

Ditsy Wife 111

Chapter 111

111 Of course you're good-looking

"You don't have a name in the martial world?" Gong mo asked in surprise.

...

"There is, but hehe"

"But what?"

"Buddha said, 'do not say.'"

Gong mo rolled his eyes. you can go if you want. I don't want to go to that kind of place anyway.

"Why? It's full of socialites there. It's not bad to know a few people. Don't you have to work in the future? Now that we know each other, it'll be easier to interview them in the future."

Gong mo paused for a moment before turning around and walking into his bedroom, "those people have their eyes on top of their heads. Someone like me with no status would be like a clown if I went.

Sheng nanxuan suddenly remembered that she was wearing a gown on her birthday. Was she going to the Sheng family's banquet? It seemed that he had been glared at and had a psychological shadow.

"Then I'll bring you there in the future. No one will dare to look down on you," he said.

Gong mo lay on the bed and closed his eyes. let's talk about this later. I'm going to sleep.

"Go to sleep." Sheng nanxuan looked at her stomach and reached out to touch it. After a while, he took off his shoes and lay on the bed.

Gong mo opened his eyes and asked, "why did you-"

"I'll accompany you two." He kissed her on the cheek. go to sleep.

Gong Mo's face turned slightly red. He closed his eyes and suddenly felt the power of peace.

.....

After a good night's sleep, Gong mo felt very lazy.

"What's the matter?" Sheng nanxuan asked.

Gong mo sighed. I feel like I have nothing to live for.

Sheng nanxuan looked at her in a daze. Do you have depression?"

this is how it is when you sleep in the afternoon. Gong mo yawned. I don't feel like moving at all.

Sheng nanxuan heaved a sigh of relief. He thought that she had a psychological problem. He thought for a while and said, "then let's not have dinner at home today. Let's go out to eat." I'll let you relax."

"Could the ones outside be dirty?" Gong mo frowned.

"Don't worry, those private restaurants are cleaner than most people."

"I see, Yingluo, alright then."

The legendary private restaurants were all prepared for the rich and famous, and ordinary people could not enter at all!

A restaurant like this must have a few special dishes, right?

Gong mo swallowed his saliva. He was suddenly full of anticipation for dinner!

After tidying up, she went to the living room to change her shoes.

She took a pair of flat shoes and sat on the footstool, bending over to put on her shoes.

Sheng nanxuan walked over and leaned against the opposite wall, staring at her.

She looked up and lowered her head with a red face. "What are you looking at?"

"I'm looking at you."

Gong mo was stunned. He put on his shoes and stood up. He put his slippers into the shoe cabinet and said in a low voice, "What's there to see about me?"

"Of course you're good-looking," Sheng nanxuan reached out and scratched her neck. Then, he put his arm around her shoulder and walked out.

"When your stomach is bigger, it won't be convenient for you to wear shoes," he said as they walked.

Gong mo imagined the scene. He was afraid that he wouldn't be able to bend his back. Even if she was sitting, her hands could not reach her feet.

yeah, Zhenzhen. she sighed.

Being pregnant really made one sad.

Only by raising a child would one know the kindness of their parents. She did not know how much her mother had suffered when she was pregnant with her.

"I'll let you wear it in the future." Sheng nanxuan whispered in her ear.

Gong mo was stunned. He looked up at her and asked in confusion, "Why?"

"What do you mean why?"

"Didn't you get married for the sake of the child?" She looked at him with a complicated expression. why are you so good to me? "

Chapter 112

meeting Yu xinzhuo

"Because you're pregnant with my child." Sheng nanxuan said matter-of-factly.

...

but ... Gong mo paused for a moment and realized that he had a point.

Perhaps he wouldn't care so much about her after the child was born?

When they arrived at the private restaurant, the two got out of the car.

A man and a woman got out of the car from the parking lot next to them. The man was listless at first, but when he saw Sheng nanxuan, he suddenly became energetic."Second young master Sheng!"

Sheng nanxuan looked over and raised an eyebrow."Young master Yu."

“Second young master Sheng, you’re here for dinner too?” Yu xinzhuo walked over and smiled.

“Yes.” Sheng nanxuan carefully placed his left hand on Gong Mo’s waist and held a simple and elegant silk shawl in his right hand.

This shawl was for Gong mo. When they entered the restaurant later, the air conditioner would be on, and he was afraid that she would catch a cold.

Yu xinzhuo glanced at Gong mo and asked, “What is this?”

“She’s my wife,”

“So it’s Mrs. Sheng!” Yu xinzhuo hurriedly reached out his hand. Hello, I’m Yu xinzhuo!

“Hello, Zhenzhen.” Gong mo shook his hand and immediately retracted it. This was the young master of the richest family, the Yu family, right?

She looked at the woman beside Yu xinzhuo. It was the same woman she had met at the lobby of Qing Yu media. Su mo seemed to have called her miss Yu, so she was the young lady of the Yu family.

I didn’t expect to run into second young master Sheng here. Why don’t you do me a favor and have a meal with me?” Yu xinzhuo said.

“Another day,” Sheng nanxuan rejected her. I have to accompany my wife today.

um, ran ran, I actually have something to ask young master Sheng. Yu xinzhuo really wanted to ask for help, even the way he addressed her had changed.

Calling him ‘second young master Sheng’ was too much! Everyone who heard it knew that there was still young master Sheng above! But ‘young master Sheng’ was a different story. It sounded as if he was the only young master in the Sheng family.

When he saw that Sheng nanxuan was still unmoved, he quickly pointed to Yu Xinran beside him. This is my sister, Xinran. She can be friends with Mrs. Sheng.

Gong mo felt that it would be a loss of face if he didn't agree to this.

Moreover, the other party was the young master and daughter of the richest family. Even if Sheng nanxuan was so powerful that he could look down on them, life was full of ups and downs. Who knew if he would one day beg them for help? It was better to have one more friend than one less enemy.

She tugged at the hem of Sheng nanxuan's clothes and whispered, "Let's go together."

Sheng nanxuan glanced at her, his eyes full of love."Alright, we'll do as you say. You've just arrived in Beijing and don't have any friends here. It's good to know someone."

Gong Mo's face turned red and he felt a little embarrassed.

Hearing this, Yu xinzhuo heaved a sigh of relief and couldn't help but take a few more glances at her. It seemed that second young master Sheng really doted on her.

Yu Xinran didn't know what was going on with Yu xinzhuo, but she still cooperated with him. She immediately reached out and shook hands with Gong mo. "You can just call me Xinran."

"You can call me Gong mo." Gong mo said with a smile.

The four of them walked in side by side.

Yu Xinran had wanted to take the opportunity to get closer to Gong mo, but Sheng nanxuan insisted on hugging Gong mo. She had no choice but to sit beside Yu xinzhuo. The four of them walked in side by side.

"When did young master Sheng get married?" Yu xinzhuo asked as they walked. He didn't even post anything to everyone!"

“We just got married. Momo is pregnant, so he shouldn’t work too hard. When it’s time for the wedding, we must invite young master Yu. I’m just afraid that young master Yu won’t come.”

you’re too kind. Young master Sheng is a noble person. Don’t forget about me when you said you’re going to treat us!

Chapter 113

113 Anyway, I know what you like to eat

Hearing the conversation between the two, Gong mo and Yu Xinran couldn’t help but wonder.

...

Gong mo thought, “could it be that Yu xinzhuo knows about Sheng nanxuan’s Secret abilities?” Otherwise, why would the eldest son of the richest family in the country be so friendly to the second young master of Nanjiang’s richest family?

Yu Xinran was thinking, “what’s wrong with brother today?” Recently, because of the Yu family’s stock problems, he was in a terrible fix and couldn’t even eat properly. She was worried about his health, so she coaxed and pestered him to bring him out. Why did he suddenly come back to life when he saw Sheng nanxuan?

Yu xinzhuo knew Sheng nanxuan, and so did Yu Xinran. It was because Sheng nanxuan had a college classmate called Wu Di, who was a relative of his family.

Wu Di loved to make friends, and would invite her classmates to every family banquet. Sheng nanxuan had been to the banquets of the Yu and Wu families a few times.

Because of this, Sheng nanxuan also befriended the rich second generation in the capital.

However, in the eyes of the rich second generation in the capital, Nanjiang city was just a remote place, so Sheng nanxuan was ostracized by many people. It wasn’t that there weren’t people as enthusiastic as Yu xinzhuo, it was just that there were very few of them.

When they reached the private room, Yu xinzhuo took the initiative to hand the menu to Sheng nanxuan. let's see what Mrs. Sheng likes. Xinran and I will eat whatever we want.

Sheng nanxuan took the menu and handed it to Gong mo. Gong mo shook his head.

Sheng nanxuan smiled. I'll order for you then. I know what you like to eat anyway. After saying that, he lowered his head and started to read the menu seriously.

I can't even tell that you're pregnant. How long has it been?" Yu Xinran asked with a smile.

"It's been almost three months,"

At this point, Gong mo couldn't help but glance at Sheng nanxuan, his heart full of worry.

Yingying didn't want it to come at all!

After three months, he wouldn't be confined to the bedroom. He wouldn't waste time.

"I heard that you have to be very careful in the first three months." Yu Xinran said.

Gong mo nodded. that's what the doctor said. However, you don't have to be too alarmed. After all, this is a natural physiological phenomenon. Humans have been like this for thousands of years.

Yu Xinran couldn't help but smile,"that's true." However, it's best to be careful."

"I almost bumped into you the other day. Are you alright?" she suddenly asked.

When Sheng nanxuan heard this, he suddenly looked up and asked, "Which day?"

it was the day I dropped my phone. Didn't I say I was going to Qing Yu media?" After Gong mo explained, he said to Yu Xinran, "it was my fault that day. I didn't see you. You don't have to take it to heart.

"Where do you work?" Yu Xinran smiled.

Gong mo shook his head, "I'm pregnant, so I can't work for the time being." But when I was in Nanjiang, I wanted to apply for a job in 'talking to joy', but I didn't go."

"Oh, Yingluo."

"I hope there will be a chance after the child is born."

"Then I'll definitely give you a warm welcome!"

After Sheng nanxuan finished ordering, he handed the dishes to Gong mo. "What do you think?"

Gong mo found them all very suitable. However, seeing that the pictures were so appetizing, she couldn't help but look at the ones she didn't order and added a few more.

Sheng nanxuan said helplessly, "you're eating so much. The child is too big. You'll have a hard time.

"I'm not the only one eating this." aren't there four of them? "Gong mo asked in a low voice.

Sheng nanxuan shook his head helplessly and handed the menu to Yu xinzhuo. "Young master Yu, is there anything else you'd like to order?"

Yu xinzhuo didn't order it himself and asked Yu Xinran. "Let's do this first. If it's not enough, we'll talk about it later," Yu Xinran said.

When they were eating, Yu xinzhuo asked Sheng nanxuan, "I wonder where young master Sheng is working now?"

Sheng nanxuan smiled. I'm unemployed. Young master Yu, do you want to give me a job?"

Chapter 114

114 The legendary night God

Yu xinzhuo's eyes flashed with surprise, and he smiled. "You said it! You're a top student in the mathematics Department of China's top university. I heard that you've long passed the assessment for an actuary's certificate. In addition to big companies, there are many confidential research departments that want to hire you. This kind of talent is what the Yu family can only wish for. I'm just afraid you won't give us face!"

...

Sheng nanxuan smiled and did not say anything. He picked up some food for Gong mo.

Yu Xinran leaned against Gong mo and took advantage of the time when Yu xinzhuo and Sheng nanxuan were chatting to chat with Gong mo. young master Sheng said that you've just arrived in the capital. Did you live in Nanjiang before?"

Gong mo nodded.

then let's exchange numbers. We can go shopping together when we have time.

"This is an ..."

"I know you're pregnant, so you probably don't go out often. But if you want to find someone to be your guide, you can look for me." Yu Xinran said.

Gong mo nodded and exchanged numbers with her.

Sheng nanxuan glanced at it but did not pay it any mind.

After the meal, the four of them parted at the door.

Sheng nanxuan and Gong mo got into the car first. Yu xinzhuo and Yu Xinran only got in after their car drove away.

Yu xinzhuo sighed and revealed a tired expression.

Yu Xinran asked worriedly, "brother, what's wrong?" Do you really want to bring Sheng nanxuan to the company?"

It was a pity that during the meal just now, Yu xinzhuo was the one who kept the food hot. Although Sheng nanxuan was always smiling, he never talked about the important issues. The two of them chatted for a long time, but they didn't talk about any serious matters.

Yu xinzhuo shook his head. I didn't treat him to a meal because of this.

"What's that?"

Yu xinzhuo started the car and drove away from the restaurant. As he drove, he said, " "Have you heard of the 'night God'?"

night God?! Yu Xinran gasped. the man who is said to be able to control the global economy? "

Yu xinzhuo nodded.

That mysterious man

No, no one even knew if he was a man or a woman, old or young!

However, there was one person whom everyone called the “night God.” This was because he was the dark night God of Wealth and also the dark night God of Poverty.

Whoever provoked him, he would make them go bankrupt. Overnight, he turned from a rich man who was fawned over to a beggar who was avoided by everyone.

However, whoever was willing to pay the price could also ask him to help them and turn them from poor to rich!

There was a place called “dark night bar” in the capital. It looked like an ordinary bar on the outside, but in the depths of the bar, there was a “night God”.

He didn’t know when it started, but the night God’s name had spread far and wide, and countless business people went there to look for him.

Some people had long gone bankrupt and hoped to get his help to help them rise again.

Some people were in danger and hoped to ask him for help to prevent their companies from going bankrupt.

Some people hoped that he would deal with their enemies.

These people were all begging him, begging him, begging him to run away.

Otherwise, if he was unhappy, he might make them lose everything.

Yu Xinran had heard of this person before, but she felt that the legend was too exaggerated, so much so that those things seemed to be very far away from her.

But at this time, she couldn’t help but ask, “brother, are you Yingluo?”

Recently, a few of the Yu corporation's shares had been maliciously manipulated, and the Yu family suspected that someone was secretly buying loose shares. If that was the case, the next step would be to acquire the company.

The Yu family naturally didn't want to see such a scene.

Yu xinzhuo's hair had turned white from anxiety. Now that he suddenly mentioned the night God, did he want to ask the night God for help?

"No!" Yu Xinran shouted. Night God wouldn't help for free. Who knew what he would ask for? I heard that when some companies asked him for help, the company would become his!"

Chapter 115

115 The Yu family might be finished

"Not everyone has the same requirements," Yu Ze said. "We'll only know when we find him." What if this request happens to be something we can do? Even if they couldn't, the Yu family couldn't avoid such a powerful person forever, right? It's naturally for the best if we can get to know each other and befriend each other."

...

then, ran ran ... Yu Xinran shook her head, her mind in a mess. what's his relationship with Sheng nanxuan? " Why are you so good to Sheng nanxuan?"

"Do you still remember that piece of land on the outskirts of the city?"

"Of course I remember! Back then, the Yu family wanted to buy it, but it was snatched away by an unknown person. I heard that it was the night God?"

Yu xinzhuo nodded. I was at the auction that day. I didn't know the person who raised the sign. But I saw Sheng nanxuan beside him.

In public events like this, the more important a person was, the less likely he would appear personally. He would usually send his subordinates.

“Sheng nanxuan might be working for the night God,” Yu xinzhuo said.

“What?”

“The person who raised the sign must be a subordinate of the night God. Sheng nanxuan might be his subordinate’s subordinate. Although he might not be able to see the night God at all, it’s good to be introduced by him and see the person who raised the board.”

“Then why didn’t you say so earlier?”

“Wouldn’t it be too obvious if you just say it? And the night God was so mysterious, even if she said it, she might not be able to see him. It’s better to be on good terms with him first, perhaps there will be an unexpected surprise.”

Yu Xinran sighed, “then what do we do now?” The company’s been in a foul mood recently, someone must be messing with us.”

Yu xinzhuo was silent for a while, then said in despair, “ “Maybe it was night God. Other than him, who else would have such great ability to leave no traces behind?”

If that was the case, the Yu family might be finished, Yingluo.

“If that’s the case, aren’t we done for, Wanwan?” Yu Xinran took a deep breath.

Yu xinzhuo thought for a while and suddenly asked, “do you think that Yingluo is the night God?”

“How is that possible?” Yu Xinran’s eyes widened.

aiyoyo. Yu xinzhuo sighed. let’s not think about this for now. I’ll go to the dark night bar later and see if I can pass you my business card.

Only when the business card was handed out and sent to the night God would he have the chance to wait for the night God to “summon” him.

.....

“Where do you want to go next?” Sheng nanxuan asked Gong mo as he drove.

Gong mo was conflicted.

The daytime in summer was too long. They had already had dinner, but the sky was still not dark.

There was a traffic jam on the road, so Sheng nanxuan drove and stopped for a while.

No matter how powerful he was, he couldn’t do anything during the traffic jam at night. He wanted to ask the surrounding cars to make way, but there was no place at all!

Unless he asked someone to fly a plane to pick him up!

However, where would the plane land?

“Why don’t we go to the movies?” Gong mo thought for a while before saying, “I haven’t watched a movie in a long time.

When Sheng nanxuan heard this, he suddenly asked sourly, “When you’re with my big brother, do you often go to see it?”

“Where did I find that?” Gong mo rolled his eyes in disgust. he puts his career first and is busy with work every day. He never takes me to the movies. When we’re on a date, you’ll usually send me home after dinner.”

“Is that so?” Sheng nanxuan was still unhappy.

yeah, Zhenzhen. Gong mo sighed. we spend more time together on the weekends, Zhenzhen.

Sheng nanxuan tightened his grip on the steering wheel, his body exuding a murderous aura.

However, Gong mo didn't notice it.

we're going on a date on the weekend, " she said quietly. we're going to the Sheng family's company. He'll work while I play and do my homework, Hanhan.

Chapter 116

watching a movie

She couldn't help but look at him. that's why I feel that Yingluo is too good to me. He's my boyfriend, but he's never been this good to me. "

...

“And you still like him!” Sheng nanxuan shouted angrily.

Gong mo was stunned for a moment before he replied weakly, “Yingluo is my first love. Who would understand love?” It wasn't easy for her to get a boyfriend, so of course she wanted to be perfect! Who knew, Yingluo?”

“You're blind!” Sheng nanxuan said rudely.

“So what if he's blind?” I'm no longer related to him anyway, ” Gong mo said indifferently.

“If we're talking about relationships, there are! He's my brother, and you're calling him brother!”

didn't you sever all ties with the Sheng family? ” Gong mo blinked his eyes.

Sheng nanxuan smiled. that's right. I'm no longer related to the Sheng family. So, we have nothing to do with the Sheng family anymore! Also ... First love doesn't need to be perfect, because first love usually can't walk to the end! However, marriage was different! Marriage must be treated seriously and perfectly, do you understand?"

Gong mo glanced at him and nodded obediently, " I understand."

If she didn't understand, she didn't know how far he was going to go.

When they arrived at the cinema, they chose a popular movie to watch together.

Gong mo was very serious about choosing the movie. After all, she had to watch it for two hours. It was okay to waste money, but she didn't want to waste time.

She didn't look at the advertisements around her, but looked at everyone's comments online. After a comprehensive comparison, she chose a police gangster film, which was well-rated online.

Sheng nanxuan was a little worried. Will this do?"

"Why can't I?" Gong mo asked curiously.

"Prenatal education!"

"Don't worry! Even if he watched a cop movie, he'll still be a cop, not a gangster!"

"Yingluo, who would be worried about this? I'm just afraid I'll scare you!"

this isn't a horror movie," Gong mo said weakly.

“Forget it! As long as you’re happy!” Sheng nanxuan went to buy the tickets helplessly.

However, they were unlucky. All the seats in the middle had been chosen, and only the first and last row had seats left.

The first row was too close to each other, so the two of them naturally chose the last row.

It’s good to be far away, so it’s not eye-piercing!

Before entering the venue, Sheng nanxuan went to buy popcorn and milk tea. Gong mo was pregnant and he didn’t allow her to drink Coke.

The milk tea was a little hot. Sheng nanxuan held it while Gong mo ate the popcorn.

Sheng nanxuan said, [there’s still half an hour before Yingluo enters.]

it’s boring to sit here~” Gong mo looked at him innocently.

He sighed helplessly and said, “alright, Yingluo, you’re pregnant!” If you’re so capable, then finish this bucket. I’ll buy a new one when we enter the venue.”

Gong mo measured the amount of popcorn and said, “ if it’s a small bucket, it shouldn’t be a problem. But we can’t finish this big one before we enter the arena!

Yingluo, so you still have such a plan?!

The two of them sat on the chairs in the rest area, and the handsome man and beautiful woman combination was very eye-catching.

The men and women waiting around them couldn’t help but look at them. He was so handsome and beautiful that people couldn’t help but wonder which celebrity had come to watch a movie!

However, celebrities should know how to disguise themselves, right?

Gong mo saw Sheng nanxuan holding the milk tea with both hands and couldn't do anything else. He grabbed the popcorn and put it to Sheng nanxuan's mouth.

Sheng nanxuan smiled and ate it.

The people around them were speechless. 110? Someone was abusing dogs here!

However, Gong mo and Sheng nanxuan didn't notice it at all. They continued to torture the dog for half an hour. When it was finally the movie's turn, they hurried to line up.

The surrounding people heaved a sigh of relief, he's finally gone! Otherwise, his eyes would be Blinded by the Light!

Chapter 117

you snored

Sheng nanxuan saw that there was only half of the popcorn left and asked Gong mo, "Do you want to buy another bucket?"

...

"No, it's not good to eat too much," Gong mo shook his head.

It's good that Yueyue knows.

The two of them walked into the theater and found their seats.

Gong mo immediately put down the popcorn and asked Sheng nanxuan to bring him some milk tea.

She hadn't had any water just now, so she was a little thirsty.

There wasn't much milk tea, so Gong mo finished it in a short while. She leaned back on the sofa and yawned. She was a little drowsy.

It just so happened that the plot of the movie had progressed into a quiet conversation. She narrowed her eyes and fell asleep on the sofa.

A few minutes later, Sheng nanxuan felt a weight on his shoulder. He looked down and saw that Gong mo had fallen asleep on his shoulder.

He was stunned as he looked at the explosion scene on the giant screen. How could she fall asleep with such a loud voice?

It seemed that her pregnancy had indeed consumed too much energy.

Sheng nanxuan lowered his head to look at her. The scenes in the movie kept changing, leaving a flickering light on her face. But her quiet look was clearly reflected in his mind.

He suddenly felt that this moment was very beautiful, and he didn't want time to pass.

If life could stop here forever, so that they could stay together in peace forever, how good would that be?

Just like that night many years ago, when they sat on the grass, she also leaned against him like this, watching the fireflies fly around.

How good would it be if it could stop at that time forever?

When the movie ended, Gong mo was still asleep. Sheng nanxuan couldn't bear to wake her up.

Since she was so tired, he would let her rest.

He shook his head helplessly, picked her up, and left.

.....

When Gong mo woke up, he was already at home.

She was shocked and quickly sat up, only to find that the sky had already turned dark.

A muffled voice came from outside. Upon listening carefully, it was Sheng nanxuan.

His voice was outside the door, as if he was about to come in.

“Alright then,” he said.

Then, Gong mo heard the sound of his footsteps fading away. He could faintly hear him saying, “Actually, she hasn’t taken a shower yet. She still needs to eat at 10 O’clock, so I’ll have to wake her up sooner or later. Otherwise, if I sleep now, she won’t sleep at night and will wake up in the middle of the night to read novels.”

Gong mo pouted.

Who was he talking to? He actually said bad things about her!

Gong mo got out of bed and walked out slowly. Sheng nanxuan had just put down the phone.

So he was on the phone, Yingluo.

Gong mo wanted to ask who was calling, but he felt that he was in no position to ask. Although she was his wife, she was different from other couples. She didn't seem to have the right to control him.

She scratched her head and asked awkwardly, "Aren't we watching a movie? Why did you come back?"

"Who asked you to fall asleep?" Sheng nanxuan retorted, "do you remember where the movie was put?"

uh, Yingluo seems to be Yingluo. has it just started?

Owuuu~

How did he fall asleep so quickly?

"When did we come back?" she asked hurriedly.

It couldn't be that he didn't watch the movie, right?

Sheng nanxuan did not like to watch movies, so it did not matter if he did.

He said,"I carried you back as soon as you fell asleep." It's your fault for snoring in the cinema and causing everyone to turn around to look at you."

ah ... Gong mo shrieked. He really thought that he had done such an embarrassing thing. However, she reacted the next second. "Yingluo, you liar! I don't snore!"

"Are you sure?"

I won't snore! Gong mo thought for a moment and replied, " I won't snore! No one said anything!"

Chapter 118

118 She wants our contact information

“Have you slept with anyone before?” Sheng nanxuan raised his eyebrows and his expression became very serious.

...

Who would dare to sleep with his wife? Drag him out and beat him to death!

“Of course, I’ve stayed in the dormitory before!” Gong mo was stunned. He suddenly remembered that she had been lying next to him for the past few months.

She snorted and said, “you’re lying to me!” If I snored, you would have laughed at me. ”

pfft, pfft, pfft. Sheng nanxuan laughed. Okay, okay, you didn’t snore. I was just joking.

Gong mo glared at him in dissatisfaction.

“You woke up at the right time,” he said. “I just hung up the phone and you woke up.”

Gong mo was wondering who he was talking to on the phone. He immediately asked, “Who is it? Could it be my mother?”

“Yeah!”

Gong mo was about to call back.

Sheng nanxuan pulled her back. don’t worry. I have something to tell you first.

“What is it? My mom is going to sleep soon.”

“Mom just told me about it.”

“Oh, then tell me!”

In her heart, Qianqian’s mother-in-law was the most important.

Sheng nanxuan’s heart ached. When would he ever have a place in her heart?

mom said Sheng Dongyi’s mother went to see her today.

“What?” Gong mo was stunned. Mrs. Sheng?”

Sheng nanxuan nodded. she’s asking about our situation. She wants our contact information.

“Did mom tell you?”

Sheng nanxuan shook his head and smiled, “our mother is a smart person. She didn’t know that Mrs. Sheng wasn’t my biological mother. She thought that it was only right for a mother to want to see her son. But then she remembered that I’d never mentioned it, and it was so strange that Mrs. Sheng only came to see me after I’d been away from home for so long. Hence, she found an excuse and decided to ask me about the specific situation first.”

“That’s good.” Gong mo heaved a sigh of relief. Did you tell mom?”

“No, I didn’t. The Sheng family’s Affairs are too complicated. I can’t explain it in a few words. I just said that I don’t want to see my family.”

“Mom must’ve tried to persuade you, right?”

Gong mo knew his mother very well. Although she respected her Junior's choice, she still hoped that her junior would develop in the direction she thought was good.

In her opinion, the Sheng family was Sheng nanxuan's home. For a young man to be at odds with his family, according to common sense, a big problem should be with this young man.

However, Sheng nanxuan was her son-in-law, so she would not say it out loud. She trusted him to the greatest extent.

Moreover, she did not know about Sheng nanxuan's background. Naturally, she hoped that Sheng nanxuan could get along with his family.

In fact, this was also her worry, right?

If Sheng nanxuan had a grudge against his biological parents, how could mother Zhai be at ease that he would treat Gong mo well?

However, the complicated situation in the Sheng family was not what her mother wanted.

Sheng nanxuan didn't blame his mother for being nosy. He knew that she was concerned about him. He smiled and said, "She only advised him," how can there be overnight enmity between father and son? However, she also said that it's up to me. I'm an adult and I know what I'm doing."

Gong mo heaved a sigh of relief. Sheng nanxuan's identity was complicated and mysterious. She was really afraid that her mother would not handle him well and cause him trouble. Then, she would not know how to face him.

why do you think Mrs. Sheng wants to contact us all of a sudden? " Sheng nanxuan suddenly asked.

Gong mo was also confused.

If Mrs. Sheng was Sheng nanxuan's biological mother, she must have missed her son! But she wasn't. Could she have other motives?

"Sheng Dongyi probably told her to do it. When su mo saw you, she naturally told Sheng Dongyi. He knew we were in the capital."

Chapter 119

loyal to you forever

Sheng nanxuan touched his chin and thought for a while. you changed your phone number in the capital. Sheng Dongyi couldn't contact you, let alone me. Whether they want to find you or me, they can only start with mom."

...

does Sheng Dongyi have any ulterior motives? "

"No matter what his goal is, I won't let him succeed. If you touch him, be careful. However, the capital is such a big place, it's not easy to meet them."

Gong mo nodded his head.

Sheng nanxuan suddenly thought of something and asked seriously, " "He wouldn't suddenly realize that he really loves you and want to take you away from me, would he?"

Gong mo rolled his eyes and pushed him, " alright, you. I'll definitely follow you for the rest of my life. Don't try to run me down!

Sheng Dongyi had conspired with su mo to set her up. She would never forgive him even if he knelt in front of her and regretted his actions!

All the feelings she once had for him had been wiped out by his heartless actions!

After all, Wuwu

If the person in bed back then had not been Sheng nanxuan, if Sheng nanxuan had not taken responsibility for her, Yingluo,

How miserable must her life be now?

forever, Yingluo. Sheng nanxuan smiled. that's good. Is this a promise?"

Gong mo blushed and stood up suddenly. He turned around and was about to leave, " "I'm not going to talk to you anymore!"

hey ... Sheng nanxuan hurriedly pulled her into his arms and let her sit on his lap. why are you angry again?" " I'm really happy that you can say that, Yingluo."

"I'm not angry," Gong mo blushed and said in a low voice, " I'll go call my mother.

"Alright, then." Sheng nanxuan let go of her. what do you want to eat for supper? I'll go to the chef's and ask him to bring it back for you. I won't let him come over, so as not to disturb you."

"As you wish." Gong mo said in a low voice.

.....

Gong mo dialed mother Zi's phone number. As usual, mother Zi first cared about her health.

Of course, Gong mo would only report the good news and not the bad news. Moreover, she had been living such a good life, so she had nothing to report.

"Nanxuan said that Mrs. Sheng went to look for you?" Gong mo asked after a while.

“Yup,” Her mother disagreed. you’re already married to nanxuan. How can you call her Mrs. Sheng? ” No matter what, you have to call me ‘mom’ .”

Gong mo was stunned and thought, “if Sheng nanxuan doesn’t call me that, what should I call him?”

“Aren’t you angry that I called someone else mom?” she asked with a smile.

“Why would I be angry? Everyone had this stage! “But I’m a little jealous, hahaha!” Shan Rong laughed heartily.

“If she looks for you again, don’t ever tell her how to contact us,” Gong mo said, smiling.

“Why?” Her mother was puzzled. besides, what excuse can I use to hide it? I have no reason not to tell her about her son’s condition, right? If I say I don’t know, wouldn’t I be bullying my intelligence?”

“This bi an ...” Gong mo was also in a difficult position.

Mother Yan said, “ seriously, nanxuan. No matter what, we’re family. Can he hide forever? ” If she didn’t have a good relationship with her father, would she even abandon her own mother? As a mother, he cares about his child. If he ignores his mother, his mother will be heartbroken.”

Mrs. Sheng isn’t his mother. Gong mo blurted.

“What did you say?” Her mother was shocked.

Gong mo sighed. I’ll tell you the truth. Mrs. Sheng isn’t his biological mother! If she was his biological mother, when shengzhongtian cut off all ties with him, how could she not advise him? No matter what, it wouldn’t be to the point of publishing in the newspapers! Do you know why the Sheng family cut ties with him?”

Chapter 120

120 Why don’t you come to the capital

“Why?” Her mother asked in a daze.

...

Of course, Gong mo wouldn't reveal that he had been framed. Instead, he said, "Sheng Dongyi was afraid that nanxuan would Rob him of his property, so he used some tricks. Mrs. Sheng might have even added fuel to the fire! We lost contact with the Sheng family when we arrived in the capital. They didn't look for us before, but now they're suddenly looking for us. Who knows what their purpose is? Mrs. Sheng thought you didn't know and wanted to put on a mother-son show to get information from you."

Aiya, Yingluo. her mother patted her chest. rich people's families are so chaotic. It's like a TV show. I'm glad I didn't say anything. I won't say anything when Mrs. Sheng comes to me again."

it's not good to argue even if we tear our faces apart, "Gong mo said. I'll ask Nan Xuan later and see if he has any ideas.

Where's nanxuan? "

"Uh, ran ran went to buy me supper."

"You glutton!" Her mother scolded her in amusement.

"It's your grandson who wants to eat it, not me," Gong mo said with a coquettish smile.

"Alright, alright, you're right!"

"Let's not talk about me. Mom, how have you been?" Gong mo only told mother Zhai the good news and not the bad news, and mother Zhai did the same to her. "Uncle and the others didn't bother you, did they?" she couldn't help but ask.

Her mother paused for a moment and said in frustration, "Why didn't he come? Gong Bai had come back from studying abroad and was now working in the capital, but no one knew where he was. However, he was an overseas student, so it must be a good job. Your uncle and aunt came to me every day and asked me to sell the house to them. They said that they wanted to use it for Gong Bai's

wedding. He also said that Gong Bai would definitely make a name for himself in the future, and I'm also basking in his glory!"

"They're willing to buy it?"

"Hehe, that depends on how much it costs!"

"How much?" Gong mo asked anxiously. With his uncle and aunt's personalities, they would definitely lower the price.

"A hundred thousand!" Her mother shouted, "do you think I don't know anything! Our house is worth at least 500000 to 600000 Yuan, and they said 100000 Yuan. It seems like I'm getting a big bargain! Gong Bai is already working in the capital. If he's doing well, will he go back to his hometown? Why would you buy a twenty-year-old house?"

Gong mo paused and whispered, "the housing price in the capital is quite expensive."

Their house was only worth five to six hundred thousand in Nanjiang, but in Beijing, a house of the same size could not be bought without five to six million! This was only the clean water house. The renovation fees would be enough to buy a house in Nanjiang.

It seemed that her uncle and the others wanted to buy their house at a low price and then sell it so that they could save money for Gong Bai to buy a house.

He was really too shameless!

Bullying the widowed mother and her child!

"Mom!" Gong mo suddenly said. Since that's the case, why don't you come to the capital?"

"Why should I go?"

Mrs. Sheng will definitely look for you to find out more about nanxuan. Uncle and the others won't let this matter rest either. Why don't you come to the capital and make sure they can't find her? "

uh, hehe. this seemed to be a good idea.

"You can just sell the house. I'm already married anyway. You can follow me from now on. I'll take care of you when you're old. You don't have to return to Nanjiang anymore. What's the point of keeping it?"

how can you sell it?! His mother couldn't bear to part with him. this is the RAN ran your father worked so hard to earn back then.

Father Zhai was like Gong mo when he was young. He was a reporter and made a living with his pen. However, when he was a reporter, his salary was low, so he switched to writing novels. He didn't expect to earn a house later.

Unfortunately, he had money but no life to spend. He had cancer at a young age and ran away from home in order not to drag them down.
