

Ditsy Wife 1161

Chapter 1161 Yu qinghuan returns

"I'll check it out tomorrow." Sheng nanxuan said immediately.

...

"Uh, I didn't mean that."

"We still have to investigate."

Gong mo hesitated, "that's not a good idea." To destroy the privacy of others. If Yiting finds out, he'll definitely be unhappy."

"Just don't tell him. We've been through so much, so we have to be more careful. What if there's a potential danger?"

Gong mo thought for a moment and rubbed his head against Xu que's shoulder, "That's true. Then let's check. But what if that girl really had a problem? This is Yiting's first time falling in love with someone, and he's already met with such a thing. He'll definitely have a psychological shadow."

"How could my son be so useless?"

Gong mo pinched him in dissatisfaction.

He laughed and rubbed his face against hers. we'll talk about it if there's really a problem. They're not dating yet anyway. At most, we'll just kill their feelings in the cradle!"

According to his thinking, at most, he would just find an assassin to kill and end all troubles!

.....

The car stopped in front of the hospital. An elderly foreign man and a young Chinese woman got out of the car.

The man had a wild temperament, and it was impossible to judge his age. He could be in his 50s or 60s, not like he was in his 40s.

The woman was about 20 years old. She was wearing a red windbreaker and a pair of red high heels. Her long black hair reached her waist. She had a pretty face and could be considered a stunning beauty.

She raised her head and looked at the name of the hospital with a cold gaze.

The man beside her asked, "why aren't you going in?" Is it really like the Chinese saying-homesickness when approaching home?"

The woman lifted her foot and stomped on the back of his foot with the heel of her shoe.

ow ... the man hugged his leg and jumped up.

The woman turned around, put her hands in the pockets of her trench coat, and walked inside.

The man limped as he followed her into the outpatient department. The two of them immediately attracted the attention of the nurse on duty.

The nurse looked at Yu qinghuan in a daze. She had never seen such a beautiful woman in her 20 years of life!

Yu qinghuan glanced at the man behind her and said, "Let him take a look."

"Oh! Good, good!" The nurse hurriedly helped the man to the door.

Yu qinghuan walked to the back of the hospital and went to the VIP Ward. She looked at the surveillance camera on the wall and frowned unhappily.

The light at the door flickered, and she walked in. The nurse on duty asked, "May I ask if you-"

Yu qinghuan's pupils shrank, and with a bang, all the lights around her went out!

ah! the nurse screamed in pain.

The patients in this building were either rich or powerful. What if the power was cut off and all the equipment stopped working? what if someone died?

She hurriedly made a call to check the power supply of the other floors.

Yu qinghuan picked up the book on the table and quickly found Yu Zhengming's ward number.

The nurse heaved a sigh of relief when she learned that it was just a power failure on the ground floor.

When the power was restored on this floor, the people in the monitoring room rushed over and asked, "What's going on? All the surveillance cameras in this building are out of order!"

The nurse suddenly thought of the woman in red from earlier. She took-look-she was gone!

She was in a daze. Did he run into a ghost? And it was a red-dressed female ghost who was shockingly beautiful! Did this building have such a patient?

.....

Yu qinghuan gently pushed open the door to the ward. There were two Night Lights in the room. Yu Zhengming was lying on the bed in the ward next to the window, and there were various devices that could detect his vital signs on the bed.

In the dark, the curve on the instrument was quiet and clear.

In the other family member's room, there was a person sleeping on the accompanying bed, and another person was sleeping on the sofa.

Yu qinghuan walked in, gently closed the door, and quietly walked to the bed.

Chapter 1162 I might be overthinking

She sat on the stool and stared at Yu Zhengming without blinking.

...

When was the last time she saw him?

She remembered that he had no wrinkles at that time.

She reached out and gently held his dry hand.

His hands were full of wrinkles, like dried tree bark, but his body temperature was higher than hers. She slowly felt his pulse and guessed that Yingying's days were numbered.

The sound of footsteps came from outside the door, but Yu qinghuan didn't pay much attention to it, because it might not necessarily be for this Ward.

Yu Zhengming's hand suddenly moved. She was shocked and quickly stared at him.

He was still lying there quietly, showing no signs of waking up.

Yu Qinghuan held his hand and became very nervous, not knowing what to do.

Suddenly, the footsteps outside stopped. It was right at the door!

She gently put down Yu Zhengming's hand, got up, and ran to the window. She opened the window and nimbly jumped out.

The door of the ward opened, and Sheng Yiting walked in quietly.

Along the way, he was wondering if he had been too impulsive. It was almost 12 o'clock. Tong Siyao must be asleep. He couldn't have gone to her Ward. But he still came without hesitation.

Regardless of whether he was going to see Tong Siyao or not, he had to see Yu Zhengming first.

Looking at the situation in the room, he confirmed that it was very late. Even the caregiver was asleep.

He walked to the sofa and saw Yu Ze lying on it. She walked to the bed, where Yu Xinzhuo was lying. He covered Yu Xinzhuo with the blanket and turned to look at Yu Zhengming.

Just as she was about to sit down, a voice came from the door. He quickly turned around, and the door to the ward was pushed open. Someone turned on the light, and Yu Qingliu entered his sight.

"Granduncle?" Sheng Yiting looked at him in surprise.

Yu Qingliu walked in. There was a power outage downstairs just now. The surveillance cameras were broken too. I was afraid that something might have happened, so I came to take a look. When did you get here?"

"I just arrived. Didn't granduncle go home?"

"No, I'm sleeping in the office," Yu Qingliu walked over to examine Yu Zhengming.

At this moment, Yu Ze and Yu xinzhuo also woke up and hurriedly asked what had happened.

“Did you guys notice anything unusual?” Yu Qingliu asked after explaining.

They were both asleep, what could they have found? He could only shake his head.

Yu Qingliu furrowed her brows and walked to the window, only to find that it was not locked.

“Were the windows closed earlier?” he asked, puzzled.

“Uh, Yingluo didn’t notice.” is there a problem? ” Yu Ze asked.

Yu Qingliu pushed open the window and stuck her head out, but she didn’t see anything. it’s alright, Wanwan, ” he replied, frowning. I’m probably overthinking it.

it’s the middle of the night. Why are you here? ” he asked Sheng Yiting after closing the window.

“I couldn’t sleep, so I came to take a look.”

Sheng Yiting felt a little guilty.

If he didn’t miss Tong Siyao, he definitely wouldn’t have come. He suddenly felt that he was a little unfilial.

Yu Qingliu said, “just in time!” Since you’re here, stay and take care of great-grandfather.”

“Yu Ze and I are enough here.” Yu xinzhuo said.

why don't you go back, uncle?" Sheng Yiting suggested. Yu Ze and I will stay.

Yu Qingliu nodded and said to Yu xinzhuo, "That's right. Young people like them have good stamina, so leave it to them."

Yu xinzhuo raised his eyebrows. uncle is here. How would I dare to leave?"

Yu Qingliu choked and walked out, "Then do as you wish! It's late, let's not chat and disturb dad's rest."

Yu xinzhuo said to Sheng Yiting, "you can sleep on the bed. Yu Ze and I ..."

"No, no, no!" Sheng Yiting waved his hands in a hurry. my dad just beat me up this afternoon. Please spare me! You guys go to bed first, I'll go to great-uncle's office and get a bed."

"That's fine. I'll call you if I need you."

Sheng Yiting nodded and went out. He was still worried about Tong Siyao, so he decided to take a look.

Chapter 1163 Meeting in the elevator

Yu Qingliu walked out of the inpatient department and suddenly stopped.

...

He turned his head to look at the surveillance camera in the corner of the wall and the street lamp on the ceiling. He went back and asked the nurse on duty at the front desk, "Was there anything unusual when the power went out?"

The nurse was searching for the Holy Bible and Diamond Sutra on her phone, hoping to use them to ward off evil spirits.

When she heard what he said, she wanted to mention the female ghost in red she saw before the power cut, but she was afraid that he would scold her!

As a medical staff who talked about science, how could he be so mysterious?

“What are you doing?” Yu Qingliu saw that she was in a daze and stared at her phone. it’s working hours now.

I’m sorry, Wanwan. the nurse lowered her head.

Yu Qingliu sighed and turned to leave.

“Director!” The nurse shouted.

“What’s wrong?”

Oh my God, I saw a beautiful woman in red.

“What did you say?” Yu Qingliu rushed in front of her.

The nurse explained the situation in detail, and after Yu Qingliu heard it, she quickly walked to the monitoring room.

The surveillance camera in the VIP Ward had not been fixed yet, so Yu Qingliu asked them to pull up the video of the hospital entrance. As expected, they saw the red figure that had appeared half an hour ago.

“Did they go out?” Yu Qingliu hurriedly asked.

The surveillance personnel checked and shook his head. “No, I haven’t. I don’t know where the woman is, but the man is still in the clinic.”

Yu Qingliu moved closer to the surveillance camera. This Wanwan was King?

After Yu qinghuan went missing, King had searched the entire world for her. Not long after, the new King took over, but there was no more news about him.

Yu Qingliu had always thought that he was dead, because this was King’s ending. He was killed and replaced by a newbie!

But she didn’t expect him to still be alive. However, even if he was alive, he could no longer be called King. This was because the current boss of “shadow” had been in power for more than ten years. His methods were bloody, his style was fierce, and he was undoubtedly the king of the entire assassin world!

Yu Qingliu left the monitoring room and sent a text to Sheng nanxuan. She was back.

.....

Sheng Yiting walked to Tong Siyao’s ward and knocked on the door twice. He didn’t hear any response, so she must have fallen asleep.

He mustered his courage and pushed the door open, turning on the light.

Since she couldn’t see now, he wasn’t afraid of her finding out.

However, he still felt that his current behavior was a little like breaking into someone’s room.

The ward was also someone else’s privacy!

He walked over to the bed to take a look and helped her to push away a lock of hair on her face.

At that moment, his Restless Heart finally calmed down. He didn't stay any longer and quietly left the ward.

When they reached the elevator, the elevator came down from upstairs. When the elevator door opened, he was about to enter when he saw a beautiful woman standing inside. He was so shocked that he stopped in his tracks.

In the middle of the night, he met a beautiful woman in the elevator. She was even wearing red clothes and red shoes. Were you sure she wasn't a ghost?

Ahem, Yingluo is your grandmother! Young man!

Yu qinghuan saw that the door was about to close, but he still didn't come in. She reached out and pressed the button to open the door, her red lips lightly opening. "You're not coming in?"

Sheng Yiting looked at the floor and saw her shadow. He heaved a sigh of relief and walked in.

"Thank you," he said. He said.

He was probably here to visit a patient. She was allowed to visit him in the middle of the night, but no one else was allowed to come?

Yu qinghuan glanced at him and couldn't help but laugh.

Earlier, she was hiding under Yu Zhengming's window, so she naturally heard his voice. From his appearance, could he be Xuanji's child?

Yu qinghuan's gaze on him became even gentler.

Chapter 1164 He was called old K now

Sheng Yiting felt that she was staring at him. He looked up at her and couldn't help but shiver. Then, he moved a little to the side.

...

Yu qinghuan burst out laughing. She didn't expect him to be so innocent at this age.

Sheng Yiting's scalp went numb. It was the middle of the night, and the atmosphere was terrifying! Did he really run into a ghost?

The elevator had unknowingly reached the first floor, and Yu qinghuan walked out first.

Sheng Yiting heaved a sigh of relief and slowly walked out of the room. She was nowhere to be seen.

Well, she must have walked very fast. Sheng Yiting didn't want to scare himself!

And he suddenly realized that he seemed to have seen her somewhere before! Where was he? Oh, he must have met her two days ago and had forgotten about her.

He walked into Yu Qingliu's office and saw that Yu Qingliu was on the phone.

Yu Qingliu looked at him and covered the phone, " "You want to sleep here?"

Sheng Yiting nodded.

"That's good, I have something to do. If someone is looking for me, just give me a call." After Yu Qingliu finished speaking, she picked up the phone and left.

it's already midnight, " Sheng Yiting could not help but say. you should get some rest!

Yu Qingliu waved her hand and left without looking back. When she arrived at the outpatient department, she saw " King " playing with his phone in the waiting room.

He glanced at " King " and the latter noticed it. He pretended to stretch his back and looked up. When she saw him, she was slightly stunned. Then, she pretended not to know him and continued to play with her phone.

King was cursing in his heart,"Where did this woman go? She didn't like to use her phone, so how was he going to contact her?

Yu Qingliu walked over, lowered her head, and smiled."Hi ~"

King "raised his head and pretended not to know him. He picked up a random foreign language and started to speak it.

Yu Qingliu rolled her eyes,"stop acting!" You've chased me for so many years. You may have forgotten me, but I will never forget you, you pervert!"

"Ahem ..."

King choked.

He had been chasing after Yu qinghuan for more than ten to twenty years, and he had forgotten that he had chased after Yu Qingliu even earlier.

Yu Qingliu sat down beside him and asked, " "How should I address you now? I can't be called King anymore, right?"

"You can call me old K. Those who know me call me that now."

Yu Qingliu nodded and took out a box of cigarettes. She opened the lid and handed it to him.

He took a cigarette and sniffed it. It tasted good.

“Doctors smoke?” He asked.

“Smell it.” Yu Qingliu took one and put it in her mouth.

“Where’s the fire?” Old K asked.

“If I don’t smoke, why would there be a fire?” Yu Qingliu looked at him like he was an idiot.

Old K was depressed and could only imitate him. “If you don’t smoke, then why are you carrying it?”

“It doesn’t look that silly when it’s in its mouth while chatting.”

“Yingluo is so silly!”

really?” Yu Qingliu smiled and looked at him. when did you find her? ”

“Who is it?” Old K played dumb.

Yu Qingliu reached out and held him down by his shoulders to prevent him from running away. nanxuan will be here soon. You’d better be honest.

“Oh, you mean your sister?”

“She’s my sister!” Yu Qingliu’s face darkened.

Old K's eyes widened, and the cigarette in his mouth bent from his biting. "Your sister?"

"You can't tell his age, can you?" Yu Qingliu laughed.

Old K wiped his face and did not want to pursue the matter.

Over the past twenty years, Yu qinghuan's appearance had not changed at all, and he had long been numb to it.

"I've only been moved twice in my life, and it was because of you two," he sighed.

Chapter 1165 waiting

Yu Qingliu's body stiffened, and she immediately pushed him away. She immediately shifted three seats to the side, then asked, "Didn't you only sleep with men in the past? when did your taste change?"

...

"The moment your sister barged into my line of sight." Old K said seriously, "you don't know how beautiful and powerful she is! I've been muddleheaded my entire life, I must've been waiting for her Yingluo."

"You're so nauseating." Yu Qingliu moved two more seats to the side.

When old K saw this, he got up and ran.

"Yingluo, f * ck!" Yu Qingliu reacted and chased after him.

Old K and Yu qinghuan's car was still parked outside, so he immediately got into the car and drove away. How could Yu Qingliu catch up?

Yu Qingliu was so angry that she threw the cigarette in her mouth to the ground.

After a while, another car stopped in front of him. Sheng nanxuan got out of the car. "Where is he?"

"He ran away!" Yu Qingliu said unhappily.

Sheng nanxuan glared at him with an expression that said, 'are you kidding me?'

Yu Qingliu shrugged. only old K is here. It's not like you don't know your mother. She must have run away long ago.

Sheng nanxuan said helplessly, "if she wants to see us, she won't hide. If she hides, we won't be able to find her." Get someone to look after Grandpa and Grandma. She'll definitely go and see them. Let's just wait for her!"

Yu Qingliu nodded.

"Then I'll go back first." Sheng nanxuan got into the car.

"Aren't you going to visit your grandfather?"

"Only Gong mo and shuangxue are at home. Besides, it's so late at night, should I go visit him or disturb him?"

"Even a fly can't fly into your house, what are you worried about?"

hehe, " Sheng nanxuan laughed at himself. my mother can fly in.

Yu Qingliu, "Yingluo."

.....

After Sheng Yiting got out of bed, he simply rinsed his mouth and washed his face before going to the ward to look after Yu Zhengming.

Yu xinzhuo and Yu Ze also woke up, and the three of them helped Yu Zhengming wipe his face and hands, then fed him.

When they were almost done, ding dang and Yu Xinya arrived, and the few of them went home.

Sheng Yiting hadn't changed his clothes or washed up. He felt that he was too unkempt to look at Tong Siyao.

He went home, cleaned up, had breakfast, and then took Sheng shuangxue to the hospital.

Gong mo and Sheng nanxuan were worried that there would be too many people in the morning, so they planned to go in the afternoon."Don't argue in the ward! We're all old and can't stand your torment."

"I will manage shuangxue well." Sheng Yiting said with a smile.

Sheng shuangxue pouted her face in dissatisfaction. Just mind your own business!"

Sheng Yiting tugged at her ponytail and led her out.

On the way, he stopped his car to buy two desserts and said to her, "One portion is for you. You can eat it when you're hungry. This is also for you, but it's an apology gift."

Sheng shuangxue snorted,"you just need me to apologize to others!" Tell me, are you in love with her?"

Sheng Yiting ignored her question. He patted her head affectionately and drove away.

When they arrived at the hospital, the two went to see Yu Zhengming first, then found an excuse to leave to see Tong Siyao.

Tong Siyao was familiarizing herself with the ward. The nurse explained the situation to her while she tried to walk by herself.

She didn't want to show her weak side before, so she didn't do this at all. But after Sheng Yiting's chat with her yesterday, she had let it go.

What's the big deal with treating it as a life experience?

"Miss Tong," Sheng Yiting called out from the door.

Sheng shuangxue stuck her head out from behind him and peeked at him.

Chapter 1166 The awkward young lady

Tong Siyao stopped and said in surprise, "Mr. Sheng?"

...

She really wanted to ask, why are you here again?

She felt that he didn't have to visit her every day. Could it be that he was really interested in her? No, no, no, no, old master Yu was definitely still in the hospital. He was just passing by.

"I've brought my sister to see you," Sheng Yiting walked in.

“Your sister?” Tong Siyao was even more surprised when she thought about the voice from yesterday. That little girl didn’t seem to like him.

“She’s called shuangxue.” Sheng Yiting said, “ come, shuangxue. Say hello to sister Tong.

Sheng shuangxue walked to Tong Siyao with the dessert in her hand. She opened her mouth, but suddenly turned around and asked Sheng Yiting, “ “Can I speak to her alone?”

Sheng Yiting thought for a moment, then nodded and smiled. “Alright. My Xue ‘er is shy.”

you ... Sheng shuangxue stomped her foot in dissatisfaction.

“OK! OK! I won’t say it.” He hurriedly retreated.

The nurse followed him out and gently closed the door.

Sheng shuangxue snorted and looked at Tong Siyao. “You’re my brother’s girlfriend?”

“No,” Tong Siyao said hurriedly.

“Really?” Sheng shuangxue narrowed her eyes. She obviously didn’t believe him.

yes. Tong Siyao smiled and nodded. I’m his creditor.

“Creditor?”

“If he wasn’t a creditor, how could he be so unlucky to have bumped into me?”

Moreover, the responsibility was not on him, but it was still the accident that caused him to run up and down to take care of her. It was possible that he owed her in his past life.

Sheng shuangxue pursed her lips and didn't know what to say. It was her brother's fault for bumping into someone. However, she couldn't call her sister-in-law just because of this!

She straightened her neck and said, "it's good that you're not my girlfriend." I'll f * ck, I'll f * ck!"

She wanted to say a few threatening words, but after thinking for a long time, she didn't know what to say at all because it was her first time doing this kind of thing and she was completely unfamiliar with it!

How do those bad-hearted female supporting characters on TV talk?

She was not a bad Supporting Actress, don't learn from that kind of person!

Hmph, she's lucky, I won't say it!

Thinking of this, Sheng shuangxue handed over the dessert in her hand. it was my fault for speaking like that yesterday. I apologize to you. This is a gift for you!

Tong Siyao wanted to refuse. However, hearing her proud and awkward tone, she would definitely be angry if he rejected her, right?

Tong Siyao smiled and took it. I can't see, and I believe you didn't do it on purpose. Thank you for coming to see me. "

Humph! Sheng shuangxue raised her chin arrogantly. a mistake is a mistake. I'm willing to apologize to you. Just accept my apology!

Tong Siyao paused, her expression complicated. She was really an awkward young lady!

Seeing her expression, Sheng shuangxue blushed.

???-?????????If you want to apologize, then apologize properly. Why do you have to wriggle?

Wuwuwu! Sheng shuangxue turned around and ran away.

Sheng Yiting was standing in the corridor outside the door. He was shocked to see her and quickly caught up with her.

"I'm fine!" Sheng shuangxue shouted. Don't worry about me!"

Sheng Yiting was still worried, so he sent her back to Yu Zhengming's ward. Then, he came back to see Tong Siyao and asked, "Shuangxue, Zhenzhen didn't offend you, did she?"

Tong Siyao shook her head and said with a smile, she's so cute. Which grade are you in?"

"Sixth grade." Sheng Yiting sat on the sofa with her and started peeling an Apple.

"What a coincidence, so is my sister."

you have a sister too? " Sheng Yiting asked in surprise. you have a sister too? "

Chapter 1167 Yingluo was probably just a coincidence, right?

"Yes, there is one."

...

"She must be as pretty as you, right?"

Tong Siyao blushed. that's definitely not as good as your sister. she said.

Sheng Yiting understood. It seemed that her sister was indeed very beautiful, at least in her opinion.

It seemed like she was also a sis-con.

Eh? Why did I say 'too'?

.....

Gong mo was sitting on the sofa and knitting a sweater. He glanced at the TV from time to time, which was playing the news.

Due to her career, this was her favorite thing to watch. Sheng nanxuan and Sheng Yiting only cared about the news. Fortunately, Sheng shuangxue, the little devil, liked to watch TV shows, so they would watch some melodramatic TV shows occasionally. They felt that they were more down-to-earth. Otherwise, it would be strange no matter how one looked at it if the whole family was a straight-A student.

Sheng nanxuan placed a cup of longan and red jujube tea in front of her and asked, "Who is this for?"

"It's pink," Gong mo looked at him helplessly. In other words, it's definitely not yours!

"I can't wear pink?" Sheng nanxuan was displeased.

"If you have the ability, wear it!"

"Hmph!" Sheng nanxuan turned his head away. ever since we had a child, you stopped loving me.

"As if I can give birth to a child on my own," Gong mo snorted.

Sheng nanxuan felt guilty. Suddenly, he heard the fax machine ring and hurriedly said, "I'm going to receive a fax."

Gong mo looked at his back with a smile and took a sip of tea. She had added rock sugar, so it was very sweet.

After a while, Sheng nanxuan came over with a stack of documents. "I've found out about your son's affair,"

"Oh, really? Quickly let me see!" Gong mo hurriedly put down the half-knitted sweater and muted the TV.

Sheng nanxuan flipped through the documents and handed her one of them. what a coincidence. She's an intern from your company. She seems to be your favorite.

"What?" Gong mo looked at him and was filled with resentment. why is Yiting so careless when he's driving? He's only in his fourth year. If he's seriously injured, wouldn't his career be ruined?"

what? " Sheng nanxuan glanced at her. she's more important than your son? "

"You don't understand! I'm just cherishing talents!"

She wanted to see someone else do what she couldn't do, so she thought highly of Tong Siyao.

Seeing that he still had a lot of information in his hand, she asked in confusion, "Is there a problem with her?"

"I don't think so. But I think it's quite a coincidence." Sheng nanxuan showed her some documents as he spoke. her father was called Tong Yuan. He died 11 years ago. However, when her parents got married, she was almost one year old. She is definitely not Tong Yuan's child."

"Are you sure? Don't you like it when people get on the bus first and buy tickets later?"

“Tong Yuan is a soldier. If the child is hers, he will be punished for his behavior. However, he has no record of being punished.”

eh? ” Gong mo was stunned. does Tong Siyao know about this? ”

“I don’t think so,”

Gong mo broke out in a cold sweat. Did this mean that he had found out the secret of her birth?

Sheng nanxuan found some of the information. “According to the records, her mother is an Aboriginal of the Xiyuan province. Twenty years ago, an avalanche occurred in Xiyuan province. All her relatives died in the avalanche, leaving only Tong Siyao, who was still in her swaddling clothes. At that time, the disaster victims were settled down in Xizha city, and Tong Yuan happened to be involved in the settlement work at that time. That should be how they developed feelings for each other and became husband and wife.”

Gong mo still remembered that avalanche. It was the first time that Aimo had sent a reporter to follow up on an unexpected event, and it had progressed smoothly, establishing the foundation of the Aimo news agency.

Chapter 1168 Yu qinghuan meets Wu surong

Wu surong opened her eyes from her nap.

...

The window of the room was half-open, and the sun was shining brightly outside. In an instant, she seemed to have returned to the time when she was young. It was as if she overslept in the morning. Because of Yu Zhengming’s crazy demands the night before, her entire body was lazy, and she wanted to sleep like this until the end of time.

As her consciousness gradually returned, she realized that she was old, and her eyes immediately became wet.

She still remembered how loving they were when they were young and had just gotten married. She could still feel the sweetness and heartbeats of that time. And now, he was going to leave her alone!

old man, ” she said hoarsely and sat up shakily. She saw a young Lady in Red sitting on a rocking chair in the corner, holding her baby daughter’s photo album and flipping it gently.

Wu surong looked at her in a daze.

She lowered her head, her body shaking slightly as she slowly flipped through the photo album.

Wu surong saw half of her face, but she couldn’t see clearly due to her old age.

She sat behind the curtain, half of her body in the shadow and the other half in the sun.

Wu surong didn’t remember seeing such a person. Maybe he had seen it before, but he had forgotten. But suddenly ... As if she had a stroke of good fortune, she shouted, ” “Qinghuan,”

Yu qinghuan’s swaying body stopped, and her hand trembled slightly. She lowered her eyes and stared at the photo in her hand.

He was still the same as before, and he couldn’t remember how many years had passed. However, it must have been many, many, many years.

Because ...

Mom and dad are old, very old.

Nanxuan’s baby has also grown into an adult, Yingluo.

The whole world had changed into something she didn't recognize, and she was the only one still wandering in the same place.

She did not like this.

How she wished she could grow old with everyone.

She didn't even dare to face Wu surong.

"Is that you, qinghuan Zhenzhen?" Wu surong asked excitedly.

She was old, and it was hard for her to speak, so she couldn't speak clearly.

However, Yu qinghuan could hear it very clearly-she was calling out to her.

She turned her head, and her beautiful face appeared in Wu surong's sight.

Wu surong's eyes widened.

Yu qinghuan's appearance had not changed, but it was different from what he remembered. Her temperament was completely different.

But Wu surong knew that this was her happiness.

Yu qinghuan's eyebrows twitched when she heard someone talking outside the door.

The door was pushed open, and Wu surong looked over subconsciously.

Yu Xinran stood at the door and said in surprise, "Grandma, you're awake? Didn't you sleep well?"

She walked over and saw Wu surong in a daze. She asked worriedly, "Grandma, do you recognize me?"

"Huanhuan!" Wu surong turned around and found that the rocking chair was empty. She was shocked and shouted, "qinghuan!" Qinghuan!"

"What's wrong, grandma?" Yu Xinran asked anxiously.

Yu Xinya and Lu Rou also followed in. Yu Xinya said helplessly, "She's missing aunt again,"

Wu surong pointed at the window. qinghuan! Qinghuan! She's back!

Yu Xinya was taken aback. She walked to the window, picked up the photo album, and glanced at it. Then, she turned back to look at Yu Xinran helplessly.

grandma, "Yu Xinran coaxed," let's change our clothes first. Let's go visit Grandpa.

"Qinghuan, you're back," Wu surong pointed at the rocking chair and said, "she's there! Qinghuan!"

She hurriedly got out of bed and walked to the window. The few of them were afraid that she would fall and carefully supported her.

There was nothing in front of the window.

Wu surong looked down and saw nothing either.

She was stunned, not knowing what was going on.

grandma must be dreaming," Yu Xinya said. she must've dreamed of Auntie.

she's teasing you. Wu surong knew that they wouldn't believe her. But she really saw it!

Chapter 1169 terrified

She didn't say anything else and let them help her change her clothes before going to the hospital to see Yu Zhengming.

...

When they reached the hospital, she grabbed Yu Zhengming's hand and said, "Old man, qinghuan is back. Really, I'm not lying to you. I saw her. Her Yingluo was still the same as before, so beautiful! What kind of boy do you think is worthy of her? I don't think anyone can do it. The person Qianqian is going to marry qinghuan can't be worse than you."

Yu Zhengming looked at her, his eyes filled with worry. His hand moved, and he held her tightly.

How could he not worry when she was like this?

"You heard what I said?" Wu surong asked happily, "you also believe that she's here, right? Hmph, they all say that I'm dreaming, but I'm not. It's fine if you don't believe me, we won't tell them. This is our little, secret!"

Yu Zhengming smiled, full of love, as if to say: Alright, alright, whatever you say.

Wu surong was even happier. Like a child, she said, "You better get well soon. We'll change into new clothes to welcome her. By the way, what did she like to eat? We have to prepare well, Yingluo!"

She spoke very slowly, and it was difficult for the people around her to hear what she said. After listening for a long time, he could roughly tell that she was talking about Yu qinghuan.

When Gong mo and Sheng nanxuan arrived, Yu Xinran said helplessly, "I dreamed of Auntie when I was sleeping at noon. I kept talking about her."

Sheng nanxuan was stunned. dream?" he asked.

Yu Xinran nodded.

He walked to the bed and looked at Wu surong and Yu Zhengming. After listening for a while, he realized that Wu surong was in high spirits. Did ran ran really see it?

Just then, Sheng Yiting and Sheng shuangxue came out of nowhere.

great-grandma?" Sheng Yiting walked over, confused. what happened to great-grandma?"

"He said he saw your grandma." Sheng nanxuan said.

Sheng Yiting turned to look at Gong mo and Yu Xinran, who was mumbling about the situation in a low voice.

He walked over and listened. When he heard the word " photo album, " he was suddenly stunned.

He had flipped through Yu qinghuan's photo album and had some impression of the beauty in it. He suddenly remembered that the beauty in red in the elevator last night, Yingluo, looked like his grandma!

He even said where he had seen her before, but he had clearly seen her in a photo album!

However, his grandmother had passed away long ago. Even if he was alive, he couldn't be that young!

Sheng Yiting's scalp went numb. Did his grandmother in the netherworld know that his great-grandfather was dying and came to see him? And at the same time, take a look at his grandson whom he had never met before?

Isn't this too scary?

.....

A few days later, Yu Zhengming's health didn't improve, and more and more people stayed in the hospital to accompany him. Everyone stayed longer and longer.

He knew that he was dying. However, he was still hanging on to his last breath and couldn't bear to swallow it. Especially when Wu surong told him that she had seen Yu qinghuan.

He knew that Wu surong's brain wasn't working well, but he was still willing to believe her. She was the person he trusted the most in his life. They were people who had been together for more than 70 years.

At this time, everyone in the Yu family, including the children and grandchildren who had gotten married, gathered for a meeting to talk about Yu qinghuan.

Yu qinghuan was still alive.

This news shocked those who didn't know.

Sheng Yiting blurted out. she won't look the same as in the photo, will she?!

Sheng nanxuan looked at him sharply. "You saw her?"

"Uh, hehe."

Sheng nanxuan remembered that he was also in the hospital that night. He might have really seen it. He immediately said, "she likes to wear red clothes. I've seen her several times, and she's always like this.

Chapter 1170 Isn't that a fairy?

"I'm scared." Sheng Yiting facepalmed. I did see one. She even smiled at me, then she left the elevator and disappeared after turning a corner!

...

"Then, everyone, please be more careful." Sheng nanxuan said.

"But how did she appear so silently?" Yu Xinran asked, " I didn't see her at all when I entered the door that day. The security in the neighborhood is so tight, how could she come in for no reason?"

Sheng nanxuan was silent for a moment before he said, 'do you remember that laboratory? If they dared to do experiments like the SS, they would dare to do other things. My mother's Hanhan might be Forever Young because of those experiments. And in other aspects, it may also be bad."

wow! Sheng shuangxue exclaimed in a low voice. Immortal? wasn't that a fairy?

Sheng nanxuan's eyes swept over her.

She hid behind Gong mo innocently.

don't let anyone know about her condition to avoid unnecessary trouble. Sheng nanxuan said seriously to everyone.

"Then we have to find her now, right?" Yu Xinya asked, " do you want the police to help? "

Under Yu Qingliu and ding dang's influence, Yu Xinya had always yearned to become a police officer and a doctor. When they were in University, Yu Qingliu wanted her to study medicine, and ding dang wanted her to be a police officer. The old couple and the young wife almost fought.

In order to take care of their feelings, Yu Xinya compromised and studied forensic science-she would be a " doctor " working in the police station in the future.

Yu Qingliu and ding dang thought, this is different from what we expected! Who would want you to deal with the dead? And a dead person from a murder case!

At that time, the Yu family and the Ding family had all gone crazy, but Yu Xinya was so cowardly that even nine Bulls couldn't pull her back. After some discussion, everyone decided to let her study. Perhaps she would be scared and change her major.

Yu Xinya was in her last year of school and would start working next year. Ding dang and Yu Qingliu were secretly thinking of ways to stop her from going to the forensic Department.

However, in Yu Xinya's heart, she had long wanted to be a forensic doctor. The forensic doctor on TV was so handsome!

Besides, she had studied for so long and really loved this major. During the summer break, she even did odd jobs at the police station. She had long regarded herself as a member of the police force and the first thing she thought of when she did anything was the police.

Sheng nanxuan sighed. I also want to. But I don't want her to destroy the surveillance cameras in the city.

Yu Xinya pursed her lips and thought to herself, " If I see my aunt, I hope I can persuade her to sign the letter of will!

.....

Tong Siyao's eye stitches were removed earlier than " originally " planned.

In fact, the stitches should have been removed at this time, but Yu Qingliu's original plan was to let her be 'blind' for a while longer so that Sheng Yiting could create an opportunity to pick up girls.

But now that Yu Zhengming only had one breath left, he didn't have the mood to do all this. The assistant reminded him that he could remove the patient's stitches now. Without further delay, he called Sheng Yiting and went to Tong Siyao's ward.

Ye Zi was reading the class notes to Tong Siyao. When she saw the famous director, she quickly got up and stood aside in fear. For professional reasons, she really wanted to hug Yu Qingliu's thigh and ask for an exclusive interview!

Yu Qingliu explained why she was here, and Tong Siyao asked in confusion, "Didn't you say it would take half a month?"

"It depends on the situation. Half a month is just the worst case scenario. You can tear it down now, so of course, you have to tear it down in advance."

"Hello, Yueyue." Tong Siyao was a little nervous.

She had been used to the days without light and thought that it would continue for a few more days.

Everything had happened too suddenly, and she was not ready yet. She was a little out of her wits.
