

## Ditsy Wife 1141

### Chapter 1141 Close contact

“No matter what, I still have to thank you for sending me to the hospital.” Tong Siyao said, “ did you pick up my bag? Your ID card and bank card are inside.”

...

Sheng Yiting interrupted her. I came in a hurry yesterday and didn't pay attention. I just went to the Traffic Police Department to collect them. Don't worry about the money, I'll pay for it first. As for the details, we'll talk about it when you're better.”

Tong Siyao paused and looked at him.

He was so close to her that she could almost feel his breathing.

It was the first time she was so close to a man, so she felt very uncomfortable. However, she was still very calm, and her face blushed a little.

It was good that he was close, so she could see him more clearly. Although it was still very blurry, he could tell that he was very handsome and had a good temperament. It was very likely that he was the kind of man whose temperament was more important than his appearance. No wonder the nurse was so protective of him.

“Thank you,” he said. She said sincerely.

Sheng Yiting's eyes were fine, and he could see the pores on her face. Her skin was very delicate, just like Sheng shuangxue's when she was born. He couldn't help but want to touch it.

However, the rational him stopped this thought and retreated without a sound.

Tong Siyao secretly heaved a sigh of relief. She felt her heart beat faster. She had been a little nervous just now.

“Do you want to eat?” Sheng Yiting picked up the breakfast.

“Uh, hehe.”

Tong Siyao was indeed a little hungry. She pursed her lips, her throat moved, and she swallowed.

Although she wanted to eat it, she asked to avoid unnecessary trouble, “How much is it?”

“I’ll treat you.”

“OK?”

Tong Siyao didn’t stand on ceremony with him. Breakfast probably didn’t cost much. She had asked because she didn’t want him to ask for an exorbitant price after she had finished eating. If he didn’t want to treat her, she would ask him now. If she could afford it, she would pay. If it was too expensive, she would refuse. It was an easy thing to do.

“Is Qianqian not able to see clearly?” do you want me to feed you?” Sheng Yiting asked.

“I’ll do it myself!” I can’t see clearly, ” Tong Siyao said hurriedly. She wasn’t familiar with him. but I can eat.

Sheng Yiting waved his hand in front of her eyes.

“What are you doing?” she took a step back.

“Let’s run a test.”

Sheng Yiting placed the breakfast in front of her. She took a closer look at it and found that it was an exquisite dessert. The box that contained the desserts was also very beautiful. It was not an ordinary plastic bag, so it was probably not a roadside stall.

She couldn't see the one on it clearly, and she couldn't remember any similar color or shape. It was either a small shop or she was ignorant.

She took a bite of the cream. It tasted very good. She was probably ignorant.

"There's porridge here, be careful." Sheng Yiting said.

"Thank you," he said.

Tong Siyao held the bowl and accidentally touched his hand, so she immediately took it back.

He was wearing a watch, and she felt her eyes flash. It was probably a very expensive watch.

Nowadays, people used mobile phones and very few people wore watches.

After Tong Siyao finished her meal, she politely said, "It's delicious. Thank you."

"You're welcome. Do you want to inform your friends or family?"

Tong Siyao was stunned. She turned her head and looked around. "Where's my phone?"

"I'll help you take a look." Sheng Yiting handed her bag to her. See if it's in there.

"Thank you," he said. Tong Siyao opened her bag and found her phone in a familiar place.

But she couldn't see the words on the phone clearly. Sheng Yiting asked, "Do you need my help?"

Tong Siyao took the phone closer and squinted. She saw the words on the screen and shook her head.

Chapter 1142 I don't want to be blind

Sheng Yiting didn't force her. Seeing that she put the phone to her ear and didn't want to eavesdrop on her conversation, he said, " I'll go out for a while then. Press the bell for the nurse if you need anything.

...

Tong Siyao nodded.

Sheng Yiting turned around and accidentally dropped something on the bed, causing her documents to fall out.

He hurriedly picked it up and saw AI Mo's on it.

"You're an employee of Aimo?" He asked in surprise.

He flipped open the document and saw that it was an internship appraisal with Gong Mo's handwriting at the end.

He was very familiar with Gong Mo's handwriting.

Sheng nanxuan was good at everything except for his lack of handwriting when he was young. His handwriting was average and strong, but he was not as beautiful as Gong mo.

Gong mo had been practicing writing since he was a child. He didn't stop until he was busy with high school homework. When Sheng Yiting was still studying, she forced him to practice writing, and she would also write when she was bored. Until now, she still had the habit of practicing.

That was why when Sheng Yiting was in school, Gong mo was the one who signed the papers when the school needed his parents 'signature!

Sheng Yiting was very familiar with her handwriting, and even more so with her signature!

Oh, it's an intern, Yingluo," he mumbled and closed the document.

When Tong Siyao heard that, she knew what he had seen. She said anxiously, "Don't touch it!" This was something that was closely related to academic credits!

"Uh, I just picked it up." Sheng Yiting saw her hand on the blanket, and the call was already connected. The call lasted for only a few seconds, so he guessed that she had not realized it yet."Your call went through."

Tong Siyao quickly picked up the phone,"ye-

Sheng Yiting turned around and left the ward.

.....

Ye Zi was Tong Siyao's classmate. When she heard that she was in a car accident, she immediately asked, "Where are you? I was wondering why you didn't come back yesterday. Why didn't you call me earlier? I'm going to see you now! Are you serious?"

"I couldn't call you if it was serious." Tong Siyao comforted her, "I'm fine. Don't panic. Take it slow.

"Then where are you hurt?"

Tong Siyao paused and said in a low voice,"his right eye and left eye are a little blurry too, Hanhan."

"Ah?" Ye Zi was shocked. this is not serious?! Where are you? We'll talk when we meet!"

"I don't know, Zhenzhen." Tong Siyao glanced at the ward. I don't know the ward number or the hospital's name, Wanwan.

"Send me your location!"

"Alright then, wait a moment." Tong Siyao hung up the phone and sent her the location with half-closed eyes.

However, she felt that her eyes were getting blurrier and blurrier. She could still see the words clearly just now, but now she had double images. If she looked any longer, her eyes would become a blur.

Tong Siyao's body froze. She threw her phone out of fear and screamed.

"What's wrong?" Sheng Yiting ran in, picked up her phone, and walked over. what's wrong? Where do you feel uncomfortable?"

"I can't see!" Tong Siyao grabbed his arm and shouted, " it's all your fault! It's all your fault! My eyes!"

"Granduncle!" Sheng Yiting turned around and roared.

Yu Qingliu walked in slowly, wearing a pair of glasses.

"Don't worry." He pushed up his glasses and walked to the bedside to look at Tong Siyao carefully.

Well, she looked impatient, but she was a good match for Sheng Yiting.

"What are you looking at?" Sheng Yiting called out, "hurry up and check her! Miss Tong, don't be nervous. My granduncle's medical skills are good. You'll definitely be fine!"

"I don't want to be blind!" Tong Siyao cried.

Chapter 1143 heart aching?

"With me around, you can't go blind even if you want to." Yu Qingliu said, "lie down. Don't cry. I'll examine you."

...

Sheng Yiting helped Tong Siyao to lie down. Tong Siyao slowly calmed down, but she was still worried, so she couldn't stop crying.

Yu Qingliu turned to Sheng Yiting and asked, "what did you do to the young lady? Look at how she's crying."

"Granduncle!" Sheng Yiting growled helplessly. "don't delay her treatment."

"hey, your granduncle is already so old. Don't shout. What if I have a heart attack?"

"You ..."

"tsk, tsk, what's the rush?" Yu Qingliu took out the phone and finally checked Tong Siyao.

A moment later, Tong Siyao's phone rang.

Sheng Yiting leaned over to take a look and said, "It's Ye Zi,"

Yu Qingliu raised an eyebrow and looked at him. Why did he sound so familiar? Could it be that he and this girl had finally been enlightened at the age of 25?

Tong Siyao reached out her hand, and Sheng Yiting quickly put the phone in her hand. it's already connected. Just tell me.

"Thank you," he said. ye 'Zi, " Tong Siyao said softly and put the phone to her ear.

"Where are you?" ye Zi asked. I'm already in a taxi."

Tong Siyao put down her phone and asked Sheng Yiting, " "Where is this place?"

"Worriless hospital." Sheng Yiting replied hurriedly.

Tong Siyao was stunned.

Worriless hospital?

She suddenly remembered what the nurse had said-the world's best medical expert. Wasn't that the director of worriless hospital, Yu Qingliu?

By the way, the nurse also said that the person who sent her here had the surname Sheng. Could he be Sheng nanxuan's son?

The news agency that she was interning at belonged to Huan mo group. Huan mo group was a legend in the business world. The President and chairman of the group, Sheng nanxuan, had become the new richest man in China. Everyone knew his name. And according to the rumors, the Sheng family had a close relationship with the Yu family.

It seemed that he was right.

Tong Siyao didn't expect the person she bumped into to have such a powerful background.

With the Sheng family's wealth, they would not go back on their word. She did not have to worry about not having enough money for treatment. As long as this man was a little responsible, he would definitely cure her. With the Sheng family's power and Yu Qingliu's status, even if she could not cure her, she would find another doctor to treat her. She really did not need to worry about her eyes anymore.

If she's still blind like this, then she's really unlucky, Yingluo.

She placed the phone to her ear and told ye Zi the address.

"You mean worriless hospital?" ye Zi asked, stunned.

"Yes." Tong Siyao looked at Sheng Yiting and asked for the ward number.

Ye Zi had a fiery personality, so she became very quiet for a while. It was fine if they stayed at worriless hospital, but it was a VIP Ward. A day's hospitalization fee there was equivalent to a year's tuition fee!

.....

After Yu Qingliu's examination, Sheng Yiting hurriedly asked, "How is it? Are you alright?"

"No, I haven't. It's just a small problem. Fortunately, you met me." Yu Qingliu took the medical record and said as she wrote, "there's another surgery in the afternoon. Cover both eyes and don't see the light for the time being.

"I'm blind?" Tong Siyao was on the verge of collapse.

Yu Qingliu lowered her head and looked at her seriously, "You won't be blind if you listen to me. Don't ruin my reputation, okay? Otherwise, I have a hundred ways to make sure you can't live, and the police won't be able to find out that it's me."

Tong Siyao was so scared that she shivered.

Sheng Yiting immediately said, 'great-uncle! Don't scare her!'

"His heart ached for you?" Yu Qingliu glanced at him.

Chapter 1144 You're too shameless

Sheng Yiting's face reddened instantly. He looked at Tong Siyao in panic and shouted, "She's already like this, so don't be so indecent."

...

"Tsk tsk tsk tsk tsk." Yu Qingliu shook his head and mumbled, "you still say you don't feel sorry for Yingluo."

Sheng Yiting said, "Yueyue. he was helpless against his great-uncle. He was two generations older than him. He couldn't possibly fight with him, could he?"

He had to look at Tong Siyao. Tong Siyao seemed to still be worried about her eyes and didn't respond to their words.

He heaved a sigh of relief, but was also a little disappointed.

In fact, Tong Siyao had heard it.

However, her eyes were more important now. She didn't have time to blush or feel embarrassed. Moreover, he was a great medical expert, yet he was not serious at all. She was a little worried about his medical skills and his own condition.

After Yu Qingliu pointed out some things to take note of, she suddenly asked Sheng Yiting before she left, "You're not going to work?"

Sheng Yiting glanced at Tong Siyao and said, "I got into a car accident, so I took leave."

"Hehe, I think you're fine." Yu Qingliu laughed dryly.

"Yup, I know. But I did get into a car accident." Sheng Yiting said with a straight face.

"You're too shameless!" Yu Qingliu said bitterly.

"It's all thanks to granduncle's good teaching,"

"Shua shua shua." Yu Qingliu choked on his words.

Tong Siyao, who was on the bed, couldn't help but laugh. This kind of answer was really shameless!

Yu Qingliu glanced at her and winked at Sheng Yiting. Embarrassed, Sheng Yiting drove him out.

After he left, a girl in a t-shirt and jeans ran over in a panic. The two of them saw that she was running in a hurry and were afraid of bumping into her, so they hurriedly hid at the side.

She stopped at the door sign and asked Yu Qingliu, "Doctor, is Tong Siyao staying here?"

"Who is it?" Yu Qingliu played dumb.

Tong Siyao. This name was just written on the medical record. But since she didn't introduce herself, he would just pretend that he didn't know. Someone would definitely know ... He glanced at Sheng Yiting.

"You're ye Zi, aren't you?" Sheng Yiting quickly asked. Miss Tong is inside."

Ye Zi sized him up, thanked him, and walked into the ward anxiously.

“Siyao!” Ye Zi screamed and pounced on the bed. She looked at Tong Siyao and asked, “ your eyes are blurry.

“The doctor said she’s fine.” Tong Siyao was calmed down by Yu Qingliu’s frivolity. She sat up and said, “ my internship assessment is here. Help me hand it over to the teacher. Also, help me apply for leave. I’ll ask the doctor to issue a hospitalization certificate later.

“Good, good, good!” yes! ye Zi replied hurriedly. if there’s anything, just leave it to me. You should rest and recuperate on your own, lest there are any residual effects!

She looked at the gauze on Tong Siyao’s face and eyes and couldn’t help but worry. Siyao is so pretty. Will it leave a scar? If he lost his sight, his life would be over! She could slowly get used to being disabled in other places, but what could she do if she was blind?

Ye Zi lowered her head and helped her organize the documents. She was so sad that she didn’t want to speak.

Tong Siyao guessed what she was thinking and took the initiative to start the conversation. “How’s your internship?”

“Oh, not bad. Anyway, the internship appraisal is done!”

Hearing that, Tong Siyao knew that she wasn’t doing well.

Ye Zi was interning at an entertainment magazine. To put it simply, she was a paparazzi intern who followed the news of celebrities every day. But how could it be so easy to follow news about celebrities? They were just helping their seniors carry their cameras or interviewing celebrities who were difficult to get along with.

However, it was just an internship. It was just to understand some of the ways of the industry and gain some experience. Who would expect to work there formally? As long as there was no problem with the internship appraisal, it was fine. At least he would get credits.

Chapter 1145 are you going to make a fortune!

Knock, knock, knock!

...

There was a knock on the door, but the door wasn't closed.

The two of them turned around and saw Sheng Yiting standing at the door.

Tong Siyao's vision was blurry, and she saw a handsome figure.

Ye Zi's eyes widened and she secretly swallowed her saliva. He was so f \* cking handsome! She had been in the entertainment industry for two months, but she had never seen such a handsome man!

"Mr. Sheng?" Tong Siyao said.

I want to ask you and your friend what you're having for lunch, " Sheng Yiting said. I'll go buy it for you.

"Noon?" Tong Siyao was stunned. She seemed to have just had breakfast. it's still early, isn't it? "

"It's almost the same after you buy it. Besides, you have a surgery in the afternoon, so it's better to eat early."

"Then I'll have to trouble you with Yingluo." As Tong Siyao spoke, she pulled ye Zi.

Ye Zi, who was in a daze, turned around and said, " "Why?"

uh, hehe. Tong Siyao didn't know what to say.

"You guys take your time." Sheng Yiting closed the door and left.

"I'm fine," Tong Siyao sighed.

"What exactly are you doing?" Ye Zi asked.

"I wanted you to give him the money. He went to buy food, we can't just eat for free, right?" Tong Siyao said helplessly.

When ye Zi heard this, she felt a little apologetic. She smiled and said, "He definitely won't want it! Do you know what he's wearing? They were all custom-made by hand, and the clothes were at least a few hundred thousand Yuan. Why would they care about the cost of a meal? By the way, who is he?"

Tong Siyao was speechless. you finally remembered to ask? " she asked.

"I know!" Ye Zihua said, infatuated. He must have saved you, right?"

"No, he was the one who hit me." Tong Siyao said without any expression.

Ye Zi,"Yingluo."

"I'm serious. However, he said that there was another car at the time, and he wasn't the one responsible."

Tong Siyao's head didn't hurt as much now. She thought back to what had happened and realized that he probably wasn't lying. Moreover, the way he spoke and the way he handled things didn't seem like he was someone who would shirk responsibility.

Tong Siyao decided that she had to tell him about this later. It should not be his responsibility, so he did not need to bear it.

However, it wasn't convenient for her to do so now. There were many things that she couldn't handle, so she could only ask ye Zi for help.

Ye Zi heard her plan and called out, "Do you know how handsome he is? If he wants to take care of you, then just let him take care of you! Maybe she would develop feelings for him after taking care of him! This is simply a marriage from the heavens, it's worth it even if I'm blind!"

what are you saying? " Tong Siyao pretended to be angry. what are you saying? "

Ye Zi knew that she had said the wrong thing and hurriedly said, "Don't worry, don't worry, I'm just making an analogy, of course I can't be blind! But I can really get the handsome guy. I think he has a good temperament and character, and he's very rich. He's of the highest quality!"

Tong Siyao wanted to argue, but her heart stopped. She suddenly laughed. there's something even better! Do you know who he is? "

"Who is it?"

"His surname is Sheng."

"Sheng?" Ye Zi's eyes widened. that's prosperity? "

"Who else?"

"I'll go!" Ye Zi was shocked. could it be related to the richest man in the country, Sheng nanxuan? "

Tong Siyao nodded. did you see that doctor just now? "

Ye Zi nodded.

“The famous Yu Qingliu, the best called him granduncle.”

“I’ll go!” Ye Zi grabbed her agitatedly. you’re going to be rich!

Tong Siyao frowned in pain.

Ye Zi quickly let go of her hand and said while rubbing her, “In that case, you don’t have to worry about your injuries. That’s Yu Qingliu, you’ll definitely be fine. Wouldn’t it be a great deal if we can get the best while we’re in the hospital and get into this car accident?”

Chapter 1146 A chemical reaction!

Tong Siyao was speechless.

...

Ye Zi saw the look of disdain on her face and was unhappy. “He’s the son of the richest man in the country, okay? His only son! The money earned by the richest man was all his! He would be the richest man in the country in the future! No, I’m afraid he’ll be the richest man in the world in his time!”

“Hmph, spoiled second generation!” Tong Siyao expressed her disdain.

“What’s the second generation ancestor doing?” Ye Zi shouted, “the money Sheng nanxuan earned will not be completely spent even if his descendants spend ten generations! The spoilt young master had a steady temperament and clear eyes. He didn’t look like the kind of rich young master who only knew how to spend money. He might even be better than his father! You must seize the opportunity!”

“Don’t! if you like it, go and chase it. Tong Siyao closed her eyes and leaned against the bed.

sigh ... ye Zi sighed. I'd like to court him, but he won't even look me in the eye!

Tong Siyao's eyes flashed. She bit her lip and didn't say anything.

Ye Zi smiled. Seeing the fruits on the coffee table, she picked up an Apple and started peeling it.

Not long after, Sheng Yiting came back with a bunch of lunch boxes.

Although it was a lunchbox, ye Zi was dumbfounded when she saw the on it.

She had planned to introduce herself to him when he arrived, but she had been so shocked that she had forgotten.

Tong Siyao still couldn't see the sign clearly, but from the shape and color, it was the same restaurant as breakfast.

Oh, the taste was not bad. Her saliva was here.

But before that, she still had important things to do.

She turned to Sheng Yiting and said in a business-like manner, "Mr. Sheng, you don't have to do this if you're not responsible for the accident. I want to be transferred to a normal Ward because I can't afford such a high hospitalization fee. I don't think Yingluo's real perpetrator can afford it."

"It's okay. I did hit you and I should take responsibility. This hospital is run by my relative, so they won't care about this." Sheng Yiting said.

Ye Zi turned her head, her face full of grief and indignation, "what is a rich man?" This was wealth!

Sheng Yiting asked Tong Siyao, "you should have insurance, right? I remember that the school will buy accident injury insurance for students, and these can be reimbursed. You can stay here for now and

treat your eyes. After that, when the relevant departments carry out arbitration, you can do whatever you want.”

Tong Siyao bit her lip. She didn't want to lose, but she didn't want to take advantage of anyone either. She was afraid that things would go as they were supposed to and that she would have to pay him exorbitant hospital fees and medical expenses. She hoped that everything would be within her control.

Sheng Yiting knew that her family was not well off and wanted her to be at ease. He chuckled and said, “Of course, I personally want to take full responsibility. But I think miss Tong is not someone who is willing to take advantage of others. I really feel helpless.”

Tong Siyao's face turned red.

The little person in ye Zi's heart bit the corner of her clothes and shouted, “???-?! It was so pink! There was a chemical reaction!

“You eat first. This meal is on me.” Sheng Yiting got up and walked out.

“Mr. Sheng, aren't you eating?” ye Zi called out. How could she let the two of them eat such expensive dishes?

“I'm going to find my granduncle to have dinner together. I'll also ask him about the surgery.”

“Oh, then take care!” Ye Zi waved her hand and sent him out. Then, she went back to the bed, took out the food, and asked Tong Siyao to eat excitedly.

Tong Siyao thought that she was still smitten with Sheng Yiting, so she frowned and said, “You're bought over by a face? I didn't expect you to be such a shallow person!”

if I'm not shallow, would I be friends with a beauty like you?! Ye Zi called out.

Chapter 1147 Should I say 'be together'?

Tong Siyao smiled.

...

Ye Zi liked handsome men and beautiful women. It was a standard romance based on looks. The young hunks on TV were all her husband's ex, current, and future! A beautiful female celebrity could also become a husband or wife. She was a person with no principles!

"It's my great fortune to be favored by lady azi!" Tong Siyao said with a smile.

"Don't be talkative! Quickly eat!" Ye Zi handed her the bowl and chopsticks.

Tong Siyao immediately took it. The food in front of her was so fragrant that she had already drooled for three liters!

Ye Zi couldn't wait to pick up the vegetables and put them into her mouth. After eating each dish, she said, " Oh my God! I never thought that I would be able to eat such delicacies in my life!"

"Exotic delicacies?" Tong Siyao was confused. I think it's just vegetables? " Although tofu and fish buns are more delicious than the others, and the fish doesn't have any bones, they can't be considered exotic delicacies!"

"Hey, hey, hey, do you know what you're eating?" Ye Zi acted as if she didn't know what was good for her. song family's private kitchen! This meal costs a few thousand Yuan. It's enough for you to stay in the ward for a day!"

Tong Siyao's movements paused,"song family's private kitchen?" The legendary private restaurant that only served the rich and famous? A meal had to be booked a week in advance? Could it be that he already knew I was going to get into a car accident a week ago?"

Ye Zi rolled her eyes and said,"I realize that you have a weird focus sometimes!" You're making it sound like they're planning to harm you!"

“No! I think you’re wrong! How is it possible to make a reservation a week in advance?”

“His surname is Sheng!”

Tong Siyao was speechless.

That’s right, his surname was Sheng. It was rumored that Sheng nanxuan had the final say in who became the president. His family definitely did not need to make an appointment.

Leaf continued eating. As expected of a private restaurant, it was so delicious that she even wanted to swallow her tongue!

Oh, ” she said to Tong Siyao. a day in the ward is enough for a year’s tuition, and a meal is enough for a year’s tuition. Three meals a day was enough for one person to go to college! Tsk, tsk, I don’t understand the world of the rich!”

Tong Siyao suddenly couldn’t eat anymore.

She didn’t understand either.

Her family’s conditions were average. Although she had never been hungry or cold, she had never enjoyed anything. She couldn’t stand the fact that one meal suddenly cost her a year’s living expenses.

“Hey, don’t mind me.” Ye Zi could tell what she was thinking and advised, ” he bumped into you. You should eat it. Hurry up and eat! If he didn’t bump into you, would you need to eat this? Am I right? It’s not like you wanted to eat it. ”

“But he didn’t want to hit me.”

“You’re even speaking up for him? Do I have to say ‘together’? ”

Can't you just not find a partner for "Yingluo"? Their worlds were too different. She knew it was impossible, but she was not moved at all!

Ye Zi continued the previous topic,"it's precisely because he didn't want to bump into you that he's now apologizing!" Just eat and you'll be accepting his good intentions! Besides, it might be a marriage, and you won't be able to distinguish between each other in the future, so why are you still fussing over this?"

Tong Siyao glared at him. you think food can't shut your mouth? "

"Tsk, you didn't even stare at my face. Don't stare at me like that. It'll be easier for you to perform the surgery after you're done eating so that you can get better soon."

Hearing that, Tong Siyao became sad and lost her appetite.

She put down her bowl and said,"you can eat." The doctor told me to eat less, or else it will affect the surgery."

"It's not that you don't want to eat. How many mouthfuls have you eaten? If you don't eat, I'll go to young master Sheng. He'll definitely come and watch you eat, or he might even feed you himself."

Tong Siyao imagined that scene and felt a chill. She immediately picked up her bowl and started eating.

That whatever Yingying restaurant was indeed a private restaurant. It was quite fragrant, and it would be a pity not to eat it.

Chapter 1148 there's always a "if"

Tong Siyao's surgery was completed very quickly. When she came out of the operating room, her eyes were covered with gauze.

...

Sheng Yiting could not help but worry when he saw her like this.

Although he had confidence in Yu Qingliu's medical skills, there was always a 'what if'. What if she was greeted by darkness after she removed the gauze? She would definitely not be able to take it.

Ye Zi accompanied her to the ward. Sheng Yiting looked at Yu Qingliu, who was walking out of the operating room. "How is it?"

Yu Qingliu wasn't worried at all, "your granduncle is personally taking action, of course there won't be any problems." It will take at least half a month before the stitches can be removed. Take good care of her. "

Sheng Yiting was stunned and looked at him suspiciously. "Why do I feel like you're doing this on purpose?"

He deliberately made her lose her sight for half a month and then ran away.

"How could I be such a person?" Yu Qingliu patted him on the shoulder, her face full of heartache. you're the one who harmed my family. Don't you think you should take responsibility? You dare to admit to your actions, young man ~ that's a real man!"

Sheng Yiting didn't want to talk about such trivial things with him, so he asked, ""Will the wound on her face leave a scar?"

"You mind?" Yu Qingliu raised an eyebrow.

Sheng Yiting was stunned and called out, " "Why would I mind? Stop overthinking! Which girl wouldn't mind? I was originally fine, but it's not good for a disaster to destroy my face, right?"

“Don’t worry, it’ll be fine. Her face is a little round, so I can take the opportunity to get plastic surgery to make her oval face.”

“Which part is round?” Sheng Yiting retorted without a second thought. a standard oval face. I think it’s pretty good.

“Oh ...” Yu Qingliu looked at him suggestively.

“Forget it,” he said. “I won’t talk to this crazy granduncle.”

Sheng Yiting turned around and went to the ward. Tong Siyao was still unconscious. He said to ye Zi, “ please tell miss Tong that I’ll come to see her again tomorrow.

Ye Zi nodded her head repeatedly and sent him off with excitement. The tall, rich, and handsome among the tall, rich, and handsome. Where could he find such a top-grade person?

Not long after he left, Tong Siyao woke up.

Tong Siyao saw darkness in front of her and immediately panicked. She got up excitedly.

“Slow down!” don’t move! ye Zi shouted. you’re on a drip!

Tong Siyao paused and sat down with her help. She raised her hand and touched the gauze around her eyes.

“Don’t worry, the doctor said the operation was a success. You’ll be able to see it after removing the gauze.” Ye Zi said.

we’ll only know when the time comes, ” Tong Siyao mumbled.

It was very likely that she wouldn’t be able to see it even if she opened it.

She lowered her hands and leaned against the bed in low spirits.

She knew this would happen before she entered the operating room, but she couldn't calm down when she couldn't see it. What if Yingying went blind?

ah, Zhenzhen. ye Zi suddenly remembered. Mr. Sheng said he would come to see you tomorrow.

Tong Siyao wanted to say that he didn't need to come, but it was useless to tell ye Zi about it, so she could only nod.

She asked ye Zi, "are you going to class?" There's a nurse here, you don't have to worry about me. Go back to class."

"I don't have class today, so I'll accompany you. I'll come back tomorrow after class!"

.....

The next day.

Sheng Yiting rushed to the hospital after work. When he entered the ward, he saw Tong Siyao sitting on the bed with her headphones on.

She had no reaction to his arrival and was obviously listening to something.

Sheng Yiting walked over and stood by the bed. He lowered his head to look at her quiet face and did not disturb her.

After some time, Tong Siyao suddenly raised her head, took off her headphones, and looked in his direction. "Who is it?"

## Chapter 1149 Feeding the cake

“It’s me!” Sheng Yiting answered quickly, only to realize that he was a little distracted.

...

“Mr. Sheng?” Tong Siyao wasn’t familiar with his voice, so she wasn’t sure.

“Yes.” Sheng Yiting was a little upset at her question. So she didn’t remember him, Yingluo.

Tong Siyao hurriedly pulled her earphones out of her phone and put the two things beside her pillow.

She sat up straight and faced him. “I wanted to tell you yesterday that you don’t have to come to see me every day. I’m sure you’re busy with work too. I’m very sorry.”

“Yes.” Sheng Yiting agreed. it’s just that it’s your birthday today. I think I should do something to express my gratitude.

what? ” Tong Siyao was stunned. how did you know? ” Even she had forgotten.

“I saw your id when I helped you with the admission procedures.” Sheng Yiting passed the things in his hand to her. I bought you a gift.

this Yingluo! Tong Siyao wanted to refuse.

“Happy Birthday,” Sheng Yiting said.

Yingluo. Tong Siyao was helpless. thank you. Why are there two sets?”

“There’s a cake, it’s quite small. I’m afraid you won’t be able to finish it. ” He said with a smile.

Tong Siyao was silent for a moment, then said sincerely, "Thank you very much. I'll take the cake, but can you forget about the gift?"

"It's a bicycle." Sheng Yiting said.

"Ah?"

"I've damaged your car, I'll compensate you with another one. Here's the key. The car is at the hospital. Tell the nurse when you're discharged and she'll take you to get it. "

"But that's not your responsibility, Yingluo."

"This is my intention."

Tong Siyao paused. She held the small gift and nodded."Thank you very much. I hope I have the chance to return the favor in the future."

"Alright," he said. Sheng Yiting smiled and took the cake. shall I help you open the cake? "

"Okay, thank you." Tong Siyao let go.

Sheng Yiting opened the cake and took out a fork. "I'll feed you?"

well, " Tong Siyao said, a little embarrassed. She reached out her hand and said, " I'll try it on myself.

"That's fine,"

Sheng Yiting passed her the fork and told her where the cake was. Inevitably, he touched her hand and felt her stiffen a little.

He raised his head and saw her calm expression. He couldn't help but laugh. What a stubborn girl.

Tong Siyao took a bite of the cake under his guidance. Sheng Yiting said, "Slow down,"

She slowly brought the food to her mouth. Halfway through, Sheng Yiting suddenly sighed. She was stunned and stopped what she was doing.

"Don't move first." Sheng Yiting took the fork from her hand.

Then, she felt him gently touch the blanket.

She knew that the cake must have fallen off.

She took a deep breath and suppressed the agitation in her heart. "I think I'll pass."

"I heard this cake is very delicious. Don't you want to try it?"

How was she going to taste "Yingluo"?

Sheng Yiting wiped the blanket clean with a tissue, then picked up a piece of cake with a fork and sent it to her mouth. "I'll feed you. Come, open your mouth."

Tong Siyao was stunned. She opened her mouth and said, "put it down."

Sheng Yiting fed her the cake.

She swallowed it helplessly, covered her mouth, and said, "You can put it down. My classmate will be here later, let her feed you."

“Alright then. How’s the taste?”

Tong Siyao reminisced about the taste. It was not bad. But he didn’t feel it properly just now, so he couldn’t say it. He felt a little regretful.

“You can’t tell? Then give me another piece.” Sheng Yiting said.

Tong Siyao pursed her lips and helplessly agreed after a while.

Sheng Yiting smiled and fed her another mouthful.

Chapter 1150 He can pretend he doesn’t know

She savored the taste slowly, and the expression on her face gradually relaxed, showing some joy.

...

It seemed that the cake tasted good.

“Have some more.” Sheng Yiting continued to feed her.

Tong Siyao was a little embarrassed, but the cake was really delicious. She was also a little hungry, so she hesitated and opened her mouth.

She felt a little full after feeding him half of it. Just as she was thinking about how to reject him, Sheng Yiting’s phone rang.

Tong Siyao secretly heaved a sigh of relief.

Sheng Yiting put down his fork and picked up the phone.

“Big brother, aren’t you coming back for dinner tonight?” Sheng shuangxue asked.

“I want it. Did you do your homework?” He asked.

Tong Siyao was stunned. Doing homework? He had a child?

“I’m doing some math questions,” Sheng shuangxue said pitifully. “The math questions are so difficult. When are you coming back to teach me?”

“I’ll be back immediately, okay?”

“Alright!” Sheng shuangxue replied happily, “bring me a cake too!”

Sheng Yiting glanced at the cake that Tong Siyao was eating and said heartlessly, “No! Mom will scold me if she knows.”

“Hmph! You don’t love me anymore!”

“Mommy didn’t want you to eat it.”

“Hmph!” Sheng shuangxue was still unhappy.

“Alright, big brother will be back soon.”

Tong Siyao was stunned. Brother? His sister?

Sheng Yiting hung up the phone and said to her, “I have to go back. I’ll come to see you another day.”

If you don't have time, Mr. Sheng, you don't have to go through all that trouble. Tong Siyao said apologetically.

"Alright," he said. Sheng Yiting did not insist. He took out a pen and a piece of paper and wrote down his phone number, then stuffed it into her hands. this is my phone number. You can call me if you need anything.

what?" Tong Siyao was stunned. I can't see," she said self-mockingly.

"Then you can ask the nurse to do it. You can do it yourself after the stitches are removed."

"Hello, Yueyue."

Does he mean that he won't be coming back anymore?

Tong Siyao didn't want to trouble him, but she was a little disappointed that he really didn't come.

Sheng Yiting looked at the unfinished cake. "This cake, Yingluo"

"You can put it down. I'll get my friend to feed me when she comes."

"Then you should rest more."

.....

When ye Zi came, she also brought a small cake. Seeing the half-eaten cake by the bed, she called out, "Where did you get the cake?"

"Oh, I'm glad Mr. Sheng brought them." Tong Siyao felt embarrassed, as if she had been caught doing something bad.

“You’re really going to be rich! It’s already developed to such an extent!”

“What degree? This hospital belongs to him, so don’t talk nonsense.”

“How am I talking nonsense? He’s already celebrating your birthday!”

Tong Siyao choked. it’s just in passing. He saw my ID card when he was helping me with my hospitalization, so he expressed his gratitude.”

then he can pretend that he doesn’t know about it ~”ye Zi mumbled softly.

Tong Siyao was speechless.

However, she thought that Sheng Yiting was trying to comfort her. She couldn’t see now and was a little anxious. He had used this method to divert her attention, and it also made her feel much more relaxed.

As for other things, she didn’t dare to think too much. The difference between the two of them was too great. This was not even a dream.

Ye Zi also understood this logic. She said that more as a joke, but seeing that Tong Siyao didn’t like it, she didn’t say anything.

“Then what about the cake I bought for you?” she looked at the cake she bought.

“You also bought it?” Tong Siyao asked in surprise.

Ye Zi was furious, “you heartless little thing!” Why don’t I buy it? This great aunt remembers your birthday!”

Okay, okay, " Tong Siyao said hurriedly. thank you! Let's eat together!"
