said.

He smiled and walked to her side, pretending to be confused. "How is it none of your business?"

Gong mo opened his mouth and said irritably, "I'm tired, I'm going to rest for a while!" After saying that, he walked towards the bedroom.

Sheng nanxuan hurriedly followed him. since you don't want to go, I won't go either. I'm unemployed now, and I don't know what identity I'll use if I go."

Gong mo turned around and asked, "didn't they call you boss?" They're all of such high status, how can you not have one?"

the boss behind the scenes. Sheng nanxuan spread his hands. so, other than them, no one else knows.
