

Ditsy Wife 1171

Chapter 1171 It's good that you can see

"Close the curtains and turn off the lights." Yu Qingliu ordered.

...

The nurse immediately did as she was told.

The curtains were very good at blocking light. After they were drawn, the light in the room suddenly dimmed.

Yu Qingliu undid the gauze on Tong Siyao's face, and Sheng Yiting came in just after she undid two circles.

Yu Qingliu ignored him, and Sheng Yiting did not say anything since they had already started.

Ye Zi had wanted to greet him, but seeing that he was not speaking, she kept quiet.

After Yu Qingliu was done, she said to Tong Siyao, "Alright, open your eyes."

Tong Siyao's eyelids twitched, and she opened them slowly and nervously. She saw Sheng Yiting standing in front of her.

Seeing that he was unfamiliar, she was slightly surprised, but she had a guess in her heart. However, the next second, she saw ye Zi standing beside her and hurriedly called out, "Ye 'Zi!"

"You're not blind! You're a perfect beauty!" Ye Zi said happily.

Tong Siyao laughed and hit her. Then, she looked at Yu Qingliu."Dean Yu? Thank you,"

you're welcome. It's just a small injury. It's no trouble. As Yu Qingliu spoke, she asked the nurse to open the curtains, but only half of it was drawn.

Hearing him say that, Tong Siyao felt even more embarrassed. Not everyone would ask him to personally perform surgery and treat such a small injury.

She glanced at Sheng Yiting and felt awkward.

"Nice to meet you, Sheng Yiting." Sheng Yiting reached out his hand.

She also reached out her hand and smiled, Tong Siyao. After saying that, he burst out laughing.

In fact, they had already 'known each other' for a long time. It was so funny now.

She retracted her hand and said to him and Yu Qingliu, "Thank you,"

Sheng Yiting slowly retracted his hand and clenched it into a fist. He could feel her lingering warmth in his palm.

Yu Qingliu said, "be careful not to use your eyes too much. Don't let the sun hit you directly. Don't stare at the computer all the time.

After giving her a bunch of instructions, he cleaned the wound at the corner of her eye. Before applying the medicine, he took a mirror and showed her.

She saw a scar at the corner of her eye that looked like a centipede. Her hand trembled slightly, and she smiled."It's good that your eyes can see."

"Don't all girls love to be beautiful?" Sheng Yiting asked.

“Between beauty and light, of course I have to choose light.” if you can’t see, you can’t do many things,
” Tong Siyao said.

Sheng Yiting was silent.

don’t worry,” Yu Qingliu said. it’ll definitely leave a scar at the beginning, but it’ll fade over time. I’ll make you an ointment. If you insist on applying it, it should fade in a few years. It’s fine even if you don’t. Don’t you girls like to put on makeup? If you use some concealer, you won’t be able to tell.”

Tong Siyao smiled, nodded, and asked, ” “When can I be discharged?”

“You can do it now, but remember to come for a follow-up and change the medicine.”

Tong Siyao heaved a sigh of relief and looked at ye Zi happily.

“Let’s go for hotpot later,” ye Zi said softly.

“How can you eat hotpot when you’re injured?” Yu Qingliu’s face immediately fell.

The two of them looked at him timidly and didn’t dare to speak.

“Eat something light, okay?” Yu Qingliu said seriously.

Tong Siyao quickly nodded.

Ye Zi’s face was gloomy.

“Is a clear soup pot okay?” Sheng Yiting smiled.

Yu Qingliu snorted coldly and turned to leave without saying a word.

Tong Siyao sighed softly. She was a little afraid of Yu Qingliu.

“Thank you for taking care of me these past few days, Mr. Sheng,” she said to Sheng Yiting. When will you be free? I’ll treat you to a meal.”

uh ... Sheng Yiting looked at her. For some reason, his eyes were not as sharp as before, and he was trembling with fear when he spoke.

Chapter 1172 better choose one of a higher grade

I’m guessing you’re free today, Mr. Sheng, ” ye Zi chuckled. am I right? ”

...

Sheng Yiting blinked innocently.

Tong Siyao blushed and asked Sheng Yiting, ” “Then shall we go for dinner together later?”

“Alright!” Sheng Yiting agreed immediately, not minding her lack of restraint at all.

Why did he have to be reserved as a man? What if he agreed too slowly and didn’t get to eat this meal?

Tong Siyao thought for a moment. She still had things to do, so it would probably take some time.”Then when and where should we meet?”

Sheng Yiting understood that she needed to leave on her own for a while before they met again.

Thinking that girls had a lot of things to do, he asked, ” “Do you really want to eat hotpot?”

“Of course!” Tong Siyao said, “ I’m fine as long as I don’t eat spicy food. I can smell it.

Sheng Yiting could not help but laugh.

The restaurant names that popped up in Tong Siyao’s mind were all ordinary. She thought that he was a young master, so he definitely wasn’t good enough. He didn’t know if he would have to pay back the hospital fees for the past few days. If he didn’t, he would have to treat them to a meal, as much as he could.

Even if she had to go back, she should treat him to a good meal.

“We need to discuss this.” She said, “ should I call you later? ”

“Alright,” he said. I won’t disturb you any longer, then, ” said Sheng Yiting.

Tong Siyao quickly nodded.

As soon as he left, she pulled ye Zi along to discuss the restaurant.

“It’s best to choose one with a grade.” She said.

“Anything with a grade is expensive.”

“It just has to be expensive.”

“You’re a tycoon!” Ye Zi called out.

I’m just not rich enough. Tong Siyao sighed. I can’t afford the ones that are too expensive. It’s close to my Internship Salary. The main thing is that they taste good! Even if it’s not as good, I can make up for it with the taste.”

“I’ve heard of a good restaurant. Let me check the prices,” ye Zi said, biting her lips.

She had interned at an entertainment magazine for two months and had heard of many high-end places that she had never heard of before. Those places were frequented by celebrities, and the paparazzi had to go there to camp, so they were very clear about the class.

As she checked, she packed her things and went to handle the discharge procedures.

Tong Siyao asked about the hospital fees and medical expenses, and was told that they had been paid.

Ye Zi gave her an ambiguous look. She pinched her helplessly and asked the nurse for the bill.

The nurse didn’t want to give it to her at first, but Tong Siyao was in the hospital herself, and she said she wanted to take the bill to the insurance company for reimbursement, so she had to give it to her.

Tong Siyao looked at the sky-high price and was speechless.

“Let’s go to a more expensive restaurant,” ye Zi suggested after they left the hospital.

Tong Siyao thought for a while and said, “No.” If it’s any more expensive, I’ll have to pay for my school fees this year.”

Because she was hospitalized, she hadn’t gone to the school to pay for the tuition fees, so the school fees were still in her card.

“The money they spent is enough for you to go to several universities!”

“I know. But he can see my situation, right? If I pretend to be a fatty, he will definitely rush to pay the bill. If you choose a price that I can afford, who knows, maybe you’ll be able to treat me to a meal?”

Ye Zi was stunned for a moment before she nodded, "I forgot." He's a man, would he let us pay? Tsk, are we freeloading now?"

"I won't let him pay." Tong Siyao said firmly.

This was the bad thing about treating men to a meal. You had to treat them, or you might end up being treated.

Who said that men and women were equal? Although men were supposed to be gentlemanly, it would be unfair if they didn't let women treat them!

Chapter 1173 The beauty in red from the hotpot restaurant

In the evening, the three of them met at an antique hot pot restaurant.

...

Tong Siyao and ye Zi arrived first. After choosing a seat, Tong Siyao called Sheng Yiting.

"You guys actually exchanged phone numbers?" ye Zi asked as she munched on melon seeds.

Tong Siyao choked on her words. She paused for a moment before continuing to say her location.

After putting down her phone, ye Zi pulled her over mysteriously. "Look, look, there's a beauty."

Tong Siyao looked over and saw a red pot boiling on the table diagonally across from them. Smoke filled the air, and a beauty in red and a foreign man were eating hot pot happily.

The red-clothed Beauty's movements were elegant. She picked up the food and rinsed the food slowly. She ate the food even more carefully and slowly. In contrast to the burly man opposite her who was wolfing down the food, she was like the reincarnation of a Hungry Ghost.

Ye Zi held her chin and said in an intoxicated manner, "she's so pretty, Yingluo has never seen such a beautiful woman before ~"

Tong Siyao poured cold water on her. it's just the side of his face. Maybe the other half is injured like me.

Ye Zi glared at her.

"Maybe it's a fake face?" Tong Siyao said.

"I swear on my own good looks that her face is definitely not fake!" Ye Zi said seriously. What kind of beauty have I not seen? I can see the slight adjustments with one look!"

"Then who in the entertainment industry hasn't done it before?"

"Tang Xinxin definitely didn't do it, not even a minor adjustment! And that scriptwriter, Tian Cheng, tsk, she's so stylish and elegant, why didn't she go act?"

she just likes to write scripts! It's a waste if she writes good scripts! Tong Siyao said, "can't you say something closer? The two of them were in their thirties or forties. Are there any of those who have recently stepped out of the Dao and are much younger than us who have a natural one?"

"I really don't have any." Ye Zi sighed. those who can become famous now have basically all had plastic surgery. There might still be people who didn't have plastic surgery, but once they became famous, they might even have to go and mess with ran ran! The last time I went to the film studio as a follower, I saw an extra. She was very pretty! I have her picture, I'll show it to you!"

Ye Zi took out her phone and opened her photo album.

Tong Siyao was speechless when she saw the photos of handsome men and beautiful women. When would this person's bad habit change? He didn't know what kind of partner he would like in the future.

Ye Zi clicked on one of the photos. It was a gentle-looking little girl with a Western appearance. Her eyebrows were very lively, and she looked like a fairy.

“Heavens! It’s so beautiful!” Tong Siyao was also impressed. It was the first time she had seen such a beautiful woman. is she mixed-blood? ”

“I asked her, but she doesn’t know.”

“You’ve talked to her?” Tong Siyao asked in surprise.

“That’s right ~ how could a beautiful woman escape from my grasp? If she was a celebrity, I wouldn’t even have the chance to chat with her, hahaha!” Ye Zi was very proud. she just graduated from high school this year. She came out to work as an extra to earn money because her mother was sick. I asked her for an autograph, but she said she wouldn’t become famous, so it was useless even if she signed it. Hahaha, Yingluo still signed it for me in the end ~”

“You’re too annoying, I can’t take it anymore, right?”

“Hmph, Hmph, Hmph, we had a great time chatting!”

Tong Siyao nodded. it’s good that she has the chance to sign it. Otherwise, when she becomes famous, it’ll be hard to get an autograph.

“That’s right. However, she said that she won’t accept the unspoken rules. I hope she will keep her original heart.” Ye Zi sighed, closed the photo, and re-opened it.

It was the signature on the book, two beautiful words-Xin Rong.

Chapter 1174 Yu qinghuan, grandma!

Tong Siyao was stunned. She suddenly remembered a singer who had retired for more than 20 years-Chini.

...

She had one of Chini's albums at home. It was her mother's treasure and she often listened to it. Out of curiosity, she had searched up Chini's life and accidentally sighed.

Tong Siyao felt that Xin Rong seemed to be in a daze.

She wanted to look at the photo again, but just as she was about to open her mouth, Sheng Yiting came in, so she had to give up.

Sheng Yiting sat down opposite them and said apologetically, "There was a traffic jam on the road. Have you ordered?"

"Not yet, I was waiting for you, handsome." Ye Zi laughed.

Sheng Yiting smiled at her politely, but his eyes secretly fell on Tong Siyao's face.

Ye Zi covered her face, feeling like she was a huge third wheel!

"Mr. Sheng, please order." Tong Siyao passed the menu to Sheng Yiting.

it's from Mr. Sheng and miss Tong, "ye Zi said. don't be so polite.

Tong Siyao looked at her speechlessly and said in a threatening tone, "Then what should we call it?" Shut up! Don't speak! Can you not treat me as an outsider? She wasn't his wife!

Ye Zi held her breath and didn't dare to make a sound.

Sheng Yiting lowered his head and didn't say anything. He glanced at the menu and handed it to Tong Siyao. "I've seen it. I don't have anything I don't like. You can order it."

Tong Siyao, "Yingluo."

"Aiya, you guys are so troublesome! I'll do it!" Ye Zi took the menu and picked the dishes she liked.

Tong Siyao leaned over and touched her head. She pointed at a few more things, and ye Zi continued to hook.

After ordering, it was filled up in no time.

The pot had already been served, and now that it was boiling, the dishes were immediately served.

Sheng Yiting and ye Zi raised their glasses and wished Tong Siyao a good recovery. However, Tong Siyao couldn't drink, so they didn't drink. They only drank tea.

The three of them replaced wine with tea and enjoyed the meal.

Tong Siyao wanted to talk to Sheng Yiting about the hospitalization fees, but he would definitely reject her. It was not good to talk about it in front of ye Zi, so she might as well call him when she was free.

The three of them chatted idly.

Ye Zi knew that Sheng Yiting's mind was not on her. Other than saying a few words at the beginning, she did her job as a foodie and did not disturb them.

Sheng Yiting felt that eating like this was not bad. Ye Zi didn't make any noise. With her around, he and Tong Siyao wouldn't be too embarrassed.

Soon, ye Zi was full. Her movements slowed down and she started to look around at the handsome men and beautiful women.

The beautiful woman diagonally opposite her was still there. She took out her phone and turned on the camera.

Tong Siyao looked at her helplessly.

She suppressed the excitement in her heart and pressed the camera button.

Then, the beauty suddenly turned around and looked at him with fire in her eyes.

She was slightly shocked. She had wanted to take a few more photos, but she was discovered in the first photo. This Yingluo was really too good!

It wasn't the first day she had secretly taken photos. She was very experienced!

The phone had a front and back camera, so how did the other party know if he was taking a picture of her or a selfie?

Ye Zi immediately looked at the beautiful woman on the screen. She posed for a selfie and then snapped a picture of the beautiful woman's face.

Yay! Happy!

Tong Siyao felt a little guilty. She couldn't help but glance at the beauty opposite her.

Sheng Yiting turned around curiously and was shocked-Yu qinghuan! Grandmother!

Yu qinghuan also saw him. She had just seen him.

When she realized that someone was taking photos of her, she was very unhappy and wanted to destroy the other party's camera. However, she gave up on the idea as soon as she saw Sheng Yiting.

Sheng Yiting stood up and rushed to Yu qinghuan, grabbing her wrist. "Don't go!"

Chapter 1175 If you run away, my dad will beat me to death

Ye Zi and Tong Siyao were shocked by this sudden development.

...

Old K, who was sitting opposite Yu qinghuan, was also shocked. He thought that someone was going to attack his goddess and his chopsticks were already in a shooting position. However, he realized that something was wrong! Could it be that he had a love rival?

Ye Zi turned around and looked at Tong Siyao in a daze. She said sympathetically, "I thought he liked you."

"Don't talk nonsense!" Tong Siyao said anxiously.

She did not know what had happened and looked at Sheng Yiting nervously.

Sheng Yiting stared at Yu qinghuan and said, 'come back with me! Everyone is looking for you! No, I'll wait for you!'

He didn't know how powerful Yu qinghuan was, but after hearing Sheng nanxuan's words and seeing her young and beautiful appearance, he knew that he couldn't judge her with common sense. He held her wrist with great force, afraid that she would run away.

Seeing that Yu qinghuan wasn't angry, old K felt very upset. Could it be that she had taken a fancy to this pretty boy?

He stood up and said to Sheng Yiting, 'can you let her go first? Her hand will hurt if you do this.'

Sheng Yiting loosened his grip and then clenched it again. He remembered that he should inform Sheng nanxuan and immediately took out his phone to make a call.

The next second, his grip loosened and Yu qinghuan snatched the phone away. She also broke free from his grip.

"No need to call, I'll go with you." She waved her phone.

Sheng Yiting looked at his hand. He had no idea how she had managed to break free.

He had been trained by Sheng nanxuan since he was a child. When it came to fighting, he was better than the Special Forces in the Army. How could he not control her?

It seemed that Sheng nanxuan was not lying when he said that she was better than him.

Sheng Yiting knew that he could only choose to believe her because he could not subdue her with force.

He nodded, took back his phone, and said, "Then don't lie to me. If you run away under my nose, my dad will beat me to death!"

"Don't worry, I won't let him beat you to death," Yu qinghuan said with a smile.

.....

Ye Zi wiped her face and said to Tong Siyao, "She's so beautiful."

Tong Siyao's heart felt a little sour, but she smiled and said, "Yeah, Xuanji is a perfect match."

“It’s not that we’re incompetent, it’s just that the enemy is too strong,” ye Zi said as she patted her shoulder sympathetically.

Hearing that, Tong Siyao glared at her. “You don’t want to eat hotpot, do you?”

Ye Zi stuck out her tongue and said, “I’m convinced that she’s so beautiful!” Don’t tell me you’re not convinced?”

Tong Siyao glanced at Yu qinghuan and nodded. “I’m convinced!”

.....

Yu qinghuan and old K had finished eating and were just about to leave.

Sheng Yiting thought of Tong Siyao and said to them, “I’ll go over and say hello.”

Yu qinghuan looked at Tong Siyao and ye Zi and nodded, “We’ll be waiting for you at the cashier.”

wait for me! Sheng Yiting said hurriedly. I’ll pay the bill!

sure! Yu qinghuan smiled brightly.

Sheng Yiting quickly walked to Tong Siyao and apologized, “I have something urgent to attend to, so I have to go. I’ll tell you another day.”

Tong Siyao stood up and said, “It’s okay. If you have something to do, you can go first.”

Sheng Yiting nodded, glanced at the table number, and left.

Tong Siyao sat back down and was shocked. She picked up her bag and said to ye Zi, "I'll pay the bill!"

She ran to the cashier and happened to see him take out his bank card and say to the cashier, "No. 12 and No. 17 together."

Number 17 was at their table!

"Mr. Sheng!" Tong Siyao pounced over and asked the cashier to wait. Then she said to him, "I said I'd treat you."

Sheng Yiting smiled. I'm eating with a girl. How can I let her pay? "

Chapter 1176 reaching the Yu family

Yu qinghuan looked at Tong Siyao and started sizing her up.

...

"But Yingluo said it!" Tong Siyao said anxiously, "I owe you a lot ..."

She was suddenly shocked. She looked at Yu qinghuan and immediately took a step back.

She ran over in a hurry, hoping that no one would misunderstand her.

She lowered her head to take out her wallet and handed a card to the cashier. "Number 17, thank you."

since you insist," Sheng Yiting said helplessly, "I'll pay you back next time. It's good that she can return the favor. Otherwise, what reason would she have to see him again?"

Tong Siyao glanced at Yu qinghuan and didn't dare to agree. The person in question was right here, and if she dared to agree to it, she would be the third party! She didn't want to be a mistress!

The cashier looked at their cards and took Sheng Yiting's first. "Sir, please go first. I'll get number 12 first."

Tong Siyao nodded.

The cashier's hand trembled a little-it was a black card! It was really an eye-opener!

After Sheng Yiting paid the bill, he was afraid that Yu qinghuan would get impatient, so he said to Tong Siyao, "Then I'll be leaving first. I'll contact you later."

Tong Siyao nodded her head, not daring to look at him. After a while, she turned back and saw that they had already reached the door.

Yu qinghuan suddenly turned around. She shuddered and quickly turned around.

However, she found that the other party's gaze was very strange, like a mayfly evaluating the good or bad of a cabbage in a wet market!

.....

Sheng Yiting only heaved a sigh of relief after Yu qinghuan got into the car.

After fastening his seat belt, he asked Yu qinghuan, "It's Yingluo. I'll take you to see Yingluo's dad first?"

Yu qinghuan leaned back in her seat and looked out the window. "Go and see my mother."

"Yingluo." Sheng Yiting picked up his phone. I'll ask her where she is.

Yu qinghuan did not object.

He made the call and only asked if Wu surong was at the hospital or at home. He didn't say anything else in case Yu qinghuan took his phone again.

Old K put down his phone and asked, you're Sheng nanxuan's son?!

"You're Yueyue?" Sheng Yiting was confused.

"Call me Grandpa." Old K raised his head and puffed out his chest with a serious expression.

Sheng Yiting turned his head and drove seriously-he didn't know this man!

Yu qinghuan turned and glanced at old K. Old K immediately shriveled up, rubbed his nose, and did not dare to speak.

Sheng Yiting sneered in his heart, indeed, she's hot-headed!

.....

The car was parked in the garden of the Yu family villa. Before he got out of the car, Sheng Yiting saw Sheng shuangxue walking toward him.

He said to Yu qinghuan, "that's my sister, shuangxue. She's 11 years old this year." Oh, I'm Sheng Yiting-

"I know. I even carried you when you were young." Yu qinghuan said.

"Ah?"

“No one knows.”

Oh! Sheng Yiting’s scalp tingled. He could not imagine what kind of situation it was under.

When Yu qinghuan got out of the car, Sheng shuangxue, who was walking with her head held high, stopped in her tracks. She ran to Sheng Yiting and hid behind him, sizing up Yu qinghuan.

she looks like a fairy, ” she whispered to Sheng Yiting.

Yu qinghuan’s gaze turned warm.

Fairy?

Many years ago, another little girl had called her that. She didn’t know how that person was doing.

“What are you doing here? Mom and dad are here too?” Sheng Yiting asked.

dinner. Sheng shuangxue pouted. I wanted to call you, but my granduncle said you wanted to go on a date.

“My date partner is just average.” Yu qinghuan passed by the two of them and walked straight ahead.

Old K monkey danced as he followed.

Sheng Yiting walked forward as well. Sheng shuangxue jogged after him and asked in a low voice, ” “Is she Yingluo? is she that?”

“Which one?”

“Oh, that’s the one! Why does she look like big sister?”

Sheng Yiting facepalmed. He also wanted to know.

Chapter 1177 Reunion after a long separation

Yu qinghuan walked to the entrance of the villa and stopped.

...

This house had been there for a few years, but it hadn't changed much. It was almost the same as when she had lived there.

It was a little old, and the flowers and trees around it were a little more lush. That was the smell of time.

She looked at the wall and did not go in.

The person inside saw a touch of red through the floor-to-ceiling window and ran out as if they knew what was going on.

The living room was in a mess. Sheng nanxuan was running in front, looking at her in disbelief.

She lowered her head and looked at them.

Many people had never seen her before. Although they had heard about her from Sheng nanxuan and Yu Qingliu, they were still so surprised that they could not close their mouths.

How could a person who was supposed to be old be so young?

When Yu qinghuan saw Yu Qingping, who was holding onto a walking stick, her eyes paused for a moment before she swept her gaze over the others.

She slowly pursed her lips and did not say anything. She walked in with her head lowered.

The crowd automatically parted, and she walked in with a numb expression.

The decorations in the house had changed a lot. Other than the outline, it was difficult for her to find the shadow of the past.

However, the phonograph was still in the corner.

She walked over and saw an album on it. She placed the needle on it.

The record spun slowly, and Chini's ethereal voice echoed in the air.

Don't ask me where I came from.

My hometown is far away

Why wander

Wandering far away

Yu qinghuan couldn't help but smile-what a good song. This was a question that she had been asking herself for the past twenty years.

Why did they wander? She did not know.

She slowly walked upstairs. The people downstairs looked at her but did not disturb her. They just watched her go upstairs.

She had lived here before. This used to be her territory, and she was the only young lady of the Yu family.

She held the handrail of the stairs and seemed to return to the time when she had her parents who doted on her, her elder brother, her kind sister-in-law, and her rebellious brother, Hanhan, who occasionally had a few cousins. Everyone treated her like a treasure.

Who knew that she would encounter such hell at her high-spirited age?

Yu qinghuan walked down the stairs and lowered her head, her tears falling to the ground.

Yingying hadn't cried in many years.

She had thought that she had forgotten the taste of crying, but now she finally remembered.

She raised her head and her face was already covered in tears.

The last time she was here, she didn't take the usual route. This time, she arrived at Wu surong's bedroom based on the route in her memory.

Standing at the door, she raised her hand and knocked. She remembered that in the past, she would occasionally eavesdrop on her parents' loving voices.

There was no response from inside the room. She pushed the door open and saw Wu surong sitting on the rocking chair with a photo album in her arms. She had presbyopic glasses on her eyes and looked old.

She walked over. Wu surong seemed to sense something and slowly raised her head.

Wu surong wasn't surprised since she had already seen her once. She was very happy to see her walking closer and closer, and a surprised smile appeared on her face.

Yu qinghuan stopped in her tracks and squatted down in front of her. She looked at her like a child and said, "Mother!"

After she shouted, her tears flowed even more, like a slippery tap that could not be stopped.

Pa!

The photo album in Wu surong's hand fell to the ground.

She hugged Yu qinghuan, crying and laughing at the same time. "Qinghuan, you're back? It's good that you're back, Yingying. Otherwise, I'm afraid I won't be able to see you again."

Yu qinghuan leaned on her and hugged her tightly, crying non-stop.

"Mom, do you really believe that this is me?" She asked.

Wu surong nodded. she's my daughter. I know her.

Yu qinghuan held her dry hand and cried until her eyes were burning. "I'm sorry, Yingluo."

I'm sorry, I should have come back earlier. I shouldn't have made you wait so long.

Chapter 1178 Dad, I'm qinghuan

The mother and daughter hugged each other and cried for a while. Wu surong suddenly asked, "Have you eaten?"

...

"I've eaten." Yu qinghuan wiped her tears and said with a smile, "the hotpot we had was delicious."

“Then let’s go see your dad!” Wu surong said.

Yu qinghuan hurriedly agreed and helped her down the stairs. The people downstairs all had strange expressions.

“Mommy wants to see daddy,” Yu qinghuan said, smiling.

“Good, Yingluo, good!” Yu Qingping hurriedly said, “ we’ll all go!

.....

Yu Qingliu and Yu Ze were already in the ward. The two of them already knew that Yu qinghuan had returned. Yu Ze was filled with curiosity, but Yu Zhengming couldn’t leave his side unguarded, so he could only stay behind.

Just as he was feeling restless, he heard that Yu qinghuan was coming and went to the door early to wait.

“Those who don’t know might think you’re waiting for your lover,” Yu Qingliu said.

“Granduncle!” Yu Ze was helpless.

Yu Qingliu hurriedly waved her hand. She didn’t want to hear this form of address, as it would make her seem old.

After a while, Yu Ze saw a large group of familiar people walking over. At the front was Yu qinghuan pushing Wu surong in a wheelchair.

From a distance, Yu qinghuan looked like a graceful young woman. Yu Ze gasped. When he got closer, he was surprised to see that she looked almost the same as in the photo. However, seeing that everyone else was very calm, he had to pretend to be calm.

Yu qinghuan nodded at him and pushed Wu surong into the house.

He opened his mouth but didn't know how to address her, so he followed her silently.

Yu qinghuan pushed Wu surong to the bed. Yu Zhengming was sleeping on the bed. Wu surong held his hand and said in a trembling voice, "Old man, qinghuan is back."

"Dad's asleep. Let's wait for a while." Yu qinghuan said.

Wu surong nodded, still holding onto Yu Zhengming's hand. The others could only stand behind her.

you're here," Yu Qingliu whispered to Yu qinghuan. dad won't have any regrets now that you're here.

Yu qinghuan lowered her eyes and understood what he meant-Yu Zhengming would pass away very soon, probably after seeing her.

No one left, and no one spoke. They were all waiting for something.

After an unknown amount of time, Yu Zhengming opened his eyes and let out a long sigh.

"Old man, look who's here," Wu surong said hurriedly.

Yu Zhengming looked at her, and when his gaze met Yu qinghuan's, he paused for a moment, his eyes suddenly widening. "Qinghan, qinghuan, Qinghan."

He moved his lips and made a weak sound. If not for Yu qinghuan's good hearing, she would not have heard him calling her.

She bent down, her eyes wet, and nodded. "Dad, I'm qinghuan."

Yu Zhengming revealed a smile and slowly raised his hand, wanting to sit up.

Lu Song and Yu Ze hurriedly adjusted the bed so that he could lean on it.

He held Yu qinghuan's hand and looked at her with a smile. "Good Yingluo, good Yingluo."

He felt that he must be dead. Otherwise, how could he have seen qinghuan? Qinghuan was still as young as before. How was that possible?

However, the world was so big, and there were all kinds of strange things. Perhaps such a thing would happen. His qinghuan had finally returned before his death.

He looked at the house full of descendants, not a single one was left out, and he was extremely satisfied.

After a while, he showed signs of fatigue. Everyone knew that he was going to rest, so they laid him down again.

Yu Qingliu asked Wu surong, "mom, do you want to go back to sleep?" Let big sister send you."

"I'll stay with the old man." Wu surong shook her head.

Everyone was taken aback and found it strange. In the past, she would go home to spend the night no matter what. Why did Hanhan come home today?

Seeing Yu qinghuan, everyone seemed to understand.

In the past, when she went back, she would only take a few more glances at Yu qinghuan's photos. Now that Yu qinghuan was right in front of him, what was the point of looking at the photos?

“Then I’ll stay with mom,” Yu qinghuan said.

...

Wu surong nodded and asked the others, “Who else wants to stay? Those who want to stay, stay, and those who don’t want to go home and sleep.”

Everyone nodded and discussed in low voices who would stay.

Sheng nanxuan had to stay. He had a direct relationship with Yu qinghuan and wanted to communicate with her.

Gong mo, Yu Xinran and the others went to make the bed for Wu surong.

Yu Xinran looked at Yu qinghuan and said unnaturally, “A-aunt, w-where are you sleeping?”

“Don’t worry about me, I don’t have to sleep.” Yu qinghuan said, “I’ll accompany the old lady.

Yu Xinran was frightened by the first half of her words, but after listening to the second half, she nodded and turned to Lu Rou. “Hurry up and wring a towel for great-grandma and get some foot-washing water.”

Lu Rou left in a hurry.

Seeing this, Sheng shuangxue ran over to help. After a while, she came back with a hot towel.

“Xue ‘er is so sensible,” Yu Xinran took the towel and smiled.

Sheng shuangxue smiled happily and secretly glanced at Yu qinghuan.

Yu qinghuan reached out to Yu Xinran, and Yu Xinran immediately handed her the towel.

She raised the towel. Wu surong said, " your dad is going to sleep. Wipe him first.

When Yu qinghuan heard this, she turned around to help Yu Zhengming, wiping his face, hands, and even his feet. Her actions were gentle and careful, as if she was used to doing this.

Yu Zhengming fell asleep and didn't react the entire time. If it wasn't for the device recording his heartbeat and brain waves, she would have thought that he had stopped breathing.

After covering Yu Zhengming with the blanket, she turned around and wrung the towel again to wash Wu surong's face. Then, she squatted down and washed her feet.

Wu surong looked at him with a gentle and satisfied gaze.

After the shower, they helped Wu surong to the bed and covered her with the quilt.

Yu qinghuan sat on the edge of the bed and looked at her.

She saw that everyone was there and said,"you guys can go back after staying for a while."

Everyone felt strange. With her previous temperament, she would definitely urge them to leave immediately. Could it be that she wanted everyone to gather because Yu qinghuan had returned? Just like a reunion?

Speaking of reunions, tomorrow was the Mid-Autumn Festival, and today's Mid-Autumn Festival was really lively.

"We'll go back after you fall asleep," Yu Qingping said.

"Tomorrow is the Mid-Autumn Festival," Wu surong said. "Prepare well."

"Alright," he said. Min Ling and ding dang answered in unison.

"I'm relieved to see you two being so friendly," Wu surong smiled.

Everyone was stunned, "what do you mean by" worry "?"

Some people's hearts skipped a beat. They had a bad feeling and didn't dare to leave.

Wu surong closed her eyes again and gradually fell asleep.

"Are we going back now?" Lu Yang asked Yu Xinran in a low voice.

Yu Xinran touched her arm and shook her head. "Let's wait a little longer. It's still early anyway." After which, she turned around to look at Yu Zhengming.

The others were also reluctant to leave. They either stood by the bed or sat down on the sofa.

Yu qinghuan held Wu surong's hand and placed her head on the side of the bed, snuggling up to her.

After a moment, she looked up at the clock on the wall and started crying.

Yu Qingliu seemed to sense something and rushed over, only to find that Wu surong had already stopped breathing.

He hurriedly tried to resuscitate her, but everyone panicked when they saw his actions.

“Don’t make a sound!” He said in a low voice.

Everyone looked at Yu Zhengming at the side. They were afraid of waking him up, so they covered their mouths and cried.

Yu qinghuan held Wu surong’s hand and didn’t move.

The others stood around the bed. Yu Qingliu and the nurse tried several first aid methods, but they couldn’t get Wu surong’s heart back.

Yu Qingliu stopped and stared at Wu surong, panting.

Wu Wu Wu. Min Ling leaned on Yu xinzhuo’s body and cried.

Yu Qingliu glanced at Yu qinghuan, then slowly pulled up the blanket and covered Wu surong’s face.

...

Yu qinghuan put down Wu surong’s hand and covered it with the blanket.

Everyone was crying, and the soft sobbing sound was particularly clear in the silence.

Yu Zhengming suddenly coughed. Everyone was shocked and hurriedly turned their heads. Seeing that their hearts were still beating, they all heaved a sigh of relief.

Yu Qingliu ran over unsteadily. Just as she was about to check, he coughed again, opened his eyes, and opened his mouth. It was unknown what he was looking at, but he shouted with difficulty, ” “Surong Qianqian”

Then, he closed his eyes and sank into the water. His heart was beating in a straight line.

dad! Yu Qingping roared. He threw away his walking stick and rushed over, almost falling to the ground.

The others also rushed over and surrounded the bed tightly.

Qingliu! Yu xinzhuo grabbed onto Yu Qingliu. hurry and save grandfather!

Yu Qingliu shook her head, "I've been saving him for a long time, Zhenzhen."

Yu qinghuan pushed through the crowd and stood by the bed, a tear falling on the back of Yu Zhengming's hand.

At this moment, Yu Zhengming's brainwaves disappeared from the device. He was completely dead.

waa ... someone cried out first, and then the ward was filled with tears.

.....

After a busy night, everyone's eyes were red.

The news had not been announced to the public yet. A few people remained to continue arranging the funeral, while the others went back to rest.

Sheng nanxuan stayed behind while Gong mo, Sheng Yiting, and Sheng shuangxue went home.

Sheng shuangxue had fallen asleep. Sheng Yiting carried her to the bed and took off her shoes.

Gong mo stood at the door and said, "you should take a nap too." Sleeping for two hours was also good. Don't worry about your dad, he can stay up for three days."

Yueyue?" Sheng Yiting was taken aback. are father and grandmother the same? "

"I'm not as good as your grandma. But he is different from us. Are you afraid?"

Sheng Yiting shook his head. he's my father. Why should I be afraid? "

"Go to sleep," Gong mo replied with a smile.

Sheng Yiting went to take a shower first. Then, he went back to his room and checked the news on his phone. There was no news about Yu Zhengming and Wu surong's deaths on the internet.

He put down his phone and closed his eyes. He heard a buzz. His phone was vibrating.

He picked it up and saw a message: [Tong Siyao will pay you 10000.] 00 HNY.

Sheng Yiting was shocked and sat up immediately.

It was not a message from the bank, but from the payment system of a shopping website.

On the world's largest shopping website, 99% of people would use their account to connect to their mobile phone, and they could transfer money directly by entering their mobile number.

Tong Siyao must have wanted to return the money to him, but she was afraid that he would refuse. After thinking about it, she thought of this website and tried it ... He really registered and transferred the money.

He hurriedly dialed her number and asked, " "What do you mean by that?"

I'm paying you back, " Tong Siyao said innocently. I'm paying you back.

"I don't need you to pay me back!"

"But I feel guilty! You're not responsible for this!"

Sheng Yiting said helplessly, 'then how could you send me the money without asking me? What if this account isn't mine?"

"Your phone number and name are Yiting as well. I can't do anything if I'm wrong."

The website used real name verification. After the transfer was done and the phone number was entered, the other party's name would appear, but the display was incomplete. The surname would be covered and the name would be changed to * Yiting.

When Sheng Yiting heard her call him 'Yiting', his heart went numb and he forgot what he wanted to say.
