

Ditsy Wife 1201

Chapter 1201 Running into Nan Xuan's mother on the boat

Tong Siyao hesitated for a moment before giving it to him. A few days later, she received a package from him.

...

There were two couplets, a scarf, a hat, and a pair of gloves in the package. They were obviously for her, her mother, and her sister. There was also a pile of food from the capital, mostly snacks.

The present was thoughtful and affordable. Tong Siyao felt that Sheng Yiting was a man who knew how to conduct himself well. Chief editor Zhai had taught him well.

The scarves were custom-made, and her mother and sister didn't know how much they were worth. They thought they were cheap things, so she didn't have to be interrogated. The food was quite expensive, but it wasn't bird's nest or abalone. The old lady didn't find it hard to accept. She only said that she would bring some food back when she returned to the capital. They couldn't afford it, but they had home-made flavorful food that couldn't be bought outside. It was a kind gesture.

.....

Before the new year, Gong mo and Shan Rong had contacted each other.

When Yu Zhengming and Wu surong passed away, dan Rong and Gambino were still traveling. Later on, the two of them and Simon came to attend the funeral, but they left once the funeral ended.

First, it was because Simon was busy and could not leave. He only came because he was studying in China during his junior high school years and the two elders treated him like Sheng Yiting.

The moment he returned, dan Rong and Gambino followed. The two of them had not seen their son for a long time, so Gambino went back to check on his work.

In the end, the two of them went on a trip again after returning to Italy for a few days. They were currently on a luxury cruise ship that had already set sail in international waters.

The ship would dock after the new year, during which there would be a grand party.

“Are you guys coming back for the new year?” Gong mo asked dan Rong.

“I’m not coming back.” Dan Rong said, “ we met nanxuan’s mother on the boat. We wanted to ask her to go back with us, but she refused to do so no matter what. We decided to stay and have fun together!

“You met her?” Gong mo was shocked.

“Yes, we just met two days ago. Your dad brought me to the casino, and she was there too. She was good at gambling and always won. When I see her later, I’ll tell her that you called and see if she’ll call back.”

“I don’t think so,” Gong mo sighed. Since you’ve bumped into each other, have fun. Be careful and call me when you’re free. You’re already so old, don’t make people worry.”

“Alright, alright, I know.” Shan Rong hung up the phone impatiently.

Gong mo then called Simon and asked him to come over for the new year.

Gong mo sighed. In the past, he had to look at the situation before he could celebrate the new year with them. At that time, Yu Zhengming and Wu surong were there, so she had to go to the Yu family most of the time. There were so many people in the Yu family, and it was very lively even if one person only said half a sentence.

This year, the old man was no longer around, so they naturally would not go over. Shan Rong and the others weren’t coming, so the four of them might be a little lonely.

On New Year’s Eve, the whole family got ready in a hurry.

After breakfast, Sheng shuangxue was clamoring to put up couplets.

She was the one who had written the couplet. Her handwriting was crooked and she had crossed out the last part of the couplet.

Sheng Yiting couldn't bear to look at her, but Sheng nanxuan was still praising his daughter.

Sheng shuangxue also knew that she didn't write well, but it was meaningful to paste it on the door of her own house. Besides, her father was so supportive.

Seeing that Sheng Yiting was looking down on her, she ordered him, "Go! Get on the bench! Stick it on properly!"

Sheng Yiting glanced at Sheng nanxuan, who asked, "What are you looking at me for? Go!"

"I'm afraid you won't let me!" Sheng Yiting said hurriedly, "I'm afraid that you'll rush to paste the couplets that my sister wrote.

"It's okay, I'll post it next year."

Chapter 1202 Really a little devil

Sheng Yiting had just stepped on the stool and almost fell off when he heard that. Come again next year?

...

It's over. If anyone were to see this, they would definitely think that their family couldn't even afford couplets.

Sheng Yiting stood on the bench and took the couplets from Gong mo.

Sheng shuangxue shouted behind him, "not straight!" A little to the left, a little to the left."

Sheng Yiting moved his hand a little to the left, and she called again, " there's too much. A little to the right, right!

After a few minutes, Sheng Yiting's hands were tired. He asked, " "The paste has dried, haven't you fixed it yet?"

Sheng shuangxue's face turned serious. Wait until it's completely dry before refreshing again!"

Sheng Yiting knew that she was taking revenge. She was unhappy that he had called her handwriting ugly.

He hurriedly apologized, "my good sister, I was wrong, okay?" Your handwriting is the best. I like it. Whoever dares to say it's not good, I'll beat him up!"

Sheng shuangxue smiled in satisfaction. She waved her hand and said, " "Alright, let's post it."

Sheng Yiting shook his head and said in a helpless and loving tone, " "Truly a little fiend star."

After putting up the couplets, Sheng nanxuan went to the kitchen to prepare a feast, while Sheng Yiting took his phone and made a call.

Gong mo and Sheng shuangxue started to make dumplings. Sheng shuangxue called out to Sheng Yiting from afar, " "Don't you know how to use your earphones?"

"Don't mess around," Gong mo said.

"He's a freeloader!" Sheng shuangxue puffed up her cheeks.

“Be careful that he won’t torment your boyfriend when you’re in a relationship.”

“Ah?” Sheng shuangxue was stunned. She was still so young. Wasn’t her mother worrying too much?

good girl. Sheng nanxuan walked over and patted her head. don’t fall in love. Study hard.

Sheng shuangxue hurriedly nodded.

Gong mo looked at Sheng nanxuan speechlessly.

Sheng nanxuan picked up the dumpling skin and made it with them.

“Can you make some rabbit-shaped rice cakes?” Sheng shuangxue asked. I want to eat it. ”

“You’re already so big and you’re still eating?” Gong mo asked. She had made food into the shape of small animals to coax her when she was young.

“I’m still in primary school,” Sheng shuangxue said innocently.

Gong mo smiled and tapped her nose. alright. Next year is the Year of the Dog. Let’s be dogs.”

“Since it’s the Year of the Dog, can we have a dog?” Sheng shuangxue nodded hurriedly and asked.

“Forget it.” Gong mo shouted, ” you’re going to keep it in the laboratory. The dog is so cute. Don’t have any ideas about it.

Sheng shuangxue paused and nodded reluctantly.

Gong mo sighed. It seemed that the snake would indeed enter the laboratory.

After Sheng Yiting finished his call, he placed the phone in front of Gong mo. "Mom, look!"

Gong mo took a closer look and realized that it was a kind of snack that he had never seen before. He asked hurriedly, "What is this?"

"Siyao's family made it. Her mother is a minority, so they eat this during national festivals."

Yo, yo, yo ~"Gong mo teased," it's always Siyao. When are you going to bring her home?"

"Let's wait until she starts school." Sheng Yiting whispered.

Sheng shuangxue stood on her tiptoes and took a look. She mumbled in a low voice, "Not much, Yingluo."

Sheng Yiting teased her.

She dodged and said, "it doesn't look that good, but I don't know if it'll taste good."

"I won't let you eat even if it's delicious! Hmph!"

"Hmph!"

Gong mo looked at the two of them with a smile and sighed, "I don't know when the number of people in our family will increase."

Sheng nanxuan glanced at Sheng Yiting.

"I'll work hard, okay?" Sheng Yiting said helplessly.

good luck! I have faith in you! Gong mo laughed.

The doorbell rang, and Sheng Yiting turned to open the door. "Simon is here," he said after a while.

Chapter 1203 How can your girlfriend stand you?

"Ah?" when? " Gong mo asked in surprise.

...

right now. He just got off the car at the entrance. He probably wants to give us a surprise.

With that, Sheng Yiting went back to his room and put on his coat before going out to pick her up.

Sheng shuangxue hurriedly went to wash her hands and ran to the door to wait.

Soon, Sheng Yiting arrived with Simon.

As Sheng Yiting carried the suitcase behind him, Simon shouted, " "Your bodyguards are so insensible! I wanted to give you a surprise. He actually told on us!"

"Uncle!" Sheng shuangxue looked at him and called him sweetly.

Aiya! Simon was overjoyed. He opened his arms and said, " Xue 'er has grown taller. Let uncle carry you!

"Cough cough!" Sheng nanxuan coughed warningly from behind.

Simon hurriedly retracted his hand and did not dare to hug her anymore.

This brother-in-law was really ... As an uncle, he couldn't even hug his niece. Who else in this life could kidnap his daughter?

He would have to pay the price of blood if he could kidnap Yingluo!

sister~brother-in-law~" Simon walked over with flirtatious steps.

"Why didn't you tell me you were coming?" I didn't even prepare a guest room for you, "Gong mo reproached.

"It's okay, I'll sleep on the floor." Simon said with a smile.

Gong mo was too embarrassed to scold him when he saw his smile.

In terms of looks, he and Sheng Yiting were both handsome men who were popular with thousands of girls, but he was more good-looking than Sheng Yiting.

The temperament of the two of them was even worse ...

Simon was more feminine, but he always smiled at people. He was a typical Lady Killer and a Playboy at first glance. He was indeed a Playboy. When they were in high school, he had already kidnapped Sheng Yiting to pick up girls. He had indeed succeeded in getting them. At that time, he had already lost his virginity and become a real man.

Sheng Yiting, on the other hand, was an upright gentleman with the temperament of an elite and a mature female killer. He had been strict with himself since he was young, and he was the same with women. Gong mo and Sheng nanxuan reckoned that he was still a Virgin! Although he had a girlfriend, it would not be so soon. He could only hope for next year.

.....

After Simon greeted Gong mo and Sheng nanxuan, Sheng Yiting brought him to the guest room.

The guest room was indeed not tidied up. Sheng Yiting came out with a blanket and asked him to do it himself.

“I heard that you have a girlfriend?” he asked, pestering Sheng Yiting. Let me see the photo!”

“Stop it!” Sheng Yiting covered his phone tightly.

“Don’t be so petty. I won’t do anything to her, I’m just helping you check. I’ve slept with at least ten women, if not a hundred. I’m definitely more experienced than you.”

Sheng Yiting pushed him away. go to sleep. I’ll wake you up when it’s time for dinner!

“Why are you sleeping? I’ve had enough sleep on the plane! Let’s go for a ride!”

it’s winter, and the wind is like ice when it blows on your face. Who wants to go for a spin with you? ”

“But the road outside is so wide. It’s such a pity!”

In a bustling city like Beijing, the traffic was usually very heavy. It was only during the few days of the new year when all the employees had returned to their hometown that the street was emptied.

When Simon saw that there was no one on the street, he really wanted to go for a car race! Even the traffic police probably wouldn’t care!

“You’re too boring!” how can your girlfriend stand you? ” he asked Sheng Yiting.

“My girlfriend likes it when I’m like this.”

ha, ha, ha. Simon sneered. it seems like she's a boring person.

Chapter 1204 Happy New Year, I love you

"You can go ahead and do whatever you want. Someone will take care of you sooner or later." Sheng Yiting said.

...

"Where? where?" Simon looked around in a hurry and sighed. I do hope someone will teach me a lesson. But I've wooed so many girls, yet I've never met one that I like."

"Then why did you still soak in it?"

"Physiological needs! A stubborn old man like you won't understand!"

Sheng Yiting felt that he did not get along with him, so he turned around and left.

"Who's the elder here?" Simon suddenly wondered. Why did his eldest nephew look more mature than him?

Hmph! It was boring! It must be boring!

He was clearly showing off!

.....

Simon's arrival made the new year a lot more lively.

After dinner, the five of them sat on the sofa and watched the Spring Festival Gala. The coffee table was filled with all kinds of candy.

Sheng shuangxue had chocolate in her left hand and melon seeds in her right. She was munching on a fruit from time to time. She was having a great time.

Usually, Gong mo would forbid her from eating snacks. Only during the new year would he ignore her, so she would eat to her heart's content.

"I want to grow fat," Sheng Yiting said.

"I'll try my best to run." She said seriously.

She was indeed very serious about exercising. Sheng Yiting patted her head lovingly, thought for a moment, and took out his phone to secretly send a message to Tong Siyao. Have you had dinner?

Tong Siyao replied, "I'm eating." And you?

Sheng Yiting, 'let's watch TV after dinner.' You eat first, we'll talk after.

Tong Siyao:

"Chatting with your girlfriend?" Simon threw an orange at him.

"No, I'm just looking at the jokes on the internet." Sheng Yiting put away his phone. many people are complaining about the Spring Festival Gala.

"Hmph, you're still pretending." Simon looked like he had experienced it before. you just got a girlfriend and you want to stick to her all day long. Who would believe you? "

"Then why are you still asking?"

Simon choked and turned to complain to Gong mo, "Sister! Just look at him, this is how he treats his elders."

"You don't seem to have any elders," Gong mo said helplessly.

Simon thought, "I'm being despised!"

After a while, Sheng Yiting received a message from Tong Siyao. She had finished her meal.

He asked, "what time do you sleep?"

Tong Siyao said, "after midnight."

The Sheng family would also wait until midnight. Little devil was sleepy at nine o'clock. He leaned on Sheng nanxuan and slept.

Sheng nanxuan wrapped her and Gong mo in blankets, one on each side. They looked like a family of three.

Sheng Yiting and Simon, who had been isolated, felt that they were unnecessary.

Sheng Yiting was fine. He was chatting with Tong Siyao and didn't remember anyone else.

Simon was depressed. He looked up at the sky and held back his tears. She only hated that she was not a girl in this life! If he was a girl, his father would not have left him to travel with his mother.

At 12 o'clock, the sound of fireworks could be heard outside. The television was also noisy. Little fiend star had woken up.

Gong mo gave dan Rong a call. Everyone was waiting to wish the old lady a Happy New Year.

Sheng Yiting walked to the side and called Tong Siyao. "Happy New Year."

Tong Siyao was indeed very happy. She smiled and said, "Happy New Year."

Sheng Yiting looked back at his family and said in a low voice, "I love you."

Tong Siyao was stunned. Her heart was beating fast and she said shyly, "What did you say?"

"Didn't you hear me?"

"The firecrackers are too loud."

"Why did you hear this again?" Sheng Yiting was displeased.

"Ah?" what did you say? " Tong Siyao asked. I can't hear you, let's text."

Sheng Yiting,"Yueyue."

"Brother! It's your turn!" Sheng shuangxue called out from behind.

He hurriedly said goodbye to Tong Siyao and went to take the video call.

Chapter 1205 red packets ~

On the other end of the video call, dan Rong, Gambino, and Yu qinghuan were all present. Old K would occasionally appear behind them, trying his best to make his presence known.

...

They were in the middle of a banquet, and everything they could see was bright red. It was decorated with the word "Fortune", firecrackers, couplets, and auspicious Street.

There were many Chinese people on the ship. The shipping company had specially celebrated the Chinese New Year, and people from other countries also joined in the fun.

Shan Rong was wearing a red cheongsam. Her silver hair was clearly visible, but she was full of energy. It was really the life of old age that people yearned for.

Yu qinghuan's Black hair was tied into braids and hung over her shoulders. There were small red flowers on the braids, and she wore a red tulle dress. She looked like a girl who had just come of age.

The two of them sat there like grandfather and grandson. Who knew that they would be in-laws?

"Yiting's girlfriend isn't around?" Shan Rong asked.

Sheng Yiting's face darkened. don't start with this.

"As pretty as me?" Yu qinghuan asked with a smile.

of course, " Sheng Yiting replied numbly, " no one is as pretty as grandma.

"Ah, it's lonely at the top!" Yu qinghuan sighed.

Everyone,"hehe."

After the call, Gong mo started to send out red packets.

She had prepared it for Sheng Yiting, Sheng shuangxue, and Simon. As their uncle, Simon had also given it to Sheng Yiting and Sheng shuangxue.

As the older brother, Sheng Yiting also sent a message to Sheng shuangxue, saying, "you have to treat big brother better this year ~" don't complain to dad all day.

Sheng shuangxue had a great harvest. She scattered the red packet on the sofa and said, "It's time to give out red packets ~"

Simon shook his head and said with a bitter heart, "I received one red packet but I have to give out two. I won't come back next year, I won't!"

Gong mo looked at Sheng nanxuan. you haven't posted it yet.

"Aren't you the one in charge?" Sheng nanxuan asked, "we are husband and wife, so we can only have one. It's inauspicious to have two. It means we have to split.

"Hmph, stingy!" Sheng shuangxue said.

"That's right!" Simon added.

Sheng Yiting took out his phone and sent a red packet to Tong Siyao on WeChat. The red packet contained this year's Red packet, which was more than two thousand Yuan.

Tong Siyao immediately replied with the exact same amount.

He sent another 520.

Tong Siyao also replied with a 520.

He then sent a number 5201314.

Tong Siyao counted-5.2 million!

The tycoon was too willful.

She said, "I can't bear to return it. What should I do?"

He smiled and replied, "then take it."

Simon came over and asked, "what are you doing?" Smiling so lecherously ..."

He wanted to say 'yindan', but Sheng shuangxue was there and it wasn't appropriate. He would definitely be beaten up by his brother-in-law if he said it, so he said, " "What an evil smile."

Sheng Yiting covered his phone and said with a serious face, " "Please respect the privacy of others!"

Simon snorted, "people in love are so annoying!" You're still sending text messages after you're done with your phone call. I don't even have enough dog food to eat."

When Sheng Yiting heard the notification on his phone, he looked down and saw that Tong Siyao had sent him another red packet to return the 5.2 million Yuan.

He asked, "when are you going back to the capital?" I miss you.

Tong Siyao said, " I have to finish the Lantern Festival. The school starts after the Lantern Festival. I want to spend more time with my mom.

Sheng Yiting, 'Yueyue, do you think I won't fly over to you?'

Tong Siyao:

How was she supposed to answer that?

Don't believe? Then he would definitely fly over to show her.

A letter? He would definitely not let her trust go to waste.

She said helplessly, "I'll try to come back early." It's already 12 o'clock. I have to sleep. I still have to accompany my mom to pray to Buddha tomorrow.

Sheng Yiting sighed and said, "alright, good night."

Tong Siyao suddenly wanted to tell him to get him an amulet the next day. She paused for a moment and decided to give it to him when she got back. It was a surprise.

Chapter 1206 Simon isn't a split-personality, right?

In the first month of the lunar year, Gong mo and the others were going out to pay New Year's greetings. The Yu family and the Wu family were also waiting for others to come and pay New Year's greetings. It was very lively for a few days.

...

When they were done, the street was bustling with activity again.

After the long holiday, everyone was back to work, and there were more cars on the street.

Sheng Yiting also had to go to work. Working in the government was different from working at home. He had to work from nine to five every time it was time for work, and he had to work very hard.

Gong mo and Sheng nanxuan were not in a hurry. They always went to the company after the Lantern Festival. If they had anything to do recently, they would solve it by phone.

Without anyone to accompany him, Simon felt bored. During the day, he would deal with some Italy matters on the phone and computer at home, and then teach Sheng shuangxue Italian. When Sheng Yiting came back from work, he would pester him to go out to bars.

“Go by yourself!” you’re more familiar with the capital than I am, ” said Sheng Yiting. do you have to call me? ”

“Isn’t it boring to be alone? I’m mainly afraid that you’ll get sick from holding it in! Look at you, you’re so young, why do you act like a retired monk?”

ha ... Sheng Yiting laughed in anger. a retired monk? What kind of analogy is that?”

“Retired people are old and don’t like to join in the fun of young people. Monk, you know, he forgives everything, especially lust! I think you’re wrong ...”

“I have a girlfriend.” Sheng Yiting interrupted him.

Oh ... he suddenly realized. so you’re afraid of your girlfriend? ” Don’t worry, I won’t say anything. You know it, I know it, heaven knows it, earth knows it. ”

Sheng Yiting interrupted him again. I’ve never had this hobby. Don’t lead me astray. Otherwise, I’ll tell Grandpa.

Simon choked and said gloomily, “boring!” Can’t you come with me? You’re so old-fashioned, you’re really a Liuxia Hui. I believe that even if a beauty were to strip naked and sit in your arms, you wouldn’t be moved! What are you worried about?”

“I’m not worried about anything, I’m just not interested. If you’re really that bored, go find Yu Ze.”

“He’s not even 18 yet,” Simon hurriedly waved his hand, “forget it.”

After a few days, he felt that this place was really boring, and he was busy in Italy, so he went back.

Sheng Yiting heaved a sigh of relief, at least he didn’t have to bother him all day.

On the day they sent Simon off, Gong mo worriedly said to Sheng nanxuan, “Simon’s personality is like that of a split-personality,”

He might be a Casanova who did not do proper work all day, but he was able to shoulder the entire family’s Affairs without Gambino around. It could be seen that he had some courage.

Although Gong mo didn’t know much about Gambino’s business, he knew that it had been stained with blood.

Simon wanted to establish his power at such a young age, so he must have his own means. In front of his enemies and subordinates, he was so ruthless.

Gong mo recalled the battle between Gong hang and Gambino for the brain. It was said that the original Gambino had dual personalities. Wasn’t this split personality?

Simon’s genes came from that person. Could it be that he had inherited it?

he’s young and playful,” Sheng nanxuan said. he’ll naturally become more mature when he’s done playing.

“How can I have enough fun? He’s still a frivolous old man when he’s old. Look at uncle, he’s a living example. When Simon was studying here, he always followed him around. It’s good enough that he didn’t become a doctor.”

Sheng nanxuan thought about it and agreed.

Old K was also crazy. He probably had Simon's personality when he was young. Yu Qingliu and old K knew each other. He might have learned from old K because Yu Qingliu didn't look as sick as old K.

"It doesn't matter, as long as it's not a real split personality."

Gong mo, "Zhenzhen," she's just afraid of being split!

Chapter 1207 Lu duo is back

Sheng Yiting flipped through his calendar. It was the weekend in two days, followed by the Lantern Festival. He had a few days off. Should he go and find Tong Siyao?

...

If he knew her address, he could catch her off guard and give her a surprise.

But she definitely didn't like people coming uninvited. It might be a surprise to others, but it might be an offense to her.

But if he told her, she would definitely object, right?

On Friday, Sheng Yiting got off work and went home. He searched for plane tickets online, including the plane tickets to Xiyuan that night.

He hesitated for a while and decided to call Tong Siyao to discuss it with her.

Just as she picked up her phone, someone knocked on the door. Gong mo asked, "Yiting, are you back?"

Sheng Yiting put down his phone, opened the door, and asked, "What's wrong?"

“Hurry up and pack up. We’re going to your granduncle’s house!” Gong mo turned around and looked at Sheng shuangxue.

Sheng Yiting followed her in confusion and saw Sheng shuangxue wearing a thermal suit and looking for a coat to change into.

“I need to change my clothes!” She screamed when she saw him.

Sheng Yiting rolled his eyes and turned to leave.

Gong mo patted Sheng shuangxue’s head.

She walked out and went to Sheng Yiting’s door.

Sheng Yiting turned off his computer, took out a casual jacket from his closet, and asked, “Is there something going on at first granduncle’s house?”

Do you still remember Duoduo?” Gong mo asked.

the one from the Lu family?” Sheng Yiting was taken aback. the one from the Lu family?”

“That’s right. He won the gold medal in the largest international Violin Competition last year, so he was a violinist from now on. At that time, your great-grandfather and great-grandmother passed away, so the Lu family didn’t make a big deal out of it. She’s going back to China to develop her career now. Your aunt just happened to be back for the Lantern Festival, so she came over to visit her. As you know, her parents are still abroad. She’s going to visit your granduncle in her father’s place.”

Although modern society didn’t respect teachers as much as ancient times, students still went to visit their teachers during the new year.

Lu Yang only came back once in a few years, and he often called Yu Qingliu. Now that Lu duo was back, he naturally asked her to come and greet him personally.

“Speaking of which, it’s been a long time since we last met.” Sheng Yiting nodded.

“Yup,” Gong mo laughed. she was very clingy to you when you were young. I thought you two would be together. Ran ran, why didn’t you keep in touch after that? ”

Sheng Yiting’s face darkened. She was the one who didn’t contact me. ”

After Lu duo went to Vienna, she called him a few times in the beginning, but stopped contacting him after a few months. He probably didn’t care anymore after he had a new life and new friends. After so many years, he had probably completely forgotten about it.

“So, if she keeps contacting you, you two will be together?” Gong mo asked with a smile.

“Don’t talk nonsense, I only treat her as a sister!” Sheng Yiting’s face became even more serious. if Siyao knows what you said, she’ll be unhappy.

“Then when are you going to bring Siyao back for me to see?” Gong mo mumbled unhappily.

“What’s the hurry?” Sheng Yiting was helpless. They’ve only been dating for a short time, and you’re bringing her back? She would definitely not agree. Don’t think that she’s good at other things, she’s a blank piece of paper when it comes to relationships.”

you make it sound like you’re experienced, Zhenzhen, ” Gong mo snorted.

Sheng Yiting choked and did not want to talk to her anymore.

What kind of mother is this? He kept sabotaging him! So what if he had no experience? It proved that he was a good man, waiting for that one person in his life! Would she be happy just like Simon?

Chapter 1208 Didn't she want to call him brother Hu?

Yu Qingliu was no longer living in the Yu family villa. He originally had his own house, and after the two elders passed away, he completely moved there. The original Yu family villa was now Yu Qingping's home.

...

After Yu Xinran came back, she went to Yu Qingping's house first, put down her luggage, and then took Lu duo to see Yu Qingliu.

After having lunch there, they played until ding dang came back from work. She called Gong mo and set off to Yu Qingping's house.

After getting into the car, Lu duo lowered her head and fell into a daze.

"What are you thinking about?" Yu Xinya asked jokingly.

"Uh, ran ran, I was just thinking that I haven't seen aunt ran and the others in many years." Lu duo said, embarrassed.

"You're missing your brother Yiting, aren't you?" Yu Xinya snorted.

"Ah?" Lu duo's face was full of confusion. Then, she blushed and said anxiously, "don't talk nonsense!"

"Cough ~ I was just joking." Yu Xinya remembered that Sheng Yiting had a girlfriend now, so it was not appropriate for her to say such things. However, she was also afraid that she might have other thoughts about Sheng Yiting, so she said, "he has a girlfriend now. You can laugh at him all you want later!"

sure ~ Lu duo laughed. I've always treated him like ~ brother.

Yu Xinya nodded. of course! You used to follow him around and call him brother Yiting.

Lu duo was embarrassed,'how can it be' every day'? Just for a few days."

"It's just an example." Yu Xinya laughed out loud.

.....

Sheng Yiting followed Gong mo and Sheng nanxuan into the Yu family villa. When the people inside turned around, there was only one unfamiliar young girl, and it must be Lu duo.

Lu duo was very beautiful. She was different from Tong Siyao.

Tong Siyao's facial features were prominent, and she was good-looking in every aspect. Overall, she had a heroic spirit.

Lu duo's facial features didn't look outstanding when separated, but when put together, they were very comfortable. She had a gentle temperament, like a jasmine flower that was about to bloom.

Tong Siyao was like a rose in full bloom. No one else noticed it, but Sheng Yiting did.

"Yiting is here. Do you still remember Duoduo?" Yu Xinran asked with a smile.

Sheng Yiting nodded and said to Lu duo, " "It's been a long time,"

"Brother Yiting!" Lu duo smiled brightly.

Sheng Yiting was taken aback. He smiled, but he didn't feel any sense of reuniting with an old friend.

Brother Yiting?

He remembered that she wanted to call him brother Hu Zi.

Indeed, you can't trust a child's words.

No, he wanted her to call him that in private.

Thinking of this, Sheng Yiting felt inexplicably nervous. He looked at her and saw her chatting with Gong mo and Sheng shuangxue with a smile. She didn't seem to have any feelings for him, did she?

They played well when they were young, but it didn't mean that they would like each other when they grew up.

While they were chatting, Lu duo exchanged phone numbers with him. Under Lu song's suggestion, everyone decided to go horse riding at Happy Garden tomorrow.

.....

On the way home, Gong mo lectured Sheng shuangxue, " look at your sister Duoduo. She's so gentle and capable. You should learn from her.

Humph! Sheng shuangxue pouted. I don't like her!

"Why?" Gong mo was stunned.

what's wrong with sister Duoduo? " Sheng nanxuan asked. "

I think she's so fake. She's smiling at everyone.

“That’s just being polite.” Gong mo said, “ sister Duoduo’s parents are treating patients in Africa. They are people worthy of respect.

“Those are her parents, not her.”

Gong mo pressed her head helplessly and stopped talking to her.

Sheng nanxuan pondered. it’s probably because I haven’t seen him for a long time. I just feel strange.

“Don’t talk about your intuition again,” Gong mo said in a low voice.

“Is my intuition not good?”

“Are you feeling better?”

“Yingluo” was indeed not a good thing. Anything that he thought was weird was never good.

Chapter 1209 two-timing, the boat will capsize

why aren’t you talking?”Gong mo asked Sheng Yiting, who was sitting in the front row.

...

“What did he say?” Sheng Yiting retorted.

“Duoduo, of course ~”

“What’s there to say?” Sheng Yiting was not interested. we haven’t seen each other for so many years. We don’t know each other well.

He lowered his head and took out his phone. There was no message on it.

Hmph, didn't Siyao miss him? She never took the initiative to call him!

After he went back, he wanted to call Tong Siyao, but he held back his anger. If you don't call me, then I won't call you either!

He called Simon first and said, "Lu duo is back. I'm going to go horse riding with Lu Song, little aunt, and the others at Happy Garden tomorrow." If only you had left a few days later, you would have been able to join in the fun."

Lu duo is your business. Why should I join in?" Simon said, "that little girl always likes to follow you around.

"She's a big girl now."

"Yo, are you tempted? Don't forget, you have a family now!"

Sheng Yiting felt that her words were very touching-he was already married.

"I'm telling you this in all seriousness, what are you talking about?" he couldn't help but laugh.

"I'm just reminding you." Simon said seriously, "you already have a girlfriend, so don't get entangled with your childhood sweetheart. If you're two-timing, the boat will capsize."

Sheng Yiting sighed. forget it. I'm not going to talk to you anymore. You're never serious.

Suddenly, there was a loud bang. It sounded like a gunshot. It came from Simon's side.

what are you doing? ” Sheng Yiting asked anxiously. what are you doing? ”

“Chop people!” Simon said.

“Yingluo, you can slowly cut it.”

Sheng Yiting hung up and called Tong Siyao.

I was just about to call you, ” Tong Siyao said the moment she picked up the phone. we really have telepathy.

Hearing her words, Sheng Yiting had no more complaints. All he wanted to do was to express his endless longing for her, so he chatted with her for more than an hour.

.....

The next morning, Sheng Yiting went to the Yu family to pick her up. Sheng shuangxue wanted to go as well, but Gong mo was afraid that she would get hurt, so he kept her at home to do her homework.

Over at the Yu family, Lu Rou’s relative came and secretly told Yu Xinran. Yu Xinran told everyone that she was not feeling well and asked her to rest at home.

The remaining people-Yu Xinya, Yu Ze, Lu duo, and Lu Song-were all going.

After Sheng Yiting went over, Yu Xinya asked, ” “Then there are five of us, do we drive one car or two cars?”

“Two,” Lu Song said, ” it’s so crowded in one car!

Yu Xinya immediately called for the chauffeur to drive Yu Ze’s sports car over.

what? ” Yu Ze was extremely anxious. there are so many cars. Why are you driving mine? ”

“Because your car is new! Beautiful!” Yu Xinya said.

“Aunt, you’re bullying me!” Yu Ze’s face was gloomy.

He had taken a fancy to the car when he visited the Liuguang group last year. Yu xinzhuo had bought it for him and was just waiting for him to get his driver’s license.

He usually treasured it so much that he would visit it three times a day. However, Yu Xinya loved to tease him. She always wanted to borrow his car, and if she didn’t, she would use another car to hit him!

Lu duo saw them bickering and chuckled. She looked up at Sheng Yiting and said, ” “Brother Yiting, can I take your car?”

“Alright,” he said. Sheng Yiting opened the car door. let’s go then.

Lu Song thought that something was going on between them, so he yelled, ” “Did you guys leave us behind and go on a date?”

Lu duo’s face turned red. She stomped her feet and said, ” what nonsense are you talking about?!

Sheng Yiting smiled. he’s been abroad for half a year. His language is not good anymore.

Lu duo turned around and got into the car.

Sheng Yiting also got into the car and said to Yu Xinya, ” “I’ll be waiting for you guys in front.”

Chapter 1210 You weren't like this before

After the car hit the road, Lu duo said to Sheng Yiting awkwardly, " don't take Lu song's words to heart. I know you have a girlfriend.

...

"Yes, I won't. Do you think I don't know what his personality is like?"

Lu duo was stunned. She sighed softly. that's right, Wanwan. Speaking of which, you two are more familiar with each other. After all, I've been away for more than ten years.

Sheng Yiting glanced at her and said,'why are you so sad? You weren't like this before. They had played together since they were young, so what if they hadn't seen each other for more than ten years? You'll be back to how you were before after a few more times."

Lu duo was stunned for a moment. Her entire person suddenly brightened up. She nodded and smiled."Brother Yiting is right!"

Sheng Yiting thought to himself,'women really change their faces faster than flipping a book.'

Lu duo sized him up and laughed. I didn't expect that after not seeing you for more than ten years, brother Yiting has grown into such a handsome man.

I was a handsome man back then, right? " Sheng Yiting smiled.

"Oh, Yingluo, yes, yes." Lu duo hurriedly nodded.

After that, the car fell silent.

The two of them, who had not seen each other for many years, really could not find a topic to talk about.

A few minutes later, Lu duo rolled down the window and looked out. "The sun is out, Yingluo."

"Yes, the weather is good today." Sheng Yiting said.

Lu duo turned back to look at him. "did you ask your girlfriend to come along?" she asked.

she's gone home for the new year. She's not in the capital now.

Oh, Yingying. Lu duo was a little disappointed. "next time then. I want to see brother Yiting's girlfriend."

Just then, Yu Xinya caught up with him in her car. She rolled down the window and asked, "Let's compete?"

Sheng Yiting nodded and let her drive ahead, ignoring her.

"When did you come back?" he asked Lu duo.

"Just two days ago."

"You didn't come back for the new year?" He was puzzled.

"I went to look for my parents," Lu duo shook her head.

"How are they?"

"Oh, Yingluo is still alright." Lu duo sighed. "but I don't think it's good. The sandstorms in Africa were strong, and they looked much older than their peers. But since they liked to do that, let them be. Anyway, I didn't live with them since I was young, so I'm used to it."

Sheng Yiting looked at her and knew that she was unhappy.

She smiled helplessly and said, "I feel like they're like strangers to me." They were very uncomfortable, and so was I. They abandoned me after giving birth to me and left me in the care of my uncle and aunt, so why did they give birth to me back then? For the sake of their love for saving the world, they're not going to care about their daughter anymore?"

"Don't think that way." I'm sure they didn't want to leave you behind, " Sheng Yiting said. It was just that he had been gone for too long and he couldn't help it. When you grow up, they won't know how to get along with you. This is called Qianqian having the heart but not the strength, right?"

Lu duo nodded. right now, I want to get along with them. But I'm a little powerless. I want to.

Sheng Yiting fell silent, not knowing how to comfort her.

Seeing that the sun was getting stronger, he opened the roof and bathed in the early spring sunlight. He asked, "Are you cold?"

Lu duo shook her head and opened her handbag. She took out a hair band and tied up her hair that had been messed up by the wind. Then, she took out a pair of sunglasses and put them on.

"You're quite well-equipped, aren't you?" Sheng Yiting laughed.

Lu duo smiled, "of course ~"

When the two of them arrived at Happy Garden, Yu Xinya and the other two were nowhere to be seen. They had probably already gone to the horse track.

Sheng Yiting stopped the car in front of the villa and asked Lu duo, "Do you want to go in and rest for a while?"

~ Sure ~ Lu duo agreed happily.
