

## Ditsy Wife 1191

Chapter 1191 You're making me sad by saying this

we're just going on a date! ye Zi had become a fan of the couple.

...

Tong Siyao thought about it and asked seriously, "You think he'll like me?"

"That's right! Otherwise, if I'm not bad looking, why doesn't he treat me the same?"

"Because Yingluo, because he bumped into me." Tong Siyao didn't sound very confident.

"Tsk, so what if I did? He's a young master Sheng, and he doesn't have eight to ten people under his command. It shouldn't be a problem to send one to solve your problem, right? Did he need to do it personally? He even arranged a VIP Ward and let Yu Qingliu personally perform a small operation! Besides, she just finished her funeral and came to settle your mess. You can be even more heartless!"

Tong Siyao was even less confident now.

When she saw Sheng Yiting a few days later, she felt very uncomfortable, wondering if he would suddenly confess to her or something.

However, after a few days of calming down, Sheng Yiting wasn't so anxious anymore. He was afraid that he would scare her away.

He took her back and forth, and it took more than a month for the car accident to be settled. The scabs on Tong Siyao's wound had fallen off.

They had met several times in the past month, but he had always been considerate and polite.

For a moment, Tong Siyao suspected that he liked her. If he didn't like her, why was he so good to her?

The next moment, he suspected that he was overthinking things-although he treated her very well, he did not hint at anything, so it would make sense if he was not interested in her.

After the trial, Tong Siyao invited the lawyer to dinner.

Sheng Yiting glanced at the lawyer, who immediately rejected him with the excuse that he was busy with work. If I can see Big Boss, I'll definitely tell on him. Young master is too much!

In the end, only Tong Siyao and Sheng Yiting went to eat.

This meal was on Tong Siyao. She chose a good restaurant. Although it wasn't as high-end as the places he usually went, it still cost two thousand Yuan. She had troubled him for so long, and he had taken it as her kind intentions.

When they were eating, she raised her glass and said hesitantly, " we might not see each other often in the future. I really have to thank you for this time. I wish you all the best in the future.

Wishing you all the best in the future, these words were too polite!

Sheng Yiting held the glass but did not raise it. aren't we friends? It's fine for friends to meet occasionally."

Tong Siyao laughed at herself. I'm not afraid of you laughing at me. You can say that I'm self-abased or sensitive, but the truth is the truth. We are from different worlds.

As she spoke, she looked up at him and then lowered her head in a panic.

If there was any hope in their relationship, they should have given up because of the gap between them.

Sheng Yiting was stunned. you're making me sad. he said. If I don't treat you as a friend, why would I run around with you?"

Oh my God! Tong Siyao was a little embarrassed.

Sheng Yiting raised his glass and clinked it with hers. Looking at the pink scar at the corner of her eye, he said, "Let's celebrate your recovery with this glass of wine."

Tong Siyao was stunned. She reached out and touched the scar.

She was already disfigured, so he probably wouldn't have any more thoughts about her, right? It was human instinct to admire young people.

Tong Siyao felt relaxed and disappointed at the same time.

A girl in her 20s who had never been in a relationship before. How could she not dream of meeting a man who was outstanding in all aspects and, most importantly, treated her well?

After the meal, Tong Siyao asked the waiter for the bill.

Sheng Yiting opened his wallet and handed her his card.

Chapter 1192 forced kiss

Tong Siyao was stunned and quickly took out her card. "I'll do it!"

...

Sheng Yiting looked at the waiter indifferently. The waiter's heart skipped a beat, and he left with his card.

"Didn't we agree that it's my treat?" Tong Siyao looked at Sheng Yiting.

“Girls, save your money.” He stood up and said, “ you’re so extravagant. Who would dare to marry you in the future? ”

“Don’t-don’t change the topic!” I don’t want to owe you anything, ” Tong Siyao said angrily.

“If you really want to be so calculative, do you think you can pay me back for what you owe me with just a meal?”

Tong Siyao was stunned. She looked at him and couldn’t say anything. Her lips were trembling.

Sheng Yiting turned around and walked out. He passed by the cashier, took the credit card and bill from the waiter, and signed them.

Tong Siyao slowly came back to her senses and felt a little sad.

He said that to Yingluo.

She knew that he was angry at her stubbornness, but she also had a feeling: He was looking down on her.

So what if she didn’t think she was poor? her family was poor, and her mother had to raise two children alone. Although her father’s pension was quite high, no one dared to count on that little money.

She thought that after she finished college, she would not need a single cent from the family. She would save the money for her sister’s studies and her mother’s retirement. But her mother wanted to leave it for her and her sister to prepare a dowry, Yingluo.

After his father passed away, the government arranged a job for his mother. However, she had never been to school before. Later on, she couldn’t keep up with others by self-learning. She could only do that for the rest of her life and couldn’t be promoted. Her salary was only enough for her daily expenses.

When she encountered a large sum of money, such as her and her sister's studies, she would use that pension.

Therefore, their family was really poor and they would save every cent.

She never felt inferior because she was poor, but she knew her own limitations. She didn't make friends with people who were of a higher level than her, because they mostly looked down on her. How annoying would it be to drool over it?

Did she feel inferior?

Tong Siyao was a little annoyed.

She wasn't like this in the past!

She was not like herself at all. She was only so paranoid about Sheng Yiting.

Did Yueyue like him?

She walked to the entrance of the restaurant, and the waiter helped her push open the glass door, saying, "You're welcome to visit again."

She stood there and saw Sheng Yiting leaning against the car door, seemingly waiting for her.

He had changed to a very ordinary car a few times recently, and she didn't know where he got it from. If he took this car back to school and was seen by others, no one would suspect that he was taking an illegal car.

She clenched her bag and walked over, saying nervously, "I'll be leaving first, Yingluo."

Sheng Yiting stood up and opened the car door. "Get in the car."

Tong Siyao didn't want to argue with him anymore. "I can take the subway by myself."

what's wrong with letting me send you once?! Sheng Yiting asked unhappily.

He had never given her a present before. He was doubting his own charm!

He had thought that if she had feelings for him, she would definitely accept his good intentions. But she didn't! After she had paid him back, she insisted on buying him a meal and never asked him to send her home.

It was as if she was afraid of being associated with him!

Could he be a dreadful monster?

Tong Siyao was also depressed. She asked in confusion, "Why do you have to send me off? If I had known, I would have ridden my bicycle here."

"Can I give you a ride?" can I stay with you for a while longer?" Sheng Yiting called out.

Tong Siyao's eyes widened, and she looked shocked.

He suddenly pulled her into his arms and kissed her hard.

Tong Siyao's entire body froze. She only reacted after a while and pushed him away excitedly.

Chapter 1193 What did Tong Siyao mean?

Sheng Yiting was stunned for a moment. He leaned against the car and stared at her.

...

She felt that his eyes were a little fierce and instantly felt wronged.

Why was he so fierce?

She was the one who should be fierce, alright?

What right did he have to kiss her?

She was angry and anxious. With tears in her eyes, she turned and ran away.

Sheng Yiting came back to his senses and quickly drove after her. When he caught up with her, he rolled down the window and shouted, "Siyao-"

Tong Siyao covered her ears and ran into the subway station.

Sheng Yiting stopped the car and looked at the entrance of the subway. People were coming and going there, but the girl he had just kissed was not there.

Honking sounds came from behind, and he started the car and drove away.

He thought a lot on the way home. When he got home, he threw his keys on the coffee table and collapsed on the sofa in a daze.

What did Tong Siyao mean?

She didn't beat him up, didn't scold him, and didn't even ask what he meant. She just ran away!

Was she planning to suffer a loss?

Why didn't the strategy he found online work?

After a long time, Gong mo came back with Sheng shuangxue.

Sheng shuangxue ran over and placed a small cage for pets in front of him. "Big brother, look!"

Sheng Yiting took a step back in fear and looked up to call Gong mo. He said in a complaining tone, "Mom, look at shuangxue!"

"What did I do?" Sheng shuangxue toot her lips in dissatisfaction and hugged her cage like it was her treasure.

"Don't you touch it!" Sheng Yiting quickly snatched the cage and threw it aside.

There was a small red snake in the cage.

The cage rolled two rounds, and the little snake also rolled around inside, then slowly wriggled.

Sheng Yiting felt goosebumps all over his body.

"This is a pet snake. It's very gentle," Gong mo said.

"Aren't you afraid?"

"What am I afraid of? It wasn't poisonous. Just like cats and dogs, I'll keep them as pets. Shuangxue likes them."

"But I don't like it." Sheng Yiting facepalmed.

Sheng shuangxue glared at him angrily. Then, she took off her bag and threw it on the sofa. She went back to her room with the cage.

let her play," Gong mo said in a low voice. I'll bring her to your granduncle's house for an autopsy in a few days at most.

Sheng Yiting broke out in a cold sweat. She was a pervert! She had dissected all her pets! Look at that tank of fish--

They had a tank of tropical fish at home, which was very precious. They didn't know when it had started, but Sheng shuangxue had been thinking about it.

When they first saw her staring at the fish, they thought she wanted to eat it. Everyone laughed and said, "You can't eat this~"

Later on, she smuggled one to the Yu family and had Yu Qingliu dissect it!

After the first success, he did it a few more times, and now there was only half a jar left!

Yu Qingliu had taught him!

Yu Qingliu raised the child to show the child the internal organs of animals!

Gong mo was also a little worried,"I think she will study medicine in the future." I heard that when your granduncle was young, he dissected frogs. Our shuangxue is much better."

"You can't spoil her like this!" Sheng Yiting shouted, " she's already brought the snake back. Who knows what else she'll bring back in the future?!"

Gong mo didn't want to talk about this anymore. He looked around and wanted to change the topic. Suddenly, he saw the car keys on the coffee table and exclaimed, " We don't have such a car at home?"

“I’m going out for a while!” Sheng Yiting snatched the phone back.

“You stole a car?”

“I’m borrowing it from uncle Wang!”

Uncle Wang was their driver and lived downstairs.

Sheng Yiting went to return the car keys and came back soon.

As soon as he entered the living room, Sheng shuangxue ran over happily with the little snake in her hand. Her face fell when she saw him.

He knew that she thought Sheng nanxuan had returned.

Chapter 1194 Your son is possessed

Sheng shuangxue walked to his side angrily and stuffed the snake into his hand. “Watch closely, I’m going to do my homework!”

...

“Why should I?” Sheng Yiting wanted to throw it away.

“I’ll tell dad if you don’t think well of it!” The little princess glared at him threateningly.

Sheng Yiting shivered. He looked at the snake and agreed, thinking that it was not as scary as his father.

Sheng shuangxue picked up her bag and went back to her room. He asked gloomily, “Don’t you need me to explain the questions to you?”

“I’m not an idiot!”

“Yingluo, why did you ask me to tell you before?”

Sheng Yiting sat down, put the cage on the coffee table, and turned on the TV absent-mindedly.

Half an hour later, Sheng nanxuan returned.

Gong mo ran over to him happily and kissed him on the lips. Then, he pointed at Sheng Yiting and said, “Your son is possessed.”

Sheng nanxuan glanced at it, then walked over and looked at the cage on the coffee table.

The snake slithered around in the cage and flipped it over.

“Shuangxue’s?” he asked Sheng Yiting.

Sheng Yiting was afraid of snakes, just like most people. When he went to the zoo as a child, he was so scared that he cried when he saw snakes. The smaller the snake, the more he was afraid of it. On the contrary, he was not so afraid of pythons.

“Yes.” Sheng Yiting hummed absent-mindedly.

“You’re heartbroken?” Sheng nanxuan asked grumpily. He took the cage to the kitchen.

Today, Gong mo was cooking personally. “When are we going to make snake soup?”

“Be careful, shuangxue won’t mess with you,” Gong mo rebuked after hitting him once.

“I didn’t say I’ll eat this. Eh? It’s getting cold, so why did she buy a snake? Observe its hibernation?”

“It’ll be good enough if you can last until hibernation, Yingluo.”

Sheng nanxuan frowned, ‘I have to cultivate her other interests. He couldn’t study medicine. Although he saved living people at work, he had to deal with corpses when he was studying. It’s fine if she takes uncle’s path, but what if she takes the wrong path and ends up with Xinya?’

“Maybe she’s going to be a veterinarian?” Gong mo frowned.

Sheng nanxuan’s eyes widened. A few seconds later, he shouted, “ my daughter is going to be a vet?!

“Let me think!” Gong mo hurriedly said. Let me think!”

Indeed, their precious daughter could not be a vet.

After thinking for a moment-

She said, “she’ll be in junior high school next year, and she’ll be busy with her homework. She won’t have time to do this.” If I have time, I’ll sign her up for two tuition classes.”

“Will it be too tiring to sign up for tuition classes?” Sheng nanxuan couldn’t help but feel sorry for his daughter.

“Then you go and meddle in it!” Gong mo was furious.

“You care.” Sheng nanxuan hurriedly hugged her and kissed her on the cheek.

Gong mo blushed and pushed him away, “what?” The child is outside?”

“You’re already in your twenties and you still don’t know how to avoid me?”

“You ...”

“I’ll cook,” He kissed her again.

.....

Sheng Yiting’s mind was elsewhere during dinner.

Gong mo looked at him worriedly and wanted to ask Sheng nanxuan for help. Sheng nanxuan only cared about eating and did not care about his son’s life at all.

Gong mo had to poke Sheng shuangxue, who was feeding the little snakes beef.

She raised her head and saw Gong mo pointing at Sheng Yiting.

She turned around and saw Sheng Yiting busy eating. She went up to him and asked, “Brother, what’s wrong?”

is it swollen, ran ran? “Sheng Yiting replied. Then, he looked at her and said,” talk properly and eat properly. Take the snake away!

“Little red is very obedient.”

“You even gave it a name?”

Sheng shuangxue paused and asked in a low voice, “what’s wrong with you?” Why aren’t you eating?”

Alarm bells went off in Sheng Yiting's heart. He glanced at Gong mo and Sheng nanxuan and saw that they were both looking at him.

Chapter 1195 I'm at the entrance of your school

He lowered his head to look at his bowl. There was only half a bowl of rice left. He said hurriedly, "I'm eating!"

...

"You didn't eat." Sheng shuangxue said, "do you think mom's food is not good?"

"And what I made." Sheng nanxuan said.

hehehehehe. Sheng Yiting laughed. how could that be? "I'm thinking about something."

"You're thinking of that miss Tong?" Gong mo laughed and asked, "I see that you've been dressing up like you're going on a blind date recently. Why? " Did you get rejected today?"

Sheng Yiting felt like he had been stabbed in the chest.

what? " Gong mo was shocked. He looked at Sheng nanxuan. am I right? "

Sheng nanxuan said coldly, "that's because she doesn't like him." If she liked him, she would definitely not reject him. You were so cute when you were young. You're so good to me. "

Sheng Yiting was stabbed again.

Gong mo, "Wan Wan's son has just fallen out of love. Is she showing off her love interest in front of me?"

Sheng shuangxue continued to feed Xiaohong, "eat up! Eat up!" Let me observe your growth process!

.....

Sheng Yiting left the house after dinner. He drove around and finally arrived at Tong Siyao's school.

He sat in the car for about an hour. He raised his hand to look at his watch. It was already past nine O'clock.

Shouldn't the students go to bed?

He took out his phone and dialed Tong Siyao's number.

Tong Siyao was as absent-minded as he was. After she came back, she was in a daze for the whole afternoon. She had only a few mouthfuls of instant noodles for dinner. "Your appetite is so bad, you're pregnant?"

Tong Siyao didn't bother with her. She held the book and didn't turn a page for a long time. After an unknown period of time, the phone rang.

When she saw the caller ID, her pupils shrank and she felt a chill run down her spine.

What was he trying to do? Why did he call?

She forgot what she was doing, but Sheng Yiting was persistent. The phone rang for a long time.

She heaved a sigh of relief. Ye Zi leaned over and whispered, " "Why aren't you picking up? Quarreling?"

Tong Siyao was shocked. She and ye Zi weren't the only two people in the room. The other two roommates were also looking at her.

She smiled awkwardly and was about to explain when her phone rang again. It was Sheng Yiting.

She hurriedly picked up her phone and walked out of the door.

Her hands were full of sweat, and she was extremely anxious. Should I accept it? What would he say? Would he mention the kiss in the afternoon? What if he said it was a misunderstanding? Hmph, to hell with his misunderstanding!

He hung up the phone.

She picked it up and gritted her teeth, "he only has this much patience!"

Soon, the phone rang again.

Tong Siyao was shocked. She picked it up after a few seconds. Her heart was beating fast, and she didn't know what to say.

Fortunately, she didn't need to say anything.

Sheng Yiting had a thousand words to say to her, and he would not let her be in an awkward position.

"I'm at the entrance of your school, do you want to come out?"

what? " Tong Siyao was confused. what are you doing? "

"I don't know," Sheng Yiting replied after a moment of silence. Maybe I'll know when you come."

Tong Siyao's heart exploded like fireworks.

Then she thought, he wouldn't force a kiss on her again, would he? He was beautiful!

Should she go?

She was silent for a long time before saying, "I'll come to Yingluo now."

She immediately hung up the phone, not daring to imagine that she was the one who had spoken. These three simple words seemed to be a promise.

Sheng Yiting, who was standing at the school gate, smiled happily. After a depressed night, he finally got some comfort and hoped that everything would go smoothly.

Chapter 1196 Confessing to each other

After a few minutes, Tong Siyao came out on her bicycle.

...

He raised his eyebrows. It seemed like her school was quite big.

Tong Siyao saw him from a distance and panicked. Her bicycle went straight ahead and she forgot to step on the brake.

Sheng Yiting quickly held the front of the car and carried her down.

She dodged in a panic, her hand holding the handle trembling.

Sheng Yiting was stunned and lowered his hand in disappointment.

Tong Siyao was panting. After a while, she raised her head and stopped dodging, as if she was negotiating."What do you want?"

Sheng Yiting took a deep breath. I'm just thinking. We've already kissed. I have to make it clear to you.

Tong Siyao's eyes were filled with panic when she heard that. She quickly lowered her head and didn't speak.

Sheng Yiting moved closer to her. When he saw that she did not move, he took her silence as a sign of resistance and became braver. He grabbed her wrist and pulled her into his arms.

The bicycle fell to the ground.

Tong Siyao was shocked, but she didn't move.

Sheng Yiting lowered his head and kissed the scar at the corner of her eye.

Tong Siyao was slightly shocked.

There were people around them, and some people were looking at them, but she didn't feel anything. She couldn't hear the sounds of the whole world because he was the only one left in her world.

I like you, " he whispered in her ear. I like you more and more. What do you think I should do? "

When Tong Siyao heard this confession, she felt as if a huge rock had been lifted off her chest.

It was like! He wasn't teasing her, nor was he being ambiguous.

She moved slightly, and her hair brushed against his face, making him feel ticklish, and so did his heart.

“How, how would I know?” she lowered her head and said.

I think you can be my girlfriend. Sheng Yiting smiled. you can solve this problem.

Tong Siyao blushed and opened her mouth. She almost said that there was a big difference between their identities.

But what did that matter?

They were dating now, not getting married, so there was no need to pay attention to family status. When it came to the day of marriage, there would always be a way to solve all problems. Now, it was enough as long as they liked each other.

She suddenly remembered that she hadn't confessed to him yet. She looked up at him. “I, Yingluo, like you too.”

Sheng Yiting was so excited that he hugged her tightly. He felt that the whole world had brightened up, as if the sky was filled with fireworks.

After a while, Tong Siyao gently pushed him.

He let go of her and realized that many people were looking at them.

Fortunately, the sky was dark and he couldn't see clearly. His car was also parked across the street, so he shouldn't be causing her any trouble.

He bent over to help the bicycle up and asked nervously, “Have you had dinner?”

“Yingluo ate a little.” She lowered her head and did not dare to look at him.

They had just started dating, so both of them were not very comfortable.

“Let’s go get something to eat,” Sheng Yiting said as he tried to remain calm. What time does your dorm room close?”

“11 O ‘clock.”

“That’s still early.” Sheng Yiting saw that there was a back seat on the bicycle. He sat on it and said, “ get on.

Tong Siyao pursed her lips and sat on him nervously, grabbing his waist.

He rode in the direction of the crowd and turned his head to ask, “ “What do you want to eat?”

yes. Tong Siyao looked at it. turn right at the intersection ahead.

Then, they turned into a food street and she told him to stop outside a rice noodle shop.

After locking the bicycle, the two of them walked in. it’s divided into spicy and non-spicy, ” she said with a slightly red face. the spicy one is delicious.

“Then we’ll eat the spicy one.” He paused and looked at her forehead. your injury is still recovering. It’s better not to eat too spicy food.

Hearing that, Tong Siyao touched the scar and asked, “ “You don’t mind?”

“Why should I mind? That’s a matchmaker.”

Chapter 1197 Actually, I still want a kiss

“Go!” Tong Siyao glared at him.

...

He paused and lowered his head. His throat moved, and he wanted to press her into his arms and kiss her hard.

“What flavor do you eat?” She asked softly.

There was glass on the table, and the menu was under the glass. She could see it when she lowered her head, so she thought he was looking at the menu.

“You can order it. It’s the same as yours.” He raised his head.

Tong Siyao ordered according to her usual taste. It was spicy.

The rice noodles didn’t take long to cook and were served very quickly.

Sheng Yiting looked at her speechlessly when he saw the many cut wild peppers in the kitchen.

She blinked innocently and stirred the food with her chopsticks. She picked up a piece of food, blew on it, and put it into her mouth. Then, she stuck her tongue out.

“Don’t eat such spicy food normally.” He said helplessly.

Tong Siyao nodded and urged, “ Although it’s spicy, it’s very delicious.”

She had eaten with him a few times and knew that he could eat spicy food.

Sheng Yiting took two bites and nodded approvingly. The taste was indeed good.

The two of them finished their meal awkwardly and sweetly. Sheng Yiting pushed her back to school on his bicycle, calling it an after-meal walk to help with digestion.

Of course, they couldn't ride it, or they would arrive in an instant! He still wanted to spend more time with her.

Seeing that there were food stalls on both sides of the road, Sheng Yiting whispered in her ear, "In the future, bring me around this place to eat."

Tong Siyao glanced at him and nodded.

In other words, he would have to date more often in the future.

Sheng Yiting dropped her off at her dormitory and handed her the bicycle. "Good night," she said.

Tong Siyao glanced at him and whispered, "Be careful on the road."

"Don't worry,"

"There's still Yingluo."

"What else is there?"

Yingluo was nothing, but she was a little reluctant to leave.

She shook her head. I'm fine. I'll go in first.

He paused and nodded. He actually wanted to ask for a kiss. However, it was their first day together, so he shouldn't be so impatient. Otherwise, it would seem like he was multi-colored.

Tong Siyao pushed her bicycle and took two steps. She turned her head and looked at him, thinking, "Should he give Wanwan a parting kiss?"

However, if she took the initiative on the first day, wouldn't it make her seem frivolous?

She said, "I'm going in." Then, she pushed her bicycle and rushed in.

Sheng Yiting thought, Yueyue, why are you running? Don't you want to see me?

.....

When Tong Siyao returned to the dormitory, she looked radiant and was obviously in a different mental state from before.

"Oh, so the sweet end of the bitter pill is here?" ye Zi teased.

Tong Siyao pounced on her and tickled her. She couldn't stop laughing.

Ye Zi pounced on her and pressed her down on the bed. She shouted, "It's my treat!"

"Why are you treating us? Yaoyao has a boyfriend?" Another roommate asked.

Tong Siyao pushed ye Zi away and sat up, "not yet ..."

"Not yet? That's fast."

Tong Siyao was stunned. She couldn't help but cover her face. She didn't expect herself to be so stupid.

"Alright," she nodded. When we're done, I'll definitely invite you to celebrate."

Her roommate let her go when she heard that.

Ye Zi blinked at her, knowing that she must be with Sheng Yiting.

After turning off the lights, ye Zi sent her a WeChat message: "Congratulations~"

Tong Siyao replied, thank you.

"It's my treat!"

"Zhenzhen, tell me when you're free." Tong Siyao put down her phone and pulled the blanket over her head. She hid inside and smiled sweetly.

A moment later, her phone rang again. She turned over and ignored it.

After a few minutes, ye Zi knocked on her bed.

"Why?" she asked helplessly.

"It wasn't me," Ye Zi said in a bad mood.

Chapter 1198 It's over, big brother has gone crazy!

"It wasn't me either!" The other roommate immediately said.

...

Tong Siyao laughed, "are there ghosts?" You guys can continue to make a scene!"

However, she also realized that ye Zi was referring to the phone notification.

She picked up her phone and was delighted to see that it was a message from Sheng Yiting.

Sheng Yiting said, 'I'm home. Good night.'

She muted her phone and hid under the blanket. Good night.

Sheng Yiting, 'still awake?

"I can't sleep." She said honestly.

"Are you excited?"

"Hmph!"

Sheng Yiting didn't want to make his girlfriend angry on the first day, so he immediately said, "I'm excited!"

"Why are you so excited?"

The two of them continued their conversation until it was midnight. Sheng Yiting finally urged, "I'm going to sleep soon."

"You too,"

She put down her phone and fell asleep in her sweet dreams on the first day of her relationship.

.....

In the morning, Sheng Yiting hummed a song in a good mood. He strolled into the dining room and took two space-steps. Then, he kissed Gong Mo's face and said, "Mother! Morning!"

"Are you possessed?" Gong mo asked, stunned.

Sheng shuangxue was shocked. it's over! My brother has gone crazy!

"What are you talking about?" Sheng Yiting took his breakfast and sat down. He took out his phone and texted Tong Siyao: Did you get up?

After sending the message, he placed his phone by his hand.

Sheng shuangxue craned her neck to take a look, but he pushed her away. "It's so delicious."

Sheng shuangxue took some breadcrumbs and fed Xiaohong.

"How can it be a vegetarian?" Sheng Yiting said. Feed it some bacon." After he finished speaking, he cut up the bacon in his bowl and threw a little into the cage.

Sheng shuangxue screamed,"mom!" Her brother had really gone crazy! He actually fed little red!"

what's wrong? "Gong mo asked. what triggered you?" Weren't they most afraid of snakes in the past?

Sheng Yiting fed Xiaohong another piece of bacon and said with a smile, "I think it's quite cute to look at it a few more times."

Sheng shuangxue and Gong mo thought, Qianqian is really crazy!

Sheng nanxuan had been jogging in the gym after he got up. He came over after taking a shower and asked, "What's wrong?"

your son seems to have won the lottery. Something's not right. Maybe a pie fell from the sky and hit his brain. Gong mo said.

No matter how big the lottery was, it was not as good as Sheng nanxuan's investment in the stock market. So, winning the lottery was not worth celebrating in their family.

"He just kissed your wife!" Sheng shuangxue complained.

Sheng nanxuan's eyes widened as he looked at Sheng Yiting.

"It's a misunderstanding!" Sheng Yiting quickly said. It's all a misunderstanding! No, why can't I kiss my mom?"

"I don't see you kissing me usually!" Gong mo said in dissatisfaction.

I'll kiss you, " Sheng nanxuan said hurriedly. it's enough.

pfft-" Sheng shuangxue lowered her head and laughed ghostly.

Sheng Yiting's phone rang. He picked it up and saw that it was a message from Tong Siyao. I just woke up, and you're already awake?

"I have to go to work." He hurriedly replied.

"Young master, you're always on time for work?"

"Of course, I have rules."

“Is there any hidden meaning in your words?”

“Can you guess?”

As he replied, a smile appeared on his face.

Sheng nanxuan asked, “ you were still in a daze yesterday. Did something good happen when you went out last night? ”

“I guess miss Tong has agreed to be his girlfriend,” Gong mo replied with a smile.

She’s called Siyao! Sheng Yiting replied immediately,”si as in ‘missing’, and Yao as in ‘ Jade Lake’.

oh, oh ~”Gong mo said happily,” so you’ll be my future daughter-in-law?”

you don’t object?”Sheng Yiting was taken aback. you don’t object?”

“Why should I object?” Gong mo was puzzled.

“Because Zhenzhen’s family isn’t as rich as ours.”

Chapter 1199 She was simply tailor-made for herself

“My family isn’t as rich as your dad’s.” Gong mo said.

...

“Ah?” Sheng Yiting was puzzled. The Gambino family was not rich?

“The gong family. I didn’t have anything to do with Simon at that time, but I still married your father, didn’t I?”

Sheng Yiting looked at Sheng nanxuan.

Sheng nanxuan said, ‘as long As You Like It. If you like her, then treat her well. You have so many role models around you. If you let her down, I won’t acknowledge you as my son.’”

I know! Sheng Yiting smiled. Thank you, Mom and dad!

“Bring him back for dinner when you have time,” Gong mo said.

Sheng Yiting touched his nose. we’ve just started dating. Don’t scare her. We’ll talk about it when the time is right.

“Then the time has to come!” Gong mo nodded.

Sheng Yiting thought, ‘Yueyue, can you be faster just because you say so?’

.....

Sheng Yiting was busy dating Tong Siyao every day, so he didn’t pick Sheng shuangxue up from school or tell her homework. But he was very tolerant of her pets.

Little red was not dissected because Yu Qingliu and Yu Xinya said that it was too small and that they had to wait until it was fat before slaughtering it!

Sheng Yiting shed a tear of sympathy for Xiao Hong. He felt that she was too pitiful. He was no longer afraid of her and cared for her more than Sheng shuangxue did every day.

Seeing him like this, Sheng shuangxue carefully guarded against him. She was afraid that he would use Xiao Hong to make soup.

Sheng Yiting didn't argue with her and continued his date with Tong Siyao.

It's said that the first three months of a relationship is the period of passion. You always want to see each other, be with each other, and whatever the other party does is right. Any of the other party's characteristics are strengths.

In his eyes, Tong Siyao was perfect.

Just as he had expected, she would not be late for her dates. She was especially reasonable, sometimes making him feel that he was completely useless.

However, when he thought about how he was going to be a political figure in the future and might even become the president in the end, girls who were too sensitive and unreasonable were indeed not suitable for him.

Thinking about Tong Siyao's characteristics, he realized that she was simply made for him!

She was concerned about politics and had her own opinions. In terms of awareness and style, she was not inferior to men. She was quite qualified to be a wife in politics.

Of course, she also had a feminine side when she was in love. At first, she was worried about her personal gains and losses. Later, she would make him some snacks, use the rice cooker in her bedroom, or walk around in her part-time shop.

He just felt that she was perfect! It was perfect! It was perfect!

Sheng Yiting even thought of getting married after she graduated next year.

No, no, no, it's too early!

Mom got married too early and didn't have a career.

Tong Siyao was similar to his mother in that she wanted to pursue her career. He couldn't stop her and wanted her to work.

She was still a little calculative about the gap between their family backgrounds. Perhaps when she had a successful career, she would not care about this anymore.

Sheng Yiting didn't know if other people were like this when they were in love, but he was calm on the surface, but his heart was burning.

Tong Siyao just liked how calm he was. She didn't want her boyfriend to be too clingy, because she wasn't the clingy kind.

The two of them had their own private space, and they usually thought of each other. When they met, they could chat, and that was good.

.....

In the blink of an eye, it was time for winter vacation. Tong Siyao wanted to go home.

Sheng Yiting couldn't bear to leave her. you're going to attend the recruitment meeting soon. Can't you just stay here? " Tell your mom that you're looking for a job!"

"There are already a few companies that are interested in hiring me, so I'm not worried about my work. I won't have so much time to go home after I start working. Tong Siyao sighed. that's why I have to go home and spend more time with mom. As for his sister, she was about to go through puberty. What if she was rebellious? This time, when I go home, I'm going to teach her face to face, so that she won't let mom worry."

Chapter 1200 Your girlfriend left?

“What if I can’t bear to leave you?” Sheng Yiting looked at her.

...

Tong Siyao smiled and said flirtatiously, “I can’t bear to leave you too ~”

Sheng Yiting reached out and hugged her, exchanging a deep kiss.

On the day she left, he sent her to the airport.

She had wanted to take the train, but it would take two days and two nights. Sheng Yiting felt sorry for her, so he bought her a plane ticket. “This is what a boyfriend should do.”

Tong Siyao didn’t want to argue with him, so she kissed him hard to express her gratitude.

Sheng Yiting felt that the reward was not bad. He wanted to do more for her in the future.

When they parted ways at the airport, Sheng Yiting held her hand. “Why don’t you pack me up and take me away?”

hahaha Yingluo. Tong Siyao laughed and said in a low voice, “maybe next time.

Sheng Yiting was taken aback. Knowing that she was serious, he held her hand and kissed it. “Alright. Have a safe journey.”

Tong Siyao nodded, tiptoed, and kissed him on the cheek. when I’m not around, you have to be good! Don’t go looking for pretty little girls!

then, when I'm not around, you have to be good too. Don't go looking for Yingluo, ahem ~"the rest of the sentence was obvious.

"Who else in the world is better than you?"

but there's no one more beautiful than you in this world ~"

pfft! Tong Siyao laughed. you're so mushy.

"You first."

Tong Siyao blinked, pulled her hand back, and stepped back. "Bye-bye!"

"I'll watch you go in."

She nodded, turned around, and walked towards the security check. She looked back three times with every step.

Sheng Yiting wished he could rush over and go to Western Plains with her.

When her figure disappeared, he sighed and went home in a daze.

Sheng shuangxue was already on vacation. She was sitting on the sofa and watching a brainless TV series. When she saw him coming back with his head drooped, she gloated and asked, "Your girlfriend left?"

Sheng Yiting pounced on her and pinched her face. He said fiercely, "Did you do your homework today? Go get your homework, I want to check it!"

"Of course I'll do it!" Sheng shuangxue took out her homework. I'm already half done for tomorrow.

not bad, not bad! Sheng Yiting nodded repeatedly. then let's practice two big writings!

"Ah?" Sheng shuangxue screamed. I don't want to practice calligraphy!

Sheng Yiting ignored her and carried her to the study. He took out a brush, ink, paper, and an inkstone, and the siblings bent over the table to write.

After writing for a while, he waved his hand. it's almost the new year. Let's write a few couplets.

"I'll do it!" Sheng shuangxue didn't like to practice writing, but writing couplets and couplets were rare. She wanted to participate.

Sheng Yiting stared at her handwriting and said in disdain, "It's better not to use this word to embarrass yourself."

"What's wrong? what's wrong?" let dad choose! Sheng shuangxue shouted unhappily. Let's see whose one he'll use?"

Sheng Yiting glared at her, 'dad has no integrity, of course he would choose you! This is called an unfair victory."

"It's good that you won! I don't care if it's martial or not!"

Sheng Yiting facepalmed-what a bear sister!

When Sheng nanxuan came back, Sheng shuangxue really went to ask him.

As Sheng Yiting had said, Sheng nanxuan had chosen his daughter unconditionally.

Sheng Yiting snorted, and his phone rang. It was Tong Siyao.

It seemed that she had gotten off the plane. He immediately went back to his room to answer the phone and told her what had just happened.

what? ” Tong Siyao was surprised. you can write with a brush? ”

“I can do a lot.”

I don’t even know how to whine, ” Tong Siyao said dejectedly.

“It doesn’t matter, as long as I know how to.”

Tong Siyao laughed.

“Give me your address,” Sheng Yiting said hurriedly.

“Why?”

“I’ll send you a couplet! I wrote it!”
