

Ditsy Wife 1021

Chapter 1021 You'll see the old Gong Bai

Gong Bai was standing in the room. He had lost a lot of weight after a few days. He had a stubble on his face and hadn't been washed for a long time. His hair was also messy, probably not combed for many days. His eyes were empty, and he looked as if he had nothing to live for.

...

"Ya!" Hu Zi was so scared that he threw himself into Sheng nanxuan's arms.

Gong mo was also shocked. He cried out in pain, "Cousin! What are you doing?"

Gong Bai opened the door and walked in shakily.

Gong mo followed him in and saw that the room was in a mess. There were half-packed luggage, empty beer cans and instant noodles boxes, and cigarette butts all over the floor.

cough, cough, cough. Gong mo choked on the smoke in the air and started coughing.

Hu Zi was also coughing.

Sheng nanxuan carried Hu Zi to the window and opened it. Hu Zi immediately exhaled heavily.

After a while, when the air in the room was more fresh, he turned around with Hu Zi in his arms.

Gong Bai was sitting on the sofa with a blank expression.

Gong mo opened his mouth and advised, "don't waste your time like this. You still have to move forward." Besides, everything can be salvaged."

Gong Bai shook his head. There was no turning back between him and Yu Xinran.

Gong mo pursed his lips and held back the tears in his eyes, " "I heard you're going overseas?"

After a few seconds of silence, Gong Bai raised his head."Am I a coward?"

Gong mo was startled by his voice.

His voice used to be warm and mellow, but now it was frighteningly rough.

Gong mo hurriedly turned around, looked around, and dragged him up, " "It's enough for you to be dispirited for a few days! This can't continue! I heard that you asked for leave. I knew that you wanted to adjust, so I didn't come to you. It should be enough now!"

"Take a good shower and shave your beard," Gong mo said as he pushed him into the bathroom.

She closed the bathroom door and rolled up her sleeves.

"What are you doing?" Sheng nanxuan asked.

Gong mo was stunned. I want to help him clean up.

Sheng nanxuan looked around and felt that it was too messy. He did not want to help, so he called the bodyguards downstairs.

"Uncle?" Only then did Hu Zi realize that the strange person just now was actually his uncle!

Gong mo went to the kitchen to boil a pot of water and made a cup of lemon tea for Gong Bai.

Gong Bai took a shower for half an hour before he came out. Hu Zi had shaved his head, and his hair was still dripping with water. He looked paler, but at least Gong Bai could see his original appearance.

Hu Zi timidly called out, "uncle Yingluo."

With his head lowered, Gong Bai was dumbfounded.

Gong mo handed him the water. He was stunned for a moment before he took the water and said in a hoarse voice, "Thank you, Yingluo."

"Slowly pull yourself together." Gong mo said, "I know you need time, but Yingluo can't go on like this. Xin, Xin ran wouldn't want you to be like this."

He tightened his grip on the cup and nodded. "Yingluo wants me to be good. I know."

"Then you're the one who ran!"

Gong Bai took a deep breath and raised his head to smile at her with a pale face. "I'll be fine. You'll see the old Gong Bai soon."

Gong mo stared at him and almost burst into tears.

The old Gong Bai?

How could there be the old Gong Bai?

There would always be traces of an injury. If he really recovered to how he was before, who knew how badly hurt his heart would be under the mask?

Gong Bai finished the water in his cup and said, "I'll let you know when I'm done with the procedures to go abroad." Yingluo might be coming home soon."

Gong mo looked at him fiercely.

"I'm going to handle some procedures," he said expressionlessly.

Chapter 1022 Gong Ying is pregnant

Gong mo nodded his head. His household register was in Nanjiang. If he wanted to go abroad, he would have to go back and do some research.

...

"I'll also say goodbye to Yingluo." Gong Bai pursed his lips and said, "I'll never return to that place again.

Gong mo wasn't surprised and didn't try to persuade him.

"I'll go pay my respects to second uncle."

"Thank you," Gong mo replied.

"Although I don't have much of an impression of second uncle, I've finished reading those books. When I was young, my parents couldn't bear to buy me books and told me to go to your house to read. I was very embarrassed."

"It's fine." Gong mo smiled. I don't like some of those books. I don't even touch them. If not for you, they would be very lonely."

"I'm wondering if those books have harmed me," Gong Bai said with his head lowered.

Gong mo was shocked and looked at him in confusion.

“Reading makes one wise and allowed me to learn too many principles. I’m now different from my family, which led to today’s tragedy. If I was as despicable as them, I wouldn’t have to be so close to you, and I wouldn’t be able to be with Xinran, and I wouldn’t be in this pain.”

After a moment of silence, Gong mo turned around and said, “you can think whatever you want.” Don’t put yourself in a difficult position, Yueyue.”

She walked out of the room with Sheng nanxuan. Hu Zi called out in a daze, “Uncle,”

“Momo!” Gong Bai raised his head.

Gong mo stopped and turned around to look at him.

“Let’s keep in touch,” he said with a smile.

“If you really want to leave, don’t leave without saying goodbye,” Gong mo nodded.

“Alright,” he said.

Gong mo bit his lip and pulled Sheng nanxuan away from his sight.

His body swayed as he slowly walked to the sofa and sat down. He leaned against it weakly and raised his hand to cover his eyes.

From now on, he would be in awe.

.....

At 10 am, Hu Yinghong bought some groceries and returned home. When she realized that Gong Gong was still asleep, she started nagging out of habit. "You should get up! She's always in bed and doesn't even know how to find a job! Do you want me to take care of you for the rest of your life?"

"I've only rested for a few days!" why didn't you praise me when I gave you the money to spend? " Gong Ying shouted in the room. You only know how to dislike me, just because I'm not a son, right?"

Hu Yinghong choked and went to the kitchen while mumbling.

After a while, Ye Fei walked over lazily.

Hu Yinghong glanced at her and asked in an annoyed tone, "What do you want to eat? You're the young miss, I'm going to serve you every day!"

"As you wish!" Gong Ying turned around and went to wash up.

"I'll cook you some dumplings!" Hu Yinghong said loudly.

After a short while, the sound of Gong ye retching could be heard. Hu Yinghong was stunned for a moment before she hurriedly walked over.

Gong Ying lay on the sink and vomited for a long time before standing up. She took a deep breath, wiped her mouth with a towel, threw the towel on the towel rack, and walked out.

"What's the matter with you?" Hu Yinghong pulled her back. Is it?"

Gong ye shook her off and said angrily, "I don't know! I didn't check!"

you-" Hu Yinghong was furious. you're not going to check on such a serious matter? How long has it been since you did that?"

“How would I know? I didn’t notice!” Gong ye walked into the living room in frustration. we’ll go to the hospital later.

“Do you think this is Beijing?” Hu Yinghong asked anxiously. There are people you know everywhere, aren’t you embarrassed?”

“Then what do you want?”

“I’ll accompany you to a hospital that’s further away later.” Hu Yinghong said after some thought.

“Alright,” he said. Gong Ying was sitting on the sofa, hugging a pillow and lazily turning on the TV. bring me the dumplings when they’re ready.

Chapter 1023 Gong Bai returns home

“You ... I really owe you! I’ll serve you every day!” Hu Yinghong went to the kitchen, and soon returned with a bowl of dumplings.

...

Gong Jie took a bite and vomited again.

After she was done vomiting, Hu Yinghong looked at her sternly. “It looks like it’s true. Whose child is it?”

“Wu Li.”

“Who is that?”

Although Hu Yinghong had been in Beijing for more than a month, she didn’t know much about Gong Chang’s private life. She had no idea who Wu Li was.

he's my ex-boyfriend. You don't know him. Gong Ying drank some water and continued eating the dumplings.

"I'm afraid you've been here for two months, right? Does he know?" Hu Yinghong asked worriedly.

"I just found out, how would he know?"

She only realized that something was wrong after she returned to Nanjiang. At first, she was sleepy, but two days ago, she started to feel nauseated, and she was a little suspicious. She had secretly bought a pregnancy test kit yesterday, and the results were indeed two different. He started to vomit today, what a torture!

"Then, do you want to tell him?" Hu Yinghong asked.

"Of course!"

"It'll be great if he's willing to take responsibility," Hu Yinghong said, heaving a sigh of relief.

it doesn't matter if you don't take responsibility. I'll first get him eight million and ten million Yuan and give birth to the child ...

"Why did you give birth to it?" Hu Yinghong shouted, "if he doesn't want it, abort it!"

Gong Fei frowned,"who wants to fight?" When the child grows up, we can go find him and divide his assets!"

Hu Yinghong was taken aback. Did this mean that the other party was a rich person?

She looked at Gong ze and wondered if the Father was a young master from a rich family, a married successful man, or an old man.

If it was someone else's daughter, she would definitely have guessed the worst. However, his daughter was definitely a good person. Gong ze must be in love with a rich young master, but the other party didn't like their family!

She didn't dare to ask for the details, afraid that the answer wouldn't be what she wanted.

Gong ze finished his dumplings, put down his bowl, and continued to lie on the sofa.

Hu Yinghong put away the bowls and chopsticks and went to the kitchen.

Gong Ying watched TV for a while and closed his eyes lazily. In her daze, she seemed to hear the sound of the door opening.

After a while, she opened her eyes in confusion and saw Gong Bai standing in front of her. She was so scared that she screamed.

She hurriedly sat up and curled up in the corner with a pillow in her arms, looking at him with a pale face.

Yu Xinran's child was gone, and the Yu family had called off the engagement. She knew that even if there were other reasons, she was the most important fuse. She was afraid that Gong Bai would really kill her in a fit of anger.

"What's wrong with you?" Hu Yinghong ran over from the kitchen. When she saw Gong Bai, she was overjoyed. "You're back?"

Gong Bai turned around and looked at her indifferently.

Hu Yinghong saw his appearance clearly and asked worriedly, "What's wrong with you? How did he become so thin? You look so pale, are you sick?"

She walked over and tried to touch Gong Bai, but he took a step back expressionlessly.

She froze and said helplessly, "Why didn't you tell me you were coming back? What do you want to eat? I'm already cooking. It'll be ready in a moment! Are you hungry now? If you're hungry, I'll make you some!"

"There's no need to be busy." Gong Bai said.

Hu Yinghong immediately fell silent, not knowing what to do. She looked at him nervously. "Gong Bai, Ling Ling"

"I have something to tell you when dad comes back," Gong Bai turned his head away.

"What's the matter?" Hu Yinghong asked uneasily.

Gong Bai didn't answer. He just looked out of the window with empty eyes.

"Then, Yueyue, I'll tell your dad to come back quickly." Hu Yinghong muttered as she turned around to give uncle Gong a call.

Chapter 1024 Her miscarriage was intentional

After a while, uncle Gong came back.

...

When uncle Gong saw Gong Bai, he couldn't help but smile. "Gong Bai, why did you come back so suddenly? Don't you have work?"

"He resigned." Gong Bai said indifferently.

“Quit?” Uncle Gong was taken aback, but he didn’t pursue the reason. Instead, he smiled and nodded. that’s good. I’ll take a rest.

Hu Yinghong rolled her eyes and asked, ‘did the Yu family do it? Did they cause you to lose your job?’

“You shut up!” Uncle Gong shouted in a low voice and glared at her. Gong Bai didn’t even mention the Yu family, yet she still dared to mention it!

Gong Bai clenched his fists and gritted his teeth to control his anger.

“I’ll probably go to country M at the end of the year,” he said as he looked at uncle Gong.

Hu Yinghong was shocked, “what?!” What are you doing there? You’ve finished reading, you ...”

“I’m going to work.” He interrupted her.

Hu Yinghong was taken aback, and she hurriedly looked at uncle Gong.

“Yingluo, can’t you work in China?” uncle Gong asked.

“I want to relieve my boredom while I’m at it,” Gong Bai looked down at the ground.

“This ...” Uncle Gong frowned and lowered his head in deep thought.

Hu Yinghong shouted, “you’re blaming mom, aren’t you?” It’s mother’s fault for making Xinran miscarry!”

Gong Ying’s body trembled slightly when he heard that. He curled up on the sofa, not daring to move. Because she was the culprit.

Gong Bai looked at Hu Yinghong with a cold expression. "I don't dare to blame mom."

"Then, Yingluo, why are you going to such a far place?"

"Gong Bai is naturally sad that he lost his child and can't get married," uncle Gong stopped her. "What's wrong with him going there to relax?" You don't have to say it!"

She was clearly the one who had caused the situation to turn out this way. How could she still dare to make a fuss?

"If you can't get married, then you can't get married!" Hu Yinghong shouted. She tugged at Gong Bai and said, "you're a man. Why did you become like this for her?! She's a rich young lady, we can't afford to serve her. We don't want her anymore, just be good, Yingluo!"

Gong Bai shook her off abruptly and said in disappointment, "Yingluo, shut up now. If you don't mention her again, we'll still be mother and son."

"What do you mean by that?" Hu Yinghong looked at him in disbelief. you really don't want me for her?
"I'm your mother! I worked so hard to give birth to you and raise you, and now you're blaming me? Everything I do is for you, would I harm you? I'm telling you! She miscarried on purpose!"

"What did you just say?" Gong Bai looked at her in surprise.

Uncle Gong pulled Hu Yinghong back. you don't have to say anything! he said.

Hu Yinghong shook him off. She took a deep breath and said to Gong Bai, "I originally thought that since the child was gone, I wouldn't tell you so that you wouldn't be even sadder! Because that child isn't yours, it's the child of another man!"

Gong Bai's eyes widened in shock.

Hu Yinghong thought that he believed her, so she continued, " "Why do you think flare and I are meeting her? Because we've got something on her! She knew that she had been exposed, so she fell down the stairs, deliberately miscarried, and even blamed it on me and Feifei!"

"Do you have any evidence?" Gong Bai asked coldly.

Hu Yinghong trembled, suddenly feeling that something was amiss. Did he not believe in her?

She shouted,"what evidence do you need?" Wasn't the miscarriage the evidence? If the child was yours, why would she have a miscarriage? Her uncle was a doctor. If something really happened, would he not be able to save her? I think she did it on purpose! Otherwise, once the child is born, they'll know that the child isn't yours once the DNA test is done! Would she dare to?"

Chapter 1025 severing ties

Gong Bai looked at her and suddenly sneered.

...

He raised his head and looked at the house with a nostalgic gaze, not letting go of any detail.

Gong ye, who was sitting on the sofa, buried his head and didn't dare to look at him.

Gong Bai looked at the scenery around him and sneered, " "I was planning to come back and cut off all ties with you, Yingluo."

"What did you say?" Hu Yinghong cried out and looked at him in disappointment. Yingluo, you really are Yingluo!

Gong Bai ignored her and continued, " "But when I was on the plane, I kept thinking that I shouldn't blame you for raising me. I'm also at fault for not communicating with you properly. You've always loved

me, but I've always despised you. I've never been willing to explain things to you. So, I'm the one who caused this tragedy, and it has nothing to do with you!"

"It's good that you know!" Uncle Gong said hurriedly, " then we'll still be a family in the future!

"But I'm definitely going overseas." Gong Bai said, " I originally thought that if you felt guilty and knew that you were wrong, I would come back in two years. By then, we would still be a family. I've also forgotten Xinran and that child Yingluo."

Gong Bai took a deep breath, and his eyes were filled with tears.

He raised his head to look at the ceiling and held back his tears. He then looked at Hu Yinghong and said disappointedly, " "But I didn't expect Yingluo to say something bad about Xinran at a time like this! She's still in the hospital with a fracture and a miscarriage, and who knows how long it'll take for her to recuperate, and you're actually saying that about her Yingluo?"

At this point, he finally couldn't hold back his tears anymore.

He raised his head and wiped it away, then let out a breath as if he had been relieved of a heavy burden."Forget it, I'm not filial."

He reached into his purse and took out a bank card.

Uncle Gong and Hu Yinghong looked at him in confusion.

He placed the card on the table. this is my savings from all these years. There's also the money I borrowed from others to prepare for the wedding. I'll give it all to you. It's enough for you to live for the rest of your lives. I'll send money back in the future, so I won't be coming back to see you."

With that, he turned around and left.

Gong Bai ... Hu Ying shouted and threw herself at him. She burst into tears and said, " I was wrong, alright? " What are you doing? Do you really not want mom anymore?"

Gong Bai pulled her hand away, and she clutched it with her ten fingers in a panic.

Gong Bai forcefully pried open her fingers and pushed her aside.

"Gong Bai!" Hu Yinghong roared.

Uncle Gong rushed forward and stopped Gong Bai. He said angrily, " Has your conscience been eaten by a dog?!

Gong Bai knelt on the ground with a thud. Uncle Gong was so scared that he took a step back.

Gong Bai kowtowed a few times to him and Hu Yinghong.

Gong Bai, Ling Ling! Hu Yinghong sobbed loudly as she looked at him in despair.

He stood up. His forehead was a little red and swollen, and the skin had been broken.

you gave birth to me, but you caused me to be childless. I'm paying you back. Gong Bai said.

"You will have it in the future!" Hu Yinghong shouted.

"I won't! I won't get married in the future, and I won't have any children." Gong Bai turned around and left the house in quick steps.

Gong Bai ... uncle Gong picked up the bank card on the table and chased after him.

Hu Yinghong fell to the ground and started crying.

Gong Ying sat on the sofa, not even daring to breathe.

Suddenly, Hu Yinghong got up, grabbed a stool, and threw it at her.

She raised her neck and said, "hit me!" If you have the ability, then fight! In your heart, your son is more important! So what if he left? Am I not your child? Can't I take care of you?"

Chapter 1026 He already doesn't care

How dare you! Hu Yinghong's hands trembled, and tears streamed down her face.

...

"Go ahead!" Gong Ying said, just kill me! Do you think that he will come back after killing me? He has been like this since he was young, cold and emotionless, can't you see that? Even if you were to die, he might not come back! You can just beat me to death. Let's see who will be filial to you in this life!"

f * ck you! Hu Yinghong threw her stool to the ground and cried out loud.

Gong Ying fell back onto the sofa and heaved a sigh of relief.

She gritted her teeth. She didn't feel reluctant to see Gong Bai leave. On the contrary, she thought it was good. If he didn't come back, her parents' inheritance would be hers in the future! If he said he would send the money back, then he would definitely send it back. This money would eventually fall into her hands. It would be good if he left!

Downstairs, uncle Gong stopped Gong Bai and asked while panting, "are you really going to do this?!"

I'm sorry, Zhenzhen. Gong Bai lowered his head and said, "maybe I'm too young, so I'm easily swayed by my emotions. After a few more years, perhaps I'll realize how childish I am right now, and I'll naturally come back."

“Really?” Uncle Gong asked.

If that was the case, he was willing to let Gong Bai go. Gong Bai must hate them very much now. If he forced himself to stay, the whole family would be unhappy.

Gong Bai didn't say anything. He wouldn't come back, really. But if he said that, uncle Gong would not let him leave.

then you should think it through soon, ” uncle Gong sighed. This money, here, here.”

“You guys can keep it.”

“Didn't you borrow it?”

“It's okay, I'll pay you back myself.” Anyway, other than Sheng nanxuan's debt, he had returned the rest. He believed that Sheng nanxuan would not chase him for money. He could take it slow.

There were many ways to get money quickly overseas. Of course, many of them were illegal.

But he didn't care anymore.

The rest of her life would be a mess.

.....

After Gong Gong went to the hospital to confirm her pregnancy, he immediately called Wu lie.

Previously, she had asked Wu Li to help her return to the capital, but Wu Li did not agree. Now, thinking that she had come again, he hung up the phone in annoyance.

Gong Gong continued to play while Wu Li continued to die. After a few times, Wu Li had blacklisted her number!

Gong Ying was furious. She contacted him through other means and sent him the photo on WeChat.

After a while, Wu Li called back. "What do you mean by that?"

"I'm pregnant! Don't you understand?" Gong Mao shouted angrily.

Wu Li paused. It was not the first time he had gotten a woman pregnant. Someone had shown it to him before, so of course he could understand it.

"Then I'll transfer you 20000 Yuan," he said nonchalantly, "and you'll abort the child yourself."

"You want to dismiss me with just 20000 Yuan?" Gong Mao was furious.

"Then what do you want? Do an operation and add some nutrition fees. Is 20000 Yuan enough?"

"Hehe, the great young master Wu is indeed poor! Only 20,000 Yuan to get rid of a woman? I don't know how many people will laugh at me if this gets out!"

what? " Wu Li choked and asked in a low voice, " how much do you want? "

"I don't want money, I want to give birth to the child!"

"What?" you don't want me to take responsibility, do you? " Wu Huang asked in amusement.

Gong Ying didn't say anything. It was obvious that he had this dream.

“Gong ye, don’t get ahead of yourself!” Wu Huang sneered.

Gong Jie wasn’t surprised by his reaction. She knew that it was impossible.

What was her status? If she had a good relationship with Gong mo, Yu Xinran, and the others, Wu Li might have agreed. But now that she had offended those people, Wu Li was avoiding her like the plague!

Chapter 1027 Gong Fei’s scheme against Tian Cheng

“You clearly said you loved me!” She complained, teary-eyed.

...

“That’s because you’re Gong Mo’s cousin!” Wu Li shouted, “ I thought you two were on good terms, but you were always despised. Now, you even caused Yu Xinran to have a miscarriage. If I marry you in this situation, not only will I waste an opportunity for a marriage alliance, but I will also offend the Yu family and Sheng nanxuan!”

“Then give me 10 million, I’ll raise it myself!”

ten million?! Wu Li shouted, “ you said that I’m poor. Do you think I’ll give you 10 million? ”

“How much do you have?”

Wu Li was silent for a moment before he said,“one million!” Abort the child!”

“A million?” Gong Ying sneered, “ you really know how to bargain! I must give birth to the child, and I can’t be short on money! 8 million, no bargaining!”

“Then just give birth to it, I don’t care!” Wu Huang cursed. He didn’t have any money either! You can abort it and I’ll give you a million. Otherwise, I won’t give you a single cent if you give birth!”

His family was extremely poor, and his pocket money was pitifully little. If it wasn’t to maintain his reputation as a rich young master, he wouldn’t even want to give one million Yuan. The original 20000 Yuan was still within his acceptable range! Of course, it would be even better if he could solve it without spending a single cent!

Gong Ying bit his lip and thought for a moment before saying, “Let’s Make a Deal.”

“What deal?” Wu Li was puzzled.

I’ll give you a marriage partner who has a good relationship with Gong mo and the Yu family. Let me give birth to the child and give me money. Gong ze said, “if you keep a child outside, it’ll be more insurance. Who knows if it will be useful in the future, don’t you think? Don’t worry, you’ve given me money, so I won’t go to you easily. If you want to have some fun with me, there’s nothing wrong with that. Just take it as setting up a small house outside. In the future, if the one at home makes you unhappy, you still have me, don’t you?”

Wu Li started pondering.

His rationality told him that this was no good! If he left a child outside, his backyard would be on fire if gong he brought the child to his house.

However, as a man, there were always some bad habits of men. He couldn’t help but want to enjoy the happiness of having a couple. Moreover, si Fei was good in bed, so he was a little reluctant.

Furthermore, how much money would it cost to raise a child? If it was a daughter, they could still be married in the future, right? If it was a son, although there was a possibility of fighting with his illegitimate son for the inheritance, it could also be a powerful character like Sheng nanxuan! Then wouldn’t he benefit from it?

Wu Li’s mind was spinning from all the thinking. However, he still had a trace of rationality left, so he didn’t relent.

“Let’s keep in touch in the future,” Gong Ying continued, “I can even give you advice if you need anything! It’s better than you doing it alone!”

The balance in Wu Li’s heart tilted. He asked, “Who’s the marriage partner you’re talking about?”

“She’s my cousin,” Gong Ying said, “she’s not even 20 years old yet. She’s most likely a Virgin.

“She’s close to your cousin?”

“It’s great! Her cousin took her everywhere. She could live in Happy Garden for a long time, and she could even spend her summer in Italy. Now, she was a regular guest in the eyes of the Yu family. Everyone that my cousin and cousin-in-law know will give her some face. If she becomes your woman and is pregnant with your child, she will have no choice but to marry you. At that time, won’t you get any benefits?”

Wu Li pondered for a while. He felt that such a partner was dispensable. After all, he did not have any Foundation and relied on others.

However, he could still give it a try.

Chapter 1028 Discharged from the hospital, Yu Xinran

If Gong mo and the others didn’t react to the matter, it meant that this cousin of his was insignificant. He didn’t need to take responsibility for it and would just treat it as a waste of time. If Gong mo was angry, it meant that his cousin was useful and could become a relative of Sheng nanxuan through her. Then he would marry her!

...

In any case, he would not lose out.

“You can arrange this. If anything happens, you’ll be responsible. It has nothing to do with me,” he said to Gong ye.

Gong Fei gritted her teeth and secretly cursed him for being a fox. alright!

Because Tian Cheng was in Beijing now, Ye Fei couldn’t go there, so she decided to wait until the new year.

“Tian Cheng will definitely be home by then. You can come over during that time, and I’ll trick her into coming home to let you regret it.”

hehehehehe! Wu Li laughed happily.

However, instead of forcing the other party and letting Chi Fei have a hold on him, why not pursue him directly? If Tian Cheng fell for him and insisted on marrying him, wouldn’t everything be simple?

Wu Li touched his chin and decided to give it a try.

.....

Yu Xinran stayed in the hospital for a month and stayed at home after she was discharged.

Everyone was very careful, afraid of touching on her sad story.

Min Ling and the others weren’t angry with Gong mo anymore, but Gong mo didn’t dare to come to see her normally. He only met her on Saturday during the routine dinner.

Ding dang’s belly was big, and she was afraid that she would think of her child when she saw her, so she rarely appeared in front of her.

Yu Xinran felt that everyone was being too careful! Although she would indeed think of those things when she saw them, she would feel lonely without seeing them.

The weather had turned cold. She was wearing a knitted long dress and a thin blanket over her knees. She asked the servants to push her into the garden.

She took a book, made some flower tea, and placed a stack of desserts on the table. The scene was pleasant, but her heart was heavy.

She held the book in a daze.

He wondered how Gong Bai was doing.

He would be very sad, right?

In the end, she didn't let him take care of her. He must be blaming himself. But she didn't want to continue. If he took care of her for a month, it would be difficult for him to break up with her.

It was already enough that the two of them had made it this far.

"Ran ran." Min Ling's voice came.

Yu Xinran was shocked and hurriedly looked down at her book. She turned a page and turned back to look at her. "Mother!"

"It's cold outside." Min Ling walked over with a shawl and draped it over her shoulders.

"I'm not cold, I'm actually feeling a little hot." She couldn't help but smile.

"Then do as you see fit. Take it off when it's hot."

Yu Xinran silently took off her shawl and placed it on the back of the chair.

Min Ling sighed. you can read your books then. Call me if you need anything.

Yu Xinran nodded.

Min Ling heaved a deep sigh and dragged her exhausted body away.

Yu Xinran lowered her head again, and this time, she was absorbed in the book.

After a while, a voice came from behind him. "Xinran."

Yu Xinran's back stiffened.

It was Lu Yang's voice.

She turned around and saw Lu Yang.

Lu Yang was wearing a three-piece suit. He was tall and slender, exuding a calm and restrained aura.

Yu Xinran thought of the photo. In the beginning, she did blame him, but on the other hand, she was grateful to him.

If it weren't for that photo, Hu Yinghong and Gong ze wouldn't have had any reason to do that. Then she would marry Gong Bai, but after marriage, Huahua might have a miscarriage because of huafei. More than that, there were endless troubles and troubles.

Therefore, she was grateful to Lu Qiu for not jumping into the fire pit of the gong family.

Chapter 1029 Lu Yang proposes

“You’re here to find big brother?” She asked.

...

“No, I’m here to see you,” Lu Yang walked over and sat on the chair next to her. I heard that something happened to you and I’ve always wanted to come and see you.

Oh, Yingluo. Yu Xinran lowered her head, her fingers pressing on the page as she stared at the words on it.

Lu Yang opened his mouth and stopped. Seeing that she didn’t seem to want to talk to him, he picked up the teacup on the table and slowly poured water from the teapot.

After filling up the cup, he placed it in front of Yu Xinran and poured himself another cup.

Yu Xinran lowered her head and heard the sound of water and the teapot gently hitting the table.

Lu Yang picked up his tea and took a sip, looking around.

Yu Xinran turned a page of the book and continued to be in a daze.

Lu Yang gently put down the teacup and looked at her. “I’m sorry,” she said.

“Why do you say that?” Yu Xinran raised her head and asked in confusion.

“If it weren’t for me, I wouldn’t have to do this. I can explain it to Gong Bai,” Lu Suan didn’t dare to look at her.

“No need. If you explain it clearly, I won’t get back together with him.”

Lu Yang nodded. I, Qianqian, personally don’t want you to get back together with him.

Yu Xinran was stunned and held onto her book tightly.

He said, “first, you’re not suitable for each other, and you’ll suffer in the future.” Second, it’s my personal selfishness. As long as you’re not with him, I still have a chance.”

Yu Xinran was stunned. She lowered her head and didn’t dare to look at him. She turned the book to the next page in frustration.

but you’re clearly innocent. Even if you break up with him, you shouldn’t let him misunderstand. He said.

“He won’t,” Yu Xinran said with certainty, “ he won’t suspect me.

Lu Yang paused and nodded, “yes, Yingying.”

The man she liked would not easily believe the one-sided words of others. Otherwise, given the difference in status between her and Gong Bai, Gong Bai would have suspected her a thousand times and would not have married her.

Lu Yang didn’t speak again.

Yu Xinran lowered her head and actually read the contents of the book. She couldn’t help but laugh when she saw the funny part.

She raised her hand, wanting to get some water. Lu Yang grabbed her.

She was shocked, and only then did she remember that he was still there.

She hurriedly pulled her hand back. Lu Yang poured the water in the cup on the ground and poured her a new cup.

“That was already cold. It’s not good for your stomach.” He placed the cup of warm tea in front of her.

“Thank you,” she said after a pause.

Lu Yang opened his mouth but did not speak.

Yu Xinran took a sip and put down the cup. She closed her book and looked at him.

He was stunned and looked at her nervously.

“Is there anything else for your Yueyue?” She asked, “ if there’s nothing else, Yueyue, I want to be alone.

This was an order for him to leave.

Lu Yang stood up, took a step to the side, and then stopped.

Yu Xinran looked at him in confusion. He suddenly knelt down on one knee and held her hand.

“What are you doing?!” Yu Xinran was shocked.

Lu Yang reached out and took out a ring box.

Yu Xinran stopped breathing and the book in her hand fell to the ground. If she could stand up, she would run away immediately.

Lu Yang opened the ring box and revealed the ring inside.

The diamond on the ring was very beautiful, almost heart-shaped, and was about five carats. It was very big.

A five-carat diamond was not particularly precious, but there was only one in the world that was cut into a heart.

Lu Yang held her hand. please let me take care of you.

Yu Xinran retracted her hand and remained unmoved. "The one I like in my heart is Gong Bai."

"I know. But I've liked you for many years, and I want a chance to take care of you."

Chapter 1030 She only agreed for the sake of Gong Bai

"This is not fair to you."

...

Lu Yang looked at her seriously and said from the bottom of his heart, "Being able to take care of you is already a gift from you. If you never give me a chance, that would be really unfair to me."

Yu Xinran was stunned and looked at him in disbelief.

Did he, Yueyue, like her that much?

Lu Yang looked into her eyes. I know it's hard for you to accept that I want you to marry me immediately after this happened. However, wasn't it the best of both worlds? Previously, there were some rumors about you getting married. If the wedding is really canceled, it will definitely affect the Yu family. If it's held as usual, many speculations from the outside world will be dispelled."

but some people know that I was originally married to Gong Bai, Zhenzhen.

“It doesn’t matter. Maybe they’re wrong? Besides, the marriage between the Yu and Lu families is beneficial to both sides.”

Yu Xinran looked at him and saw that he was extremely serious. No matter how she rejected him, he would continue to persuade her.

She thought for a while and said, “but Gong Bai is Zhenzhen.”

we’ll still get married on New Year’s Day. He’ll think that you’re doing this for the sake of the family, instead of forgetting him or not liking him anymore. He’ll feel better this way.

“But he will feel guilty.”

“He won’t. He knows that I like you and that I’m the one you’re marrying. He’ll be more at ease. Because he knows that I will definitely take good care of you.”

When Yu Xinran heard this, she suddenly reached out her hand.

Lu Yang was stunned. He was both happy and worried.

He was happy that she had agreed.

She was worried that she had only agreed for Gong Bai’s sake.

However, it didn’t matter. He had a lifetime’s worth of time. Why would he be afraid that he couldn’t warm her heart?

He put the ring on her finger with trembling hands, then stood up and hugged her excitedly. "My heart is filled with sorrow."

He had finally married her.

Even if she didn't like him in her heart, he could finally take care of her in the open and protect her from harm.

.....

The Lu family had given the Yu family a lot of betrothal gifts, and they had even taken out the shares of the Liuguang group.

Yu Zhengming was first surprised, then satisfied. He also decided to give the Yu family a few company shares. They didn't take a single betrothal gift, so these things were all dejected in the end.

There were all kinds of rare things in the world, whether it was jewelry or antiques, Lu Yang had spent a lot of money to get a lot of them and sent them all to Yu Xinran. He also personally handled the details of the wedding and agreed to whatever the Yu family asked.

The Lu family didn't mind Lu Qiu's decision, even though they knew about Yu Xinran and Gong Bai.

For the Yu family, this was the attitude and intention they had towards Yu Xinran. This was what they called a sincere marriage proposal. What did the gong family do before?

Min Ling was finally happy this time. Her daughter had suffered so much, but she had finally come back to life. From the attitude of the Lu family and Lu Yang, they would definitely treat Yu Xinran well in the future! The Yu family and the Lu family had been friends for generations, and she believed that the Lu family would not do such a thing! Otherwise, if her daughter was wronged, her husband and son would definitely not let the Lu family off the hook in the business world. It was even possible that the Lu family would go bankrupt!

When Gong mo and Sheng nanxuan went to the Yu family's residence for dinner, the Yu family informed them immediately.

The two of them were very surprised, especially Gong mo. He couldn't accept it. "Yingluo, why so suddenly?"

"It's not sudden." Min Ling smiled and said, "we're such a big family. Our every move is being watched. Previously, when he said that he wanted to hold a wedding, his stock price rose. The stock price fell just because there was no wedding! Some people even said that the Yu family went back on their word, played with everyone, and had a problem with their integrity!"
