

Ditsy Wife 1111

Chapter 1111 I don't want to delay him

She wasn't like this in the past. Ever since her younger aunt passed away, she lived alone and became more and more unreasonable. Even falling in love didn't change her.

...

Although Gong mo always cared about her, he couldn't take care of her 24 hours a day. Sometimes, he was also helpless.

Moreover, Tian Cheng was deeply aware of the saying 'what one says on the surface, but what one says goes against it.' Every time Gong mo tried to persuade her, she would nod her head and continue to do things her own way.

Even so, she was still living quite happily and seemed to like this kind of life very much. Gong mo didn't know what to say.

"You and CEng Shuai"

"He asked you to be his lobbyist?" Tian Cheng asked with a smile.

Gong mo was helpless,"if he really did that, I wouldn't have spoken up for him!" I just feel that Yingluo, if you continue to waste time like this, you'll be delaying the other party too much."

"Are you saying that I'm holding him back?"

Gong mo looked at her helplessly.

She took a deep breath and said,"I didn't want to delay him, so I wanted to break up with him, but he didn't agree." If he's willing to drag it out, then let him. My attitude is already clear."

Gong mo sighed, "I really don't know what to say about you!" Be careful on the road and drive slowly!"

"Yes."

Tian Cheng turned around and got into the car. She fastened her seat belt and started the car.

After driving out of the villa area, she saw that there were no cars in front and behind her, so she opened the convertible, took off her glasses, and let her hair down.

The night wind blew, and her long hair fluttered in the air, like a butterfly that had broken out of its cocoon.

Although she was still in the same clothes, her rigid temperament was gone, and in its place was enchantment and charm.

After a while, a flashy convertible sports car overtook the car from behind.

Tian Cheng heard laughter coming from the car. She glanced at it and saw a few young men and women sitting inside.

The weather was still very cold, but the women were shirtless and dancing seductively in the car.

Tian Cheng guessed that they were a group of rich Playboys with female partners, going to bars, taking drugs, and racing.

Just as he was thinking about this, another sports car drove past from the side, in the same situation as the one in front.

She continued to drive slowly and soon realized that the two cars had slowed down. She maintained her speed and overtook them in no time.

The two cars changed their speed, and one of them quickly overtook her. The car behind her drove up and drove side by side with her.

Tian Cheng glanced around and saw that the girl in the car had already put on a furry fur coat.

hey, pretty girl, " the man in the passenger seat greeted her. Wan na play together? "

"Sure!" Tian Cheng smiled.

As soon as she finished speaking, she stepped on the accelerator and the car shot out like an arrow.

"Wow!" The man behind her shouted, " this character is really hot! I like it! Chase!"

Tian Cheng went around the car in front of her and left them behind in the blink of an eye.

The two cars chased after her, and Tian Cheng stared straight ahead without blinking. She drove faster and faster, and soon, they were out of sight.

She had been driving at this speed all the way home, feeling great both physically and mentally!

However, he was driving so fast in the city and even ran two red lights. He would have to wait for the fine tomorrow!

Tian Cheng smiled and locked the car door. She flicked her messy hair and walked into the elevator happily.

She didn't care about the fine!

She had bought her own house. It was a Little Big with three bedrooms and two living rooms. She would feel lonely sometimes, so she had a cat and a dog.

When she walked out of the elevator, she stopped when she saw Zeng Shuai leaning against the door.

Zeng Shuai looked up at her and said, "Taotao is screaming."

Taotao was her cat.

She listened carefully, and sure enough, she heard a cat's meow.

Chapter 1112 you're the one who came here

"You asked him to call me that, right?" She took out her keys and asked, " why are you here? "

...

"I miss you." Zeng Shuai lowered his head and sniffed the scent on her body.

Tian Cheng pushed him away, opened the door, and Taotao jumped onto her.

She sat on the sofa with it in her arms. Zeng Shuai closed the door behind her and walked over with her slippers, asking, " Racing? "

Tian Cheng glanced at him but didn't say anything. She lowered her head, took off her shoes, and put on her slippers.

"I heard everything," Zeng Shuai pinched her nose. After saying that, he put her boots back in the shoe cabinet.

"That might not be me." Tian Cheng lay on the sofa and placed the cat on her stomach, combing its fur.

“I can hear the sound of your engine the moment I hear it!”

Zeng Shuai took off his coat and hung it on the coat rack. He walked over and put his hand around her neck.

Tian Cheng screamed, ‘ah! It’s cold!’”

“Who asked you to not come back earlier?” I’ve been waiting outside for so long. It’s freezing, ” he said, feeling wronged.

Tian Cheng did not say anything.

Zeng Shuai sighed. He knew that she wouldn’t care about him, so he got used to the disappointment.

He looked around and asked, “where’s QiuQiu?”

QiuQiu was a lively Pomeranian.

“I sent it to the Pet Shop.”

Dogs were not like cats. She had to go out at night and was afraid that QiuQiu would not be used to it, so she had to ask someone to take care of it.

Zeng Shuai paused and said, a little hurt, “You can give it to me.”

“My sister asked me not to hold you up!” Tian Cheng glanced at him.

Zeng Shuai suddenly lowered his head and kissed her.

She had already held him back for so many years, why would she care about that short moment?

meow ~”Taotao was pinned down and fell to the ground.

Zeng Shuai carried Tian Cheng and walked into the bedroom.

what?”Tian Cheng wrapped her arms around his neck and asked,” are you really going to hang yourself on this tree?”

“You don’t have anyone else anyway.” He placed her on the bed and began to take off her clothes with great familiarity.

“I won’t have anyone else.” Tian Cheng knelt on the bed and was at the same level as him.

As she cooperated with him, she said, ” “How comfortable it is to be alone? It was too tiring to have more people. I don’t even want you, you’re the one who came to me. ”

Zeng Shuai held her face and kissed it, saying hoarsely, ” “Then I’ll continue to stay here. You’ll get used to it. ”

Tian Cheng giggled,”you’re so cunning!”

“Do you like it?”

Tian Cheng nodded. I do like you. But I can’t promise you anything.

She had no confidence in marriage.

Even if the people around him were living a happy life, so what? She had seen too many unhappy things.

She would rather not get married than to have a divorce after all the hard work.

Moreover, why should a woman's fate only be to get married and have children? She wanted to live a different life!

After hearing her words, there was still a trace of disappointment in Zeng Shuai's eyes.

However, it was good enough that he could accompany her. If she really broke up with him, he would not be able to take it.

"I know," He kissed her and pushed her onto the bed.

.....

After the exercise, Tian Cheng was covered in sweat.

Zeng Shuai knew that she was not used to sleeping like this, so he filled the bathtub with water and put her in. He asked, "Do you want to have supper?"

Tian Cheng closed her eyes. I'm going to write my story later.

"Don't always stay up late," Zeng Shuai said helplessly after a pause.

After that, he sighed and went to the kitchen.

He couldn't control her, not to mention staying up late. The only thing he could do was make her supper.

After taking a bath, Tian Cheng put on a Facial Mask and went to the study to turn on her computer.

Ceng Shuai's supper was ready. He stood at the door and asked, "When are you going to eat?"

Chapter 1113 What gift did mom prepare?

“Oh.” Tian Cheng indicated that she had heard him.

...

“If you’re hungry, you can eat it.” Zeng Shuai sighed and went to her bedroom to sleep.

At three O’clock in the middle of the night, Tian Cheng crawled into bed. Zeng Shuai opened his eyes to look at the time and pulled her into his arms. “You’re really early today.”

Tian Cheng turned off the lights and kissed him on the cheek. “The supper is delicious, thank you.”

Zeng Shuai grabbed her hand and hugged her tightly. He kissed her on the neck.

He’d rather she didn’t say thank you and give him something else.

He sighed in his heart and felt a little tired, but he was reluctant to let go.

The next morning, he got out of bed quietly while she was sleeping soundly.

He took her keys and went out. He went to the Pet Shop to pick up the dog, then ran in the garden downstairs.

After he came back, he fed the cats and dogs, cleaned the house, and made breakfast.

After doing all this, he walked into the room and sat by the bed, looking at her.

She was sleeping very quietly, more beautiful and more obedient than ever.

Zeng Shuai's heart skipped a beat, and he lowered his head to kiss her.

After a while, Tian Cheng opened her eyes and asked in dissatisfaction, "What are you doing?"

After they were done, Tian Cheng lay on the bed, exhausted. She panted lightly and didn't want to move a single hair.

Ceng Shuai put on his clothes slowly and kissed her on the cheek. "Breakfast is ready. Heat it up in the microwave before eating."

hmm," Tian Cheng snorted.

Zeng Shuai kissed her again and left the room gently.

Taotao and QiuQiu ran over and he smiled. "Be good, don't disturb mommy."

meow ~"Taotao rubbed against his pants, full of attachment.

QiuQiu even bit his trousers and refused to let him go.

He thought,"this cat and dog are much cuter than humans!" However, he liked people more!

.....

Two months later, Sheng nanxuan's birthday was approaching.

While Sheng nanxuan was not at home, Gong mo reminded Sheng Yiting,""Remember to prepare a present for your father!"

Sheng Yiting said while playing the game, " "Why don't we have a party for daddy?"

"No, he doesn't like to celebrate his birthday. The few of us are enough."

"Why?"

Yingluo " because his birthday is the same as your damned uncle's, and he will always think of that damned uncle whenever his birthday is around!

Of course, Gong mo would not tell Sheng Yiting that.

"He doesn't like crowds. Just remember to prepare a gift."

"What gift did mom prepare?" Sheng Yiting asked.

"The secret of the Suan ni!" In fact, Gong mo hadn't thought about it yet.

She had knitted a sweater for Sheng nanxuan, but it had been a year and she was still not done. Why don't you chase him out in the next few days?

I can't believe you're keeping it a secret, Qianqian. Sheng Yiting touched his chin and smiled. does mommy want to give daddy a sister? "

After saying that, he stared at Gong Mo's stomach.

Gong mo smacked his head and said, " "What are you thinking, little kid? Go do your homework!"

"I've finished my homework, Yingluo."

“Then go practice your writing! If you’re done with your writing, I’ll sign you up for an interest class tomorrow!”

Sheng Yiting got up and went to his study.

He didn’t want to sign up for any interest classes. He would rather play a few more games!

Gong mo was reminded by his words and went back to his room to find the pregnancy test.

Chapter 1114 Honey, you haven’t given me a birthday present

When she canceled the contraceptive measures, Gong mo had been having a test every day. After a month of silence, she stopped caring about him.

...

Now that he counted the days, it seemed that Wanwan might have hit the jackpot!

Gong mo fiddled with it for a while and stared at the two lines that slowly appeared on the pregnancy test.

ah, Yingluo. she hurriedly covered her mouth and restrained her excitement.

Calm down! Calm down!

The test in the morning was more accurate, so he would do it again tomorrow morning! If there were still two clues, then there must be one!

Gong mo packed up his things. He couldn’t let Sheng nanxuan find out.

.....

On Sheng nanxuan's birthday, as usual, he booked a private room in the restaurant and treated the Yu family to a meal.

He really didn't like to celebrate his birthday, but the two elders of the Yu family were always thinking about it, so he had to satisfy them.

When they got home after dinner, Gong mo told Sheng Yiting, "Go to bed early, don't play games!"

Sheng nanxuan had a little to drink. He dragged her along and said in a daze, "You only care about him, not me!"

"Don't be crazy!" Gong mo shouted. Seeing Sheng Yiting snickering, he shouted, "What are you laughing at? Go to sleep!"

yes, yes, yes, ran ran. Sheng Yiting quickly went back to his room.

Gong mo helped Sheng nanxuan into the bedroom and threw him on the bed. He took off his suit and said, "Why are you pretending to be drunk? Bad teaching of children! Yiting is already thirteen ..."

"Don't worry," Sheng nanxuan grabbed her hand and looked at her affectionately. I've checked his online history. He's just playing games and doesn't go to those websites.

you ... Gong mo was infuriated. you still dare to invade his privacy? "I won't allow it in the future!"

darling, nudging. Sheng nanxuan got up and hugged her shoulders like a big dog. I haven't kissed you in a long time. Let's take it slow tonight. By the way, you haven't given me a birthday present.

"What do you want as a birthday present?" Gong mo asked with a smile.

there are many things I want. You can slowly give them to me year by year ~”

“Then what do you want this year?”

Sheng nanxuan tugged at her clothes. whatever you give me, I’ll take it. Yingluo, if only you had some pretty lingerie or a cosplay uniform.

“You wish!” Gong mo pushed him away.

He lay on the bed and covered his head with the blanket. “You don’t love me anymore, Yingluo. You actually pushed me away.”

Gong mo tidied up his clothes, opened the drawer by the bedside table, and took out a small and exquisite gift box.

“I’m telling you, when I go crazy, even I’m afraid of myself!” Sheng nanxuan was still rolling under the blanket. don’t mess with me, or I’ll make sure you can’t get out of bed tomorrow!

Gong mo poked the box on his shoulder. Gu Yusheng turned his head and looked at the box. He immediately got up and took the box happily.

Before he opened it, he hugged her and kissed her hard. “You’re the best, honey!”

“Enough, you!” you’re already in your 30s, yet you’re still so childish, ” Gong mo said in disdain.

Sheng nanxuan looked at her resentfully. do you think I’m old? ”

“I think you’re handsome! He’s so handsome, I have a sense of danger!”

Sheng nanxuan smiled and kissed her hard for a while.

“Do you want to see the present?” Gong mo pushed him away hurriedly.

“Look!”

Sheng nanxuan opened the lid, and a folded piece of paper popped out.

He looked at her in confusion and slowly opened the paper.

A few seconds later-

“Hahahaha-”

Sheng nanxuan’s demonic laughter rang in the room.

Sheng Yiting, who was brushing his teeth, was startled. He knocked on the door with a toothbrush and a cup.

Chapter 1115 What if he’s a younger brother?

Gong mo pushed away Sheng nanxuan, who was hugging him. He opened the door and asked, “What’s wrong?”

...

hahaha-” Sheng nanxuan laughed happily as he lay on the bed, holding the pregnancy test results.

“Has my father gone crazy?” Sheng Yiting asked worriedly.

Sheng nanxuan returned to normal in a second. He jumped up and walked over elegantly. He said seriously, "I'm not crazy! I want to tell you that you're going to be an older brother!"

Sheng Yiting was stunned. He coughed and choked on the foam of the toothpaste.

"Are you alright?!" Gong mo was shocked.

Sheng Yiting waved his hand and ran to the bathroom.

Gong mo caught up with him and saw him crazily rinsing his mouth on the sink and coughing non-stop. It was obvious that he wanted to spit out the toothpaste foam that he had choked on.

She patted his back and comforted him. it's okay. It's okay. You can eat toothpaste.

cough, cough, cough! Sheng Yiting coughed even harder.

Sheng nanxuan stood at the side and watched for a while before asking, "Still not done?"

Gong mo glared at him.

Sheng Yiting raised his head and frowned. I feel something in my throat.

"Do you want to drink something?" Gong mo asked.

Sheng Yiting thought for a moment, then opened the refrigerator and found a bottle of fruit juice.

Sheng nanxuan pulled Gong mo back to his room. it's okay. Everything's fine now. Go back and sleep.

By the time Sheng Yiting finished his juice, they were already gone.

He was depressed-was he going to leave him alone after having a second child?

He walked to the master bedroom and knocked on the door.

Sheng nanxuan opened the door. aren't you going to sleep? "

Sheng Yiting felt that his father was too unloving, so he turned to Gong mo. "Mom, I'm going to be an older brother?"

Gong mo smiled and waved at him. He ran over and squatted by the bed to look at her.

She showed him the pregnancy test report and said,"this is it." In the future, if any girl shows you this Yingluo,"

"Mother!" Sheng Yiting shouted, speechless.

Sheng nanxuan facepalmed. you're still criticizing me? what are you teaching him now? "

Gong mo blinked innocently,"of course I hope that he won't see this thing before he gets married ..."

Sheng Yiting sighed helplessly. He looked at the pregnancy test report and asked, " "Is it a younger sister?"

"I can't tell,"

"You want a sister that much?" Sheng nanxuan asked, " what if he's a younger brother? "

"I'm the Big Brother!" Sheng Yiting said happily.

Sheng nanxuan laughed and smacked him on the back of his head. "Alright! Quickly go to sleep!"

"Rest early, mom!" Sheng Yiting ran out happily.

Sheng nanxuan closed the door and walked to Gong mo.

Although he had already experienced it once, he still couldn't control the excitement in his heart. He stared at her stomach and refused to blink.

"Hurry up and take a shower," Gong mo said helplessly.

Sheng nanxuan went to the bathroom with light steps. Soon, he started singing.

Gong mo laughed and touched his stomach.

He was the one who didn't want him to have children before, but now he was the happiest one.

.....

Gong mo wanted to tell Shan Rong the good news of his pregnancy. When he asked about Simon, Shan Rong complained, "He's so stupid! Primary school homework is so simple, but you don't know how to do it. You only know how to play every day!"

"Uh, ran ran, did the teacher not teach you well?"

"Isn't it? The primary education in foreign countries could not be compared to that in China! He wasn't stupid, he was just lazy. If she wasn't careful, she wouldn't know where he had run off to! He's about to enter junior high school, and I'm so worried about sending him back to China to study! Otherwise, how can he inherit your dad's career with his poor grades?"

Chapter 1116 I'm relieved to have Yiting around

"This is good!" Gong mo agreed, "Yiting can keep me company. They're about the same age, so they can improve each other."

...

"I'll be thankful if you don't lead Yiting astray!" Shan Rong said helplessly.

that won't happen ~"Gong mo smiled. Yiting has a big plan. If not for nanxuan and I holding him back, he would have long turned the world upside down! I'm afraid that Yiting will lead Simon astray."

Dan Rong thought for a moment and said, "but your dad is busy and can't leave." If he doesn't agree to let me go with him, I'll have to leave Simon to you. That'll be so troublesome."

"They're children of the same age. It's fine to take care of one, but it's also convenient to take care of two. besides, I think Simon's all talk and no action. He says he's going to do bad things, but in the end, he's more obedient than anyone! He was just too lonely, unlike Yiting who had so many friends. Besides, Yiting is the most important one among the children, so his sense of responsibility has unknowingly been cultivated, Yingluo."

"Alright then!" When Shan Rong heard the last sentence, she immediately agreed.

In Italy, everyone doted on and respected Simon, so it was too difficult to cultivate a sense of responsibility! If this continued, what if he became lawless?

I've discussed it with your dad, " she said. if we really send him back, we'll come over next month. We'll give him some supplementary lessons before school starts. Otherwise, we're afraid that he won't be able to keep up.

"Yes, let Yiting help him. Yiting is always complaining that he's bored, so I'm going to find him something to do." Gong mo said.

tsk! I know your son is smart! Shan Rong said sourly.

“You’re smart too!” Gong mo shouted.

“I can’t tell.”

“That’s none of your business. You and my dad are both smart. You see, Yiting is so smart, so you must have your genes. Doesn’t Simon have that person’s genes?” Gong mo said in a low voice.

Shan Rong shuddered and cursed, “don’t spout nonsense!” I’m terrified!”

“Okay, okay, okay, Yingluo, when are you coming over? let me know in advance.”

but I’m still feeling uneasy. dan Rong was a little hesitant.

“If he’s disobedient, you can fly over immediately. What will he dare to do?”

“You’re right. Then tell nanxuan about it. What if nanxuan gets ridiculed?”

I know ~”Gong mo said helplessly.

Shan Rong was still the same as before, afraid that she would not communicate well with Sheng nanxuan.

She and Sheng nanxuan were now husband and wife. They could not be separated. She had never doubted him.

After she told Sheng nanxuan about it, he did not object. He was just a little worried.”It’s not convenient for you to be pregnant now, right?”

“We have another one of our own. Just take it as you’re raising another one. Simon isn’t a brat.”

Sheng nanxuan nodded.

They would meet up with Shan Rong every year, so they naturally knew Simon's personality.

Simon was a little more lively than Sheng Yiting. He was a little intimidating and bullied the weak, but he was still a good person in essence. He was most afraid of Gambino and Sheng nanxuan, but Sheng nanxuan was not worried that he could not control him.

"Did you tell mom about your pregnancy?" Sheng nanxuan asked.

"No," Gong mo shook his head. Since she's coming back, we'll talk about it when she's back!"

Sheng nanxuan thought for a while and nodded. then, please remind Simon. Don't let him offend you.

Gong mo smiled helplessly and said,"Yiting is still here." Although Yiting is younger than him, he's older than him!"

Sheng nanxuan's face twisted. I'm relieved to have Yiting around.

Sheng Yiting was bored all day long, and Gong Mo's pregnancy gave him something to do.

He had found many pregnancy-related books online and in bookstores. He was even more dedicated than Sheng nanxuan.

After reading the book, he quietly went to Sheng nanxuan and asked him to sleep in separate rooms with Gong mo, saying that it was written in the book.

Chapter 1117 Everyone was bullying him

Sheng nanxuan almost beat him up!

...

He's a little mischievous!

Why did the book say that they would sleep in separate rooms? He definitely couldn't do that! He even knew about this!

Sheng Yiting understood, but he had to pretend that he didn't!

In order not to let Sheng nanxuan doubt his innocence at this age, he innocently opened the book and pointed at one of the lines. They were not allowed to have sex in the first and last three months of pregnancy.

Sheng nanxuan thought, 'can't sleep with each other? I can't sleep with each other?' it didn't mean what he thought!

Anyway, Sheng nanxuan understood that someone cared more about Gong Mo's pregnancy than he did. This made him both happy and depressed.

He was depressed because there was actually someone who wanted to steal his job!

He was gratified because he knew how to care for a woman at such a young age!

.....

Dan Rong and the rest rushed back a few days before Gong mosheng. Simon had just finished his primary school classes.

When they arrived in the capital, Sheng Yiting didn't go to class, so Gong mo and Sheng nanxuan took him to the airport.

When Shan Rong appeared, Sheng nanxuan said, " I'm getting younger and younger these years. I'm like a sister when I stand next to you.

"If you say this in front of her, she'll be so happy she'll die." Gong mo said with a smile.

Sheng nanxuan pursed his lips. He did not want to say it to her face.

Hu Zi ... Shan Rong waved her hand excitedly.

Sheng Yiting was speechless. Seeing that people were looking at him, he looked down and tried to find a hole to hide in.

When they got closer, everyone greeted each other. Shan Rong hugged him and said,"Hu 'Zi is already this tall?"

"Grandma!" Sheng Yiting whispered. I'm already so big, don't call me by my nickname!"

Aiya, you ... Shan Rong hugged him and rubbed him for a while. I was the one who came up with your nickname. Why can't I call you that? " What a cute name! When you were two months premature, you were afraid that you wouldn't be able to survive. It was this name that blessed you!"

grandma, "Sheng Yiting said weakly," you're living abroad. How can you be so superstitious? "

"How can you speak to your grandmother like that?" Gong mo glared at him.

Sheng Yiting hurriedly said to Shan Rong,"alright, alright, alright. Call me whatever you want." But, grandma, can you not shout so loudly? Everyone has heard it. "

it's not like he's called goudan. Why are you afraid of people hearing you? ”

Sheng Yiting looked depressed. then, if I call you 'grandma' loudly and everyone looks at me, will you be happy? ”

“Of course I'm happy! To have a grandson as old as you, grandma must be at least 50 years old. In the end, when everyone saw ... Aiya, this person has maintained himself so well, he looks like he's in his forties. Do you think I'm happy or not?”

Sheng Yiting burst into tears!

Why were all women thinking things from such a perspective?

“Grandma, Yueyue, you actually look like you're only in your thirties,” he said.

“pfft-” Shan Rong was instantly amused and laughed.

“What a flatterer!” Simon snorted coldly from behind.

Sheng Yiting reached out and hooked his arms around his neck. He grinned and said,“Uncle!”

The surrounding people looked over.

Simon didn't seem to notice him. He shook him off and touched his head.“My dear nephew, be good ~”

Sheng Yiting ,‘Yueyue, I can't live like this anymore!’ Everyone was bullying him!

“Alright, alright. Let's go home first.” Gong mo said.

hahaha! Yingluo! Simon put his arm around Sheng Yiting's shoulder and walked forward happily.

Sheng Yiting straightened his back on purpose, but Simon was shorter than him and could not hold him. He had no choice but to retract his hand and glare at him unhappily.

“Uncle, how tall are you?” Sheng Yiting deliberately asked.

Simon, who had just reached 1.6 meters, glared at him, gritted his teeth, turned around, and rushed forward.

Chapter 1118 I’m the last one to know?

“Simon, what are you doing?” “Slow down!” Shan Rong shouted.

...

“I’m the shortest! I feel inferior!” Simon shouted in Italy.

Shan Rong was startled, “what’s there to feel inferior about?” You’re also the youngest!”

Simon stopped and waited for them. When they arrived, he asked Sheng Yiting in a low voice, “How tall were you when you were twelve?”

“Higher than you are now.”

“Liar!” Simon shouted, “ definitely not as high as me now.

“Tsk, whatever you want.” Sheng Yiting shrugged. What good would it do to win this?

.....

When he got home, the chef had already prepared a table full of dishes.

Gambino had brought a few subordinates with him, and they left after putting away their luggage.

There were no bodyguards at the entrance of the house because Sheng nanxuan had bought the houses upstairs and downstairs. The servants, chefs, and bodyguards all lived there. The bodyguard usually stayed in the room to watch the surveillance cameras and would occasionally come out. Once there was anything unusual, he would react quickly.

Now, Gambino's subordinates had also moved in, making it convenient for him to dispatch them.

Simon washed his face and walked into the dining room. He saw a few mitten crabs on the table and started to cry.

"I knew you loved it." Gong mo said with a smile.

"Sister, you're so good to me!" Simon called out sweetly.

"You're a flatterer," Sheng Yiting said.

"How could you talk to your uncle like that?" Simon asked arrogantly.

"Enough, you two!" Shan Rong walked over and pressed his head. you have the cheek to argue with a junior?"

"He's older than me!" Simon said gloomily.

"You're of higher seniority!"

"Yingluo, I think I'll eat crab."

Simon grabbed the mitten crabs and ate them one after another.

Seeing that Gong mo didn't move, Shan Rong knocked his head with her chopsticks. "Slow down! Save one for your sister!"

"I don't want to eat it, let him eat it," Gong mo smiled shyly.

"You're just lazy, you don't want to shell it! Get nanxuan to peel it for you!"

Gong mo glanced at Sheng nanxuan. Sheng nanxuan said, "Momo is pregnant. He can't eat this."

pfft-" Shan Rong choked on the duck Soup and glared at the two of them. what did you say?!

"My Yingluo is pregnant," Gong mo said guiltily.

"When did you get pregnant? why didn't you tell me? You're pregnant and you're still going to the airport?" After dan Rong finished speaking, she looked at Sheng nanxuan. you didn't stop her? "

"She wants to see you as soon as possible," Sheng nanxuan said innocently.

Shan Rong's anger was immediately extinguished. She glared at the two of them and said,"Don't think that I won't blame you for this."

"Can't I eat crabs when I'm pregnant?" Simon asked.

Sheng Yiting nodded and explained, " pregnant women like to eat sour things, but you can't eat Hawthorn fruits that are so sour.

"Why?"

“Because of Yingluo.”

Sheng Yiting told her everything he had learned from the books.

“You know so much!” Simon was full of admiration.

Shan Rong asked Gong mo, “how do you teach your children?” Is it suitable for Yiting to learn this?”

“He taught himself,” Gong mo replied weakly.

“I’m just concerned about mom.” Sheng Yiting said.

that’s enough, Yingluo. Shan Rong waved her hand helplessly and asked Gong mo, “ does grandma nanxuan know about this? ”

“I know.” Sheng nanxuan said.

“I’m the last one to know?” Shan Rong asked sourly.

don’t be angry, mom! Gong mo hurriedly laughed. I was just thinking that since we’re going to meet anyway, why don’t we talk face to face? ”

Shan Rong pushed her away with a straight face. Hurry up and eat. Since she was pregnant, she had to be more careful. It’s not the first time, I don’t need to teach you.”

“Yes, yes, yes!” Gong mo quickly agreed.

Chapter 1119 Maybe she will listen to you

After Shan Rong and the others got over their jet lag, they went to the Yu family to visit Yu Zhengming and Wu surong. The next day, he asked Tian Cheng to come over for dinner.

...

"Is Chengcheng alright?" Shan Rong asked Gong mo after breakfast.

"She's living quite a carefree life,"

"Then she and CEng Shuai are having fun together?"

Gong mo sighed, "I can't persuade him." I don't know if she doesn't want to get married or if she's afraid of marriage, but she doesn't want to go any further. Why don't you talk to her? She might listen to you."

"Alright, I'll make some indirect inquiries." Shan Rong nodded. By the way, where's gong Bai? Have you been in contact?"

"I'll call a few times during the holidays."

"He's been gone for ten years. Is he really not coming back?" Shan Rong sighed, feeling a little helpless. has he found a partner yet? "

I did, but he changed the topic. I don't know either. I guess he didn't.

"If he did, he'd definitely tell us." Shan Rong nodded.

Gong mo nodded in agreement.

"What about Gong Mao?" Shan Rong asked again after a short rest.

“Wu Huang was released last year, so I got nanxuan to investigate. She got out of prison two years ago, but she’s addicted to drugs now.”

“Ah?” Shan Rong was shocked.

“The money is Gong Bai’s.” Gong mo sighed and didn’t seem to care. let her do whatever she wants, as long as she doesn’t disturb me.

“Everyone has their own fate. She’s all on her own, no one can help her. ” Dan Rong paused for a moment and hurriedly said, ” let’s not talk about her. She’s affecting your prenatal education!

Gong mo chuckled and changed the topic.

After a while, Tian Cheng arrived.

Tian Cheng was wearing a light green dress today, and she looked very ethereal. Her hair was dyed chestnut color, exuding a mesmerizing luster, and gently draped over her shoulders.

Oh ~”Gong mo laughed. why did you change your image?”

summer is, after all, a season full of vitality,”Tian Cheng said as she brushed her hair back.

“This is good!” don’t dress up so lifelessly,”Gong mo said.

“That’s called knowing your nature ~”

“Yes, yes, yes, Yingluo, whatever you say.”

The two of them went to chat with Shan Rong, and after a few words, they started talking about the child. Shan Rong took the opportunity to ask Tian Cheng, ””When are you and CEng Shuai going to do it?”

uh, hehe. Tian Cheng peeled the pine nuts and lowered her eyes. we don't plan on doing it yet.

"You've been together for ten years, right?"

"Eight years,"

"He started pursuing you 10 years ago and won your heart eight years ago, right?" Gong mo laughed.

Tian Cheng smiled and did not say anything. It was eight years ago that the two of them had a real relationship.

When she returned home at night, she saw Zeng Shuai standing at the door again.

Before she left, she had left the dog in the Pet Shop, and this time, he brought it back.

The moment she appeared, QiuQiu pounced on her and barked around her.

Tian Cheng reached out and picked it up. As she opened the door, she said to CEng Shuai, "My second aunt and the others have returned."

"Oh." Zeng Shuai was a little surprised. He had yet to receive the news.

Tian Cheng opened the door and entered. She placed QiuQiu on the ground and took out her slippers to change.

Zeng Shuai stood behind her and reached out to touch her hair.

She turned her head to look at him and suddenly leaned over, as if she was going to kiss him.

He naturally couldn't wait to hug her.

Tian Cheng kissed him on the lips and raised her hand. "Hug me."

Zeng Shuai carried her and walked to the bedroom.

"Cousin said that I look better today. What do you like about me?" She asked with a smile.

"I like both." Zeng Shuai put her on the bed and pounced on her to kiss her.

As they kissed, Tian Cheng suddenly nudged him. "Wait a minute, Yingluo."

"What's wrong?"

Chapter 1120 Can I stay?

Tian Cheng got up, pulled open the drawer of the bedside table, and took out a bunch of keys. "In the future, just come in directly. Don't wait outside."

...

"Cheng Cheng!" Zeng Shuai looked at her excitedly.

"I don't have any other intentions." Tian Cheng lay on the pillow, her index finger twirling around his chest. "We've been entangled for eight years. Since I can't chase you away, I'll give you a little more benefit. If you can't hold on anymore one day, Yingluo, just put the key on the table. I'll understand."

Zeng Shuai hugged her excitedly, "good, Yingluo, good!" However, that day would not come. In this life, I'm sticking to you."

Eight years in exchange for a bunch of keys proved that his persistence had paid off. Who knew if they would get a marriage certificate in exchange for another eighteen years?

Tian Cheng flipped over and pressed him down. She grinned and said, "Don't be so sure, what if I take it seriously?"

"I really hope you take it seriously." He looked at her seriously.

Tian Cheng smiled and buried her face in his chest, taking in his scent.

"Can't you just do it today?"

"Hello, Yingluo. Can I stay?"

"Yingluo can do it."

.....

After Gong Mo's birthday, Gambino and Shan Rong returned to Italy, leaving Simon behind.

Sheng Yiting was having his final exams, and he would tutor Simon after he was done.

In the meantime, Gong mo found a book from Sheng Yiting's elementary school and showed it to Simon. Simon felt a headache coming on, and soon went online and played games.

Gong mo didn't get angry when he saw him playing with something else."Alright! You can have fun for two days. When Yiting is done with the exam, I'll let him supervise you every day."

"Sister Yueyue, you can't do this to me!" Simon called out.

“If you don’t listen to me, I’ll tell mom and dad.”

“Oh, I will listen to you.” Compared to his parents, his sister was cuter.

“What are you thinking about?” Gong mo scolded, “ you kids only think about war! Don’t you know that many people die in a war? If you want to watch a war, ask Dad to air-drop you in Africa or West Asia. You’ll see!”

Simon hurriedly shook his head and continued to surf the internet with his phone.

When Sheng Yiting came back in the afternoon, he said, “ mom, don’t go out for a while. Some people are crazy!

“What’s wrong?” Gong mo asked anxiously.

“Then be careful when you go out tomorrow!” Gong mo gasped.

“You’re not allowed to go!” Gong mo shouted, “ you bunch of brats! You’re everywhere!

“We’re doing this to defend our sovereignty!” Sheng Yiting said.

“You shut up!” Gong mo glared at him. if you have nothing else to do, watch over Simon and read his books.
