

Ditsy Wife 1061

Chapter 1061 She's not interested in me at all?

In the line of scriptwriting, the right to sign one's name was very important. Most of the time, there would be more than one screenwriter for a television or movie. In this case, the order of the names was very particular, and the first name was of course the most important. But even if you were last, only your name would be on the list, and you would become an industry insider. Otherwise, who would know you?

...

Tian Cheng knew that she was only relying on her relationship with Gong mo. In this way, she could be considered someone with a strong backing. In this situation, even if she didn't write the script, it wasn't impossible for her to have a name. But she had never been such a person, she only wanted to live up to her name.

Zeng Shuai nodded, "you can try it first." If you do a good job, do it yourself. It's good for you, so there's no need to split the profits. One had to know that even if others had the ability, they could still be influenced by the rules of the industry. If you can avoid those, then don't be pretentious. If you feel that you can't do it well, you can find a talented and virtuous old scriptwriter in the industry to write it together. First, you don't have to be afraid that they will take the fruits of your labor, and second, you can learn a lot."

Tian Cheng's eyes lit up. but will ran ran and the others agree? " she asked.

Zeng Shuai smiled handsomely. who do you like? just tell us your name. The company will help you settle it!

Tian Cheng's heart began to beat rapidly. She nodded her head haphazardly and took a sip of tea. Her expression became cold again.

Zeng Shuai was stunned. Thinking about what he just said, Yingying didn't seem to be abnormal, right? Although he was trying to please her, he didn't go overboard. Did Qianqian really not have any feelings for her?

When Zeng Shuai thought of this, he suddenly felt depressed.

He took a sip of coffee and said, "after the contract is signed, you'll work on the script while the company starts to prepare. If you have any requirements for the actors, feel free to let me know."

"Can I mention this too?" Tian Cheng asked in surprise.

"Of course you can. You're the original author, so you understand the characters the best. Of course, you have to choose what you think is suitable."

but the investors will interfere with the actors and actresses of Qin Zhuan studio, right? "

"The star Entertainment club is the biggest investor. The domestic film and television industry was a little bad. The script was the soul of a show, but the scriptwriter's status was very low. They often had no choice and were often interfered by investors, directors, and even actors. I hope that Star Entertainment will develop well. If this atmosphere can be reversed with you, it would be best. So, you can totally interfere with the selection of actors. We can write it into a contract."

"Uh, Yingluo, as long as you decide, I don't have any special requests."

alright, I'll have someone from the company send the contract over. We'll sign it now.

Zeng Shuai took out his laptop and opened the electronic contract that had been drafted long ago. He added the terms and conditions that had just been discussed and showed them to Tian Cheng.

Tian Cheng felt that there was no problem. She pulled her younger aunt to take a look and focused on the price.

Little aunt was shocked. That was a few million. She had never seen so much money in her life. This was only one novel. Tian Cheng had several more. Wouldn't she earn tens of millions in the future?

She was so excited that she wanted to jump up. However, in order to make Tian Cheng proud, he calmly sat up straight.

Tian Cheng felt that she had improved a lot and was happy. She pushed the computer to Zeng Shuai and said with a smile, "I'll have to trouble you."

Zeng Shuai's heart skipped a beat, and he didn't know what to say.

Chapter 1062 Zeng Shuai is really a good person

He silently lowered his head and passed the contract to his Secretary.

...

After dawdling for a while, his wildly beating heart finally calmed down. He immediately asked Tian Cheng, "Do you want to have lunch together?"

Tian Cheng said, "uh hehe."

"Of course, of course!" His aunt hurriedly said, "we've signed the contract. Of course, we should celebrate. It's on us."

"How can I accept that?" Zeng Shuai smiled. "Can I treat Auntie and Miss Tian?"

"You can just call her by her name!" Her aunt smiled and said, "Don't call Miss Tian an outsider. Don't you agree, Cheng Cheng?"

Tian Cheng was speechless, 'you've already said it, why are you still asking me?'

"Then I'll call you Tian Cheng." Zeng Shuai looked at Tian Cheng.

Tian Cheng's smile froze and she changed the topic. "Do you want to have lunch with the people from your company and my website?"

"We'll wait until the shooting starts. There will be plenty of opportunities for everyone to have a meal together. We're just passing by today, so it's not right if we don't have a meal together."

Tian Cheng felt that his words were strange.

"Mr. Zeng, you're a fine-looking man. Your girlfriend must be pretty," asked his aunt.

pfft! Tian Cheng choked on her tea.

Zeng Shuai glanced at her and handed her a tissue.

Tian Cheng froze and did not take it.

He placed it by her hand and said to his aunt, "I don't have a girlfriend."

"Really?" Youngest aunt looked at Tian Cheng happily.

Tian Cheng wiped herself with a tissue and glanced at CEng Shuai. "Isn't Wen Yingying your girlfriend?"

Zeng Shuai,"Yingluo."

Little aunt looked at him and retracted her smile.

Zeng Shuai said helplessly,"we've already broken up, Yingluo."

“Oh.” Tian Cheng replied indifferently, as if she was not interested.

CEng Shuai, Xuxu’s heart is crushed!

Half an hour later, Zeng Shuai’s Secretary and lawyer came with the contract.

Tian Cheng looked through it briefly and signed it. The lawyer broke out in a cold sweat. Girl, you’re so open-minded! Aren’t you afraid that my President will set you up?

What was Tian Cheng afraid of? Her backer was Gong mo, and even Zeng Shuai didn’t have the guts to do that.

After signing, Tian Cheng looked at the two of them with a smile. “I’ll be eating with director CEng later. Do you two want to join us?”

When her younger aunt heard this, she pinched Tian Cheng’s waist anxiously. Tian Cheng almost cried out.

The Secretary and the lawyer looked at Zeng Shuai in a daze. Zeng Shuai smiled and said, “Yes, together!” He glared at the two of them.

The two of them hurriedly shook their heads. no, we’ve already made an appointment with the others. It’s not good to not go. Next time, next time Yingluo.”

The two of them smiled at Tian Cheng and ran off at top speed.

Little aunt secretly heaved a sigh of relief and glared at Tian Cheng. He really didn’t understand the mood!

Tian Cheng thought gloomily, ‘we’re only eating because we’re working together. What are you thinking?’

As Tian Cheng was injured, commander CEng did not dare to take her to a random restaurant. The food inside was very light. Most of them were medicinal foods, which were mild and nourishing, and were good for the body.

When they were eating, commander Zeng had a sense of propriety. The more her aunt looked at him, the more satisfied she was. Tian Cheng did not feel that it was difficult.

After they returned, little aunt couldn't help but say to Tian Cheng, "This commander CEng is a good person, he's really thoughtful. At such a young age, he's handsome and promising, and his future is limitless. Whoever marries him will be really blessed!"

Tian Cheng nodded and said, "I think so too. Just his looks and wealth alone are enough for a bunch of women to go after him."

"Right? Am I right?" you think so too, don't you?" his aunt said excitedly.

"So, do you think your daughter is worthy of such a good man?" Tian Cheng looked at her.

Chapter 1063 Are you chasing her?

Little aunt choked and didn't want to talk to her anymore. "Forget it, I'm too lazy to talk to you! Too lazy to **** heart!"

...

"How old am I? You don't have to worry about it!"

"He's already twenty years old!" you'll be twenty-seven or twenty-eight in the blink of an eye," little aunt said. With your personality, I'm afraid you'll still be the same after ten years. Are you trying to make me anxious to death?"

Tian Cheng rubbed her forehead. don't disturb me. I'm going to write my script. You have to know that if I can write this script on my own, I'll be rich! Do you know how much a script costs per episode? This book will be worth another few million!"

When little aunt heard this, she immediately fell silent.

No matter how handsome a man was, money was more practical, not to mention that he earned it himself! She supported Tian Cheng's career!

.....

At night, Zeng Shuai, Fang Yang, Lin Lei, and fan Yiwen were drinking in a private room of the dark night bar.

Zeng Shuai asked Lin Lei and fan Yiwen to invest in Tian Cheng's movie under the company's name."If there's money, we'll make it together."

"Do you think I'd be interested in that money?" fan Yiwen sneered.

He owned a real estate company, which was worth billions of Yuan. It was already good enough for a TV series to have tens of millions of investment. How could there be any comparison?

CEng Shuai was choked speechless and could only look at Lin Lei.

Lin Lei swirled his wine glass and said,"isn't that an ancient drama?" I'm just an electronics company, why would I get involved in that? It's more like a modern drama, and I'll do some advertising."

"You can be in charge of the special effects!"

"But there's no need to invest, right?"

“I’m Yingying!”

“Are you chasing her?” Fang Yang asked.

Zeng Shuai, “Yingluo.”

“Good idea!” Fan Yiwen patted his shoulder. but she’s Madam’s sister. If you want to court her, you’ll have to change your bad habits first!

“Which bad habit do I have?”

“What bad habit? Isn’t it a bad habit to change women every day?”

“You say it as if you’re very clean!” CEng Shuai scoffed coldly.

“I’m still better than you! I’m a married person. Although I’ll put on an act when I’m socializing, I’ve never really cheated on you.” Fan Yiwen said, “ Lin Lei’s girlfriends are all heart-to-heart with each other. They’re not like you.

“I haven’t had a girlfriend in a long time,” Lin Lei said hurriedly.

“You should be clean when you don’t have a girlfriend!” Fan Yiwen put his arm around Zeng Shuai’s neck. Fang Yang is like the BOSS. He won’t get close to any woman until he meets the right person! Tian Cheng saw that such an outstanding BOSS could keep himself pure for his wife. Do you think she would have low requirements for a boyfriend?”

Fang Yang nodded and said, “only Madam is worthy of boss.” Tian Cheng definitely doesn’t deserve someone like this, but no matter how bad she is, she can’t be worse than me. ”

“What do you mean by that?” Zeng Shuai glared at him.

“Don’t misunderstand!” Fang Yang said hurriedly, “ my heart already belongs to someone else. I’m not interested in her!

Lin Lei’s hand that was holding the cup paused and he glanced at him. He had been so proud of himself recently. He should have really let go of Lin Jing, right?

Zeng Shuai rubbed his forehead in frustration. He felt that Tian Cheng was really difficult to deal with.

If he didn’t handle it well, he might be listed as a no-go account.

.....

It was the end of April, and the weather was already very hot.

Sheng nanxuan was afraid that it would be hotter in may, so he took Gong mo and Hu Zi to Italy in advance.

After they arrived in Italy, they stayed at Gambino’s place for a few days before going out to take wedding photos.

Sheng nanxuan didn’t want the child to appear in the wedding photo, so he threw Hu Zi to Shan Rong.

Shan Rong was overjoyed. She had not seen Hu Zi in a long time, and it was good to cultivate their relationship by staying together every day.

Chapter 1064 My wife has never been so beautiful

Simon was also very happy. He ran behind Hu every day, shouting, “Hu Zi! Hu Zi! Call me uncle!”

...

“Didn’t I just call you that?” Hu Zi said gloomily.

Hu Zi ~ hehe hehe! Simon was happy to see him.

Hu Zi held his forehead helplessly and said like an adult, “Don’t call me Hu Zi in the future.”

“What?” Simon looked at him in confusion.

“Call me Yiting! Sheng Yiting! You must call him by his full name!”

After almost two months in kindergarten, he began to understand that his nickname would be a joke if it was revealed. It’s fine if you called him that in the past, but from now on, Yingluo, change it all for me!

“Yiting!” Simon nodded, not fully understanding. I’m your uncle!”

“Yingluo knows.” Hu Zi looked up at the sky helplessly.

However, many years later, Simon forbade him from calling him uncle. Because uncle sounded so old, how could he pick up girls?

.....

Gong mo and Sheng nanxuan went to Rome, Florence, pizza, and Sicily in their wedding dresses and went from the Colosseum to the beach. They had a taste of all kinds of romance.

Sheng nanxuan often said, my wife has never been so beautiful.

At first, Gong mo was very happy, but after hearing it a few times, he felt that something was wrong. He asked, “Was I very ugly in the past?”

no, no, no," Sheng nanxuan hurriedly explained. you're more beautiful than ever!

Gong mojiao glared at him.

He hugged her slender waist and bent down to kiss her. The scene was fresh and beautiful.

After filming for a whole month, they returned to Gambino's place and then returned to China together.

At this time, Tian Cheng and her younger aunt had also returned to Beijing after completing their court case in Nanjiang.

The case had been tried for a few days and was now sentenced-Gong Ying was sentenced to seven years, Wu lie was sentenced to ten years, and his aunt was delayed by two years. Gong ze and Wu lie had to compensate Tian Cheng for her mental damage and medical expenses, a total of several million. Little aunt also had to compensate Gong ze for medical expenses of more than a hundred thousand.

Sheng nanxuan had originally wanted Gong ye to be sentenced to at least ten years in prison. However, if she was sentenced to ten years in prison, Wu Li would have more money than her. At that time, second brother Wu would go crazy again, and in the end, it would become like this.

Wu Lao er obediently transferred the compensation to Tian Cheng's card. He knew that he had already done his best to be sentenced to 10 years in prison. If the rest of the sentence was not handled properly, Wu Huang might even die in prison.

Hu Yinghong claimed that she didn't have any money, so she naturally wouldn't give the money to her younger aunt. Her younger aunt wouldn't give Gong ye the 100000 Yuan either! In terms of money, the two of them could be considered to have canceled each other out. However, Hu Yinghong didn't want to keep in touch with her younger aunt because Gong Cheng was in jail.

Youngest aunt did not want to keep in touch with her. She took the opportunity to sell the house to an agent and decided not to return to Nanjiang in the future.

When Zeng Shuai found out that she was going to sell the house, he took over the matter and said that he would handle the signing of the contract and transfer of ownership in the future. She did not need to return to Nanjiang and could just wait for the money.

yes! her aunt agreed happily. The more she looked at Zeng Shuai, the more satisfied she was. She then promoted him to Tian Cheng in private.

Tian Cheng was helpless. Commander CEng had done everything he could for this trip back to Nanjiang. He did not know if it was because he was following Sheng nanxuan's orders or Yingying had other reasons.

She felt that Zeng Shuai was being a little attentive, but he wasn't being too much. His behavior could easily be misunderstood, so it was understandable that he didn't mean it that way.

So the more she thought about it, the more depressed she felt. She didn't know if he was deliberately teasing her or if he was just overthinking it.

No matter what the situation was, she didn't like it. Therefore, she hated CEng Shuai in her heart and wished she could never see him again.

If CEng Shuai knew what she was thinking, he would probably cry himself to sleep in the toilet.

Chapter 1065 Then you punish brother-in-law to sleep in the study

Gong mo had rested for two days to adjust to the time difference. As he was concerned about Tian Cheng's lawsuit, he invited her and her aunt over for a meal.

...

After Gambino heard what uncle Gong and the others had done, he was extremely disappointed. He didn't even want to hear any more news about them.

This was the first time little aunt had found out that Shan Rong had given birth to a child and she was extremely shocked. Only then did everyone remember that dan Rong didn't tell her or the other members of the gong family about her pregnancy.

Her younger aunt didn't get angry at them, but Tian Cheng didn't tell her about it, which made her feel a little uncomfortable. He didn't care anymore. He would tell Tian Cheng when he got back!

Now, she was pulling Shan Rong along and asking her all sorts of questions. Shan Rong had learned her lesson. Although she knew that she had changed a lot, she did not want to be too close to her.

Seeing that she was cold, little aunt said a few words and then became less enthusiastic.

Seeing that she had calmed down, Shan Rong gave her a few words of advice. "Since you've divorced Tian Cheng and sold your house, you can stay in Beijing with Tian Cheng. The capital is a bustling place, so you should broaden your horizons and not be the same as before. Tian Cheng will definitely have a bright future. Even if you can't help her, you can't drag her down."

"I understand!" His younger aunt hurriedly nodded. I was too stupid in the past and didn't understand anything. After living in the capital for a while, he felt that he had been too short-sighted in the past. I don't dare to say much about other things, but my Cheng Cheng is indeed very powerful. If I don't understand or know how to do something, then I won't interfere and will listen to her."

"That's good," Shan Rong nodded.

"Second sister-in-law, please give me more advice in the future!" Little aunt smiled awkwardly. You're already knowledgeable, and now that you're overseas, you've seen more of the world. Your vision must be much longer than mine!"

Dan Rong paused and said unhappily, "I have someone who just learned how to walk, how would I have the time to care about you? I've remarried, and my fate with the gong family is gone. Fortunately, the relationship between the younger generation is not bad. Let's see what they can do."

yes, yes, yes, Zhenzhen! little aunt hurriedly echoed.

Tian Cheng was looking at the photos with Gong mo.

Gong mo and Sheng nanxuan's wedding photos were still with the photographer. They hadn't been processed yet, so she naturally didn't have them.

However, during the break, Sheng nanxuan took some pictures of her with his phone and they were all in her phone.

"Did brother-in-law take this?" Tian Cheng asked, "if it's so beautiful even if it's just a casual shot, then wouldn't the photographer be gorgeous after doing post-production?"

Gong mo blushed, "who knows? some of the photos were taken from the side, not the front." Your brother-in-law even took a picture of my face. Look, it's so big!"

"Which part is big?"

"There's a big one. If it's too ugly, I won't let you see it!"

pfft! Tian Cheng chuckled. then you'll punish brother-in-law to sleep in the study room ~"

Sheng nanxuan raised an eyebrow and asked, ""Tian Cheng, are you in love?"

Tian Cheng was stunned. N-no, ran ran.

"Then how do you know so much?"

Tian Cheng was so frightened by him that she didn't dare to speak.

"Even if you haven't eaten pork, you've seen a pig run!" Gong mo glared at him.

Hu Zi lay on her legs, "I want to eat pork buns!"

"You only know how to eat meat!" Gong mo rolled his eyes.

Hu Zi looked at her in dissatisfaction. It was all because she told him to eat carrots and vegetables every day. Otherwise, he wouldn't have missed meat so much!

"Go and find your dad!"

Hu Zi turned and ran to Sheng nanxuan. daddy, eat meat!

"Didn't you eat it before?"

"Not enough!"

"If I dare to let you eat your fill, your mother will let me sleep in the study."

Gong mo: " Zhenzhen! everyone is here, what nonsense is he spouting?"

Chapter 1066 Chini's concert, is there anyone who wants to invite her?

Hu Zi turned around gloomily and lay on top of dan Rong.

...

Shan Rong touched his back. summer is here. You should eat less meat to avoid diarrhea.

When Hu Zi heard this, he opened his mouth and started crying.

Wuwuwu, if he didn't pass these days, no one would give him good food!

Simon ran over and wiped his tears like an adult. don't cry. Uncle will help you.

Hu Zi choked and looked at him. Then, he looked at the adults around him.

"Keep an eye on them, don't let them steal food," Gong mo turned to the servants and said.

When Hu Zi heard this, he glared at Simon and thought,"are you stupid?!" Why did he have to say it out loud in front of everyone?

Simon blinked. He didn't say steal!

"You can have mine." He said.

"There's no need for that, uncle." You don't have much either, it's not even enough to fill the gaps between your teeth!

The next day, Gong mo, Sheng nanxuan, Shan Rong, Gambino, and their children moved into joy garden.

Gong mo and Sheng nanxuan continued to take wedding photos. This time, they could not stop their children from being in the picture, so they simply took a few sets of family photos, including Shan Rong, Gambino, and the others.

After taking the wedding photos, Gong mo should be waiting for the wedding.

However, Cindy was going to hold a concert soon, and she wanted to go and see.

She had never attended a concert before. Cindy happened to be a singer she liked and was considered an employee of Sheng nanxuan. She would just take it as a show of support.

Sheng nanxuan had gotten her a few tickets. She called Tian Cheng and asked her to bring her aunt along. Tian Cheng happily agreed.

Shan Rong also had one, but Gambino would not go. He would let him and Sheng nanxuan take care of the child at home.

After hearing her arrangement, the two men who gave orders were speechless. When did he become a stay-at-home dad?

Seeing that there were still a lot of tickets left, Gong mo called Tang Xinxin and asked, "Do you know about Chini's concert?"

I know! Tang Xinxin said, panting.

"What are you doing?" Gong mo asked in shock.

"Run, run, run."

"Then I-"

"It's fine, go on."

"Oh, you want to go?"

"What do you mean? Chini invited me as a guest."

"Yingluo, forget it. Just pretend I didn't say anything."

"You want me to go with you?" Tang Xinxin was surprised.

that's right, Zhenzhen. Gong mo sighed. in the end, you're on the stage while I'm off the stage.

"It's fine. Ask Wu Di to sit with you! Do you have a ticket? There should be, right?"

"There is."

"Then there's nothing to worry about. See you then."

Gong mo wanted to ask the others, but he felt that it was too troublesome to call them, so he simply posted on his moments: Chini's concert, is there anyone who wants to invite her?

Tian Cheng agreed!

Tang Xinxin agreed!

Yu Xinran said,"let's go on a date~I'll be back in two days."

Ding dang,"I also want to ask Yingluo out."

Yu Qingliu: "go ahead. Give me the child.

Lu Yang, [I can't stand this public display of love, Yingluo.]

[Chini: thank you for your support.]

Sheng nanxuan,"did you ask for my permission when you asked my wife out?"

This time, no one dared to speak.

But on the day of the concert, everyone had already made an appointment.

Yu Xinran rushed back with Lu Yang the first day.

Gong mo and Shan Rong returned to the city early in the morning and asked Tian Cheng and her younger aunt to have lunch together.

I'm having dinner with the main cast tonight," Tian Cheng said. I don't know if I'll make it in time for the concert.

"The crew has been set up?" Gong mo asked in surprise.

yes. Tian Cheng nodded. filming will start in two days.

"So fast?"

Tian Cheng smiled. the script is only half written. The film company's intention is to film while writing. It's to save time and try to broadcast it this year.

Chapter 1067 Cindy felt like the world was falling apart

"What time does dinner start?" Gong mo asked.

...

"Six O'clock,"

"The concert is at 8 O'clock, so we should be able to make it. Will CEng Shuai be going for dinner?"

uh, hehe. Tian Cheng's expression panicked for a second. Did she discover something?

That's not right! Nothing had happened between her and Zeng Shuai, so what was there to be afraid of?

"I think he will," she said with uncertainty.

Gong mo didn't notice her abnormality and said, "then you can tell him that you're going to the concert tonight, Yingying. I'll tell him and he'll arrange for someone to send you there.

"There's no need to go through so much trouble, right?"

"This is convenient, how is it troublesome? Will you have dinner with your aunt?"

"She's worried about me, so she'll go with me."

Gong mo nodded and called Zeng Shuai.

After hearing her instructions, Zeng Shuai suddenly felt that it was time for him to show off. He took the initiative to say, "Then, I'll go and pick up miss Tian before dinner?"

"Would it be too much trouble for you?"

"I won't!"

"Alright, I'll leave it to you then." Gong mo said with a smile.

After hanging up the phone, she took out her cell phone and scrolled through Weibo. She immediately saw the latest Weibo posts by a few major verified accounts-

@ United Nations: congratulations on Emilia's independence!

[@ emotionnews: quick news: the Emilia interim government army has just declared independence!]

@ Xx.net: Emilya is independent! Currently, the armies of other countries within the borders of Emilya were being evacuated, and the people of Emilya had welcomed peace!

@ YY.net: is the independence of Emilia due to @ Chini's contribution?

@AAA: sinnie has been singing anti-war songs since she became a monk. She's also an Emilia person, so she made people pay more attention to and understand Emilia. The independence of Emilia was a historical trend, but did her appearance accelerate this process?

[@bbb: the Emilia interim government army that just declared independence was actually formed by the rebels who launched the coup!] He hoped that they could take good care of Emilia. Otherwise, it would not be long before the people of Emilia would continue to be in deep waters and suffering!

When Gong mo saw the news, he couldn't help but tell Tian Cheng and the others.

The Civil War in Emilya had been going on for many years. Even big countries like country A and country M had sent troops under the banner of various titles. To put it bluntly, it was an invasion!

Therefore, even those who didn't care about politics had some understanding of this. Everyone felt that it was a little unreal to suddenly declare independence.

When Tian Cheng heard this, she immediately took out her phone and started scrolling through Weibo.

Many netizens went to Cindy's Weibo and left comments: " You can go home now.

However, Cindy's concert was only a few hours away, so she didn't have time to scroll through Weibo.

However, her manager excitedly informed her, " Emilya is independent! That's great! It was an excellent publicity point! Your first song at the start can bless Emilia!"

“What did you say?” Cindy asked in a daze. Emilia has become independent?”

“Yup!” The manager looked at her in confusion. what’s wrong with you? ”

How is this possible? Cindy felt like the world was falling apart. She wasn’t even here, so how could she be independent?

She quickly picked up her phone to check the news and read the comments on Weibo.

After a while, she started to cry sadly.

“What’s wrong?” the manager asked worriedly.

“I’m touched.” She looked ahead in confusion.

“Then don’t cry!” The manager said anxiously, ” Madam, your makeup is all ruined!

“I’m sorry, Yueyue, I need to go to the bathroom!”

Chapter 1068 She should leave him separately

Cindy rushed into the bathroom and burst into tears on the toilet.

...

She looked at the comments on her phone. Many people had linked the independence of Emilia to her. But what was the use of that?

"I facilitated the independence of Emilia, but in the end, it was the independence of the rebel army," she sobbed softly. What else has the princess not used?"

The new regime would no longer recognize the royal family.

.....

Just past five o'clock, the doorbell of Gong Mo's house rang.

After seeing the situation, the servant came back and said to Gong mo, "It's Mr. Zeng, but he can't tell."

"Then let's go down." Little aunt said to Tian Cheng.

"I'll send you guys off," Gong mo stood up.

no need," Tian Cheng hurriedly said. it's not like I can't walk. It's very convenient.

Since his aunt said the same thing, Gong mo didn't insist and walked them to the elevator.

When the two went downstairs, they found that CEng Shuai had driven the car over.

Tian Cheng was a little embarrassed. Wasn't he being ordered around like a chauffeur?

"Are you feeling better?" Zeng Shuai asked when he saw her.

Tian Cheng nodded awkwardly and stood up from her wheelchair. "It's not a problem to take a few steps less."

"That's good." Zeng Shuai heaved a sigh of relief and helped her put the wheelchair into the trunk.

“Have you asked Dean Yu to take a look recently?” he asked after getting into the car.

“He’s been busy recently, so he’s being examined by another doctor.”

“That shouldn’t be a problem. Next time when Dean Yu isn’t busy, let him take a look.”

okay. Tian Cheng lowered her head and gently pinched her knee.

Seeing that she didn’t want to talk, Zeng Shuai simply shut his mouth.

When they arrived at the restaurant, Tian Cheng was still in her wheelchair. Zeng Shuai walked in front and helped to push open the door of the private room.

The others had arrived and immediately showed a respectful expression when they saw him. They were about to compliment him, but he moved to the side and let his aunt push Tian Cheng in.

Everyone looked at Tian Cheng in surprise.

Tian Cheng felt uncomfortable under everyone’s gaze and suddenly reacted. He had miscalculated!

She should have separated from him. Wouldn’t this cause a misunderstanding?

As a scriptwriter, she already had too much power in the crew. There would definitely be people who suspected that she had a backer. Didn’t they directly suspect him of being the backer now?

Zeng Shuai moved a chair away from the empty seat and let Tian Cheng’s wheelchair Park there.

He sat down next to her and introduced her to everyone. “This is the original author of our novel and the scriptwriter of our TV series.”

Everyone hurriedly expressed their welcome. Wen Yingying, who played the female lead, gritted her teeth.

She had been with CEng Shuai for so long and had always been careful not to cross his bottom line. In the end, he had seen her less and less since last year. She took the initiative to look for him, but she did not get a response. Before the new year, he had given her a large check and ended their relationship.

Although she had a great career now and had become Star Entertainment's top actress, these were not what she wanted! She wanted to keep a rich man as her husband, like Zeng Shuai!

With her current status, she didn't need to act in this kind of TV series. However, the company was determined to make a big production this time. From the actors to the behind-the-scenes, they were all big shots, and it was all thanks to CEng Shuai.

She could not understand his decision, so she took the initiative to apply for the role of the female lead. Anyway, she wouldn't suffer a loss since the production was so big.

Now, after seeing commander CEng's attitude towards Tian Cheng, she finally understood what was going on.

Her seat was not far from Tian Cheng's. She smiled and asked, "Did something happen to miss Tian's leg?"

There was a second of silence at the dining table as everyone perked up their ears to listen. They also wanted to know why Tian Cheng was sitting in a wheelchair.

Chapter 1069 She's under my protection

"I got into a car accident during the new year." Tian Cheng smiled faintly.

...

"It's not a problem, right?" Wen Yingying asked with concern.

Tian Cheng shook her head. I'll be able to leave after a while.

"Yingluo, that's good." Wen Yingying smiled and said, "not only is miss Tian talented, but she also looks talented. She's not worse than those in our entertainment industry. It would be such a pity if I can't leave."

CEng Shuai glanced at her indifferently. Wen Yingying was stunned and did not dare to speak.

Zeng Shuai picked up a rib and put it into Tian Cheng's bowl. Tian Cheng was taken aback and looked at him in surprise. What did he mean?

"You should eat less seafood and more ribs." Zeng Shuai said.

"Is the president very close to miss Hetian?" someone asked with a smile.

CEng Shuai looked at Tian Cheng, who lowered her eyes and did not reply.

Her aunt pinched her secretly, and she picked up a crab and put it in her aunt's bowl.

Little aunt had no choice but to lower her head and eat.

Zeng Shuai smiled at everyone. I know we're close. In the future, please cooperate with miss Tian. After all, she's under my protection.

Tian Cheng was shocked. She looked at him and felt a little angry. What did he mean by that?

More than half an hour later, commander CEng took Tian Cheng and left.

The others were toasting and chatting, which would take at least an hour. They had left too early!

The way everyone looked at them was even stranger.

After they got into the car, Tian Cheng asked unhappily, "what did you mean by that?" What do you mean I'm under your protection?"

"Aiya, Mr. Zeng is helping you!" don't be so calculative," his aunt said.

"Don't say anything," Tian Cheng glared at her.

Little aunt was stunned and turned to look out the window gloomily.

Tian Cheng continued to glare at CEng Shuai, waiting for an answer.

"Isn't it too scary to say that you're under Madam's protection?" Zeng Shuai said.

Tian Cheng choked and was speechless. This was indeed the case. She didn't want to take advantage of others, but she didn't ask Zeng Shuai to help her!

"You don't have to say anything!" She was still dissatisfied.

"Everyone will look down on you. When you're in the crew, there'll definitely be people who'll make things difficult for you. It's fine if you're alive and kicking, just treat it as training. But now, he didn't want to add to her troubles. If anything happens, I won't be able to explain it to Madam."

Tian Cheng felt that he was simply being unreasonable!

Madam! Madam! His excuse had always been Gong mo! She really wanted to point at his nose and ask, "are you doing this to me?" You want to hit on me?

After a while, she said, "but if you do that, it's easy for people to misunderstand." I feel that miss Wen is hostile towards me. "

"Then you can change her. According to the contract, you have the right to change the actor."

what?" Tian Cheng looked at him strangely. you're willing to? "

"Why would I be willing?" he asked frankly.

Tian Cheng paused. Wasn't there a lot of gossip online that Wen Yingying was his? Could it be a groundless rumor?

"Forget it!" She said helplessly.

If she really changed Wen Yingying, who knew what kind of storm she would cause. Wen Yingying was very popular now and her fans were very powerful. Moreover, with her as the female lead, it would be good for the viewership ratings. She could just treat it as if she had earned it!

.....

Cindy's concert was held in a Stadium. When Tian Cheng and the others arrived, the others had not arrived yet.

There were already many fans lining up outside the stadium. Zeng Shuai led Tian Cheng and his aunt through the VIP passage.

It was inconvenient for Tian Cheng to be in a wheelchair. In order not to cause trouble for everyone, she walked in directly.

Chapter 1070 It's my right to look at handsome guys

"Do you need me to help you?" Zeng Shuai asked worriedly.

...

No. Tian Cheng shook her head. my mother's here.

Zeng Shuai choked and looked at his aunt awkwardly.

"It'll be the same even if you help him up!" His aunt laughed.

Tian Cheng pinched her helplessly.

After they entered, Zeng Shuai led them to the VIP seats. There were two people sitting there. They were Wu Di and his sister, Wu Qianqian.

Wu Hanhan had been studying abroad. She graduated last year and only came back before the new year. She had a good relationship with Tang Xinxin, so she came with Wu Di to join in the fun when Tang Xinxin was going on stage.

Commander Zeng introduced them to Tian Cheng and went outside to pick up Qimo.

"You like Chini's songs?" Wu Qianqian asked Tian Cheng.

Tian Cheng nodded.

"I quite like it too." Wu honggong laughed.

Tian Cheng didn't know what to say. After some thought, she nodded.

When Wu Hanhan saw this, she didn't know what to say, so she lowered her head and scrolled through Weibo.

Tian Cheng heaved a sigh of relief and took out her phone to play.

Little aunt was helpless. She suddenly realized that her daughter was a taciturn person!

After a while, Gong mo and the others arrived. They didn't come over directly but went to the dressing room backstage.

Zeng Shuai came over to inform Tian Cheng and asked her, "Do you want to go over? I'll give you a ride."

no," Tian Cheng shook her head. it's not that troublesome.

Zeng Shuai looked at her and couldn't help but show a trace of heartache in his eyes.

Tian Cheng jumped in fright and hurriedly turned her head away, her heart thumping wildly.

.....

Gong mo, Shan Rong, Yu Xinran, ding dang, and Lu Yang went to look for Cindy together. Everyone had sent flower baskets, which filled the corridor.

At the entrance of the dressing room, she saw a tall and handsome bodyguard in black. Ding dang was instantly smitten. brother bodyguard is so handsome!

The bodyguard pursed his lips and seemed a little embarrassed.

Yu Xinran pushed her in and threatened, "Be careful or I'll tell little uncle!"

"What's wrong with telling him?" Ding dang said righteously, "it's my right to look at handsome guys!"

"Aren't you a fan of uncles?" Gong mo asked with a smile.

"I've got an uncle, so of course I'm starting to like young hunks ~"

Cindy was standing in the middle of the room, wearing a tight white dress. The hem of the dress was very short, almost reaching her thighs, making her legs look extremely slender.

wow ... ding dang was shocked. I don't dare to go in front of her. She'll definitely make me look shorter than Xinya.

"Come on, you!" Gong mo rolled his eyes at her and said to Cindy, "I wish you a smooth concert."

"Thank you," he said. Cindy looked at them and was touched, but her smile was a little forced.

Everyone could tell and asked carefully, "Are you very nervous?"

Cindy was silent for a moment, and then she smiled casually. "Of course I'm a little nervous. This is my first concert, Yingluo."

"You've always been good at the scene, don't worry." Yu Xinran said, "just sing to your heart's content."

Cindy nodded.

"Then we won't disturb you anymore," Shan Rong said.

"Alright, I'll treat you guys to a meal after this."

Gong mo took out a pink invitation card and said, " The 23rd is my wedding with nanxuan. I hope you can come.

Cindy hurriedly took it and smiled. Last time, you invited me personally, but I was scared."

She paused and smiled awkwardly. I won't this time.

I'll be waiting for your gift then ~"Gong mo said with a smile.

"I will."

Cindy walked them to the door and didn't turn back until they left.

She stood in front of the mirror and looked at herself. She took a deep breath.

Lowering her head, she opened the invitation and looked at it, then gently placed it on the dressing table.

The bodyguard outside the door turned around and glanced at the invitation card.
