

Ditsy Wife 1081

Chapter 1081 I'll take responsibility for you, okay?

"Am I not gentlemanly enough?" Zeng Shuai shouted, "I didn't do anything to you.

...

you ... Tian Cheng's eyes widened in anger. He didn't do anything to her?

"I didn't even go in." Zeng Shuai mumbled in a low voice.

ah-" Tian Cheng screamed, grabbed a pillow, and hit him like crazy.

"Alright, alright, alright! I was wrong!" Zeng Shuai lifted the quilt and got out of bed.

When Tian Cheng saw his naked butt, she turned her head away and buried her face in the blanket.

He picked up his pants and put them on, then said in a low voice, "I'll take responsibility, okay?"

"You wish!" Tian Cheng raised her head and roared.

Zeng Shuai looked at her deeply, then opened the door and went out.

Tian Cheng hugged the blanket tightly and started crying.

She couldn't believe that she was the woman who had gone crazy yesterday.

But he didn't regret not doing that.

Should she be thanking him for not taking advantage of her?

But why should she thank him?

Knock, knock, knock!

There was a knock on the door.

Tian Cheng immediately wrapped the blanket tightly around her and looked up at him timidly.

He walked in and placed her bag and two paper bags on the bed. "I got someone to get your bag back from the KTV. Your mom called. You should think about how to explain it to her. There are clothes in the bag."

After he finished speaking, he closed the door and left.

Tian Cheng slowly relaxed and put on the clothes in the bag.

He was very thoughtful. He had even prepared undergarments, but the outer layer was actually a small evening gown.

She remembered that today was Gong Mo's wedding and walked out of the room in a panic.

He opened the door and saw CEng Shuai leaning against the wall, drinking a glass of water in one hand and another in the other.

"To soothe your throat," he said as he handed her the glass of water.

Tian Cheng turned around and walked into the living room.

The phone in her bag suddenly rang. She was shocked and slowly took it out. The caller ID showed that it was her aunt.

She picked up the phone and heard her aunt's worried voice. "Cheng Cheng! Where did you go last night? Why did you only pick up now?"

"I was playing with my classmates until late. I was afraid of disturbing you, so I went back to school."

At the mention of her classmates, she clenched her cell phone, her fingers stiff.

"Then why didn't you tell me? Do you know how worried I was?"

"I was singing, so I didn't hear the phone ring. I thought it was time for you to sleep, so I didn't disturb you, Yueyue."

"Then Yingluo, come back quickly! It's time to go to Momo's!"

"I know, Zhenzhen."

Tian Cheng hung up the phone and turned to look at CEng Shuai. "Can you do me a favor?"

"How can I not be busy with your work? You're already mine, Yingluo."

"Who's your man?" Tian Cheng cried out in excitement.

Zeng Shuai looked at her deeply and handed her the water in his hand.

She turned her head away, not planning to accept it at all.

Zeng Shuai was furious. He put the cup on the coffee table and said fiercely, "I should have F * cked you yesterday!"

you-" Tian Cheng glared at him angrily.

He held her face and lowered his head to kiss her hard.

Tian Cheng wanted to break free from him, but how could she compete with his strength?

She bit him hard, and he quickly backed away, sticking out his tongue to lick his lips.

Tian Cheng wiped her mouth and said in disgust, "I didn't brush my teeth!"

Zeng Shuai walked away with his cup. there's honey in the water. You'll feel better after drinking a little. There's a new toothbrush in the bathroom.

Chapter 1082 Did he sleep with her for nothing?

Tian Cheng pursed her lips, picked up a glass of water, and walked into the bathroom while drinking. After she went in, she came out again and placed her bag on the coffee table.

...

Zeng Shuai went back to his room to change and saw that her old clothes had been thrown into the trash can.

He stood by the trash can and looked at it for a while. He decided to wait for her to leave before picking it up for his collection.

This thought made his face turn red.

He changed into his wedding dress, tidied his hair, and walked into the kitchen. He took out the toasted toast, warm milk, and boiled eggs.

It was double. He placed them on the dining table. Tian Cheng came out after washing up.

“Have some breakfast.”

Tian Cheng felt very uncomfortable. She frowned and said, “I should go back! My mom is waiting for me!”

“I’ll give you a ride.” Zeng Shuai turned around and entered the bedroom.

Tian Cheng thought for a moment, then walked to the dining table and picked up the glass of milk to drink. She slowly put it down halfway through her drink, her fingers trembling.

The drug that made her go crazy yesterday must have been put in her drink.

“What’s wrong?” Zeng Shuai came out of the bedroom with a bottle of medicine for bruises in his hand. your arm is a little bruised. I applied it for you last night. You can fix it again.

Tian Cheng was shocked. She raised her arm and saw that it was more than just bruised. It was already a little swollen!

She looked at him angrily, and he said with a straight face, “It wasn’t me,”

Tian Cheng recalled the incident at the KTV and snatched the medicine from him.

Zeng Shuai sat down, picked up his toast, and said, “Let’s eat first. I’ve already taken care of Yingluo and the others from yesterday.”

“She’s my classmate.”

"I've found ran ran." Zeng Shuai lowered his eyes, stirred the jam with a knife, and wiped it on the bread.

why did they do that to me?! Tian Cheng did not understand. She was disappointed and heartbroken. although we're not close friends, we get along quite well. We've never had any conflicts in the dormitory, aww.

Zeng Shuai put down his knife and took a big bite of toast. Then, he drank a mouthful of milk. let's eat first.

Wen Yingying was the one who instructed them to do it, so he should be the reason.

How could he dare to let Tian Cheng know? If he wanted to let her know, he would have to wait until she was full.

Tian Cheng hadn't had dinner the day before and had spent half the night there. She was exhausted and was indeed hungry.

She suppressed the anger and sadness in her heart, swallowed two pieces of toast, and drank the milk.

"Eat the egg." Zeng Shuai said.

"I'm not eating!" Tian Cheng shouted, " who are you to control me?!"

"I'm just afraid that Yingying hasn't eaten her fill," Zeng Shuai sighed softly.

"You don't need to care." Tian Cheng turned her head away in a low voice. She felt very uncomfortable thinking about the intimate contact last night.

Zeng Shuai looked at her, put the tableware in the kitchen, and came out to say, " let's go. I'll send you home. We'll go to Happy Garden after I pick up your mother.

Tian Cheng picked up the bottle of medicinal wine and sprayed a little on her arm after she got into the car. She then gently rubbed it.

Zeng Shuai asked, "does your fracture hurt?" Do you want to go to the hospital?"

we'll go tomorrow. It's already quite late. We shouldn't delay the wedding.

Zeng Shuai was silent as he drove slowly. After a while, he said, "That Yingluo"

"Nothing happened between us last night!" Tian Cheng said sternly.

"Yingluo," Zeng Shuai said, "so I slept with her for nothing?"

"You're not responsible!" He complained.

shut up! Tian Cheng glared at him fiercely. don't you dare take advantage of me!

Zeng Shuai didn't say anything and drove angrily, feeling like he had encountered a female hooligan!

Tian Cheng bit her lip and looked at him. ran ran, " she said, " I don't want anyone else to know about this.

"I won't say."

Chapter 1083 Is Cheng Cheng something he can call?

Tian Cheng nodded. but I want to find out what's going on. Can you help me? " she asked.

...

Zeng Shuai's hands nervously gripped the steering wheel twice. He looked at the road and said, "It's my fault,"

Tian Cheng was stunned and looked at him in confusion.

He took a deep breath and said, "Wen Yingying asked someone to do it."

Tian Cheng's eyes widened in shock.

"I'm sorry, Yingluo."

"Bastard!" Tian Cheng threw the bottle of medicine at him.

However, the medicine bottle was too small and didn't have much power.

After hitting him twice, she threw it directly at his face, then picked up her bag and hit him.

Zeng Shuai blocked her while driving. "I've already banned her! If you're not happy, I can kill her!"

"Get lost!" Tian Cheng roared, "don't even think about making me take someone's life!"

"I didn't mean it that way, Yingluo, stop calling, I'm driving! Can you call me when I stop? You can even kill me!"

He didn't expect Wen Yingying to have such vicious thoughts. He had underestimated her in the past and thought that she was really very well-behaved. He didn't expect her to be so scheming.

Women were indeed not simple creatures!

“Bastard!” Tian Cheng smacked him on the head one last time, put down her bag, and turned to look out the window.

“Stop the car!” She suddenly shouted.

“We’re almost at Chengcheng.”

“Stop the car!”

Zeng Shuai turned a deaf ear and continued driving.

Tian Cheng closed her eyes and leaned against the car window without saying a word.

After a while, the car stopped.

Tian Cheng immediately opened the door and went down.

Zeng Shuai chased after her and said, “Tian Cheng-”

“Don’t follow me!” Tian Cheng turned around and shouted.

“Cheng Jue, Cheng Cheng?” His aunt’s voice came.

Tian Cheng was shocked and turned around.

“Why are you two together?” his aunt walked over and asked in surprise.

Tian Cheng opened her mouth, not knowing how to explain.

“I’m going to pick up Cheng Cheng from school,” Zeng Shuai said.

Tian Cheng glared at him, thinking, “who is he to call me Cheng Cheng?”

Zeng Shuai pretended to be innocent.

“Good! Good!” Little aunt said happily, thinking that they were together.

Suddenly, she smelled the scent of medicine and alcohol. She looked at Tian Cheng’s body and saw the red and swollen arm. “What’s going on?”

“I’m fine. I was hit by the door of a KTV.” Tian Cheng held her arm and said, “let’s go! I’ll get my makeup done first, I won’t be able to make it in a while!”

alright, alright, alright. This is Momo’s wedding. We can’t be late.

“Did you bring a gift?”

“He’s still upstairs,”

“Then we’ll go up and get it!” Tian Cheng dragged her forward.

“Eh? CEng Shuai ...”

“He can just wait here!” Tian Cheng said viciously.

Her aunt was stunned. She looked at her and then at Zeng Shuai.

Zeng Shuai smiled and stood up straight.

Little aunt was very satisfied. She turned around and followed Tian Cheng, shouting, " "Slow down! You don't want your legs anymore?"

It wasn't until they entered the elevator that youngest aunt had a chance to speak properly. "We just started dating, don't be so arrogant! Look at how good he is ..."

"Who's dating him?" Tian Cheng called out.

"You two aren't dating?" his aunt was stunned.

The elevator arrived. Tian Cheng walked out and opened the door with her keys.

Little aunt followed over and muttered, "I think it looks very similar, Yingluo."

After entering the house, Tian Cheng returned to her room to change her clothes.

"Are your clothes new?" her aunt asked.

"Yingluo bought it with her classmates yesterday."

this dress is not bad. I can even attend a wedding like this. Little aunt said with a smile.

"I don't think so. I'll still wear this custom-made set."

Tian Cheng frowned and took out the custom-made gown from her closet.

Chapter 1084 Yu qinghuan returns

Little aunt nodded. those who go to Xuanji and Mo Mo's Place are all big shots. It's not good to wear the same clothes. It's safer to have it custom-made.

...

The two of them changed their clothes and went downstairs with their things. When Zeng Shuai saw that Tian Cheng had changed her clothes, he felt stifled.

The dress that he bought would definitely not be a problem for her to wear to the wedding!

Well, it must be because she was despised, and so were her clothes.

He suddenly regretted it! Why were you so gentlemanly last night? She was already in that state, so wouldn't it be fine if he just took the last step?

It felt like there was no progress at all.

.....

At the capital's airport, Yu qinghuan was dressed in a red dress as she flitted through the crowd.

Behind her was a grinning King. King was tall and handsome with a light beard. He looked mature and imposing. As he walked, he looked like a big Shot.

The two of them walked one after the other, attracting everyone's attention.

Everyone couldn't help but look at them, thinking: Did this celebrity come from somewhere?

When she walked out of the airport, she saw a black Rolls-Royce.

A young foreign man was standing next to the Rolls-Royce. When he saw King, he greeted him respectfully, "BOSS!"

King walked to the car and called out to Yu qinghuan, "Lily?"

Yu qinghuan stopped in her tracks and turned around to look at him.

He pulled open the back seat of the Rolls-Royce and made a gesture of invitation.

Yu qinghuan walked over, lifted her red dress, and sat inside.

King sat beside her. After the car started, he asked his men, "Where's Sheng Dongyi? Have you killed the target?"

"Not yet,"

"Take me to the target first."

I want to see Sheng Dongyi. Yu qinghuan said.

don't worry. Sheng Dongyi is right beside the target.

Yu qinghuan nodded in satisfaction.

Ever since they had met a year and a half ago overseas, King had been following her.

She went around looking at the scenery, and he nagged at her every day.

Someone wanted to cause her trouble, but he took care of them before she could. When they were camping in the wilderness, he diligently helped to hunt and build a fire to clean up.

However, with her abilities, she didn't need him at all.

So she didn't say thank you, nor did she accept his good intentions, and continued to do things her own way. If he was in a good mood, she would not chase him away and treat him as a companion. If he was still so noisy when she was in a bad mood, she would hit him directly.

A few days ago, he had said that he was coming to China and asked her to come along, but she had naturally ignored him.

The two of them had lived together in peace, but he could not ask her to do anything, otherwise she would have beaten him to death!

However, he later said, "Sheng Dongyi is there." Didn't you want to kill him? I'll Take You There."

Hence, she returned to China.

.....

Woriless hospital.

Cindy sat on the bed in a daze.

She didn't like to talk now, so everyone thought that she was sad because her voice was destroyed.

She was indeed sad, but not because of that.

What was a voice compared to Emilia?

Emilya had established a new regime, and the new ruler made a public statement: Although Emilyya was now a democratic country, they would treat the former Royal members well.

However, during the last coup, the royal family was divided into two. One of them fled the country, and the rest colluded with the rebel army. In the end, they were killed by the rebel army, and no one existed.

The new government released this news because they wanted the royal family members who were stranded outside to return on their own accord.

What about after he returned?

Cindy felt like she would be killed!

She remembered the fire that day and the fact that she had been knocked out. Could it be an assassin sent by the new government?

Chapter 1085 Using you to get close to the target

Otherwise, who would target her? Even if she became famous in the entertainment industry and someone didn't like it, they shouldn't harm her in this way.

...

But if he was a killer, why didn't he kill her with one shot?

That's right! She suddenly understood that the whole world knew that she was from Emilia. If she was assassinated when Emilia had just gained independence, it would inevitably make people suspect her true identity.

However, if she died in a fire, it could be said to be an accident, and it was hard to suspect that she was a Princess Qianqian.

“Miss Xin,” The bodyguard walked in.

She returned to her senses and looked at him. It was he who had arrived in time that day and saved her, otherwise she would have really died.

“What is it?” She asked in a low voice.

Her voice was unpleasant to hear. Even if she didn’t care, she didn’t want to scare others.

The man looked dignified and somewhat handsome, but he was usually unsmiling. He looked like a poker-faced man, giving people a faint strange feeling. today is Mr. Sheng and Mrs. Sheng’s wedding, ” he said. Mrs. Sheng has sent a driver over and asked if you would like to go.

Cindy was stunned. She shook her head. I’m already like this. I’m not going.

If someone really wanted to assassinate her and the other party followed her to the wedding, wouldn’t the wedding be ruined?

“But Mrs. Sheng has sent someone here. It’s not good to turn her down like this. Yingluo, why don’t you prepare a gift and send it over?”

this ... Cindy was stunned and said hurriedly, ” but I’ve been in a daze recently and forgot about this. I’m not prepared to do this at all. What should I do? ”

The man did not say anything.

Cindy thought for a while and said, ”go to my place and bring me my entire album.” I’ll sign my name and write a card, and you help me give it to her Yingluo.”

“Alright,” he said. The man turned around to leave.

wait! Cindy suddenly stopped him. such a cheap gift. Is it not sincere? ”

“I believe that miss Xin is sincere.”

Cindy was silent for a few seconds. you go.

She had no other choice. Time was of the essence, and there was no time to prepare anything else.

Moreover, she wanted to leave.

Singing was, after all, standing at the top of the crowd, and it was too eye-catching. No matter what the new government wanted, she'd better hide first. Why don't we leave today? He would sign an album as a farewell to Gong mo.

Half an hour later, the door of the ward was suddenly opened. She thought that her bodyguard had returned, but when she looked up, she saw an unfamiliar foreign man.

“Where are your bodyguards?” the man closed the door and walked over.

Who are you?! Cindy was shocked and asked warily.

“You don't know him.” The man took out a pair of black gloves from his pocket and put them on.

The gloves seemed to be made of leather.

Cindy found it strange. Why are you wearing leather gloves in the summer?

but I'm here to kill your red-eyed Princess Emily. The man looked into her eyes, his eyes filled with killing intent and a smile.

Cindy shuddered and said, 'it really is them! You set the fire?'

"Set fire? I won't go through so much trouble, so it should be my subordinate."

"Subordinate?" Cindy thought about it seriously, as if she had thought of something.

"Yes, that bodyguard of yours." The man smiled. he has been by your side for almost half a year. Unfortunately, the hatred in his heart has exceeded the mission. He wants to use you to get closer to the target of his hatred, so he has not killed you.

target of hatred, Yingluo. Sindy recalled that the bodyguard had just told him about Gong Mo's wedding. Could it be ...

She was shocked. She lifted the quilt and got out of bed, wanting to go and inform the others.

Chapter 1086 The goddess will kill whoever she wants

King suddenly pulled out a silver wire-like object and gently wrapped it around her neck, pulling her towards him.

...

Cindy subconsciously grabbed it with her hand, but she immediately felt a sharp pain in her palm, and she couldn't help but cry out in pain.

King retracted the silver wire in his hand. The silver wire slid down her shoulder and cut her hospital gown. Blood oozed out of her skin.

The target of the silver wire was her neck!

In the nick of time, the door was suddenly knocked open and a gust of wind blew past them. King felt the thread in his hand loosen-it broke, broke the Kasaya.

He raised his head in shock and saw Yu qinghuan standing in front of him.

She raised her hand and shook off the silk thread in her hand.

Her finger was cut, but she didn't feel any pain.

King threw Cindy away. Cindy fell to the ground, her hands covered in blood. But luckily, she's still alive, Yingluo.

Didn't I tell you to wait for me outside?" King yelled at Yu qinghuan.

are you alright?" Yu qinghuan asked, looking at Cindy on the ground.

Cindy found her voice familiar, and she suddenly looked up and exclaimed, "Lily!"

you two know each other?! King was shocked as well.

Yu qinghuan ignored him and lowered her head to ask Cindy, "Did you help me pass the things to him?"

yes," Cindy nodded. I did.

Yu qinghuan smiled beautifully, and King was instantly mesmerized. He shouted, "OK! OK! If the goddess says she won't kill, then she won't kill. If she says she'll kill, then she'll kill!"

then I'm going to kill Sheng Dongyi! Yu qinghuan looked at him coldly.

“Alright!” King said generously, “let’s go and kill him now!”

.....

The car drove into Happy Garden and stopped outside the villa’s garden.

Youngest aunt got out of the car and looked at her surroundings in shock. She did not expect Sheng nanxuan’s Villa to take up such a large area.

Was this just being rich? He was simply rich!

“Mom, let’s go in first.” Tian Cheng walked toward the villa.

Her aunt came back to her senses and caught up with her. She found Zeng Shuai standing by the car and asked, “Why didn’t you wait for me?”

“He’s busy. He doesn’t need to go in with us.”

“Then you should have said thank you!” “Sorry to trouble you!” Little aunt turned around and said to Zeng Shuai.

“I should.” Zeng Shuai laughed. Chengcheng’s injuries have not healed yet. Auntie, please take care of her.

“Ai!” Little aunt agreed with a smile.

Tian Cheng glared at CEng Shuai angrily. He shrugged and greeted the guest in a good mood.

“What’s with your attitude?” her younger aunt whispered to Tian Cheng. See how much she cares about you?”

Tian Cheng walked in quickly, feeling weak.

Little aunt was dazzled by the scene's layout and looked around as she walked, but she didn't have time to say anything.

Walking into the villa's living room, she saw many people sitting there, some familiar and some unfamiliar. Most of them were people from the Yu and Wu families.

"Tian Cheng, you're here?" Yu Xinran smiled.

Hu Zi knelt on the ground and played a game with Simon. He raised his head and shouted, "Aunty!"

Simon, who was lying on the ground, also raised his head. "Aunty ..."

"You called her cousin!" Hu Zi was speechless.

Simon followed her advice and called out "cousin".

Everyone laughed. Those who had never seen Tian Cheng before were secretly sizing her up. They guessed that she had a good relationship with Gong mo and were considering whether to use her to form a marriage.

Tian Cheng walked over with a smile and rubbed Hu Zi and Simon's faces. She didn't dare to kiss them because of her makeup.

Little aunt stood at the side uneasily and asked everyone, "M-m-m-m-mo and her mother, where are they?"

"They are all upstairs. Momo is still putting on makeup." Yu Xinran said, "candy heart is there too. I saw too many people, so I came down first. I'm preparing to go to the wedding venue.

Chapter 1087 Entering Happy Garden

“Where will the wedding be held?” Tian Cheng asked anxiously.

...

Joy garden was so big that it naturally had a specific location.

“It’s just behind the rose Garden. After the wedding, Momo and nanxuan will take a helicopter to the airport and go on their honeymoon!”

“We’ll take care of Hu Zi then!” Wu surong said with a smile.

“Then I’ll go up and say hello to my cousin first, and then we’ll go together.” Tian Cheng said.

“Alright, we’ll wait for you here.” Yu Xinran said.

.....

At the entrance of joy garden. The man got out of the car with a small wrapped gift and an invitation in his hand. He slowly walked to the bodyguard who was checking the invitation.

I’m miss Xin’s assistant. She’s at the hospital and can’t come over, so she asked me to bring her gifts.

The bodyguard checked the invitation carefully. Seeing that there was no problem, he raised his head and asked, “May I know your name, Sir?”

The man paused and smiled, “aunt Liu.”

“Mr. Liu, please come in.” The bodyguard said politely, “someone will take you to rest.

Given Sheng nanxuan’s status, if he invited someone to his wedding, that person would definitely come. However, there might be an accident, so he could only send someone to send gifts.

In such a situation, it was impossible to leave the gift at the door, as that would be disrespectful to the person who really gave the gift.

The man was sent to the front of the villa by car. He looked at the magnificence of the place coldly and exerted some force with his fingers.

He looked around carefully like a piece of silk that had never seen the world, but in fact, he was sizing up the situation around him.

There were people all around, and under the watchful eyes of the guests, well-ordered servants, and servants, any unusual behavior would be discovered.

Yu Xinran carried Hu Zi out of the villa, and Tian Cheng followed behind with Simon in her arms. They chatted and laughed as they walked toward the wedding venue.

The grass was already a sea of flowers.

White, pink, and red roses were tied in all kinds of styles, and the air was filled with the fragrance of roses.

There were white chairs on the grass, and everyone found a seat and sat down. Looking at everything around them, they couldn’t help but click their tongues in wonder.

As the time approached, the chairs were filled with people and the band began to play. Lu Qian stood in front of the band and played the violin. Her voice was melodious and pleasant, as if she was telling the romantic love story of a newcomer.

“Where’s mom?” Hu Zi asked dan Rong.

“Mommy will be here soon.” Shan Rong carried him in front of her. don’t run around.

“I didn’t.” Hu Zi pouted.

hehe, hehe. Simon laughed at him.

He snorted and hugged Shan Rong tightly.

Simon was stunned and reached out to pull Shan Rong.”Mommy, carry me,”

“You two are so annoying!” Shan Rong glared at them. all of you, sit tight!

Hu Zi immediately returned to his seat. He sat next to Simon, and the seat next to him was Gambino’s. Gambino was going to bring Qian mo on stage, so he wasn’t there.

“Grandma is so fierce.” Hu Zi whispered to Simon.

Simon nodded and looked around curiously.

The adults around him were also looking forward to it.

Finally, it was time for the groom to appear.

“Daddy!” Hu Zi looked at Sheng nanxuan and widened his eyes in surprise. He did not seem to recognize him.

He felt that Yingluo’s father was very handsome today!

“Please welcome the bride!” The emcee said loudly into the microphone.

The wedding march started playing. Gong mo held a bouquet of flowers in his hand and held Gambino’s hand as they walked slowly from the end of the red carpet.

She saw Sheng nanxuan in the distance.

Chapter 1088 I want to marry you

The big screen behind Sheng nanxuan was playing a silent animation. It was a clip of their secret feelings for each other in high school.

...

Gong mo looked at him and also looked at their past. He smiled and his eyes turned red.

Aiyo, hehe,”Shan Rong said softly. you’re actually in a relationship behind my back!

Tian Cheng, who was recording with her phone, chuckled and said softly,” so many years of relationship. How good is that ~”

“If I had known, I would have broken her legs!”

“I wanted to break her legs back then, but now I’m just glad. If I had a boyfriend from high school, my mom wouldn’t have arranged a blind date for me now.”

“What are you saying!” Her younger aunt glared at her. you better watch quietly! You can use it as a reference when you hold a wedding in the future.”

When Tian Cheng heard this, she said to Shan Rong, "you see!"

Shan Rong laughed and did not say anything else. Tian Cheng and her younger aunt did not speak either.

"I want to go," Hu Zi pulled Shan Rong. they're all here.

"Sit down!" Shan Rong held him down, afraid that he would run up and ruin the ceremony.

"Mr. Sheng nanxuan, are you willing to do so?"

The emcee's solemn and sacred voice rang out, and the people below did not dare to make another sound.

Almost everyone had gathered here to watch the wedding, so the outside of the villa was a little empty.

A figure carefully flashed in.

At the wedding, Gong mo and Sheng nanxuan exchanged rings. Sheng nanxuan removed her veil and kissed her on the cheek.

There was a round of applause from the crowd. Hu Zi sat down and shouted, "Dad! Daddy! Mom ..."

Sheng nanxuan smiled and reached out to him. He immediately ran over and hugged Gong mo.

Sheng nanxuan took the microphone from the emcee and said to everyone, "Gong mo and I have been married for four years. Today is our fourth wedding anniversary. Look, our child is already so old. Gong mo and I can be said to be an old couple. But it's only now that I've given her a wedding gift."

Gong Mo's eyes were filled with gentleness as he looked at him.

After he finished speaking, he hugged her and kissed her hard.

woooo—" everyone's roars sounded.

The best man, Wu Di, and the bridesmaid, Tang Xinxin, were standing next to them. Wu Di lowered his head and said to Tang Xinxin, "When I throw the bouquet later, you have to catch it, Yingluo."

Tang Xinxin glared at him and elbowed him.

Wu Di grunted and looked at her with resentment.

Tang Xinxin bit her lips. Hu was already three and a half years old, and it seemed that it was time for her to consider marriage. Let's try it then? There seemed to be nothing wrong with this man and he was worth marrying.

Tang Xinxin wasn't as perfunctory as the last two times when she accepted the bouquet.

However, there were a lot of guests this time. Those who received the invitation all brought their families along. Many people treated the wedding as a blind date venue, so there were many men and women who were suitable for marriage. The girls who fought for the bouquet of flowers were comparable to the ones who fought for Yu Xinran's wedding.

In the end, the bouquet fell into the hands of an unfamiliar woman, who seemed to be a rich young lady.

ah! Wu Di screamed. He was so depressed that he wanted to bang his head against the wall.

Tang Xinxin withdrew her hand awkwardly and walked over to him. "Just work harder next time, what are you shouting for? This is Gong Mo's wedding."

I want to marry you, ran ran, " Wu Di said gloomily.

“Is this a proposal?” Tang Xinxin sneered. He’s really casual.”

“Ahem!” Wu Di immediately became serious. He pulled her to Gong mo and Sheng nanxuan, who were dealing with the guests.

Chapter 1089 Reminded her of Sheng Dongyi

“Let’s go help!” Wu Di said.

...

Of course, he couldn’t propose so casually!

Was it because he didn’t propose that she couldn’t receive any flowers?

But he had proposed, and the wedding was just around the corner. Did it really matter if he accepted it or not?

He was afraid that he would be rejected when he proposed, so he wanted her to give him a hint!

Wu Di struggled for a long time. He felt that as a man, he should just propose! Otherwise, other people’s second child would be useless!

.....

Gong mo and Sheng nanxuan were taking photos on the grass. First, it was their family and friends. Then, other guests applied to join. The two of them didn’t refuse on such a joyous day.

More than two hours had passed.

Gong mo was covered in sweat and went back to the villa to change his clothes. There would be a cocktail party later, and a bonfire party at night. After the bonfire party, there would be fireworks and lanterns. She would board the helicopter with Sheng nanxuan then.

Tang Xinxin accompanied her to her room. Once she closed the door, Tang Xinxin rushed to the bathroom. "Wait for me, I need to go to the toilet first!"

Gong mo was speechless. He sat in front of the mirror and took off his veil.

She lowered her head and couldn't see the mirror.

At that moment, a man appeared in the mirror.

"Mrs. Sheng." The man suddenly said.

Gong mo was given a fright. He immediately turned around and recognized him as Cindy's bodyguard.

She heaved a sigh of relief.

The voice just now was a little familiar, so she thought Yingluo had heard it.

Who did he think it was?

A figure that she hadn't thought of for a long time appeared in her mind, and she hurriedly pushed him out of her mind!

"What are you doing here?" she asked.

The man handed over a beautifully wrapped gift with both hands and said with a smile, "this is the gift miss Chini asked me to give you.

Gong Mo's body trembled. He stared at the gift in his hand and was unable to move.

Why did he sound so much like Sheng Dongyi?

The first time she had seen him backstage at the concert, he had not spoken. She had seen him outside of Chini's ward. Sheng nanxuan had spoken to him, but at that time, his voice had become hoarse because of the smoke, so no one had thought that he was Sheng Dongyi.

No way? It should just be a similar voice.

A few seconds later, Gong mo raised his head and looked at his face.

He was not Sheng Dongyi!

But his eyes did not look like those of a bodyguard. Instead, they reminded her of Sheng Dongyi.

She stood up calmly. just put the gift below. You shouldn't have come here. If my husband knows about this, you'll be embarrassed!"

Kada-

The door of the bathroom opened and Tang Xinxin walked out. "W-what's going on?!" She asked in surprise.

She hurriedly ran to Gong mo, but the man suddenly opened the gift and threw it at her.

Pa!

The lid hit Tang Xinxin's head, and she fell to the ground with a thump.

“Xin Xin!” Gong mo shouted.

“Don’t move!” Sheng Dongyi’s voice rang out again. But this time, it was filled with a strong murderous intent.

Gong Mo’s body stiffened. He turned around and saw the man holding a small pistol and looking at him coldly.

One of Gong Mo’s eyes was aimed at the gun. She shivered and said with certainty, ” “Sheng Dongyi!”

Sheng Dongyi was taken aback. He didn’t expect that she could still recognize him even after he had changed his face.

“It seems like you can’t forget me!” Sheng Dongyi wrapped his arms around her neck and held her in front of his chest.

Gong mo opened his mouth and wanted to shout, but Gu Yu suddenly put the gun into her mouth.

Chapter 1090 His ultimate goal is Sheng nanxuan!

Gong Mo’s eyes widened in horror. He couldn’t shout and didn’t dare to!

good girl. Sheng Dongyi kissed her on the ear. come with me.

...

Gong mo calmed down quickly.

There were so many people outside, he could not take her away.

Sheng Dongyi dragged her to the door, and she almost tripped over the hem of the wedding dress.

Sheng Dongyi carefully opened the door with his elbow. He wanted to check the situation outside, but as soon as he opened the door a crack, someone shouted, " Mrs. Sheng, can we go in now? "

It was the makeup artist. Gong Mo's eyes widened. He wished that she would come in.

Sheng Dongyi paused. The gun in his hand was still in Gong Mo's mouth, pressing against his tongue.

"Mrs. Sheng?" The person outside pushed the door open. we're here to touch up your makeup.

Sheng Dongyi closed the door with a click.

The makeup artist was stunned. She felt that it was a little strange, but she did not dare to barge in. She could only ask her assistant to go downstairs and call for someone.

When Sheng Dongyi heard that there was only one person left outside, he immediately opened the door, pulled out the gun in Gong Mo's mouth, and knocked the makeup artist out with the handle.

Gong mo took the opportunity to shout,"Nan Xuan-"

Sheng Dongyi pressed her against the wall, pinched her chin, and shoved the gun into her mouth again. "Do you want to die? I'm here today to take your lives, do you think you can escape?"

Gong mo looked at him with hatred.

"Hate all you want, I hate you all the same!" Sheng Dongyi grabbed her by the neck and turned her around. Instead of going downstairs, he quickly walked in another direction.

The people downstairs heard the noise and rushed up.

Then, he jumped down from the window at the end of the corridor with Gong mo.

He had been in the FARC before, so he naturally knew that Sheng nanxuan was not an ordinary person. Neither was Gambino.

Since both of them were here today, he had to make use of Gong mo to lure Sheng nanxuan to another place in order to have a chance of winning.

Sheng nanxuan loved Gong mo. If Gong mo was in danger, he would definitely chase after him impatiently-he was alone and had forgotten to bring others.

This way, without Gambino, he would have a chance of winning.

His ultimate goal was Sheng nanxuan! Of course, he wouldn't let Gong mo off either.

But he wouldn't kill Gong mo first. Once Gong mo died, Sheng nanxuan would definitely go crazy. She had no chance of winning. He could only make use of Gong mo to kill Sheng nanxuan first. After that, Gong mo would not be a problem anymore.

So, in order to prevent Gong mo from being killed, Sheng Dongyi pulled the gun out of her mouth when she jumped off the building.

ah! Gong mo couldn't help but scream.

They were on the second floor. Although the villa was a little high, it wouldn't kill anyone. Moreover, there was a ginkgo tree on the bottom left corner of the window. Sheng Dongyi took her and smashed into the ginkgo tree. They rolled along the branches and fell to the ground.

With the tree as a buffer, the two of them were unscathed.

However, Gong Mo's entire body was in pain. Her head was spinning, and before she could react, Sheng Dongyi pulled her up and ran to a car on the side of the road.

There were people around them who saw them and ran over quickly.

Sheng Dongyi pushed her into the driver's seat, pushed her to the passenger's seat, and then got in.

Gong mo hadn't recovered yet. He subconsciously crawled to the side, trying to escape.

Sheng Dongyi started the car, made a turn, and threw her back.

The car sped forward. Gong mo got up again and opened the door, wanting to jump out.

However-

Sheng Dongyi had sat down on her wedding dress.

She turned around and saw that her pure white wedding dress had almost filled the entire car-not only was Sheng Dongyi half-seated, but the other half was locked outside the driver's seat.

If he had known, he wouldn't have made it so long!
