Chapter 1211 Did she forget?

After they got out of the car, Lu duo put her sunglasses on and followed Sheng Yiting into the villa.

...

She looked around as if she was curious about the changes here.

The villa was always watched over by a servant. Sheng Yiting asked someone to make some black tea. When he saw Lu duo's eyes on the piano, he asked, "Do you want to play?"

Lu duo was stunned. She shook her head. aren't we going horse riding? "

Sheng Yiting was stunned. I thought you used to learn piano. I thought you would want to play it. he smiled.

Lu duo looked at him and was stunned for a few seconds. She smiled and said, "Brother Yiting, are you stupid? I've changed to the violin!"

you're so good at playing the piano. Why do you want to change it? " Sheng Yiting found it strange.

"Because I think Auntie looks good when she plays the violin." Lu duo blinked her eyes playfully.

Sheng Yiting's eyes widened as he looked at her in disbelief.

For someone who studied music, this was a lifetime thing. How could it be a child's play?

Lu duo laughed, 'I was just lying to you! Actually, it's because not long after I arrived there, I fell and injured my arm, so my hands weren't as coordinated as before. I felt that it would be hard to reach the peak with the piano, so I switched to the violin. The violin required a lower coordination of the hands."

Injured?

Since he had never heard of it, Sheng Yiting did not care about it. After all, he already had a girlfriend. What if people misunderstood him?

He said, "then you really are a genius!" When she was learning piano, she was about to become a piano master, but when she changed to the violin, she was still first."

"When it comes to music, it's hard to say that it's the best."

"But you're definitely one of the best."

Lu duo lowered her head and smiled shyly. brother Yiting, you really know how to talk!

Sheng Yiting's smile froze. What was this shyness about?

"Let's go, let's go ride a horse!" He hurriedly walked out.

The servant just happened to come over with black tea and biscuits. Lu duo was stunned. She hadn't drunk the tea yet!

"Brother Yiting, wait for me!" She chased after him.

Sheng Yiting was standing in the middle of the road with a golf cart parked beside him.

When he heard her voice, he turned around and said, " "Slow down,"

Lu duo ran over and got into the car Ball with him.

On the way, she put on her sunglasses again and looked around. "I haven't been here for a long time, Yingluo."

"Yes." Sheng Yiting took out his phone and snapped a picture of the scenery.

"What are you doing?" Lu duo was curious.

"I'm sending it to my girlfriend."

Lu duo's smile froze. She nodded and smiled again."Brother Yiting, I don't know how to ride a horse yet. Please teach me."

"Have you learned it abroad?"

"I've taken a few classes, but I didn't learn it." Lu duo pouted. It was a little cute.

Sheng Yiting laughed. we'll teach you later. Your aunt Xinya is an expert.

Lu duo nodded and said,'alright, let her teach me! We men and women shouldn't touch each other!"

haha! Sheng Yiting burst into laughter.

After he finished laughing, he had a strange feeling in his heart. She kept calling him " brother Yiting " as if she was trying to get closer to him by calling him that.

But if that was the purpose, wouldn't it be faster to call him 'brother Hu'?

However, there was no one else along the way, so why didn't she scream?

Could it be that she had already forgotten the joke she had made back then?

Sheng Yiting felt that it shouldn't be.

She felt that Lu duo would never forget, not for anything else, but because she had called him 'brother' when she was young. Regardless of whether she had any ignorant thoughts at the time, she still treated him as her brother.

The current Lu duo didn't have the feeling he had in his memory.

However, so many years had passed, so it was normal, right?

Time would make one forget everything, such as the "brother Hu" she had called him.

Forget it then. It was good that she had forgotten. It meant that he was not that important to her.

Chapter 1212 Have you ever been separated?

On the day of the Lantern Festival, Sheng Yiting and Tong Siyao talked on the phone for a while after lunch.

...

This was his daily routine, but he didn't know when she would be back. He had asked before, but it wasn't appropriate to ask every day.

They had only been dating for less than three months, and they had not seen each other for a month. He felt that it was quite boring. Sometimes, he couldn't help but wonder if he had a girlfriend.

Hmph, she had to come back for Valentine's Day, right? If she didn't come back, he would save a gift.

brother ... Sheng shuangxue knocked on the door. come out! Don't eat for free!

When Sheng Yiting walked out, Gong mo was making tangyuans. Sheng shuangxue, who was wearing a small apron, was helping him.

Sheng Yiting washed his hands and went over to help.

"Why aren't you happy on a big holiday?" Gong mo asked.

I can't see my girlfriend, " Sheng shuangxue said.

Sheng Yiting reached out and pinched her face, leaving a wet rice noodle mark.

Sheng shuangxue frowned and said,"mom!" Just look at him!"

"Alright, alright, don't make a fuss, just wash it off. Yiting, don't bully your sister. Your father is in the study."

Hearing that, Sheng Yiting rubbed the tangyuan in his hand and went to wash his hands. "I'll go find him."

"Why are you looking for him?"

"Find him and get beaten up!" Sheng shuangxue said.

Sheng Yiting walked over to her and used his wet hand to stamp the other side of her face.

ah! Sheng shuangxue screamed.

Sheng Yiting walked away, laughing.

When he entered the study, Sheng nanxuan looked up from behind a pile of documents. "You're bullying shuangxue again?"

"She's always been the one bullying me." Sheng Yiting walked over to her. "Is there anything I can help you with?"

"You're here just to help me?"

"No, I actually wanted to ask you how you managed to win my mom's heart."

Sheng nanxuan raised his eyebrows. "You still haven't managed to get her?"

"I've caught him, but I'm not at ease." Sheng Yiting sat down opposite him and picked up a document to read.

Sheng nanxuan said in an experienced tone, "It's just a matter of cultivating feelings. Your mother and I have experienced a lot. We can't be used as an example."

"Have you ever been separated? I've only just wooed her, and we've already been separated for a month." Sheng Yiting was indignant.

"At least you've been a Virgin for two months." Sheng nanxuan snorted coldly. "After I got your mother, we didn't even spend a day together. Then, we separated for four years."

Sheng Yiting looked at him in disbelief. Seeing that he was serious, he heaved a sigh of relief. "I'm balanced."

Sheng nanxuan picked up the folder on the table and slapped him. He got up and ran away.

After dinner, Sheng shuangxue kept pestering Sheng Yiting. "Brother, let's go out and play!"

“Where to play?” Sheng Yiting glanced at her. you’ll know to look for me if you want to go out. How do you usually bully big brother?”

Sheng shuangxue hugged his arm and shook it. beating is a sign of affection, scolding is a sign of love. I like you ~”

“Where are you going?” Gong mo asked. I’m just watching the Lantern Festival Gala at Home.”

“What’s there to see? It’s just singing and dancing.” Sheng Yiting said.

“What do you know? Duoduo had a performance today and was playing the violin! I’ve seen her play the piano when she was young, but I’ve never seen her play the violin.”

Hearing that, Sheng shuangxue was even more eager to kiss Sheng Yiting. brother, let’s go watch a movie! We can even take the Ferris wheel!

Sheng Yiting couldn’t help but laugh. you don’t like sister Duoduo that much? ” he asked.

“Of course I don’t!” Sheng shuangxue pouted. you’re my brother. Why should she call you that? ”

“Okay, okay, I’m not her real brother, shuangxue won’t be jealous.”

Chapter 1213 I’m at the airport

Sheng Yiting’s phone rang as he spoke.

...

It was Tong Siyao. He said to Sheng shuangxue, ” I’ll take this call first.

Sheng shuangxue snorted and pushed him away.

He turned around and picked up the call.

“Have you had dinner?” asked Tong Siyao.

“I just ate. Shuangxue is dragging me out to play.”

Tong Siyao didn't say anything.

“What's wrong?” Sheng Yiting was puzzled.

“I'm at the airport, ran ran.” Tong Siyao said in a low voice.

Sheng Yiting's eyes brightened, and he said ecstatically, “I'll be right there!”

He hurriedly went back to his room to get his keys and coat, and then left the house.

Sheng shuangxue shouted, “what about me?” Have you forgotten about me?”

“I'm going to pick up your sister-in-law. What are you going to do?” Sheng Yiting said rudely.

Sheng shuangxue sat on the sofa in a Huff. I've decided. I'm going to like sister Duoduo and not that sister-in-law I've never met before!

you ... Gong mo poked her cheek helplessly.

She shook her head and leaned against Sheng nanxuan.

“Are we going to take the Ferris wheel?” Sheng nanxuan asked.

Sheng shuangxue’s eyes brightened, and she hurriedly nodded. “Good, good!”

Sheng nanxuan and Gong mo took her out. On the way, they saw the National TV’s Lantern Festival Gala on the open-air screen, and it just so happened that Lu duo was there.

Lu duo was wearing a long red dress. Her black hair reached her waist, and she had a brown violin on her shoulder. The long scarf around her neck fluttered under the wind blower. She looked beautiful.

Sheng shuangxue leaned against the car window. you still look good like this, ran ran. But you look better in red, grandma.

Gong mo touched her hair and said affectionately, “Xue ‘er will also be very good looking when she grows up.”

“I hope she’s as pretty as grandma.” Sheng shuangxue giggled.

.....

Sheng Yiting ran into the airport and found Tong Siyao in a café.

She was wearing a white sweater and had the scarf he had sent her the last time around her neck. She had a down jacket by her side, as well as the gloves and hat he had sent her the last time. There was a suitcase by her feet.

She raised her head and looked at the television on the wall.

Lu duo’s performance happened to be on the TV.

Sheng Yiting was taken aback. He did not expect to see it so coincidentally.

He walked behind Tong Siyao and covered her eyes with his hands.

Tong Siyao was shocked, but she didn't move.

He lowered his head and kissed her. He didn't care about the attention of the people around him and just couldn't wait to kiss her. He wanted to tell her about his one month of yearning.

Tong Siyao didn't forget that they were in public. She wanted to hide, but he didn't want her to.

After a while, she was a little breathless and leaned on him weakly.

Sheng Yiting let go of her, licked his lips, and asked in a low voice, "Aren't you afraid of running into lechers?"

Tong Siyao was panting, her lips and eyes were wet.

She grabbed his hand and said in a hoarse voice, "I, Yingluo, of course I know it is you. I can't tell why it feels warm, but I just know."

Hearing that, Sheng Yiting turned her around and kissed her again.

She hurriedly pushed him away, looked around in a panic, and gently pinched him.

He smiled and held her in his arms. After a while, he took her hand and walked out.

It wasn't until she left the sight of the surrounding people that Tong Siyao felt alive again.

Chapter 1214 one day apart feels like three autumns

“Why are you here all of a sudden?” he asked after they got into the car.

...

Tong Siyao glared at him and pouted, “Aren’t you the one who says you miss me every day? Of course I’m here.”

Sheng Yiting chuckled and stared at her.

Tong Siyao’s face turned red. She turned around and asked, “What are you looking at?”

“I want to see if you’ve lost weight or gained weight.” He grabbed her hand, leaned over, and pulled her into his arms. He rubbed his chin on the top of her head.

Tong Siyao still felt uncomfortable. She wanted to push him away, but she couldn’t bear to.

After all, it’s been a long time since we last met, Yingluo.

These days, she really experienced what it meant to be “one day apart feels like three autumns.” Especially the first two days after she returned home, she missed him so much that she regretted not listening to him. She should have stayed in Beijing after she returned home, and she wanted to buy a plane ticket and fly back immediately.

Her heart was tormented for a few days before she recovered.

The sky was already dark when the plane landed. She thought to herself that she shouldn’t disturb him, but she couldn’t resist the longing in her heart.

It was just that she had never known how to express her feelings. She was satisfied when she saw him, and she didn’t say much to him. So be it, she just had to hold him in her hands.

Sheng Yiting let go of her and asked, "you just got off the plane. You haven't had dinner, have you?"  
What time did you board the plane? have you had lunch?"

Tong Siyao sat up straight shyly. "I ate it. I had lunch at home before going to the airport. At least I accompanied my mom for the new year. I just ate on the plane, so I'm not hungry now."

"In-flight meals aren't good. Let's go eat something later."

Tong Siyao nodded and took out a red string from her bag. There was a brown bead on the string.

here! I went to get you an amulet during the new year. She handed him the bracelet.

Sheng Yiting smiled and put it on hurriedly. Tong Siyao reached out and helped him buckle it.

He held her in his arms and said in a hoarse voice, "I thought you had forgotten about me."

"You're my first love. I'll never forget you."

Sheng Yiting was taken aback. He let go of her. you don't sound inauspicious at all.

Tong Siyao laughed. with the amulet, " she said, " it'll be good.

After saying that, he lowered his head and picked up a bag beside him.

She always carried this bag with her.

She was about to take something out when Sheng Yiting lowered his head and kissed her again.

Just like before, they kissed passionately and deeply. Their tongues were entangled, making people tremble.

They had never kissed so intensely before. Probably because they had only been together for a short time, the two of them were reserved.

But it would come to this sooner or later. Without this short separation, no one knew how to proceed step by step. However, this time's separation had obviously become a catalyst. If they didn't kiss deeply enough, how could they not meet for so many days?

Sheng Yiting only let go of her when the oxygen was running out. He panted as he leaned against her forehead. "I've missed you so much,"

"Yueyue, I also want to." Tong Siyao said softly.

He wanted to kiss her again, but she hurriedly dodged and begged for mercy. "Don't come."

He suddenly kissed her on the face and said, "Don't worry, I won't be coming back. If you do it again, I won't be able to hold on."

you ... Tong Siyao's face suddenly turned red. She glared at him and didn't even dare to look at him. She lowered her head, opened the bag on her leg, and took out a Tupperware.

"Here!" She stuffed the box into Sheng Yiting's arms.

Sheng Yiting opened it and saw that it was the kind of dessert she had made at home during the new year.

Chapter 1215 Why are you so cold today?

"I've brought it especially for you," I almost didn't pass the security check," Tong Siyao said.

...

“You’ve worked hard.” Sheng Yiting picked one up and took a bite.

Tong Siyao quickly shouted, “why are you eating?” It doesn’t taste good when it’s cold.”

“Why would I?” He chewed it. it’s so sweet, just a little less than your lips.

you-” Tong Siyao was embarrassed. be serious!

He paused and felt that he had indeed gone too far.

He didn’t even know that he could be so frivolous when he teased people.

Did he scare her away?

He stole a glance at her, swallowed his food, and asked in a serious tone, ” “What is it made of?”

after all kinds of rice are steamed, add a kind of special grass juice from where we come from and knead them together. Depending on the person’s taste, you can add dates, smoked meat, beans, sweet potatoes, and basically anything that can be eaten.

“Hmm, it tastes good. It’s so well-rounded. It looks like it’s very nutritious.”

Tong Siyao smiled. this is steamed. You can heat it up and eat it. You can also fry it before eating.

“Okay, I’ll bring it back for my parents and sister to try.”

Tong Siyao blushed and lowered her head to fasten her seat belt.

Sheng Yiting covered the food, put it aside, and asked, "Where to?"

"To school!" Tong Siyao said.

"What time is it?" Sheng Yiting stared at her. "let's go watch a movie?"

Tong Siyao didn't want to be separated from him so soon, so she nodded with a red face.

.....

In the cinema, Sheng Yiting and Tong Siyao sat side by side in the middle.

It was the Lantern Festival, and everyone was probably going to have a reunion, so there weren't many people who came to watch the movie.

Not long after the show started, Sheng Yiting's phone rang. He took it out in a hurry and saw that it was Lu duo.

He hesitated for a moment before picking it up in a low voice. "Hello?"

"Brother Yiting!" Lu duo called out clearly, "did you watch the TV just now?"

Sheng Yiting thought of the glance at the café and whispered, "I've seen it."

Tong Siyao turned her head and looked at him.

He seemed to feel that he had reached out to hold her hand.

Her face was slightly red as she continued to stare at the big screen.

“What do you think?” Lu duo asked coyly.

The veins on Sheng Yiting’s forehead twitched, and he suddenly had a bad feeling.

Why did Lu duo ask for his opinion after her performance?

“Pretty good,” he said.

Lu duo was puzzled and asked, “brother Yiting, why are you so cold today? Did I disturb you?”

“I’m watching a movie.”

Lu duo was stunned and asked, “is brother Yiting’s girlfriend here?”

“Yes.”

“Then you guys take your time!” Lu duo smiled brightly. I have a concert in a few days. I have to go back and rest.

“Alright,” he said. Sheng Yiting couldn’t wait to hang up the phone and let out a sigh of relief.

Tong Siyao turned to look at him. He was about to explain when she put her index finger to her lips and shushed him.

Sheng Yiting could only shut up.

After the movie ended, he asked, “are you hungry?” Let’s go get something to eat?”

Tong Siyao nodded.

The two of them went downstairs to eat noodles, but the noodle restaurant was selling dumplings today. Thinking that it was the Lantern Festival, the two of them simply ordered the Lantern Festival.

Sheng Yiting was a little nervous. He kept looking at Tong Siyao's face as he ate the dumplings.

He thought she would ask about the phone call, but she didn't, which made him a little depressed.

Wasn't she afraid that he would do something behind her back?

He felt that she was not worried about him at all!

Tong Siyao didn't know it was a woman who called! If he knew, he would definitely ask.

## Chapter 1216

After dinner, Tong Siyao went back to school.

...

winter break isn't over yet, " Sheng Yiting asked. is there anyone in the school? "

of course, some of the students didn't go home.

"What about your dormitory mates? Didn't you remove your bed during the holidays? what are you going to sleep on now?"

it won't take long," Tong Siyao said in a low voice. you have so many opinions. Do you not want me to go back?" If I don't go back, where should I sleep?"

Sheng Yiting rolled his eyes. let's go to my house. My house is spacious.

Tong Siyao quickly shook her head. if you want to go, choose a good day. You'll go during the day with a gift. Who would bother you in the middle of the night?"

Sheng Yiting," Yueyue."

just send me back to school ~" Tong Siyao hugged his arm and shook it, acting like a spoiled child.

"Alright," Sheng Yiting said helplessly.

He wanted to suggest that she stay outside. There were so many hotels, he could just get a room, but he was afraid that she would suspect that he had ill intentions.

Even if he had that intention, he wouldn't have done it so quickly!

.....

Sheng Yiting dropped Tong Siyao off at the school gate, got out of the car, and walked into the school.

He pushed the suitcase and slowly walked to the dormitory.

Tong Siyao turned around and reached out her hand. give it to me.

He carried the box on his back and looked at the dormitory building.

Because it was the holiday, only a few dormitories had their lights on.

“It’s so dark, I’ll send you up,” he said.

“The Auntie in charge of the dormitory won’t agree.”

“You cover me.”

After a while, the lights in her dormitory were turned on.

He let out a breath and stood there for a while. When he saw that she didn’t appear on the balcony, he turned around and left.

When she got home, Sheng nanxuan and the rest were not back yet.

He put the desserts Tong Siyao gave him into the microwave, heated them up, and ate two.

He wanted to finish it, but he had just had supper and didn’t have the ability.

After eating the second one, Gong mo and the others came back.

“What are you eating?” Sheng shuangxue shouted.

your sister-in-law brought it all the way from Western Plains. Do you want to eat it? ” He asked with a smile.

Chapter 1217 A beauty is looking for you

Sheng shuangxue was stunned. She ran over and smelled it. She said righteously, ” “Of course I’m going to eat it if it’s from sister-in-law! She’s my sister-in-law! She must be a really good person!”

...

"I think I heard someone telling me not to like her Yingluo when I was out the door."

"It's definitely mom!"

Sheng Yiting turned to Gong mo, who snorted. "Foodie! You're willing to betray your country for food!"

"Where? where?" Sheng shuangxue shouted.

you betrayed your mother today, " Sheng nanxuan said. you betrayed your country tomorrow.

"Big brother forced me to do this!" Sheng shuangxue pointed at Sheng Yiting.

"You're not being honest!" Sheng Yiting glared at her.

Sheng shuangxue lowered her head guiltily and started to eat the dessert.

"What is it?" Sheng nanxuan walked over.

Sheng Yiting handed him one. If you haven't, then eat."

Sheng nanxuan took a bite and gave the rest to Gong mo. "Try it. It's not bad."

Sheng shuangxue took two bites of one and nodded in satisfaction. She grabbed two more with her other hand."Don't fight with me."

"Put it down and eat slowly, no one will snatch it from you!" Gong Mo's face turned serious.

Oh! Sheng shuangxue put it back obediently.

Sheng Yiting returned to his room and called Tong Siyao. "Mom, dad, and sister all like the desserts you gave us."

Tong Siyao secretly heaved a sigh of relief.

The two of them talked on the phone for a long time. Halfway through, Sheng Yiting went out to get some water and found that the food was finished, so he couldn't help but complain.

Tong Siyao laughed and comforted her, "I'll bring you some next time."

"Why don't you invite me to your house to eat?"

sure! Tong Siyao happily agreed.

Sheng Yiting paused. He thought she would change the topic, but she agreed so easily. He wondered if her proposal would be successful.

"Then when are we going?" He asked.

Tong Siyao smiled and said, "let's talk about this in the future. I'll sleep first today. Don't you have to work tomorrow?"

okay, Goodnight, Yueyue. I'll come find you after work.

.....

When it was almost time to get off work, Sheng Yiting stretched his back and took a look at his phone.

Why didn't Siyao send him a message?

After work, he went to the cafeteria with his colleagues.

The food in the cafeteria of the Capitol wasn't bad, but it was a little worse than the cafeteria of the presidential palace.

While he was waiting in line, he took out his phone and looked at the messages he and Tong Siyao had sent. He decided to call her after dinner.

At this moment, a colleague ran over and said breathlessly, "Sheng Yiting, there's a pretty girl looking for you!"

Sheng Yiting was overjoyed at the mention of a beautiful woman. Could it be Siyao?

He walked out quickly, which made the colleagues around him curious.

Walking out of the building, he suddenly remembered that he had never told Tong Siyao where he worked. She probably thought that he worked in the family business, so she didn't specifically ask.

"Brother Yiting!"

Sheng Yiting looked up when he heard her voice and saw Lu duo standing in front of him, smiling.

"What are you doing here?" he asked, puzzled.

I was looking for you ~"Lu duo smiled brightly. Her eyes were as bright as the stars in the sky.

"Are you going back to beimang?" Sheng Yiting asked.

Lu duo shook her head. I'll be in Beijing for a while.

"Have you eaten?" Sheng Yiting sighed.

"Not yet," She looked at him expectantly.

"Then I'll treat you to a meal." Sheng Yiting led her out.

As he still had to work in the afternoon, he found a restaurant nearby.

"Brother Yiting, do you still have to work in the afternoon?" Lu duo asked while they were eating.

Chapter 1218 is he overthinking?

"Of course. We have to eat quickly, I only have 40 minutes."

...

Lu duo hurriedly nodded and kept stuffing food into her mouth. Soon, her cheeks puffed up like a squirrel, looking a little cute.

Sheng Yiting chuckled. I'm in a hurry. You're not in a hurry. You can eat slowly.

but I want to eat with brother Yiting ~"Lu duo covered her mouth with her hand. As she ate, she said incoherently," if you leave, it'll be so tasteless for me to eat alone.

Sheng Yiting smiled and lowered his head in silence.

It was her first day meeting Lu duo again, so she was very normal. When they went to the happy Garden to ride horses, she even said that men and women should not touch each other. But now, it seemed like it was going to wrap itself around him.

Was he overthinking?

you just said that you'll be in Beijing for a while. Do you want to do something?" He asked.

Lu duo nodded and put down her bowl and chopsticks. She opened her bag and took out an invitation card. She handed it to him with both hands and said with bright eyes, "it'll be the first concert of my life in a few days. I'll invite you to watch!

"Alright, I'll definitely go." Sheng Yiting opened the invitation and saw the date on it. He almost couldn't hold his smile.

February 14th, Valentine's Day. It was the first Valentine's Day he and Tong Siyao had.

"Can I bring a companion?" he asked.

"Of course you can!" Lu duo replied firmly, brother Yiting is bringing a girlfriend, right? It's Valentine's Day, and the theme of my concert is a love song, so you two are perfect for it!"

Sheng Yiting secretly heaved a sigh of relief. It seemed that he had indeed overthought it.

.....

After work, Sheng Yiting went to have dinner with Tong Siyao.

He knew that she had never made him wait, so he only called her when he reached her apartment. Otherwise, when the car arrived at the school gate, she would already be there, and there would be no sense of accomplishment.

When he was in University, his dormitory mates had to wait for an hour or two for their girlfriends to have dinner. In the end, Tong Siyao made her seem like a man.

He made the call, and in less than five minutes, Tong Siyao came down.

“So fast?” he was startled.

Tong Siyao blushed.

He had said that he would come to find her for dinner after work yesterday. She didn't want him to wait for long, so she had been preparing for it.

She naturally wouldn't explain, or else it would seem like she couldn't wait.

She handed over a bag with ethnic characteristics. The surface of the bag was embroidered with patterns.

“What?” Sheng Yiting was curious.

It's a sachet. My mother embroidered it. Take it back for Auntie and the rest.

“It's this big?” When Sheng Yiting lifted the bag, it was as big as his hands.

“He's inside!” Tong Siyao snatched it over, loosened the thin rope, and grabbed a handful of scented sachets of different colors.

Sheng Yiting took a look at it. The embroidery on it was exquisite and had the characteristics of Xiyuan. It was obvious that it was from Xiyuan.

The sachet was very small. It was probably not as big as an egg when it was full. At most, it could only hold a pigeon's egg. There were ordinary square-shaped ones, round-shaped ones, and there were even ones that were shaped like small animals.

Tong Siyao said, "I put it in the box yesterday, so I didn't give it to you." A few of them were filled with spices, which were a specialty of Western Plains. My mom said you can find someone to mix spices and put them in. You can also use them to pack candy and money to give to the children during the holidays."

"Who would want to give such a good thing to a child?" they're all mine! Sheng Yiting shouted.

Tong Siyao couldn't help but smile. She put the things back and said, "I'll give you this pocket too. You can give it to your sister to play with ~"

Chapter 1219 What's the point of having face? you're enough

"Did Auntie make this too?"

...

"Yup, I know. When she's free, she'll do these things to help with the household expenses."

Sheng Yiting looked at the bag and sighed. Auntie, you're so skillful. Can this be classified as an Intangible Cultural Heritage? "

"It's made casually, how can it be that powerful?" Tong Siyao laughed.

Sheng Yiting carried the bag and walked out of the school with her. "Why don't you come to my house for dinner today? you can personally give the sachet to my parents."

"Don't!" Tong Siyao refused without thinking.

“Why? Yesterday, you said that it wasn’t appropriate to go in the dark, but today it’s broad daylight, and there’s a gift. Why not go?”

Aiya, Yingluo. Tong Siyao was embarrassed. can we do it next time? ” she asked. I think it’s too fast.”

“Alright,” Sheng Yiting said helplessly.

Tong Siyao laughed and held his arm as they walked forward.

“You’ve been in the dormitory the whole day?” he asked with his head lowered.

“Yup,”

“Aren’t you bored?”

“What’s there to be bored about? I’m so busy, washing the blankets, washing clothes, cleaning the dormitory, and preparing the resume.”

“Resume? You’re starting to look for a job?”

“Yes.” Tong Siyao nodded. the recruitment meeting is next month.

Sheng Yiting wanted to ask her about this, but he remembered that Gong mo had personally written his evaluation on her internship evaluation.

A person that even his mother had her eyes on must be very capable. It wasn’t good for him to mention it, right? What if she thought that he was going to pull strings for her? wouldn’t that be an insult to her?

“Good luck!” He said with a smile.

Tong Siyao nodded and asked, "what do you want to eat?" Are we just eating outside the school?"

"Alright! But I think a lot of business hasn't opened yet."

The shops outside the school were meant to earn the students 'money. When the students left during the winter and summer holidays, there would always be a few willful bosses who would close the stalls.

let's see. If there's something suitable, eat it. If there's nothing, you can choose the place.

"Sure," Sheng Yiting hugged her and kissed her.

Hey! Tong Siyao hurriedly jumped away. you better behave yourself!

"What's wrong with me kissing you? You're my girlfriend."

"We're on the main road," Tong Siyao pulled a long face.

"No one's here."

"Hmph," he snorted. Tong Siyao turned her head and walked away from him.

In less than half a minute, Sheng Yiting couldn't take it anymore. He went up to her, grabbed her hand, and said, "You're giving me the cold shoulder."

you're shameless, " Tong Siyao chuckled. you're shameless.

"What do I need my face for? You're enough."

Tong Siyao's face turned red. She wanted to pull her hand away, but it didn't move. She could only walk away with her head down.

The two of them walked around the food street outside the school and found a single person hotpot restaurant to eat.

The two of them had a white pot and a red pot. The meat dishes were in the red pot, and the vegetable dishes were in the spicy pot. It was so delicious that they had to swallow their tongues.

It wasn't expensive, and the two of them didn't even spend 100 dollars.

Tong Siyao looked at the boiling soup in the pot and suddenly asked, "Are you used to eating such cheap food when we're dating?"

When she was in the hospital, he had spent thousands of Yuan on takeaway.

"As long as it's delicious." Sheng Yiting did not think much of it. are you used to me bringing you to a high-class restaurant? "

"Of course I'm not." Tong Siyao blurted out.

Sheng Yiting pinched the tip of her nose helplessly. "Quickly eat! It's better to put the potatoes in the spicy pot. The white pot doesn't taste good."

"You're a glutton!" Tong Siyao shouted.

After getting together with him, she realized how much he loved to eat, and he didn't like meat. Normally, he looked so serious that it was hard to imagine.

Chapter 1220 I won't chase you away if you come

Sheng Yiting chuckled. my mother said that I loved meat when I was young. She didn't let me eat it, so I went to steal some Pixiu with my uncle. I didn't tell you about my uncle, did I? " He's a year and a half younger than me. "

...

"Ah?" Tong Siyao looked at him in surprise.

He talked about Simon and Shan Rong, explaining why Simon was younger than him. After a long while, he finally said, uncle came over during the new year. When he found out that I had a girlfriend, he kept clamoring to see her. It's a pity that you weren't there.

"Maybe next time."

Tong Siyao blushed. She didn't expect his family to know about her.

Fortunately, she had told her mother and sister about her boyfriend, so she didn't owe him anything.

Sheng Yiting saw her pink face, which was dreamy under the steam from the hot pot. His heart skipped a beat and he swallowed his saliva.

He took a sip of the tea and let out a breath. What a torturous little demon!

After eating for an hour, Tong Siyao was too full. She put down her chopsticks and said, " "I realized that after being with you, I always eat a lot-"

Sheng Yiting pointed his phone at her and took a picture.

"What are you doing?" Tong Siyao shouted.

"I'm taking pictures of my girlfriend." He said matter-of-factly.

Tong Siyao was so choked by him that she couldn't speak.

He picked up his chopsticks, scooped out a piece of lotus root from the pot, and put it in his mouth, saying, "Don't you know that saying? The happiest thing in a relationship is to eat together and become fat."

"I don't want to become fat." Tong Siyao's face was bitter. I weighed myself when I got home and found that I've gained five pounds after being with you. In a short two months, you've gained five pounds. Do you know how terrifying that is? No wonder I can't wear my old clothes."

hahaha! Sheng Yiting burst into laughter. this is what happiness is!

Tong Siyao rolled her eyes at him and suddenly asked, "Have you gained weight?"

Sheng Yiting was stunned, and his laughter came to an abrupt end.

"No?" Tong Siyao looked at him angrily.

"I train every day."

sigh. Tong Siyao sighed. I'm going to run starting today.

"I'll go with you!"

"Who needs your company? There are so many schoolmates in the field."

"It's fine. I can come and accompany you."

Tong Siyao held her head and said with a smile, "Whatever ~ I won't chase you away if you come."

Sheng Yiting looked around. There was only one table of guests, and no one had noticed them. He immediately moved closer to her and kissed her on the cheek.

Tong Siyao was stunned. She knew there was someone beside her and glared at him.

“Let’s go somewhere else, shall we?”

“I’ll pay the bill, okay?” She said.

“You can buy them slowly when you start working. Don’t fight with me for them now.” He said sternly.

what? ” Tong Siyao mumbled unhappily, ” you’ll have something to say then.

“Then you go.” He handed her his wallet.

Tong Siyao was stunned. She grabbed the wallet and walked to the cashier.

Sheng Yiting felt that something was wrong, but he finally realized what she was doing.

She actually put his wallet aside and took out her own to pay.

When she came back, she returned his wallet to him.

“Alright, I’ll do the next stall,” he said helplessly.

Tong Siyao chuckled and hugged his arm. She pulled up his sleeve and looked at her watch.

It was only seven o’clock.

“Where are we going next?” she couldn’t help asking.

“Birds can fly in the high sky, fish can leap in the vast sea, go wherever you want.”

Tong Siyao rolled her eyes at him. can’t you be more honest? ”
