

Ditsy Wife 1121

Chapter 1121 Did you go and tell on them?

Simon was stunned, thinking, "why am I on fire?"

...

Sheng Yiting patted his shoulder and laughed. "Come on, uncle!"

yes, yes, yes, Zhenzhen, " the principal said in a hurry. thank you for your reminder, Mrs. Sheng!

After hanging up the phone, Gong mo twisted his fingers and thought for a while. If things were really serious, Sheng nanxuan would definitely know, right?

When she went to bed at night, she asked Sheng nanxuan, " "Is the matter in J country serious?"

"I don't know. The current one is a battle maniac and doesn't really listen to me."

Ding Yuan had been in office for two terms, and the current one had only taken office last year, so he had not done as well as Ding Yuan. It hadn't been long, and there was already such a thing in J country.

"Then you want to fight?" Gong mo was shocked.

"I won't. Everyone knows that it's a waste of manpower and money to fight. How can it be that easy?" Sheng nanxuan hugged her and touched her stomach. don't worry about this. Take care of your baby.

"That's good." Sheng nanxuan heaved a sigh of relief. I'm fine. When Yiting is done with his exams tomorrow, you will bring him and Simon to Happy Garden. Don't let them go out, in case they cause trouble!"

Gong mo nodded his head.

Carrying his school bag, Sheng Yiting walked out of the school gate and saw his family's car entering the gate. Gong mo and Simon were in the car.

"So hot! It's so hot!" As he shouted, he opened the small refrigerator to get some drinks.

"Slow down," Gong mo said.

Sheng Yiting gulped down half a bottle of drink and told her what had happened. "Did you go and tell on him?"

Gong Mobai rolled his eyes at him, "who would want to care about your childish business?" Let's go directly to Happy Garden!"

"Why are you in such a hurry?"

"In case you mess around!" The room was only so wide, so he went out while hiding. Joy garden was so big, even if he wanted to run, he would be discovered before he could run out of the gate!

so, you're the one who told on me. Sheng Yiting put down his drink. Happy Garden is fine too. We can find a quiet place to give uncle extra lessons.

Simon raised his eyebrows and changed the topic. "Where's brother-in-law?"

he has to go to work. He'll come to Happy Garden to have dinner with us tonight.

After they arrived at joy garden, they were isolated from the impetuosity of the outside world, as if they had arrived at a paradise.

Not long after, Hua and J country had several diplomatic exchanges, and the situation also quieted down.

Of course, Gong mo knew that the situation didn't improve in reality. It was only calm on the surface.

At this moment, Yu Xinran came to Happy Garden with the child.

She came by helicopter, and Gong mo brought Sheng Yiting and Simon to the tarmac to pick her up.

After the plane stopped, the cabin door opened. Lu Song stood on the plane and shouted, "Yi-ting-b-b-b-b-b-b-b-brother!"

Yu Xinran stood behind him with Lu Rou in her arms and said, "Be careful,"

Lu Song was still waving his hands excitedly, so Sheng Yiting had to go over and hug him.

"Brother Yiting, you've grown taller again!" He shouted happily.

Chapter 1122 Are you hitting on a girl?

"Why is your mouth so sweet?" Sheng Yiting asked.

...

"What about me?" Who am I? " Simon leaned over.

uh, hehe. Lu Song looked at him and was stuck.

"This is Uncle Simon," Sheng Yiting said.

“Uncle Jue, uncle Jue?” Lu Song looked at him in a daze. This person was shorter than brother Yiting, so why did he call him uncle?

hahaha ... Sheng Yiting patted his head and handed him to Simon. he's uncle!

Sheng Yiting looked at his father's confused face and thought that he must have suffered the same fate as him when he was young.

“Brother Yiting,” Another voice was heard.

The voice was gentle and melodious. It was the voice of a girl.

Sheng Yiting turned around and saw a little girl in a pink dress with two ponytails. Her height only reached his shoulder.

Duoduo, ” he called out.

Lu duo broke into a smile and looked at him, ” “Brother Yiting has really grown taller.”

“You haven't seen me in a long time.” Sheng Yiting said helplessly.

Lu duo pursed her lips and said, 'I'm going to my aunt's place next month. Brother Yiting won't grow to such a height, will he?’

“Nonsense! Your father isn't as tall as the sky.”

Lu duo's face fell. She lowered her head and said dejectedly, ” “I haven't seen him in a long time, Yingluo.”

oh, oh, oh. Sheng Yiting quickly comforted her. he's busy. You can go and see him!

Lu duo nodded.

Seeing that she seemed to have gotten used to it and was not very sad, Sheng Yiting quickly changed the topic. "It's too hot here, let's go back to the villa first!"

After returning to the villa, Gong mo brought Yu Xinran to the guest room. The children stayed in the living room for Sheng Yiting to look after them.

There was a piano in the living room, which Sheng Yiting had bought after learning how to play the piano in kindergarten. After he entered middle school, he almost stopped playing.

However, this piano was custom-made by a famous master for professional use.

When Lu duo found out that Sheng Yiting was just learning for fun, she was so angry that her nose almost went crooked! It was such a waste to keep such a good piano!

Seeing that Gong mo and Yu Xinran had left, she immediately ran to the piano and asked, "Can I flick it?"

"Of course you can."

Sheng Yiting walked over with his hands in his pockets, looking tall and handsome.

Lu duo immediately sat down and played a series of smooth notes.

Simon, who was playing with Lu Song, raised his head in surprise. "Waa ~"

"Nice!" Lu Song sat beside him and immediately became an obedient child as he admired the scene.

Lu duo was halfway through her performance when she looked up at Sheng Yiting.

Sheng Yiting pulled his hand back and sat beside her, playing with her.

Lu duo got excited and the more she played, the happier she became. After she finished playing the song, her entire little face was red.

Duoduo! Yu Xinran called her from upstairs. come and see your room.

“They’re here!” Lu duo replied and looked up at Sheng Yiting.

When she saw his perfect side profile, her heart skipped a beat and she ran upstairs with a red face.

Sheng Yiting didn’t notice her abnormal behavior. He lowered his head and bounced up again.

Ever since he passed grade ten, he rarely practiced piano. Now that he was playing, he actually felt rusty.

Lu duo was playing happily just now, but he almost made a fool of himself.

Clang—

An unpleasant sound of the piano suddenly rang out. Sheng Yiting looked up and saw Simon pressing his hand on the piano key.

“Don’t you break my zither!” Sheng Yiting shouted and pulled his hand away.

Even if he didn’t play the zither in the future, this zither was worth millions, so he couldn’t just casually break it, right?

Simon hooked his arm around his neck and asked ambiguously, "You're hitting on a girl?"

Chapter 1123 I'll call you brother Hu Zi from now on

Sheng Yiting's face changed and he said seriously, "Don't talk nonsense! She's my sister!"

...

"Isn't your sister in my sister's stomach?"

Sheng Yiting choked and shook him off. Younger cousin sister!"

"Rourou should be the one, Yingluo."

"She's the same!" Sheng Yiting's face darkened. she's only nine years old. Can't you be more serious? You've become bad at such a young age. Be careful or I'll tell Grandpa!"

"Alright, alright, alright, I was wrong! I shouldn't have made such a joke!" Simon begged for mercy.

.....

Two days later, Yu Qingliu sent Yu Xinya and Yu xinzhuo's son, Yu Ze, over.

Yu Ze was younger than Lu Song by a year, but he was more mature than Lu Song. When everyone was playing the game, he always had an 'this is so childish' expression.

There were a few more horses in Happy Garden. Sheng Yiting and Simon had learned how to ride horses a long time ago. Now, they were like Masters of horse riding and dared to compete with Sheng nanxuan.

The other children did not know how to do it, so the two of them acted as coaches and taught them. He taught her how to ride a horse, how to punch, and how to shoot an arrow. Yu Ze was very interested in these things, and finally didn't find them childish anymore.

However, for the sake of safety, they were more often allowed to watch Sheng Yiting and Simon compete.

The group of children was in high spirits and soon split into two factions. Occasionally, they would start fighting over a disagreement.

No matter what, Daren also heaved a sigh of relief. Otherwise, it would be difficult to manage so many children.

At night, the children went to school and went camping on the grass.

After setting up the tent, Lu Song wanted to catch fireflies, so Simon brought him and Yu Xinya there. Yu Ze still felt very childish, and was reading in the tent.

Sheng Yiting was worried about Simon, so he sat outside and watched.

Lu duo climbed out of the tent next to him and asked, "I heard that your nickname is Hu Zi?"

"Who told you that?" Sheng Yiting's face changed.

Who on earth spread such an embarrassing nickname? Could it be her uncle?

"Grandmaster said so."

Hehe, so it's granduncle.

Sheng Yiting gritted his teeth and wanted to make Yu Qingliu his enemy.

then I'll call you brother Huzi from now on ~"Lu duo laughed.

"No!"

"Why?" Lu duo was disappointed.

"Don't you think brother Yiting sounds better?" Sheng Yiting guided her patiently.

but brother Hu is very cute,"Lu duo said seriously. She then called out playfully," brother Hu!

"Don't call me that!" Sheng Yiting's face darkened.

"Brother Hu."

"....."

"Brother Hu!"

"Stop, stop, stop!" Sheng Yiting quickly called out, " how about this, Let's Make a Deal. You can call me brother Huzi in private, but you can't call me that in front of others.

"Why?" Lu duo pouted in dissatisfaction.

"No reason! Either you call me that in private, or you don't call me that!"

"Alright, then." Lu duo gave in and then became happy again. there's no one else here, so I'll call you brother Huzi ~"

“.....”

Hu, Zi, GE, GE ... she shouted word by word, “why don’t you agree?”

“Oh, my.” Sheng Yiting agreed helplessly.

hahaha! Yingluo! Lu duo rolled on the grass and laughed out loud.

Sheng Yiting quickly reached out to pull her back. be careful! There are bugs!

Oh! Lu duo got up and saw something flashing on the grass. She quickly grabbed it and shouted happily,
” look, fireflies!

yes. Sheng Yiting lowered his head. I’ll catch it and ask granduncle to make a specimen for you.

“I’d rather let my father do it.” Lu duo raised her hand and released the fireflies. it’s more beautiful this way.

“Yes.”

Chapter 1124 I’ll remember how you look now

After a moment of silence, Lu duo turned her head and asked dejectedly, “Brother Hu, will you remember me after I leave?”

...

“Of course I will.” Sheng Yiting said with certainty.

“But if we don’t see each other for many years, will you not recognize me?”

“Oh, probably, Yingluo.”

Lu duo’s face fell. She asked in disappointment, “ you really forget? ”

“I didn’t forget.” Sheng Yiting looked at her. I will remember how you look now, but you will definitely change in the future. As the saying goes, women change 18 times as they grow up. In the future, you will become more and more beautiful, and I will definitely not be able to recognize you.”

pfft-” Lu duo was amused and laughed. Her gloominess was swept away and she was happy.

sister ... Lu Song ran over with a shiny bottle in his hand. I caught a lot of them ...

The bottle was filled with fireflies, and the fireflies kept flying around, causing the entire bottle to flash.

ah! Lu Song fell.

The bottle rolled forward, and the fireflies inside flew out.

waah ... Lu Song burst into tears when he saw all the fireflies fly away.

Lu duo raised her head. The fireflies were right in front of her and Sheng Yiting. They were dreamlike and beautiful.

“You’re about to go to primary school, how can you cry?” she said to Lu Song with a straight face.

Lu Song got up and wiped his tears while looking at Firefly. “I’m in so much pain”

pfft-” Lu duo could not help but laugh.

“Uncle Simon, she’s pretty, isn’t she?” Lu Song asked.

“Right!” Simon replied loudly, “ fireflies are only beautiful when they fly!

“En!” Lu Song wiped his tears and looked at the fireflies flying in the sky. His heart ached, but he was too embarrassed to cry.

Simon picked him up and said, “let’s go to sleep!” Let’s go to the tent and look at the stars!”

“Duoduo, time to sleep!” Yu Xinya called out.

Lu duo hesitated. I want to watch a little longer.

“Then, you can take a look.” Yu Xinya climbed into the tent.

Sheng Yiting wanted to go back to his tent as well, but seeing that there was no one outside, he had no choice but to stay.

“You’re not sleeping?” Lu duo asked softly.

“I’ll also watch for a while.” He said in all seriousness.

Lu duo chuckled, looked at the stars in the sky, and asked, “ “Do you know the constellations?”

“Of course I do. You don’t know him?”

“I don’t have time to learn, Yingluo.”

“Then I’ll teach you.”

“Alright!”

.....

At the end of the month, Lu Yang came to pick up Yu Xinran, and the two of them personally sent Lu duo overseas. Yu Qingliu also brought Yu Xinya and Yu Ze back, and joy garden immediately quieted down.

“The song has ended and the people have dispersed!” Simon sighed.

“What are you saying?” Sheng Yiting gave him a sidelong glance, then hooked his arm around his neck and walked toward the study. it seems that you’re not good at Chinese. I’ll give you some nourishment!

argh! Simon screamed in pain. He had been having so much fun recently that he had forgotten about the supplementary lessons.

From that day on, Sheng Yiting tried to test Simon. Simon had to read books for more than ten hours a day, and even in his dreams, he was memorizing the text.

However, the effect of this was obvious.

Sheng Yiting’s school was not a school that could be attended with money. He had to go through an interview and an exam before he entered the school. If one didn’t pass the interviews and examinations, it would be difficult for ordinary people to enter.

With Sheng nanxuan’s status, even if his child was an idiot, he could still enter. But Sheng Yiting was not an idiot! She got in as the top student in the school!

Therefore, as Sheng Yiting’s uncle, Simon had to take the exam as well!

When Simon heard that Sheng Yiting had gotten first place in the exam, he did not dare to take it lightly. Even if he didn’t do as well as his nephew, he couldn’t possibly fail to pass the entrance exam, right?

Chapter 1125 You're not allowed to fall in love at such a young age, understand?

So, under Sheng Yiting's supervision and guidance, and with his own hard work, he finally got in with an above-average score.

...

When Gong mo learned of the results, he immediately video-called dan Rong to report the good news.

Shan Rong said excitedly, "I knew that the teaching quality in our country is better!" Yiting, you're really good, you've even carved rotten wood into it, you've really turned the rotten into the magical!"

"Mommy, who are you calling rotten wood?" Simon shouted. Who was decaying? I'm your son, how can you boost the morale of others while diminishing your own prestige?"

"Aiya, you even know how to 'boost other people's morale and diminish your own prestige'. Son, you've improved at a godly speed! You have to listen to your sister and brother-in-law and learn from Yiting. You're Yiting's uncle. You should be his role model, you know? How can you always let him be your role model? That's why you have to work hard, understand?"

"I'm working hard!" Simon wanted to bang his head against the wall. I did so well in the exam this time. You praised Yiting and the teaching quality of China, but why don't you praise me? " That's the result of my hard work!"

Okay, okay! I know you're a good girl, so keep it up! Oh, right, although Chinese girls are very beautiful, you're not allowed to fall in love at such a young age, okay? "

"Yingluo, if you didn't remind me, I wouldn't have thought of this at all!" So, mommy, do you want your son to get into a relationship at a young age?

"Then you should forget about it!" Dan Rong said with a straight face.

After the call, Gong mo looked at Sheng Yiting and Simon.

After a summer, both of them had grown a little taller and looked even more handsome.

This was especially true for Simon, who was a typical mixed-blood. If she grew to Yiting's height, she would definitely be able to kill men and women, young and old.

"Mom is right, you're at the age where you should be in a relationship," Gong mo said seriously.

The two of them,"hehe."

you guys are the type that would make thousands of girls popular in school. You're not allowed to mess around! Gong mo said seriously.

"Don't worry." Sheng Yiting said.

"I'm most worried about you!" Gong mo shouted, " you're always complaining that you're bored. What if you go and mess around? " Simon, you keep an eye on him!"

"Alright!" Simon hurriedly agreed.

"Forget it, I'm more worried about you." Gong mo waved his hand. You look like a Playboy, so I'm glad you don't lead Yiting astray."

Simon's face fell,"sis!" How can you say that about me?"

"If you don't want me to scold you, be good!" I'll tell your father and brother-in-law to send someone to watch over you! Gong mo warned.

“You’re invading my privacy!” Sheng Yiting frowned.

“Then will you be obedient?”

“Of course I’m listening!” Sheng Yiting laughed. I’ve decided to read more books when I’m bored. I won’t do those indecent things. Uncle, don’t you agree?”

“Uh, Yingluo, yes, yes, yes!” Simon hurriedly nodded.

Gong mo glanced at them and said, “it doesn’t matter if you don’t listen to me. You’ll regret it when you meet a girl you really like!” Have you seen uncle CEng Shuai? He used to be very flirtatious and changed women like he changed clothes. How was he now? Other people’s children were already at the age of puppy love, but he was still not married! He looked at uncle Fang Yang. He used to like someone else, but even when he was at his lowest, he didn’t do anything rash. What happened after that? Auntie Wu married him right after she graduated from University!”

Sheng Yiting and Simon shuddered.

Both of them lived in a happy family and were used to seeing their parents showing off their love. Now that she said this, she was even more determined. I can’t walk the same path as commander Zeng!

Chapter 1126 Could he be your father’s illegitimate son?

On the first day of school, Sheng nanxuan sent Sheng Yiting and Simon to school.

...

Gong Mo’s stomach was already showing, so it was inconvenient for him to go out, so he didn’t join in the fun.

The car drove into the school and stopped below the teaching building.

The three of them got out of the car at the same time. Sheng nanxuan was mature, Sheng Yiting was steady, and Simon was sunny. They had different temperaments, but they were equally handsome.

A lot of girls on the balcony were screaming and recording them with their phones.

Simon raised his head and looked at them with interest. As expected, Chinese girls are so cute ~ lively and lively, I really want to get close to them.

“Yiting, you go to the classroom first. I’ll bring Simon to his teacher.” Sheng nanxuan said.

“Alright,” he said. Sheng Yiting went straight to the classroom. After taking two steps, he turned around and said to Simon, “ I’m in class one of the eighth grade. The classroom is above yours.

Simon nodded. He looked around and followed Sheng nanxuan to his office.

“Watch where you’re going!” Sheng nanxuan glanced at him.

“Yes!” Simon immediately became an obedient child.

Sheng nanxuan had a headache. Fortunately, this kid was quite obedient. Otherwise, it would be difficult to control him.

.....

Sheng Yiting walked into the classroom and his classmates immediately surrounded him. Sheng Yiting, is that handsome guy your father? ”

“Heavens! Your family’s genes are so powerful!”

“Who’s that handsome guy? I think he’s mixed-blood, so handsome, so handsome!”

“More handsome than me?” Sheng Yiting asked.

Everyone paused. Someone said firmly, “I’m not as handsome as you.” Someone also deliberately said, “Of course he’s more handsome than you! I’ve been looking at you for a year, and I’m tired of you!”

“Since that’s the case, I won’t tell you who he is,” Sheng Yiting shrugged indifferently.

Those who said he wasn’t as handsome as him hurriedly shouted, “Tell me! Tell me!”

Sheng Yiting raised an eyebrow. if you think he’s not as handsome as I am, then you don’t need to know who he is, right? ”

“.....”

“What?”

“Of course he’s more handsome than you!” Everyone roared in revenge.

Sheng Yiting picked his ear. Do you want to get into a relationship?”

“Tsk!” A bunch of girls flew into a rage out of humiliation and scattered with red faces.

“Could he be your father’s illegitimate son?” the boy hooked his arm around his neck.

say that again?” Sheng Yiting glared at her.

“I was wrong, I was wrong, Yingluo, I was wrong! Young master Sheng, please let me go!”

“Hmph!” Sheng Yiting shook them off and sat in his seat, reading a book.

In the afternoon, after school, Simon came to look for him, which immediately attracted the attention of the girls in his class and the class next door.

Everyone surrounded Simon and asked, ”

“Are you of mixed blood? Which country are you from? What’s his relationship with Sheng Yiting?”

“Handsome, what’s your name?”

“Hi~what’s your name?”

“Can I have your signature?”

“Uh, Yingluo, I’m not a celebrity.” Simon said in Chinese.

ah ah ah-” everyone shouted excitedly. he can speak Chinese!

Are you Sheng Yiting’s cousin? ” Someone asked.

Everyone knew that it was not Sheng Yiting’s brother. No one would want their parents to have an illegitimate child outside, right?

And it was rumored that night God loved his wife so much that he would never cheat on her.

Sheng Yiting put his arm around Simon’s neck and laughed. “He’s actually my uncle.”

Everyone was stunned and looked at Simon in a daze. A moment later, someone asked, ” “He’s your uncle’s son?”

“No! He’s my uncle.” Sheng Yiting said seriously.

“You’re joking, right?” Everyone shouted and took a step back. he looks younger than you. How can he be your uncle? ”

“His seniority is high! After my grandfather died, my grandmother remarried and gave birth to him.”

Chapter 1127 Don’t call me Uncle again

Everyone still thought that he was joking.

...

Sheng Yiting didn’t want to waste time with them. He left the classroom with Simon in his arms. “Let’s go, uncle!”

Simon felt that something was wrong.

The next day, he realized that there were people in the school who were pointing at him.

He wanted to tease the little beauty in his class. The little beauty asked him seriously, “ I heard that you’re senior Sheng Yiting’s uncle. Is that true? ”

“Uh, hehe.”

uncle, do you know what senior likes?”

“Ah?”

The little beauty lowered her head shyly and said, "senior is so handsome ~"

"Am I not handsome?" Simon was furious. There's a handsome man right in front of you, why do you have to go so far?

"But you're my uncle."

"Can't an uncle be handsome?"

"But how can we fall in love if we're of different generations?" the little beauty shook her head.

Simon could not find any words to refute. After a long silence, he said, "Yiting and I are the ones with different seniority. What does it have to do with you?"

"I don't want to talk to my uncle's generation!" The little beauty pouted and turned her head.

"What?" He didn't even want to talk? You clearly said a lot just now!

Simon went to Sheng Yiting angrily and dragged him to a place where no one was around. "Don't call me Uncle in the future!"

"Why?" Sheng Yiting was confused.

"Because you look old when you call me uncle! You're an adult now, and your uncle sounds like he's married. If everyone has this preconceived impression of me, how am I supposed to pick up girls?"

Sheng Yiting said seriously, "my mother, your sister, my grandmother, and your mother all said: No puppy love!"

"I'm not in a relationship! Do you know how to prepare for a rainy day? He was still in junior high school, so it was fine. But if I don't make you change it now, it will become a habit. What will I do when I really need a wife?"

Sheng Yiting facepalmed and asked, 'aren't you thinking too early? You'd better memorize yesterday's text first!"

"No, no, ran ran must change! Everyone is looking at me like I'm a monkey! Is it my fault that I'm your uncle?"

Of course, it's not your fault.

"Then, what should I call you if not uncle?" Sheng Yiting asked helplessly. You're my uncle!"

"You can call him by his name!" Simon said, " in foreign countries, they also address their elders by their names.

"This Yingluo isn't very good, right? We don't have such a habit. It feels a little disgraceful."

"If you make it so that I can't find a wife for the rest of my life, that'll be a real crime!"

"Oh, Yingluo, that's fine." I'll call you Simon instead of your Chinese name, "Sheng Yiting said.

Simon had a Chinese name, and he used it in school. Other than Sheng Yiting, no one else in the school knew that his name was Simon.

Not long after, Gong mo and Sheng nanxuan realized that Sheng Yiting had called him "Simon" and asked him what was going on.

he called me uncle at school, "Simon answered. everyone came to watch. I didn't like it, so I let him call me by my name. It's like this overseas anyway."

Gong mo nodded, "that's fine, I don't have to explain." But at home, you still call me whatever you want."

yes ... Sheng Yiting answered as he put some food into Simon's bowl. uncle, have some food.

"Nephew, you're so obedient." Simon laughed smugly.

Sheng Yiting gritted his teeth and decided to call him 'uncle' every day in front of his girlfriend when he was wooing her. He would never call him by his name!

Chapter 1128 The child just refused to get off the bed

Simon's grades in school were steadily rising. Every month, he would climb a few places in class and dozens of places in age.

...

Gong mo reported his results to dan Rong, and dan Rong's heart was at ease.

After the winter break, dan Rong and Gambino rushed over to spend the new year there.

Gong mo was about to give birth. Although it was his second child, it had been more than ten years since his first one.

Right now, she was on the verge of a mental breakdown!

With a ball hanging on her stomach, she had to take three steps out of breath for every step she took. It was inconvenient for her to do anything. She couldn't wait to give birth earlier so that she could reduce the burden on her body.

The expected date of delivery was New Year's Eve. Sheng nanxuan sent her to the hospital two days in advance. Her family and friends had also received the notice and were lining up to see her.

But the child refused to get off the bed!

Gong mo didn't want to spend the new year in the hospital, so he begged Sheng nanxuan to take her home.

When Sheng nanxuan saw that the child had no intention of coming out, he could only bring her back.

In the evening, Tian Cheng and the two elders of the Yu family were having New Year's dinner at home.

Shan Rong said,"it's fine if you don't give birth today. Otherwise, how much trouble would we have to go through during the new year?" Why don't we do it tomorrow? it'll be a good day tomorrow, the first day of the new year!"

"No!" I want a natural birth! Gong mo shouted.

Shan Rong was almost angered to death by her. The others were also shocked and looked at Sheng nanxuan.

Sheng nanxuan said,'you're already an advanced maternal age. Cut!"

Gong mo was depressed. I've given birth to two children. Are both of them not going well?!

Sheng Yiting's hand trembled as he drank the soup-was it my fault?

Wu surong said, " you can't do it just because you haven't. You have to consider the actual situation. Do what you need to do. Everything is for the safety of you and the child.

I didn't mean it that way," Gong mo said guiltily. but if it's smooth, there's no need to cut it open, right?"

"Cut!" Sheng nanxuan said firmly, " if you make me bleed, do you want my life? "

Gong mo glared at him and threw the bone at his head.

"Can't you say something nice?" Wu surong and dan Rong chimed in.

Sheng nanxuan was speechless,'it's my fault? Then let her have her way."

"You still dare to say that!" Wu surong glared at him.

"You should divorce a husband like him as soon as possible," Shan Rong said to Gong mo.

Gong mo held his stomach and laughed so hard that his stomach was twitching.

cousin," Tian Cheng said worriedly, " slow down. I'm getting nervous just looking at you.

Gong mo pressed on her shoulder and said with a smile, " "When do you have one too? then you won't have to worry anymore."

Tian Cheng's smile froze and she lowered her head."I don't even want to get married to Yingluo."

you can still have children. It's not like you can't afford to raise them. As long as you like them, it's fine.

She didn't want to get married and Gong mo had no choice. He was afraid that she would be lonely, so he could only make this suggestion.

Tian Cheng's expression was contemplative as she picked up a dish.

The next day, the little princess in her stomach was still not flustered at all.

On the second day of the new year, Sheng nanxuan panicked and sent Gong mo to the hospital.

Two days after they arrived at the hospital, just as Sheng nanxuan decided to cut her open, the little princess finally figured it out!

The last time he gave birth to Sheng Yiting, it was too dangerous. This time, although everything was normal, he was very worried because of his old age.

“I was older than her when I gave birth to Simon, but I’m still here,” dan Rong consoled.

“You almost scared dad to death, okay?”

Shan Rong was stunned and looked at Gambino.

don’t say anything! Gambino held her hand. don’t say anything.

He was also nervous.

The feeling of being a grandfather this time was different from the last time. It was probably because her feelings for Gong mo had deepened.

Chapter 1129 Have you ever thought of having a child?

Gong mo gave birth to his daughter safely and everyone heaved a sigh of relief.

...

When he found out that he was pregnant with a daughter during the prenatal examination, Sheng nanxuan was so excited that he felt happy that his dream had come true.

Now that his daughter had really appeared, he didn't care at all. He immediately ran to see Gong mo.

When Gong mo saw him, he revealed a weak smile, "I finally don't owe you anymore, Yingluo."

"Silly girl." Sheng nanxuan lowered his head and kissed her. He stared at her as if he could not get enough of her.

"Did you see her?" Gong mo asked.

"I'll wait, there's no place for me now."

Gong mo looked at him helplessly.

He lowered his head and kissed her a few more times. anyway, she doesn't know anything now. She doesn't know that I didn't go to see her. I'll just watch over you first.

"I know you love me." Gong mo said proudly.

Sheng nanxuan kissed her again. I will love her too. he said.

"Yes." Gong mo nudged him and urged, "go and see her quickly and take a few photos for me. I only saw Qianqian once just now.

Okay, okay, okay, Yingluo. Sheng nanxuan agreed. In fact, he also wanted to see his daughter.

After he left, the others came in.

Everyone had already gone to see the child. Afraid that Gong mo would think that they only cared about the child and not her, they quickly rushed back. Because Sheng nanxuan was there and knew that the couple had something to talk about, they did not come in to disturb them.

Now, it was finally their turn!

Sheng Yiting gestured excitedly. It's so long. It's so small. It looks so fragile.

He lowered his hand and started to worry.

"You were even younger than her back then," Gong mo said.

"Our xuexue must be a beauty!" Simon called out happily.

Xuexue was the name of the little princess, and her full name was Sheng shuangxue.

"Let's give xuexue a pet name!" Shan Rong said.

Gong mo was shocked and his wound started to hurt.

"I don't think it's a girl," she hurriedly said.

"You're favoring girls over boys," Sheng Yiting said unhappily.

"What do you mean by valuing girls over boys? I was afraid you wouldn't be able to take care of it. Your sister has always been fine, and she doesn't have such worries."

I think it's better to name it a good Kasaya. Shan Rong insisted.

"Why didn't you give it to Simon?"

uh, uh, uh, " Shan Rong was stunned and wrung her wrist. I forgot! I've been too busy giving birth to my own child, so I didn't expect it. "

Simon heaved a sigh of relief. His eldest nephew was called Hu Zi. If he had a nickname too, he might even be called gousheng!

"How do girls get it?" Tian Cheng asked.

Dan Rong thought for a while and said,"you can call it cuihua or something Yingluo."

Everyone: "shua shua shua"

In the end, it was only when Sheng nanxuan firmly opposed giving his daughter such an unpleasant name that the matter was dropped!

.....

Zeng Shuai also came to see the child, his eyes full of envy.

When Tian Cheng left, he naturally went to send her off.

"Have you ever thought of having a child?" he suddenly asked after they got into the car.

Tian Cheng looked at him without saying a word.

He explained,"I don't have any other meaning. I was just thinking that if you want a child, you can have a baby even if you don't get married."

"So you're letting me borrow your seed?" Tian Cheng interrupted him.

"It's true for you, but not for me." He looked at her sorrowfully. I'm worried that you'll be further and further away from me. I want to have more ties with you.

Tian Cheng turned her head and said coldly, "if you understand what I'm saying, you'll know that it's useless." If I don't want to be entangled with you, it's useless even if I have ten children!"

"But I don't want to waste my time with you! I just want to leave something behind, even if it doesn't belong to me. At least Yingluo can give me something to think about, right?"

Chapter 1130 I haven't hugged you enough

Tian Cheng nodded and looked at him, 'sure! It might be a good idea to raise a child. Otherwise, who would I give all the money I earn?"

...

Zeng Shuai held his breath and said nervously, "Then, Zhenzhen"

"I can live. However, don't think that I'll marry you just because you have a child." Tian Cheng lowered her eyes.

"I understand." He nodded. He had long realized this.

"The child has my surname and I'm his Guardian, but it's completely mine. Is there a problem?" She looked up at him.

Zeng Shuai shook his head and gently held her in his arms.

She suddenly smiled and said, "I feel like you're slowly invading my life." The result was just a little slower than the others, but you've succeeded in the end."

“Don’t chase me away, ran ran. I didn’t do it on purpose.” Zeng Shuai suddenly hugged her tightly.

“Yes, I’m giving you a chance.” but don’t wait for me, ” Tian Cheng said calmly. Some things might be delayed until the next life, and I’m afraid you won’t be able to wait until then.”

Zeng Shuai hugged her tighter and tighter. it’s okay, ran ran. I like it.

Tian Cheng pushed him away and could not help but laugh. “What you said makes me feel like a scumbag.”

Zeng Shuai looked at her fixedly.

She wiped the tears from the corner of her eyes and smiled at him. “Let’s go! Go back and have a baby!”

CEng Shuai immediately drove the car out. The speed was so fast that it gave Tian Cheng a shock.

Tian Cheng couldn’t help but laugh, just how anxious is this person?

.....

Sheng Yiting and Simon went to the hospital the day Gong mo was discharged.

When he entered the ward, everyone had already packed their things. Sheng nanxuan carefully held Sheng shuangxue in his arms. His movements and expression made it seem as if he was holding a time bomb.

Sheng Yiting thought he didn’t know how to hug her, so he volunteered. “Let me hug you!”

A few days ago, he had wanted to carry the baby, but everyone said that the baby was too fragile and could not be carried. Now that Sheng nanxuan was hugging her, it meant that she could hug him!

“Don’t move!” Sheng nanxuan hugged the baby tightly.

Sheng Yiting finally understood that his father was too excited!

Hmph, I wonder if my father valued me so much when I was born.

After two seconds, his sour mood was crushed by the thought of being close to his sister. He moved closer to the swaddle and called out with a smile, “Xue ‘er?”

Little Xue ‘er was wrapped in a pink blanket, which made her snow-white face look a little warm. The originally soft little fellow was even more likable now.

But she was asleep, so she couldn’t hear Sheng Yiting calling her. She pouted in her dream.

Sheng Yiting liked it even more when he saw it. He reached out to touch it.

Sheng nanxuan turned around with his precious daughter in his arms and scolded, “Get your dirty hands off me!”

Sheng Yiting froze and looked at Gong mo with a hurt expression. “Mom, look! Dad values girls over boys!”

Gong mo had always been afraid that having a second child would upset Sheng Yiting, so he lectured Sheng nanxuan, “How could you do this? Yiting is also your child, can you show him some love?”

“I’ve cared for him for 14 years, and it’s not enough? Now it was Xue ‘er’s turn. Xue ‘er is so young and her immune system is so low. What if he has bacteria on his hands?”

“I’ll go wash my hands now!” Sheng Yiting ran to the bathroom as soon as he heard that.

let’s go home! Sheng nanxuan carried Xue ‘er out.

Hmph, he didn’t even let her hug him after washing her hands! I haven’t had enough!

.....

When they got home, Sheng shuangxue was sent to the baby’s room, which had been decorated a few months ago.

Pink! Pink! Everything in the baby’s room was pink!

Sheng nanxuan carefully placed his daughter in the crib, covered her with a small blanket, and told the nanny a few things before he went to see Gong mo.
