

Ditsy Wife 1011

Chapter 1011 Your sister-in-law has an affair

Yu Xinran was shocked and raised her head to look at him.

...

His hands trembled slightly as he stared at her. "You really want to marry him?"

Yu Xinran looked at him in shock. Lu Yingying? what is he trying to do? "

Yu Xinran was extremely nervous, afraid that he would do something out of line.

He hadn't confessed to her for more than twenty years. Why would he add to her troubles when she was about to get married?

The Yu family had already spread the news that she was going to get married. If he appeared at her door like this and was seen by others, how could she clear her name?

Xinran Yingluo. Lu Yang called her name uncomfortably, feeling a sharp pain in his throat.

He looked at her with grief in his eyes, as if he had lost the most precious thing in life.

Yu Xinran didn't dare to meet his eyes and hurriedly looked elsewhere.

He pulled her into his arms and was shocked. "Lu Yang! Let me go!"

my heart is beating fast, "he called out in a suppressed voice, his arms holding her tightly.

Yu Xinran frowned in pain, feeling as if her bones were about to be crushed by him.

After a long time, he slowly let go and whispered in her ear, "Yingluo, be good. You have to be good."

As long as she lived well, he didn't mind being alone.

He let go of her, turned around, and strode away in a panic.

Yu Xinran leaned against the door and only came back to her senses after a while.

She turned around and closed the door. She touched her arm and felt a slight pain.

She suddenly thought, why didn't he say so earlier? If he had said so earlier, she might not have gone to look for someone else. They were well-matched in social status, so they wouldn't encounter such a troublesome matter like the gong family when discussing their marriage.

Yu Xinran slowly walked back to the bed. She had just sat down when her phone rang.

She took a look and saw that it was Gong Bai.

She smiled when she saw his name.

Why should he be so sentimental over someone who had nothing to do with him? Gong mo was the one she loved.

She picked up the phone and heard Gong Bai ask, "Have you eaten?"

She didn't want him to worry, so she didn't say that she had a bad appetite. Instead, she said, "I was just about to go eat, what about you?"

.....

Wu Li was hiding in the dark. He only came out when he saw Lu Yang enter the elevator.

He picked up his phone and looked at the photo he had taken. He smiled and sent a text message.

Beijing

Gong Gong was eating at home when Hu Yinghong nagged, "I saw on the internet that the Yu family went to Beijing city to attend someone's wedding. These rich people are so ostentatious. Your brother must've gone to Yingluo and ignored me. He doesn't really want to disown me, does he?"

"Why do you care about him?" Gong Ying frowned.

Hu Yinghong valued men over women. In her heart, Gong Bai would always be more important than her. Even though Gong Bai declared that he didn't acknowledge her anymore, she still couldn't let him go!

Gong Mao was very dissatisfied. Where am I lacking? Now that Gong Bai had driven her away, wasn't it the same as taking her in?

Gong Ying took a sip of the rib soup and said in disdain, "You've put too much cooking wine!"

Hu Yinghong was taken aback. I'm making it for you, "she said gloomily. and you're still complaining?"

"Then you go make it for big brother! Let's see if he's going to pay you any attention!"

"You ..."

Ding ding ding! Gong Ying's phone rang.

She picked it up and saw that it was a message from Wu Li. She immediately revealed a happy smile.

Wu Li had gone to beixiao city today, but he had refused to bring her along. She had thought that he didn't want her anymore.

The content of the message stunned her-your sister-in-law is having an affair. [picture]

Puzzled, she opened the message and saw a photo of Yu Xinran hugging a man.

It was at the door of the Qin Zhuan hotel!

Yu Xinran should have gone to beimang city, right? Was Gong Bai not with her?

Chapter 1012 The child might not be your brother's

Gong Ying took a closer look at the man and recognized his expensive suit and leather shoes, as well as the watch that was worth millions!

...

He was definitely not Gong Bai!

She immediately put down her chopsticks and called Gong Bai. He couldn't get through at first, because Gong Bai was still on the phone with Yu Xinran. Later, the call got through, but Gong Bai ignored her and directly cut off the call.

Gong Gong slammed the table in anger.

"What's wrong?" Hu Yinghong asked. Let's eat first, it's getting cold."

Gong ze immediately looked up at her.

Hu Yinghong's hair stood on end from her gaze, and she hurriedly touched her face. "What's wrong? What are you looking at? My face is dirty?"

Gong ye moved to her side and showed her the photo.

Hu Yinghong was surprised, 'isn't this Yu Xinran? This is your brother?"

how could it be him?! Gong Ying shouted, " this person's clothes and watch alone add up to a few million! How can i buy it?"

"He can't afford it, but there's still Yu Xinran, right?" Hu Yinghong said unhappily, " your brother has a rich wife. He doesn't even want his mother anymore!

"He's not that kind of person!" Gong Ying said, "if he was such a person, he wouldn't have ignored you! This man was not him! I don't think he went to bei Zhi at all. Otherwise, how could Yu Xinran be with another man?"

Hu Yinghong was shocked and hurriedly looked at the information above the photo. she cheated?!

Gong Jie nodded thoughtfully as his brain worked quickly.

Hu Yinghong's expression changed, and she asked in a daze, "What do we do now? Do you want to tell your brother? This woman! I knew she wasn't a good person! How could rich people be honest? You're about to get married, and you're still messing around! Oh right, that Yingluo's child might not be your brother's!"

Gong Fei bit her lip and looked at the photo again, saying, " "Why don't we call her out and have a face-to-face confrontation with her?"

"She won't see me!" Hu Yinghong said, " I think you should just tell your brother!

“Don’t!” Gong Ying pulled her back. if you tell brother, won’t you make him sad? If it’s not what we think, won’t we be sad for nothing? GE will definitely think that we did it on purpose and will ignore you even more!”

“Then, then what should we do?”

“Let’s meet Yu Xinran alone.” Gong Fei shook her phone. it doesn’t matter if Yu Xinran cheated on me or not. Brother will definitely be sad if he sees this photo. If Yu Xinran really liked him, she definitely wouldn’t be willing to do this. If she didn’t like him, then it would be easier. Who knew what she was hiding from her brother for? She would not let her brother know! So we’ll send this photo to her. When she sees it, she’ll definitely come!”

“Good, good, good!” Hu Yinghong hurriedly replied, ” hurry up and post it!

“She’s in beiming city now, how can she post it? It would take at least two hours for him to rush back as soon as he received the text. If she realizes that there’s something wrong with the photo during this time, our plan will be ruined. Besides, the Lu family is having their wedding tomorrow. The Yu family and the Lu family have been friends for generations, so it’s definitely not good for her to leave at this time. I don’t think she’ll leave at this time.”

“Then we’ll wait for her to come back before sending it?”

Gong Fei nodded.

“What if she really did lie to your brother?” Hu Yinghong was feeling vexed.

then we’ll blackmail her for some benefits. Otherwise, we’ll release these photos!

This was Gong Gong’s original intention.

She more or less knew about the relationship between Yu Xinran and Gong Bai. The photo looked ambiguous, but it was just a photo. She was in the entertainment industry, so how could she not know that she was good at speaking based on pictures?

Chapter 1013 You're here alone

If Yu Xinran really had something going on with this man, why didn't Wu lie send more photos over? For example, kissing or entering a room? Or even a video of the entire process?

...

Therefore, Yu Xinran was most likely innocent.

However, did Yu qingran dare to let Gong Bai know about such a photo?

As long as she used this photo to threaten Yu Xinran, Yu Xinran would definitely fulfill her requests.

She thought for a moment and sent a text message to Wu Li. Why are you sending this to me?

Wu Li replied, "nothing much." I'll just send it to you when I see it ~

Gong Fei snorted. Wu Li was also a relative of the Yu family, but he didn't get any benefits from the Yu family. He had never spoken well of the Yu family, and now he probably wanted the world to be in chaos.

She thought for a moment and continued to reply, "don't send the photo to anyone else. I have a use for it!"

Wu Li, "sure ~ do you want to know who that man is?"

Gong Mao, "who?"

Wu Li, Lu Yang, the young master of the Liuguang group.

.....

On the third day after Yu Xinran returned from Beijing city, she received a photo from Gong ye.

Gong ye didn't use his phone. Yu Xinran received a message from an unknown number.

At first, she was shocked, then she panicked.

She didn't know who this was. Was he a paparazzi?

If they were paparazzi, they would definitely want money. However, even if they paid, the other party might still publish the photos.

Just as Yu Xinran was about to get someone to look for clues from the phone number, the second text message was sent-

[xxxxx cafe, 2nd floor, 22nd seat. I'll be waiting for you there. Don't tell anyone that you're here alone. [otherwise, these photos will not only appear on major websites, but they will also be sent to your fiancé.]

Yu Xinran narrowed her eyes.

What was this person's goal? Not only her phone number, but also Gong Bai's phone number.

If it was for money, it wouldn't be difficult to find someone to investigate, or the person had the ability to do so.

But what if he wasn't?

If it was an ordinary person who didn't have the means of a detective and wasn't even doing it for money, who was it?

At the same time, he was using her and Gong Bai's numbers.

Gong Bai's family?

Yu Xinran put away her phone and decided to go to the appointment to see how it was going.

Half an hour later, she parked the car below the cafe.

Through the car window, she observed her surroundings and found nothing unusual.

It didn't look like a gang. Otherwise, there would definitely be people left to keep watch below.

The sun wasn't strong today. It was almost autumn, and the wind was very comfortable. But she still put on her sunglasses, got out of the car with her bag, and slammed the door.

As she walked into the cafe, her phone rang.

She thought that it was a message from the sender, but when she took it out, she realized that it was Gong mo.

She picked up the phone with a smile and walked upstairs.

"The weather is good today, shall we go out together?" Gong mo asked.

"Uh, Yingluo, I want to as well."

"What's wrong? Are you not feeling well?"

"It's alright." Yu Xinran walked up the stairs and turned to look around. She saw Gong Gong and Hu Yinghong.

It's them?

Yu Xinran couldn't help but sneer and said to Gong mo, I'm at xxxxx café. Where are you? "

"I've already left. I was planning to shop alone if you didn't accompany me. Since that's the case, I'll go find you."

"Alright," he said. Yu Xinran hung up the phone and walked towards Gong ze and the others.

Gong ye saw her from afar and raised his chin arrogantly.

Meanwhile, Hu Yinghong gritted her teeth as if she was looking at an enemy.

Yu Xinran stopped in front of their seats and looked down at Gong ye,"Did you send the photo?"

She didn't include Hu Yinghong in her list. After all, Hu Yinghong was Gong Bai's mother. If possible, she didn't want Hu Yinghong to bear the responsibility for this matter.

Chapter 1014 Do you know who he is?

Gong Fei sneered and stirred the iced coffee beside her, " "If we don't use this method, we won't be able to see you."

...

"What are you guys trying to do?" Yu Xinran asked coldly.

“What are you doing?” Hu Yinghong shouted agitatedly, “ you actually dared to make a cuckold out of my Gong Bai! The child in your stomach isn’t his, is it? You woman, I’m going to kill you!”

“Mom?” Gong Fei frowned, dissatisfied with her rashness. He had asked Gong ye out because he wanted some benefits!

Seeing that Hu Yinghong had stood up, Yu Xinran simply sat down to avoid being watched by the people nearby, and also to prevent her from accidentally pushing herself down.

“Lu Yang and I were just standing at the door and talking.” Yu Xinran said.

“Don’t you have to hug me when you talk? Who knows what else you guys did after that!” Hu Yinghong said.

you ... Yu Xinran felt like a scholar meeting a soldier, unable to explain himself. She took a deep breath to calm herself down. tell me, what do you want from me? ”

Hu Yinghong pointed at her and said,“you-”

Yu Xinran’s face turned cold. don’t be so noisy. I don’t have time to waste with you. If you have any purpose, just say it.

“What’s my purpose?” Hu Yinghong said angrily, “ I’m just asking you. Whose child is it? ”

“It’s gong Bai’s,” Yu Xinran looked at her without fear.

“I don’t believe it!” Hu Yinghong choked.

“Then what do I have to do to make you believe me?”

Hu Yinghong opened her mouth, but she didn't know what to say. She looked at Gong ye helplessly.

Gong Mao's fingers knocked on the table, "The matter between you and big brother should not have been our business. However, if the child really isn't big brother's, then we have the right to interfere."

"If it's not his, who else could it be?" Yu Xinran took out her phone and opened the photo. "Is this the person?"

"Who knows?" Gong ye sneered.

"Do you know who he is?" Yu Xinran asked, "he's the heir of the Liuguang group. He's worth hundreds of billions now. In the future, when he inherits the Liuguang group, it's possible that he will surpass my family and become the richest man in the country! If the child is his, why should I marry Gong Bai instead of him? What am I after?"

"He's so rich. Who knows, he might not want you ~" Hu Yinghong sneered. "So what if your family is the richest in the country? Who knows you're so cowardly?"

Hu Yinghong glanced at her. There were some things that she didn't say out loud. She snorted and said, "Maybe she won't even like you!"

In her opinion, the private life of a rich young lady like Yu Xinran must be very messy * Why would the rich families accept it? Only Gong Bai was foolish enough to take over the responsibility!

"What do you mean by that?" Yu Xinran was furious. What did she mean by that look?

"Don't you know what I mean?! Hu Yinghong called out.

"You insist that this child isn't Gong Bai's, right?" Yu Xinran was so angry that she trembled. Then, what will we say when we do the DNA test? Auntie, will you apologize to me?"

“Alright, I’m done!” Gong ye interrupted them and said to Yu Xinran, “ even if the child is my brother’s, you’re already engaged to him. It’s not good to go on a date with another man, right? ”

“That’s not a date! There’s nothing going on between Lu Yang and me!”

“We believe it, but I don’t know if my brother will believe it after he sees the photo.” Gong Ying looked at her with a scheming expression.

Yu Xinran clenched his fists. Gong Bai seemed to know that Lu Yang liked her. If he knew about this, he would definitely have a lot of wild thoughts in the recent situation!

Chapter 1015 I’ll catch you sooner or later

“What do you want?” she stared at Gong ye.

...

it’s simple ~”Gong Ying said. first, you can help me take on a few female lead roles.

“What’s the second?”

“After you and big brother get married, my parents and I will move in with you!”

“Gong Bai said we can’t live together. I can’t do that.”

“Then we’ll give him the photo!”

it’s my parents ‘request to Gong Bai that we don’t live together after our marriage, ” Yu Xinran said angrily. wouldn’t it be strange if I were to bring it up myself? ”

“Just say that you’ve suddenly come around. Anyway, you must have a way to make him believe you. If it doesn’t work, you can just let us move in. Will he still chase us out?”

Yu Xinran was silent for a moment before asking, “Where did you get the photo?”

“None of your business,” Gong Mao was stunned.

“Then I won’t bother.” Yu Xinran stood up and suddenly tapped on her phone. Their conversation just now came out of the phone.

Gong Mao’s expression changed as he stood up, “What do you want to do?”

Yu Xinran put away her phone. Gong Jie rushed over, wanting to snatch it from her.

Yu Xinran took a step back and looked at her and Hu Yinghong coldly. “I don’t know if that photo will make Gong Bai angry. However, if Gong Bai were to hear this recording, I’m afraid he would forget about the photos and only remember you two.”

you-” Hu Yinghong stood up. Seeing that she had left, she hurriedly pushed Gong ye away. stop her! Quick! You can’t let your brother know!”

If Gong Bai knew about this, he would be even angrier than before!

Gong Jie hurriedly ran towards Yu Xinran.

Yu Xinran walked to the stairs and Gong ze grabbed her. “Sister Xinran! We were too impulsive just now. Sit down and let’s have a good talk!”

Yu Xinran tried to pull her hand back, but it didn’t work. She said angrily, “Let go!”

Gong ze approached her and threatened in a low voice, "you said that there was nothing between you and Lu Suan. I really don't believe you." If you dare to leave today, I'll catch you sooner or later. Let's see what you'll do then!"

Yu Xinran glared at her fiercely, flicked her sleeves, and flung her away.

Gong ye didn't let go of her. As he pulled, Yu Xinran slipped and fell.

ah! Gong ye screamed in fear.

flare! Hu Yinghong screamed as she ran over when she saw Yu Xinran fall.

Yu Xinran rolled down the stairs, feeling dizzy and in unbearable pain.

"Xinran!" Gong mo happened to enter the room and saw the scene. He shouted and ran over.

Yu Xinran lay on the ground, her face pale and she kept gasping.

"Xinran!" Gong mo helped her up in a panic.

She sat on the ground and took a while to catch her breath. She endured the pain and said, "My stomach hurts!"

She suddenly thought of something and hurriedly looked down at her lower body ...

Her dress was gradually dyed red.

my, my child, Zhenzhen. she grabbed Gong mo nervously. Gong Bai, Zhenzhen.

"Don't rush!" don't move, I'll call an ambulance for you! Gong mo said.

Gong Fei stood on the stairs and saw them. She shouted in fear, "I did not push her! She fell down on her own!"

"You shut up!" Gong mo shouted the name of his bodyguard.

Hu Yinghong ran down and saw Yu Xinran's expression. Her expression changed, and she shouted, "Call the ambulance! My grandson! Aiyo-what if I lose the baby! Gong Bai might not be able to get married, and he wouldn't be able to get married to the Yu family!"

Yu Xinran moaned in pain,"Gong Bai, Gong Bai, Gong Bai, Gong Bai, Gong Bai!"

Chapter 1016 Save my child

She felt the fetus leaving her body bit by bit and cried in despair.

...

She couldn't bear to leave her child and Gong Bai.

She was determined to be with Gong Bai now only because of her child.

If she didn't have a child, she wouldn't have been so tired even if she loved Gong Bai.

But she really loved him and couldn't bear to leave him. Therefore, this child had to exist! His existence complemented Gong Bai's, and she couldn't let anything happen to her child. If anything happened to her child, she didn't know if she would still have a future with Gong Bai.

Gong Mo's chauffeur drove the car over and the bodyguards carried Yu Xinran into the car with Gong mo.

Yu Xinran grabbed Gong mo and cried helplessly, " save him, Yingluo, save my child, Yingluo, find uncle!

"I know!" Gong mo sat beside her and held her hand. don't be afraid. We'll be there soon.

Yu Xinran looked at her and wanted to say that she was not afraid. However, she was actually afraid of Yueyue. She was in pain and scared.

For a moment, she couldn't say anything, only tears kept falling.

Gong Bai, " she groaned.

hehe! Gong mo was so anxious that tears fell from his eyes. He shouted at the driver, " hurry up!

Soon, the car arrived at worriless hospital.

The doctor and nurse ran out. Seeing that it was Yu Xinran, they immediately went to inform Yu Qingliu.

After Yu Xinran was sent to the operating room, the members of the Yu family, Gong Bai, Sheng nanxuan, and the others quickly arrived.

"What's going on?" Yu xinzhuo asked angrily.

"How is Xinran?" Gong Bai grabbed Gong mo and asked.

Gong mo shook his head. I didn't know. Zhenzhen just lost a lot of blood.

Gong Bai's face instantly turned pale.

"How did this happen?" Yu xinzhuo asked.

it's Gong GE, Gong GE, " Gong mo cried. I saw her push Xinran down. A-aunties were there too, I don't know why they're looking for Xinran."

Feeling cold all over, Gong Bai let go of her in despair.

"You *****!" Yu xinzhuo threw a punch.

Gong Bai fell to the ground with a thud.

He looked at the ceiling and couldn't help but cry.

"I'm not getting married!" Yu xinzhuo shouted.

The other members of the Yu family looked at the light in the operating room, too worried to speak.

Wu surong and Min Ling started to cry and kept wiping their tears.

Yu xinzhuo pressed down on Gong Bai and beat him up more severely than when he found out that Yu Xinran was pregnant.

This time, no one went to stop him.

"If anything happens to Xinran and the child, I won't let you off!" Yu xinzhuo had enough of beating Gong Bai up. He grabbed Gong Bai's collar and threw him to the ground.

"I'll get someone to bring Gong Gong and the others here," Sheng nanxuan said.

Yu xinzhuo looked at him and nodded. Seeing that his family was worried, he walked over and comforted them. "Don't worry, uncle is here."

Min Ling's face was ashen and she said with self-blame, "it's my fault, Yingluo. I should have opposed her from the start. Otherwise, I wouldn't have to suffer like this now. Yingluo, my daughter actually has to suffer like this!

"First aunt!" Gong mo supported her.

Min Ling pushed her away and said, "I don't want to see you, Yingluo." She reminded her of Gong Bai.

Gong Mo's hand stiffened and he retracted it. I'm sorry, Zhenzhen. it was indeed her fault. She was the one who tied the red strings for Gong Bai and Yu Xinran.

Soon, Hu Yinghong and Gong ze arrived.

Gong ye looked guilty as she dragged her feet behind them. If it were not for Sheng nanxuan's men, she would have turned and run away.

Hu Yinghong ran over very quickly and asked, "Is the child alright?"

Chapter 1017 Yu Xinran miscarried

"You only know about children?" Min Ling shouted, "I don't care if your child is fine. My child is suffering, what do you think we should do?"

...

Hu Yinghong was stunned. When she lowered her head and saw Gong Bai lying on the ground, she hurriedly helped him up and said, "Gong Bai, are you alright? How are you doing?"

Seeing that Gong Bai's body was blue and purple, she cried anxiously. She raised her head and shouted at the Yu family, "How can you hit me?"

“He’s the one I hit!” Yu xinzhuo roared, “ I can’t wait to kill him!

Hu Yinghong jumped in shock and stammered, “ You’re such bullies! Do you think I won’t call the police?”

who’s calling the police?! Ding dang’s voice was heard.

Everyone looked over and saw her walking over in her police uniform.

Ding dang glared fiercely at Hu Yinghong, then walked over to Wu surong’s side and asked gently, “ Mom, how’s Xinran?”

Wu surong didn’t say anything, but she looked worried.

Ding dang raised her head to look at the others. No one was in the mood to answer her. She sighed and looked at the light in the operating room.

Hu Yinghong lowered her head and sobbed while hugging Gong Bai. It was over. They were going to be bullied to death.

Gong Bai suddenly pushed her away and got up.

He stared straight at the door of the operating room. A few seconds later, the door opened as if it had sensed something.

He rushed over, but was blocked by the Yu family members who were faster.

“How is it? Is Xinran alright?” Everyone asked one after another.

a fracture in the calf. Yu Qingliu said.

Everyone was shocked and their hearts ached. They continued to ask, "Where Are the Children?"

Yu Qingliu raised her head and glanced at Gong Bai, who was behind her, and shook her head. "The child was miscarried."

Gong Bai's body trembled, and Gong mo was startled. He hurriedly rushed forward to support him. "Cousin?"

Gong Bai bit his lip, and tears filled his eyes. He withdrew his hand, pushed the crowd aside, and walked into the operating theater.

Yu Xinran was lying on the operating table with her eyes closed and her face full of tears.

my heart is in pain. Gong Bai lowered his head and hugged her in pain. my heart is in pain.

Yu Xinran's eyelashes moved. She opened her eyes and slowly raised her hand to grab his hand.

He grabbed her hand and sobbed, "I'm sorry, Yingluo, I'm sorry, Yingluo"

I can't feel him, "Yu Xinran said in a low voice. I don't think I can feel him anymore, Yingluo.

"My heart is in pain." Gong Bai sobbed in pain.

The others stood in front of the operating room and looked at them.

Yu Qingliu slowly took off her white coat. let's send her to the ward first.

When Yu Xinran was pushed out, she suddenly raised her eyes and looked at Gong Mao in the crowd.

Gong Ying held his breath and shrank into a corner in fear.

The others glanced at her and ignored her for the time being. They followed Yu Xinran to the ward.

After settling Yu Xinran down, Yu Qingliu told everyone not to disturb her. Everyone left the ward, leaving Gong Bai to guard the bed alone.

When he walked out of the ward, he saw Gong ze and Hu Yinghong standing outside.

Min Ling gritted her teeth and angrily rushed over. She raised her hand and wanted to hit him.

Gong Ying shrieked and hid behind Hu Yinghong. "It wasn't me! It's Gong mo and Lao Ai!"

She pointed at Gong mo and shouted, "it's her!" Mom and I were passing by and saw them--"

Gong mo rushed over, dragged her out, and slapped her hard on the face.

ah! Ye Fei shouted.

you still don't know your mistake?! Gong mo slapped her several times in a row. isn't Xinran dead? Do you think the dead can't testify? You still dare to blame me? There's a surveillance video in the café, do you want to take a look?"

Chapter 1018 Let's break up

"Gong mo, what are you doing?" Hu Yinghong shrieked and pushed her away. why did you hit my Feiyan? You don't have the right to care about my daughter!"

...

"Then you'll have to manage it yourself!" Gong mo shouted, pushed them away and walked forward quickly.

Sheng nanxuan followed him, and the other members of the Yu family also turned to leave.

guard her well, " Min Ling said to Yu xinzhuo. don't let them disturb your sister.

.....

In the ward.

Gong Bai knelt by the bed, grabbed Yu Xinran's hand, and put his face on the back of her hand.

Yu Xinran's other hand was on an IV drip. She looked at the liquid dripping from the drip bottle with a sad expression.

Gong Bai, " she said weakly.

Gong Bai immediately raised his head and looked at her nervously. "What do you want?"

"Let's break up." She looked at him.

Gong Bai trembled and lowered his head as he cried, "I'm sorry, Yingluo."

He knew that he had no right to keep her. All he did to her was hurt. He only liked and doted on her a little, even if he wanted to. He wasn't worthy of her, so she should let him go.

I'm sorry, Zhenzhen, " he said in tears.

“I’m fine.” Yu Xinran pulled her hand away from his hand and caressed his forehead. you’ve already done very well, and I’ve tried my best, Wanwan. It’s just that we’re not meant to be. I don’t want my family to worry anymore.”

Gong Bai looked at her numbly and said, “please allow me to take care of you during this period.” This is my responsibility.”

Yu Xinran’s hand trembled and she retracted it. She turned her head and said, “No need. You can’t take good care of me.”

Xinran ... Gong Bai growled in a low voice. His heart ached to the extreme.

She knew that she was saying this on purpose and not really.

However, this was also a fact.

“I’m sorry, Yingluo, I’m sorry, Yingluo”

He knelt there and apologized countless times.

Only when Yu Qingliu came over to change Yu Xinran’s drip bottle did he stand up and walk out unsteadily.

He walked out of the room and started crying.

Yu Xinran heard her voice and sat up in a hurry.

“Don’t move!” Yu Qingliu pressed her down and carefully helped her lie back down.

Gong Bai’s crying gradually faded away. Yu Xinran screamed and started crying as well.

She cried so hard that her voice shook the world.

Yu Qingliu looked at her and didn't stop her. He slowly wiped her tears.

She didn't know how long she had been crying for. Min Ling and Wu surong brought her dinner. They heard her crying from a distance outside the ward and rushed in in a panic."What's wrong?"

mom, Wanwan. she looked at Min Ling dejectedly. mom ...

"Mom's here." Min Ling held her hand. mom is here.

Yu Xinran sat up and leaned into her arms. Her voice was already hoarse from crying."I broke up with him, Yingluo, just like that, Yingluo, Yingluo"

it's good that we broke up. It's good that we broke up, Yingluo. Min Ling sobbed and comforted her.

I can't bear to leave Yingluo! she cried.

"Then I'll call him back!" Seeing her so sad, Min Ling completely forgot what she had said earlier. If she wanted Gong Bai, then she would have Gong Bai. She didn't care about anything else!

Yu Xinran shook her head. no, Yueyue. Don't call him back. Yueyue, if you leave me, he'll be fine too.

don't be silly, Yingluo. Min Ling wiped her tears. you didn't let him down. Don't be silly!"

"Don't cry." Wu surong was also wiping away her tears. don't cry, Yueyue. Come and eat.

Min Ling let go of Yu Xinran, turned around, and wiped her tears. With red eyes, she picked up the bowl of soup and wanted to feed her.

Yu Xinran took a sip and didn't want to drink the second one. "I have no appetite, Yingluo."

Chapter 1019 beat him up!

"I still have to eat even if I don't have an appetite." Min Ling turned her head away and secretly wiped her tears. you have to recuperate well. Just treat it as if you're in confinement. You can't mess around.

...

Yu Xinran thought for a while. Without Gong Bai, she still had to live her life in the future. She might even get married and have children. She couldn't ruin her family now!

"I'll eat!" She nodded and said firmly.

.....

The Yu family canceled the wedding on the same day, and all the preparations were stopped.

He had already leaked the news to the public, but he didn't say the specific time and place. Most people didn't even know who he was getting married to. Now, he could just say that it was just a rumor.

Everyone in the Yu family's circle understood that there was a problem with the marriage and it couldn't be carried out.

Those who had a good relationship with the Yu family all called to ask, and Lu Yang called Yu xinzhuo immediately.

Yu xinzhuo said painfully,"she had a miscarriage, Yingluo."

what? ” Lu Yang was shocked. I’ll go see her!

“Don’t!” Yu xinzhuo rejected her without thinking. she needs to rest now.

then, Qianqian. Lu Yang wanted to ask Lu Qian to go, but Yu xinzhuo said that he wanted to rest. It seemed that no one could go. “What about her and Gong Bai?” he asked after some thought.

“We broke up.” Yu xinzhuo hated this name. I’ll object to it even if he doesn’t. At most, I’ll just kill him! I will not allow him to continue hurting Xinran!”

“Yingluo, yes.”

Yu xinzhuo took a deep breath. I’m sorry, Wanwan. I’ve been in a bad mood these past two days. I’ll talk to you another day.

xinzhuo-” Lu Yang hurriedly shouted.

“What?”

Lu Yang paused and gathered his courage to say, ” there’s something that I don’t think it’s a good time to mention, but I hope you can consider it.

.....

The Yu family and Sheng nanxuan worked together to send Hu Yinghong and Gong Gong back to Nanjiang.

Before Gong ze left, he said that Wu Li had sent her the photos. Wu surong was furious and called Yu Zhengming and old master Wu to go to second Wu’s house.

Yu xinzhuo, Wu Di, and the others were afraid that the old man would be at a disadvantage, so they naturally followed.

A group of people entered, and Wu Lao er's house was suddenly in chaos.

"Get Wu Huang out of here!" Wu surong said to Wu Di.

Wu Di was stunned and went to grab Wu Li.

Wu laoer ran out in a panic. "Cousin, cousin, cousin-in-law, what are you doing?"

"What are you doing? Second brother Wu, you've taught your grandson well. He's here to harm my granddaughter!" Wu surong roared and said to Yu Zhengming, "beat him up!"

Yu Zhengming was stunned. Looking at second brother Wu, he thought about how he wasn't young anymore, and hesitated, "That's not very good, is it?"

If he was young and his wife told him to hit someone, he would definitely hit that person. However, he was already in his seventies and eighties. It would not look good if he fought, and it was easy to hurt his waist.

"Aiya!" Wu surong hit him in dissatisfaction and said to Yu xinzhuo, "then you can use Wu lie!"

"What are you guys doing?" Second brother Wu shouted, "how can you hit my grandson?!"

The living room was in chaos, and the others were so scared that they hid.

Wu Yunyun was at home, so she didn't care when she heard the noise. Mother Yun entered her room and excitedly told her about the situation downstairs.

"They started fighting?" Wu Yunyun asked.

yes! mother Yun nodded. I saw xinzhuo holding him down and beating him up.

“Why?”

Mother Yun was taken aback, ‘I didn’t know! I’ll go and take a look!’

“Eh?” Wu Yunyun said helplessly, “be careful.

Downstairs, Yu xinzhuo was pulled away by second brother Wu, and a group of people were arguing. Wu Lao ‘er understood what had happened and vowed to discipline Wu Li.

Chapter 1020 He’s applying to go abroad

Yun Yun’s mother had heard enough, so she went upstairs to tell Wu Jingyun.

...

then, “Wu Yiyun said, “prepare a gift and go see sister Xinran.

Mother Yun was taken aback. I’m guessing they won’t go.”

“Grandpa will definitely prepare a generous gift.” He had already been beaten up, and he still dared to not express anything?

“That’s your grandpa’s business! We’re not close to the Yu family to begin with, and now that they’ve encountered such a thing, they’ll think that we’re there to watch a joke.”

Wu yayun was stunned for a moment, then nodded. “Then forget it.”

“We can still join in on the fun,” mother Yun sighed, “but we have to consider whether or not they’re willing to be visited.” But now that there’s news that she’s not getting married, I’ve saved this gift money.”

Wu Yunyun looked at her helplessly. what are you planning every day? ” Alright, I’m going to school.”

Mother Yun was taken aback and suddenly pulled her back. “I’m telling you, you can date Fang Yang, but don’t have a child! You see, not getting married is a troublesome thing, so much suffering, so much loss? It’s not reasonable to say it out loud, and many people will laugh at it behind our backs.”

Wu Yunyun blushed and pulled her hand away. “I’ll have a little argument with him. I know what to do.”

Downstairs, Yu Zhengming and the others had already left.

Wu Huang was groaning and scolding. When he saw Wu Yunyun coming downstairs, he went back to his room, called Gong ye, and scolded Chi Fei.

Gong Jie originally wanted to ask her for help and let him return to the capital, but he didn’t dare to say anything after hearing this.

.....

Gong mo went to visit Yu Xinran every other day. Min Ling and Yu xinzhuo were both angry at her. In this situation, she was also afraid that Yu Xinran would think of Gong Bai and affect her mood, so she tried not to go there. Every time, she would only comfort her and leave.

When she heard that they had broken up, she felt sorry for them and wanted to persuade them to reconcile, but she didn’t dare to do so while Yu Xinran was recuperating.

Probably no one could understand Yu Xinran’s current feelings. He could give it a try after a while.

When Gong mo walked out of the hospital, he found Sheng nanxuan there to pick her up. He walked over and asked, "Do you want to go in and see her?"

"Forget it. She had a miscarriage, and as a man, I don't know how to comfort her. "

"Another day then." Gong mo sat in the car, exhausted.

Hu Zi was in the car, and Sheng nanxuan had been with him.

mommy, Yingluo. he had been very obedient recently. He knew that something had happened and the adults were unhappy, but he did not make a fuss.

Gong mo smiled and kissed him before sighing.

Hu Zi smacked his lips, but he still didn't dare to act cute. What's wrong with mom recently? Why did he keep sighing?

"Gong Bai resigned," Sheng nanxuan said as he sat beside her.

"Resign?" Gong mo was stunned.

"He's applying to leave the country. I think his classmate from abroad has a company there, so he's going over to help."

"What about in the future?" Is he going abroad for a period of time, or for the rest of his life?"

"What do you think?"

I'll go and see him! Gong mo said hurriedly.

The car stopped below Gong Bai's building. Gong mo got out of the car in a hurry. Sheng nanxuan followed behind with Hu Zi in his arms.

When they arrived at the door of Gong Bai's house, Gong mo rang the doorbell for a long time, but no one answered.

"Is he not at home?" Puzzled, she turned around and asked Sheng nanxuan, " he's already gone abroad?"

"

"No, I can't get the visa for a while. You can continue to massage it, I'll do it. Your hands are hurting from the massage."

Sheng nanxuan walked over with Hu Zi in his arms. Just as he was about to ring the doorbell, the door opened.
