Chapter 1071 The concert caught fire

Ten, nine, eight, seven Luan Luan

...

In the dark Stadium, the crowd was counting down, and countless light sticks were dancing.

When he reached zero, a blue light appeared above the stage. Everyone was even more excited as they waved their light sticks and shouted Chini's name.

A white dot fell from the blue light and gradually grew larger, like a waterfall.

Suddenly, the camera on the big screen moved to the top of the waterfall-Cindy was sitting in the air.

It turned out that the waterfall was just the hem of her long dress. The hems of the dress seemed to be made of countless feathers, gently fluttering, beautiful to the extreme.

Cindy's light humming sound was heard. It was distant and ethereal, giving people goosebumps.

After the prelude, the clear lyrics of the song were heard. It was Cindy's voice that everyone was familiar with.

When the melody reached its climax, it exploded like a mountain flood! The fans were excited and waved their light sticks, singing along with her.

Her body floated in the night sky, slowly approaching the ground. At the end of the song, when she was still three meters above the ground, she suddenly jumped down and her body gently floated to the ground.

The entire arena shook!

Cindy's toes touched the ground, and her crystal-like high heels slowly landed on the ground.

She stood there and bowed slightly to everyone, and the lights on the stage went off.

A few seconds later, the lights came back on, and she began her second song. She was still in the same outfit, but there were a few more dancers around her.

Everyone knew that she must have had a wire hanging from her body just now. But at this moment, the wire had disappeared. She fluttered her long dress behind her like a gorgeous Peacock.

During the third song, her long dress was gone. She was wearing the same dress that Gong mo and the others had seen in the dressing room.

After two more songs, it was Tang Xinxin's turn. Cindy took the opportunity to go back to the dressing room and get a new look.

Tang Xinxin stood in the middle of the stage and waved to everyone. Wu Di jumped up as if he had been injected with chicken blood.

Wu Qianqian was speechless and tugged at him. "Can you calm down?"

"That's my wife!" Wu Di said confidently.

"You're not married yet ~" ding dang said.

"Sooner or later, aunt!" Wu Di gritted his teeth.

Suddenly, the lights on the stage flickered abnormally, and everyone looked over in confusion.

The fans didn't take it seriously at first, but Tang Xinxin's voice suddenly stopped, and everyone felt that something was wrong. Some people thought that she was playing abnormally and booed her.

Tang Xinxin was experienced, so she didn't show any fear and continued singing. She turned around to look at the situation around the stage.

As she was singing, she suddenly stopped.

The entire Stadium was eerily silent.

Everyone was confused. Gong mo and Wu Di asked at the same time, "What's wrong?"

On the stage, Tang Xinxin patted the microphone. Obviously, it wasn't her fault, but the microphone had gone silent.

Then, with a boom, all the lights suddenly went out.

ah—" the tens of thousands of people in the audience screamed in unison, and then they fell silent.

Everyone looked up and found that it was dark and quiet all around. It was as if all the machines had stopped turning, and only the sign indicating the emergency passage was glowing with a faint blue light.

"Ah, it's on fire!" Someone exclaimed.

There was a sudden light in the darkness. No one needed to remind them, and they all noticed it.

It was the red light that appeared behind the stage and was spreading.

"Sweet heart!" Wu Di roared.

The fans around them started to scream, and the whole place was in chaos.

“Don’t move the candy!” Wu Di roared again.

Chapter 1072 Don’t let anything happen to Cindy

Wu Di took out her phone and pressed the button. The people around her also took out their phones one after another.

...

He looked at the group of women who were sitting with him. Seeing that none of them had left, he composed himself and said, “Don’t move! There are too many people here!”

“But what should we do?” Wu Qianqian asked in a panic.

“Call the police!” Ding dang calmly took out her phone to call the police, but her urgent action betrayed her nervousness.

There was a commotion in the surroundings. The fire on the stage was getting bigger and bigger, and the screams in the stadium were also rising one after another.

Some people were fleeing, but with so many people, it was easy to cause a stampede.

“Madam! Madam ...”

Gong mo heard the shout and turned around. He saw a few men in ordinary clothes squeezing towards him.

Although they were dressed in ordinary clothes, their bodies did not look like ordinary people. Gong mo immediately understood that they were the bodyguards Sheng nanxuan had arranged for her.

“Madam! Are you alright?” The first bodyguard who squeezed through the crowd asked, “ don’t worry, we’ve already informed the BOSS. We’ll take you out now.

“Don’t panic!” Gong mo heard the voices around him and asked worriedly, “ how do we get out now? It’s easy to get into trouble! Oh, right, where’s Cindy?”

At this moment, the lights in the stadium suddenly lit up, and the Restless crowd was appeased.

Tang Xinxin was still standing on the stage. When she found that the lights were on, she turned around and walked away. After walking two steps, she found that she was holding a microphone in her hand. “Everyone-”

Everyone looked at her.

She heaved a sigh of relief when she saw that the microphone could be used to transmit sound. She hurriedly said, “ everyone, don’t panic. Listen to the instructions of the security guards and leave through the safety passage to avoid a stampede.

When everyone heard this, they realized that the fire had not spread, and many of them quieted down.

Some people ran out in a hurry, while others stopped and watched, asking, “ “Where’s Cindy?”

where’s Cindy? ” Some fans screamed.

Tang Xinxin said, “I’ll go to her now!” Everyone, please leave the stadium first, your safety is the most important right now!”

With that, she turned around and ran backstage.

“Sweet heart!” Wu Di shouted and chased after him.

“Let’s go out first.” Lu Yang said to Yu Xinran.

Yu Xinran looked at Wu Di worriedly and said to Gong mo, ” “Let’s leave!”

it seems like there’s a fire going on backstage, ” Gong mo said. will Sindy be alright? We have to let someone take a look!”

“I don’t need your help!” Shan Rong pulled her and turned to the bodyguards behind her. send two people to take a look!

“Did anyone call the ambulance?” Yu Xinran asked.

“I don’t know. I’ll call Qingliu!” Ding dang said.

“Be careful,” Gong mo supported Tian Cheng.

Tian Cheng was flustered. Her leg hadn’t fully recovered yet, and she could barely walk. She wouldn’t be a burden to everyone, right?

The group of people walked to the safety passage, and CEng Shuai suddenly squeezed against the crowd.

He grabbed Tian Cheng and asked anxiously, ” “Are you alright?”

Tian Cheng was stunned and looked at him in a daze. Why was he so concerned about her?

Zeng Shuai suddenly reacted and hurriedly let go of her. He turned around and pushed the crowd aside to protect Gong mo as he walked forward. Madam, be careful. The BOSS is on his way.

“Do you have anyone with you? Hurry up and send someone backstage to take a look, don’t let anything happen to Cindy.” Gong mo said.

“I’ve already sent someone from the company.” Zeng Shuai said.

He naturally didn’t want anything to happen to Cindy. The company would definitely be affected if something happened to Cindy. If they were used by someone with ill intentions, it might affect the entire group.

.....

Cindy was getting ready in the dressing room and didn’t know that a fire had started outside.

After the power cut, the makeup artist went out to check on the situation. She sat in a daze on the chair, thinking about the independence of Emilia.

Suddenly, a heavy blow came from behind her, and she fell on the dressing table, unconscious.

Chapter 1073 Is there a problem with the bodyguard?

After the power was restored and the lights came on, Cindy lay on the floor of the dressing room, wearing the feather coat she had worn at the beginning of the performance.

...

A ball of fire began to burn at the edge and soon spread to her back.

She woke up from the pain, turned over, and got up. She threw away her clothes, got up, and rushed to the door.

* Cough cough *

She coughed from the smoke and felt a pain in the back of her head. Her eyes were blurry and she could not see clearly.

Finally, she touched the doorknob, but it was so hot that she shrank back.

She took two steps back in fear, and her eyes became clearer. She saw some fire under the door and knew that it was on fire outside. She turned around and ran back, only to find that the fire in the house was getting bigger and bigger.

Cindy looked at all of this and was in a daze for two seconds. She suddenly rushed to the dressing table, picked up a towel, opened the bottle of mineral water next to it, and poured it all over the towel. She covered her mouth and nose with the wet towel.

There were no windows here. She looked at the burning room and the door, not knowing where to go.

With one hand on the towel and the other on the dressing table, she thought in despair, " Was this her fate?

Emilia was independent, and there was no use for her to live, but it would be good for her to die.

With this thought, she let go of the towel. The towel fell to the ground, and her tears fell.

cough, cough, cough, cough. she choked uncomfortably.

After a while, she felt that the air was thin, and her whole body felt like it was being roasted on a fire.

She fell to the ground powerlessly and opened her mouth to take in the last breath of air.

Her unfocused eyes fell on the dressing table and she suddenly remembered, " Where was the invitation that Gong mo had given her? She had clearly placed it there. How did it disappear?

She didn't want to die if he didn't tease her! She still had to attend Gong Mo's wedding!

She wanted to pick up the wet towel and continue to cover her mouth and nose, but she had no strength.

"Miss Xin?" An anxious voice was heard.

She tried her best to open her eyes as if Yingying was her bodyguard.

She should be able to save Yingluo, right?

.....

Chini's concert caught on fire " quickly made the front page headlines.

Fortunately, the fire wasn't too big and was quickly put out, not causing any serious casualties. A few staff members were burned, and there was a small Stampede when the fans evacuated. A few people were injured, but they were all light injuries.

Cindy was probably the most seriously injured. She was still unconscious 36 hours after the incident.

The cause of the fire was still being investigated, and countless fans were praying for her.

Gong mo and Sheng nanxuan went to the hospital to visit her. Her tall and handsome bodyguard was standing at the door of the ward.

Gong mo wasn't in the mood to admire his handsomeness and walked straight into the room.

Sheng nanxuan suddenly felt strange and glanced at the other person in confusion. The intuition he had when he first met sun boyu came back. Was there something wrong with this person?

The other party had his hands behind his back and was staring straight ahead, looking like he was doing his job.

Sheng nanxuan followed Gong mo into the ward.

Cindy was lying on the bed, wearing an oxygen mask.

Although she had a few burns on her body, none of them burned her skin and would not leave any scars. Half of her hair was blown away by the fire. Fortunately, the rescue team had already broken through the door and snatched the other half of her hair. That was why her hair had been trimmed, and it only reached her shoulders.

However, for some reason, she did not wake up.

It was said that her respiratory tract was damaged, and her vocal cords were most likely damaged. This meant that she might not be able to sing in the future. If she were to hear this news, she would definitely be very upset, right?

Chapter 1074 I want her to be with CEng Shuai every day

Singers relied on their voices to make a living. Who would want their voice to become hoarse?

...

Thinking about it this way, it would be good for her to wake up later so that she could receive this thunderous news later.

After a while, Tang Xinxin and her friends also came to visit.

“I’ll wait for you outside,” Sheng nanxuan said to Gong mo.

Gong mo nodded his head.

Sheng nanxuan turned around and walked out of the ward. He looked at the bodyguard.

The bodyguard held his breath and stood nervously against the wall.

Sheng nanxuan looked at him. He had also been injured in the fire. At this time, his head was wrapped in gauze, but he was still standing there to perform his duty.

“What did you do before?” Sheng nanxuan asked.

The bodyguard froze and looked at him in confusion. He said in a hoarse voice, “I’m a soldier,”

I see. Sheng nanxuan frowned. Cindy will be fine in the hospital. You don’t have to worry. You can go and rest.

thank you, Mr. Sheng. The man nodded slightly, but he still stood still.

Sheng nanxuan glanced at him and guessed that he was secretly in love with Cindy.

However, just in case, he still sent someone to check it out. There was no problem with the information. But that strange intuition made him have to be on guard.

In the afternoon, he brought Gong mo back to joy garden and asked Gong mo to wait for the wedding with peace of mind. He strengthened the security inside and outside of joy garden.

On the 22nd, Qimo received news that Cindy had woken up. However, she had to hold her wedding tomorrow, so she didn’t have time to see Cindy.

She gave Tian Cheng a call. when are you coming over? ”

“Just come over tomorrow.” Tian Cheng thought that she was going to ask her to go over today. I can’t help much if I go over now. It’s better not to trouble you.

Tang Xinxin, Yu Xinran, and the others who could help her had already gone there. She felt that it would be too troublesome if she went there too.

“You can’t help?” Gong mo laughed. That would be such a pity! I was going to ask you for a favor!”

Tian Cheng was taken aback and hurriedly asked, “what favor?” Hurry up and tell me!”

“You can help now?”

“Cousin, don’t make fun of me!”

“Alright, I just received news that Cindy is awake. If you have the time, help me go and see her. ”

“Sure,” I’m going out in the afternoon, ” Tian Cheng agreed immediately. I went over on my way.

.....

In the afternoon, when Tian Cheng was about to leave, her aunt said, ” “I’ll send you there.”

“No need,” Tian Cheng said as she combed her hair, ” I’ve invited a few classmates to play together. It’s not convenient for you to go.

She hadn't seen her classmates for half a semester, but they kept in touch. When her roommate heard that she could walk, she wanted to meet her and see how she was doing. It was a good opportunity for her to ask for her class notes.

"But your legs ..."

"Give me your crutch, I'll walk slower."

"Isn't the walking stick ugly? I'll ask CEng Shuai to pick you up!" Little aunt said with great interest.

Tian Cheng's face darkened as she grabbed her bag and left.

Ever since Zeng Shuai's identity was exposed on the day of the concert, her aunt knew that he was interested in her and wanted to get her to be with him every day.

"Don't call me that, don't worry!" His aunt shouted. You didn't even bring your walking stick!"

Her younger aunt followed her with her walking stick. She was still waiting for the elevator.

"Here." Her aunt handed her the walking stick.

She reached out to take it, but her aunt took it back. "It really doesn't look good with this support. If you don't like handsome Zeng, I'll send you there!"

"Do you think I look good in a wheelchair?"

"It's better than using a walking stick! Otherwise, why would a wheelchair be more expensive than a walking stick?"

"Ran ran," she was also drunk on this logic!

Chapter 1075 She's quitting the entertainment industry?

The elevator arrived and Tian Cheng was about to enter when her aunt pulled her back. "What's so bad about commander CEng that you don't like him?"

...

"I think he's old, alright!" Tian Cheng abandoned her walking stick, walked into the elevator, and pressed the close button.

Little aunt muttered, "old?" I'm only a few years older than you!"

Tian Cheng walked out of the neighborhood. She had only taken a few steps, but she already felt a little tired. She looked at the road and was about to call for a taxi when she saw Zeng Shuai's car driving over.

hehehe. Tian Cheng couldn't help but roll her eyes. She knew that she had been sold out by her aunt again. She gritted her teeth and asked, " who is her real son? "

Zeng Shuai stopped the car and walked over. Since he had already been exposed, he no longer hid the gentleness and concern in his eyes. "I heard from Auntie that you're going out. Shall I send you?"

I won't like you! Tian Cheng looked at him awkwardly. I won't like you!

Zeng Shuai felt like he had been stabbed in the back, and he said firmly, "You don't have to come to a conclusion so quickly."

"Let's put it this way, I don't want to like anyone." Tian Cheng turned to leave.

"Why?" Zeng Shuai stopped her.

“There’s no good man!”

“You’re wrong about men.”

In his opinion, there were still many good men.

For example, Sheng nanxuan, Fang Yang, Lu Yingying, and even Yu Qingliu were doing well.

Of course, he would be fine too.

“How many women did you have in the past?” Tian Cheng looked straight at him.

uh, Yingluo. Zeng Shuai looked away guiltily, then looked at her and asked in a low voice, “you’ll be alone in the future, okay?”

Tian Cheng glared at him and said, ‘dogs can’t change their ***! I don’t believe you!’

“Even a blank piece of paper can’t resist the temptation.”

Tian Cheng nodded.

Seeing that he agreed, Zeng Shuai immediately said, “right?” So ...”

“That’s why I don’t want anyone!”

“You ...”

Tian Cheng turned around and walked away. She hailed a taxi and got in.

Zeng Shuai helplessly held his forehead. She was just a little girl, why did she look like she had seen through the world? It was not scientific at all!

.....

When Tian Cheng got out of the car at the hospital, Zeng Shuai's car also drove over.

She glared at him. I'm here to see Cindy," he said. he's an artist from my company.

Tian Cheng nodded and turned to walk across the street to buy some fruits.

Zeng Shuai: " Yingluo. didn't she come to the hospital to visit?

A fierce woman was afraid of being pestered, but he didn't believe that he couldn't pester her!

He gritted his teeth, parked the car, and went in first.

When Tian Cheng arrived at Cindy's ward after buying the fruits, she saw Cindy lying on the bed. The doctor, Zeng Shuai, Cindy's manager, and her assistant were all there.

There were two reporters at the side, holding microphones and cameras. Were they going to interview him?

Tian Cheng explained her purpose of visit and exchanged a few words with Cindy.

Cindy's voice became very hoarse, and it was hard to tell if she was male or female.

Her voice was really ruined.

Such an ethereal, angelic song, could it be that you can't hear it anymore?

“Let’s start.” sit on the sofa, ” Zeng Shuai said to the others and then called Tian Cheng.

Tian Cheng turned around and sat on the sofa. CEng Shuai also sat down. She suddenly felt uncomfortable and her back stiffened.

Cindy sat on the bed and smiled weakly at the camera. “Hello everyone, I’m fine. Being alive is the best gift. But Yingluo, listen to my voice. I can’t sing for you anymore. In the future, Chini will no longer be in the music industry, and Yingluo will no longer be in the entertainment industry. I’ll take good care of my health, and maybe one day, you’ll still hear about me.”

Tian Cheng was a little shocked. Was she quitting the entertainment industry?

Chapter 1076 He wanted to see who would dare to date her!

Although he was reluctant, when he thought about Cindy’s current situation, it was a wise move to leave the entertainment industry. What else could he do? Using this hoarse voice to gain sympathy?

...

“Actually, you can change your career to acting.” Zeng Shuai whispered in her ear, ” we can just use voice acting, but she doesn’t want to.

His breath brushed against her ear. She was shocked and quickly dodged. She felt a wave of heat spread from her ear.

Zeng Shuai looked at her deeply and did not give her any more pressure.

After the reporter left, Tian Cheng chatted a little more with Cindy before leaving as well.

Zeng Shuai quickly followed her. Seeing that she was struggling to walk, he quickly went to support her. “You’re going to hurt your leg like this! Why don’t you use a wheelchair?”

"I'm fine." Tian Cheng pushed him away. I'll just take it as a recovery.

"Don't be a coward!" Zeng Shuai supported her and walked forward. I'll send you back!

Tian Cheng nudged him again but realized that she couldn't push him away. She couldn't help but raise her voice. "I'm not going back! I still have things to do!"

"What is it? Is the place far? I'll give you a ride."

"I'll just take a taxi." Tian Cheng said with a frown.

Zeng Shuai pursed his lips and was silent for a while. Then, he suddenly lifted her up horizontally.

ah! Tian Cheng screamed. what are you doing?! Let me down."

"Everyone can see it." CEng Shuai said leisurely.

Tian Cheng was shocked. She quickly looked around and realized that the nurses, family members, and patients in the corridor were all looking at them.

She was anxious and angry. She tugged at Zeng Shuai's clothes. you're still not letting go?!

Zeng Shuai turned a deaf ear and carried her forward.

After they left the hospital, he stuffed her into the car. Tian Cheng struggled to run out, but he pinned her down. "You're obviously injured, can't you just be obedient?"

"Why do I have to listen to you?" Tian Cheng asked, suppressing her anger.

“If you don’t listen, I’ll kiss you!” Zeng Shuai looked at her fiercely.

She widened her eyes and saw the determination in his eyes. It seemed that if she did not listen, he would really stammer.

She was shocked and shrank back into a ball.

Zeng Shuai snorted, closed the door, and turned to the front passenger seat.

Coward! He really hoped that she would resist to the end, so that he could kiss her in a justified manner.

“Where to?” He asked.

“Xingxing film and television City.” Tian Cheng turned her head away with an unhappy expression.

“A date?” He gave her a strange look.

“Yeah!” Tian Cheng replied in a bad mood.

Zeng Shuai tightened his grip on the steering wheel.

He wanted to see who would dare to go out with her!

The car stopped at the entrance of the cinema. Tian Cheng quickly got out of the car. “Thank you!”

“Don’t You Want Me to send you in?” Zeng Shuai asked.

“No need!” Tian Cheng quickly walked in.

“Slow down!” Zeng Shuai shouted helplessly.

Tian Cheng stopped in her tracks and looked around in a panic. Seeing that no one was paying attention to them, she heaved a sigh of relief and quickened her pace.

When she walked to the rest area, she saw her three roommates, who had already bought the tickets.

you guys bought me tickets, ” Tian Cheng said. I’ll treat you to popcorn then!

sure! the three of them agreed happily.

Tian Cheng turned around to buy popcorn. The three of them watched her and whispered, ” “Didn’t you say there was a car accident? Why doesn’t it look like you’re injured?”

“Don’t tell me it’s about giving birth?” One of them snickered.

“It’s possible!” A third person agreed.

Tian Cheng waited in line for a while. When it was her turn, the salesgirl was still carrying things for the people in front of her. When she finished filling the popcorn, she still had not paid for it.

She waited patiently. Suddenly, a voice came from the side. “Why are you so slow? Your service attitude isn’t good.”

Chapter 1077 Give her free popcorn for life

Tian Cheng was shocked and looked over to see commander CEng standing beside her.

...

The salesgirl was dumbfounded and looked at him in a daze. What did this person mean? Could he be here for an examination?

“Where’s your manager?” Zeng Shuai asked.

uh, Yingluo. the salesgirl suddenly reacted. C-CEO CEng!

Hengxing film and television City was Hengxing Entertainment’s industry, and CEng Shuai was the BOSS! Was the big BOSS here to inspect their work?

Zeng Shuai glanced at Tian Cheng and said to the salesperson, “I’ll give her free popcorn for life. Where is the manager’s office?”

“That way.” The salesgirl pointed and returned the full amount to Tian Cheng. congratulations, you’re so lucky.

What’s so good about Yingluo? She had simply stepped on a pile of sh * t, alright?

But since it’s free, I’ll have another bucket!

Tian Cheng made a request to the salesperson with a blank expression.

The salesgirl expressionlessly filled another bucket for her and gave her a membership card. “In the future, if you use your card to buy popcorn for free, you still have to pay for the coke.”

Oh? ” Tian Cheng smiled. this card doesn’t seem to be any different from the other cards? ”

“Uh, ran ran has never encountered such a thing before. I’ve already noted down the card number and will let the technical team handle it after this. I can get you a special card the next time you come.”

"It's fine as long as it's free. It doesn't matter what the card is." Tian Cheng turned around with the popcorn in her arms and saw Zeng Shuai walking over with a middle-aged man.

The middle-aged man had a fawning expression on his face. He seemed to be the manager of the cinema.

She lowered her head and walked to her roommate with the popcorn.

Her roommate grabbed the popcorn and asked, "Who was that man you were talking to? He's so handsome!"

"Look, look, look, Yingluo is over there!"

he looks a little familiar, Yingying. I think he's the president of Star Entertainment, Wen Yingying's rumored boyfriend!

"He seems to think that the salesgirl is too slow." Tian Cheng said, "he's probably here for an inspection.

tsk, tsk! He's really doing his job!

Tian Cheng glanced at it and lowered her head.

Zeng Shuai saw that all the people sitting beside her were girls, so he was very happy. He said to the manager, "Good management!"

t-thank you, President. The manager's forehead was full of sweat, and he couldn't figure out what he meant.

Tian Cheng and the others waited for 15 minutes before entering. The movie was less than two hours long, so they decided to go to the KTV to sing after the movie.

Tian Cheng didn't want to dampen their spirits, so she didn't object. She smiled sweetly and said, " but I have to go home before 9 p.m. Tomorrow. I have to attend my cousin's wedding.

"Alright, alright, alright! It's still early! We'll sing until seven or eight, then we'll go for supper." His three roommates said readily.

Walking out of the cinema, Tian Cheng saw CEng Shuai's car parked by the side of the road. She couldn't help but frown.

The four of them took a taxi to a nearby KTV. When they arrived, Tian Cheng couldn't wait to sit on the sofa and rest, stretching out her hands to massage her calves.

Two of his roommates had already rushed over to pick a song. Another one asked, " "Does your leg hurt?"

"A little." Tian Cheng smiled apologetically. I'll be fine after sitting down for a while.

"That's good." The other party heaved a sigh of relief. He looked at the drinks menu and asked, " what would you like to drink? do you want beer? "

"I don't need the wine. I'll have some fruit juice or something."

Aiya! We're not underaged. How can we not drink? " A roommate who was picking a song turned around.

I'm still recovering from my injuries, " Tian Cheng said. drinking will affect me.

"Then you drink, we'll drink!"

Chapter 1078 scheming against Tian Cheng

After a while, everyone had selected their songs and the waiter brought in drinks and beer.

...

Tian Cheng had just eaten too much popcorn and was feeling thirsty. She took two large glasses of fruit juice and drank them.

“Tian Cheng, it’s your turn!” The classmate passed the microphone to her.

She recognized the song and shouted, “who ordered it?” How am I supposed to go up to such a high pitch?”

“Why can’t we go up? It might even be better than the original!”

Tian Cheng had no choice but to sing two songs in a row, both of which were high notes.

The next song was, and she begged for mercy, “I can’t take it anymore, I can’t take it anymore, Yingluo, I feel like my throat is going hoarse!”

She shoved the microphone back to her classmate and took another big gulp of her drink.

She didn’t know if it was because the air conditioner in the room was broken or because the drink was alcoholic, but she felt a little hot and her mouth was dry, so she had to continue drinking.

After drinking for a long time, the feeling became more serious. She asked, “Do you have water? I want to drink mineral water.”

“You can look for it.” The student next to him said as he got up and went to the bathroom.

Tian Cheng was searching for water in the room when another roommate stopped her. “Tian Cheng, accompany me to the toilet outside.”

Tian Cheng glanced at the toilet in the private room. The student from earlier had not come out yet. This classmate of hers had always been timid. Tian Cheng guessed that she was afraid of going out alone, so she said, " "Good Yingluo."

She felt dizzy and wanted to go out for some fresh air.

The two of them left the private room. The expression of the remaining roommate changed, and he rushed to the bathroom door and knocked.

The girl who was hiding inside came out. The two of them looked at each other and picked up their phones to send messages.

After a while, a group of men walked in, and the leader said, " "You guys can leave."

"Yingluo, Who are you?" The two of them were shocked. where's miss Wen? "

"Could it be that miss Wen will personally come?" The man in the lead sneered.

she ... She promised us that we'd sign our names on the script, " Tian Cheng's roommate said.

"Don't worry, go." The man waved his hand.

The two of them took their bags and left in a hurry.

When they were outside, one of them took out his phone and sent a text message.

At that moment, Tian Cheng was standing outside the toilet in a daze. She heard a ding-dong sound and a text message notification.

She touched her body and realized that she didn't bring her phone out. It was obviously someone else's.

At this moment, her classmate's voice came from the cubicle. "Tian Cheng--"

"What's wrong?" Tian Cheng asked.

"Yingluo, can you do me a favor?" Her classmate said embarrassedly, "my thing is here. Go back and take that from my bag. I forgot about it just now.

uh, tsk tsk. Tian Cheng was speechless. you still dare to drink when you're having that? "

please ~"the classmate begged.

"Just wait." Tian Cheng rubbed her forehead and turned to walk toward the private room. She felt more and more uncomfortable.

She had only left for a short while when the student came out of the toilet and quickly ran downstairs to meet the other two students.

Her classmate passed her her bag and she hurriedly said, ""Let's go, let's go!"

The three of them walked out of the KTV. In the car across the road, Zeng Shuai frowned in confusion. Weren't they together with Tian Cheng? Tian Cheng didn't seem to have come out. Why did they leave by themselves?

.....

Tian Cheng leaned against the wall and slowly walked to the door of the private room. She pushed the door open and realized that it was not her classmates inside, but a few drunk men.

"I'm sorry, I entered the wrong door!" She said hurriedly.

She turned around and wanted to leave, but a man suddenly rushed over and grabbed her arm, saying in a hooligan-like manner, " "Since you're already here, why are you leaving? Why don't you stay and play with everyone?"

Chapter 1079 You've been sold out by your classmate, don't you understand?

what are you guys doing?! Tian Cheng called out.

...

"What do you think I'm doing?" The man picked her up and walked towards the sofa.

ah! Tian Cheng screamed in horror.

The scene of Wu Li bullying her that time appeared in her mind again. She struggled in a panic and looked around the house, trying to find a window to escape like last time.

However-

There were no windows here, so she had no chance to jump off the building!

let me go! Tian Cheng roared.

The man laughed and threw her away. The men sitting on the sofa reached out to catch her and touched her body. They laughed wildly."This little sister is really fresh and beautiful, still a Virgin, right? Look at how red her face is, like a tomato. Can't wait? Hahaha!"

help! Tian Cheng shouted as she struggled.

However, her luck this time was obviously not as good as last time ...

Last time, Wu Li was the only one, so she could escape. This time, there were a few of them, and each of them held her down with one hand.

Last time, she could jump off the building because there was a window, but this time, she couldn't escape Yingluo, so she couldn't jump off even if there was a window!

Moreover, the last time was during winter, and she was wearing thick clothes, but Wu Li couldn't occupy her. It was summer this time, and although she wasn't wearing a dress, she was still thin, so she was still taken advantage of by this group of animals.

no! Tian Cheng broke down and cried. let go!

Suddenly, a phone rang.

Tian Cheng was shocked and sat up immediately. Then, she was pressed down again.

But she saw her own bag.

She didn't enter the wrong door!

What was going on? Where were her classmates? Who were these people?

She had been framed!

"Stop!" She shouted fiercely, " where's my classmate?!"

"You've been sold out by your classmate. Don't you understand?" The man who was holding her head chuckled and his fingers flirtatiously slid across her face.

Tian Cheng didn't move at all. The men thought that she had resigned herself to her fate. The one who was hugging her leg gently undid the buttons of her long pants.

Her body stiffened, and she suddenly turned her head to bite the hand that was touching her face.

ah! the man screamed.

She struggled to get up and accidentally fell to the ground.

At this moment, another man took out the phone from her bag.

"Give me the phone!" She shouted.

"CEng Shuai?" The man sneered and hung up. He threw the phone on the coffee table. who can be more handsome than us? Don't worry, I'll dote on you today."

CEng Shuai Qian Qian! Tian Cheng quickly got up to grab the phone.

The man behind her held her down and tore her clothes apart.

She grabbed the ashtray on the table and threw it at him.

With a bang, the man who was hit by the ashtray dodged while groaning in pain.

She raised her hand and smashed it a few more times, but her hand was twisted by someone.

ah! Tian Cheng cried out in pain.

A man pressed her head against the coffee table and said fiercely, "You still f*cking dare to hit me? You want to play SM? Alright, big brother will accompany you!"

The man unbuckled the belt around his waist with one hand, took it out, and threw it on the coffee table. The melon seeds and peanuts on the coffee table flew into the air, and the glass cup cracked.

"Tian Cheng!" Zeng Shuai's voice was heard.

Tian Cheng was shocked, and so were the men.

"Where are you?" Zeng Shuai asked.

CEng Qianqian, save me, Qianqian! Tian Cheng shouted with great effort.

The man on the other end of the line hurriedly hung up the phone and scolded the man holding Tian Cheng down. "Don't go crazy! Hurry up! What about the DV camcorder? Who's going to record it?"

When Tian Cheng heard their words, she felt a chill run down her spine.

Chi la-

The shirt on her body was torn.

The person holding her head released his hand, and she took the opportunity to shout, "Help!"

Chapter 1080 Save me! CEng Shuai!

"This is a KTV."

...

Bang! Bang!

The five men were shocked by the loud noise and froze.

They looked at the door and saw that it was separated by a decorative wall. They couldn't be sure if the door was open from the sofa.

However, a shadow flashed across the wall. Clearly, someone had come in.

Tian Cheng raised her head and commander CEng appeared in her line of sight.

She cried tears of joy, "CEng Shuai!" Save me!"

Zeng Shuai's face was livid. He rushed over and kicked away the person who was pressing on her. Seeing that the clothes on her back were torn apart, revealing her snow-white skin and underwear, he took off his coat and covered her.

"Who are you?" The five men who had intended to lay their hands on Tian Cheng asked.

Zeng Shuai looked at them and his eyelids trembled.

He picked Tian Cheng up and placed her on one of the sofa's legs. Then, he turned around, pressed one of the men down, and started beating him up.

As he beat them up, he heard someone coming in from outside. He grabbed the person and threw him over, shouting, "No one is allowed to come in!"

No one could see Tian Cheng's face!

The people outside were frightened and did not come in.

He rolled up his sleeves and started beating up the others like a madman. The few of them were beaten up by him and could not get up from the ground.

However, he was still not satisfied. He grabbed an ashtray and smashed it on the last man's head. After a few hits, the other party stopped moving. However, he couldn't see so much. He wanted to kill these animals to vent his anger.

help, help Yingluo! the man on the ground begged for mercy. we didn't do it on purpose, Yingluo! Someone asked us to do it!

CEng, CEng Shuai! Tian Cheng's trembling voice came.

Zeng Shuai threw away the ashtray, which was covered with blood.

He reached out to wipe his face and found some blood on his palm. He picked up a tissue and wiped it away before turning to look at Tian Cheng.

Tian Cheng was curled up on the sofa and covered herself with his coat as she fought.

His expression changed when he saw her. He hurried over and asked in a low voice, "What's wrong with you?"

"This group of bastards!" He wrapped her in his coat, took out his phone, and made a call to get someone to come over and deal with the aftermath. Then he carried her out.

mm, Yingluo. Tian Cheng wriggled in his arms. it's so hot, Yingluo.

"Shut up!" Zeng Shuai said in a low voice and covered her head with his coat. He quickly walked out of the KTV and put her in the back seat of his car.

Tian Cheng leaned on the seat and tore his coat apart.

Seeing that he had gotten into the driver's seat, she got up and wrapped her arms around his neck.
"Save, save me, Yingluo!"

She saw her torn clothes hanging on her arm and was stunned for a moment. Suddenly, she pushed him away and fell back into her seat. She hugged her arms and cried.

Zeng Shuai knew that she had regained some of her consciousness, so he drove quickly.

Soon, they arrived at his place. He quickly got out of the car and carried her out, still covering her upper body with his coat.

Tian Cheng smelled the scent on his body and felt her body and mind relax. However, an indescribable heat rose in her heart.
