

Ditsy Wife 1231

Chapter 1231 It's really hard on you women

Sheng shuangxue gasped for breath. After two seconds of silence, she said, " "Alright!"

...

good girl. Sheng Yiting patted her head in satisfaction.

It looked like she wasn't targeting Siyao. Did she hate Lu duo?

It should be. She was never happy with Lu duo calling her brother.

'Ah, calling her brother Yiting ...' His sister was unhappy, and Tong Siyao was probably unhappy as well. Who did he offend?

.....

When the car stopped at the school gate, Sheng Yiting said to Sheng shuangxue, " I'll take sister Siyao back to the dormitory. Can you wait for me in the car? "

Sheng shuangxue nodded and leaned back in her seat.

Sheng Yiting got out of the car with Tong Siyao's clothes. Tong Siyao stood at the side with her coat wrapped around her, her neck shrunken.

The temperature now was probably around zero degrees, and the wool coat was of no use.

Sheng Yiting quickly pulled her into the school. I remember that there's a toilet in front. Go and change your clothes first. Don't catch a cold.

Tong Siyao nodded.

Her school was very big, and if she walked back to the dormitory like this, she would definitely catch a cold.

The two of them ran to the nearest building. Tong Siyao entered the bathroom on the ground floor and quickly changed into her thermal underwear. She suddenly felt much warmer.

She changed all her clothes and put the gown back into the bag before walking out of the toilet.

Sheng Yiting stood on the steps outside. There was a tree in front of him, and he looked at it quietly.

Tong Siyao walked behind him and asked, "Are you cold?"

"I'm warmer than you." He had secretly put on thermal clothing under his clothes. you women are really too tired.

Tong Siyao chuckled and kissed his ear.

He moved and wanted to turn around to press her into his arms and kiss her hard.

"Is it stinky?" she asked.

"....."

hahaha! Tong Siyao laughed.

"Naughty! Let's go!" Sheng Yiting turned around and quickly pulled her away. They were surrounded by the smell of the toilet.

He walked faster and faster. Tong Siyao couldn't stop laughing and jogged to catch up with him.

When they reached the ground floor of the dormitory, she handed him the bag in her hand.

"What?" he asked, his face falling. "You're giving it back to me?"

"You can help me keep it." Tong Siyao said coyly, "the necklace and earrings are inside. They're expensive, right?" "It's not safe to put it in the dormitory. It'll be a pity if we lose it."

Sheng Yiting was stunned. He took it and hugged her tightly. "I'm sorry, Yingluo."

"Why are you saying sorry?" she mumbled in a low voice.

"This is the first Valentine's Day we're together, and it's like this ..."

He was really sorry.

He had wanted to spend more time with her and create some romantic memories together. In the end, with the third wheel, it ended right away and even made her suffer.

Tong Siyao smiled and put her arms around his neck. "I'm very happy. I'm happy that your family members don't dislike me."

"I have to explain this. I didn't know they would go." He sighed. "I should have thought of this earlier. Lu duo even invited me. How could I miss them?"

"It doesn't matter. There's a saying that choosing a day is not as good as meeting the right time. It's fate that we met, and if we meet, then we meet."

"Yes." He nodded and lowered his head to kiss her. He kissed her gently, as if he was kissing a treasure.

Tong Siyao trembled slightly. She subconsciously wanted to hide, but after a while, she got used to it and started to respond.

Sheng Yiting hugged her tightly. He was so excited that he could not help but want to melt her into his bones.

It was Valentine's Day today, and there were many people kissing each other goodbye downstairs, so it wouldn't be too abrupt for them to hug like this. It was just that the poor single dog was alone, and he was Blinded by the Light every minute he walked.

Chapter 1232 Ignore that White Lotus Lu duo

After a while, Sheng Yiting slowly let go of Tong Siyao and gently stroked her back. He said in a hoarse voice, "Good night."

...

"Good night," she said. Tong Siyao let go of his neck.

He also slowly let go of her back. Finally, he grabbed her hand and kissed it apologetically. "See you tomorrow,"

Tong Siyao smiled. Her face was beautiful under the streetlight.

He held his breath. He wished he could take her away, return to his own home, enter his room, and hold her in his arms the whole night.

"Hurry up, shuangxue is waiting for you." She said.

He nodded and stood there without moving.

She knew that he wanted to see her go in.

She took two steps back, turned around, and gradually disappeared from his sight.

He sighed and walked back slowly.

When she got in the car, she found that Sheng shuangxue had fallen asleep.

He didn't wake her up and asked the driver to start the car. When he reached home, he carried her out of the car and was careful along the way, afraid to wake her up.

However, the moment she entered, she opened her eyes and jumped down with a smile.

Sheng Yiting was exasperated, 'Sheng! Shuang! Xue!' Is this how you enslave your brother?"

"I only woke up after I got out of the car!" it's so cold outside," Sheng shuangxue said. I shivered when the wind blew. You didn't even put on a coat for me.

"Aren't you wearing it?"

Sheng shuangxue shook her coat. "What's the use of this? Can't you see that it's below zero outside?"

"You also know that it's below zero? It's good that I didn't throw you on the street. Do you expect me to take off my clothes for you?"

Sheng shuangxue paused for a moment and said in a depressed tone, " "Why do I have a brother like you?"

"I was still wondering why I have a sister like you. It was a mistake for mom and dad to have a second child!"

"You're the one who's wrong!" Sheng shuangxue shouted, " be careful! They might give birth to their third child tonight!"

Sheng Yiting shuddered. don't talk nonsense! If another little fiend star comes, I won't be the only one to suffer."

Sheng shuangxue also quivered. She put her hands together and said, " I only need one brother. I don't need anything else.

Sheng Yiting was speechless,'you've got me, haven't you? You want to bully me for the rest of my life."

"I'm going to call you brother for life!"

what? " Sheng Yiting choked. why aren't you sleeping? "

Sheng shuangxue was stunned for a moment. She snorted and turned around. After a while, she came back."Oh right! Don't bother with that White Lotus and green tea bitch Lu duo!"

"What White Lotus, green tea b * tch, what are they talking about?" Sheng Yiting called out.

"Where? Didn't you see her bullying your girlfriend?"

Sheng Yiting was touched when he heard that. It turned out that her sister had already accepted Siyao and was standing up for her sister-in-law. The relationship between the two of them would definitely be very good in the future.

I'm the only one who can bully your girlfriend, " Sheng shuangxue said. who is she? "

pfft-” Sheng Yiting almost choked on blood. “What time is it?” he roared. Go to sleep!”

.....

The next day was a Saturday. Sheng Yiting got up early and went to find Tong Siyao without breakfast.

He didn’t have class today, so Tong Siyao would definitely sleep in. He would go find her to eat together and then go on a date for the whole day. Well, I’ll continue tomorrow and make up for what I missed yesterday!

He walked for two hours before Gong mo and Sheng nanxuan returned home.

Sheng nanxuan was in high spirits, while Gong mo was lazy.

After entering the house, he helped her to the sofa and asked gently, ” “To catch up on sleep?”

“I don’t want to talk to you anymore!” Gong mo pushed him away and fell onto the sofa.

Chapter 1233 Mother, I have a secret to tell you

Sheng nanxuan kissed her on the cheek lovingly. He got up and went to the kitchen to pour her a glass of water, only to find that the breakfast in the kitchen had not been touched.

...

The nanny lived upstairs and would come to make breakfast every morning.

He returned with the water and said to Gong mo, ” “Yiting and shuangxue are not up yet.”

Gong mo was stunned. He took a sip of water and licked his lips. "Yiting, no way? He has so much self-control, he doesn't slack off at all."

"The breakfast in the kitchen hasn't been touched."

Gong mo thought for a moment and laughed, "he must have gone to find his girlfriend." We can eat together, why do we have to eat at home?"

"You speak as if you have a lot of experience." Sheng nanxuan laughed.

I'm experienced! I wonder who ate my breakfast! Gong mo snorted.

Sheng nanxuan lowered his head and whispered in her ear, "didn't I pay you breakfast for the rest of my life?"

"Stay away from me, I'm scared to see you now," Gong mo frowned.

He had been too crazy last night. He had not even thought about her age.

However, the fact that he could still be so crazy over her when she was old showed that he really loved her.

At the thought of this, Gong Mo's heart couldn't help but soften.

"I won't dare to do it again in the future." Sheng nanxuan whispered, "are you going to wake shuangxue up?"

"Yeah, I'll go." Gong mo got up and walked lazily to Sheng shuangxue's bedroom.

When he pushed the door open, he found her sitting on the bed and playing with her phone.

Sheng shuangxue was startled. She heaved a sigh of relief when she saw her. "Mom, you're back?"

"When did you wake up?" Gong Mo's face darkened. What time is it already? why aren't you getting out of bed? aren't you going to eat breakfast?"

Sheng shuangxue put down her phone and got out of bed.

Seeing that she was obedient, Gong Mo's voice became much gentler, "Slow down, I'll go heat up your breakfast."

Thank you, Mom. Sheng shuangxue raised her head and smiled sweetly.

Yingluo! Gong mo was helpless.

Sheng shuangxue put on her clothes and ran out of the room. She saw Sheng nanxuan sitting on the sofa and reading the newspaper. She ran over and shouted, "daddy! I've missed you so much!

Sheng nanxuan glanced at her and asked in a low voice, "Aren't you going to brush your teeth and wash your face? Do you want your mother to scold you?"

"Aren't you going to help me when she scolds me?"

"I'll try my best."

oh, oh, oh. Sheng shuangxue pretended to sigh. mom is so fierce. Why do you still like her so much? "

"You'll understand when someone is nice to you even after you've yelled at them." Sheng nanxuan rubbed her head. go wash your face and eat!

Sheng shuangxue pouted and mumbled, " you're quite fierce too. then, she turned around and went to the bathroom.

After washing up, Gong mo had already placed the hot breakfast on the table.

Sheng shuangxue shouted, " Thank you, Mom! Mother is so good! I love mommy the most!" He pounced over.

Gong mo felt helpless and said, " "I was so obedient when I was young. How did I give birth to a little devil like you?"

what?" Sheng shuangxue asked in horror. did my mother pick me up? "

Gong mo glared at her and replied,"yes!" It's a free gift from the phone booth fee!"

Sheng shuangxue lowered her head and ate her porridge.

Sheng nanxuan walked over, picked up a piece of the omelet on his plate, and ate it.

He wanted to have a chat with his precious daughter but the little darling suddenly looked up and said to Gong mo, " "Mom, I have a secret to tell you."

Sheng nanxuan furrowed his brows and looked at her. "You're chasing me away?"

Sheng shuangxue looked at him innocently.

He snorted and turned to the study.

Sheng shuangxue blinked and looked at Gong mo.

Gong mo laughed and asked, "what do you want to talk to me about?" Dad is already sad, let's see how you're going to coax him later."

Chapter 1234 How is this the behavior of a rich young lady?

just say 'I love him' a few more times. Sheng shuangxue seemed to be very experienced.

...

you two siblings are exactly the same," Gong mo laughed.

brother?" Sheng shuangxue asked in surprise, "are you also like this?"

She actually wanted to ask, "is my brother also so obsequious?" but she realized that it didn't seem right. It seemed like he was scolding her.

"You're siblings, so of course you have many things in common." Right, what did you want to talk to me about?"

"It's about sister Duoduo," Sheng shuangxue said in a low voice.

"Duoduo? Is there anything that you can't let dad know about her?"

Sheng shuangxue looked in the direction of the study and said awkwardly, "Because of my aunt. Wasn't his cousin-in-law his cousin? Sister Duoduo was also from her aunt's family. He won't be happy if I say bad things about Duoduo, right?"

"You're so smart." then why did you say bad things about sister Duoduo?" Gong mo asked angrily.

Sheng shuangxue hurriedly waved her hands. no, no. I'm just telling the truth.

Then, she complained to Gong mo and told him everything that Lu duo had said and done last night.

what she said was exactly the same as the bad woman on TV, ” she said in disdain. I want to smash the TV in her face!

Gong mo looked at her with a frown.

She was shocked and lowered her head to eat.

Gong mo patted her head. just take it in your eyes. Don’t get into a conflict with her, okay? ”

“I’m just telling you guys, why would I tell the people outside?”

you, Yingluo. Gong mo couldn’t help but laugh. He really liked her clear-minded personality.

This kind of personality was actually not very good. If she was too straight, she would easily be at a disadvantage in society.

But who would dare to make a daughter of the Sheng family suffer? So, there was no need to be afraid of that. It didn’t matter how straight he was.

Gong mo couldn’t help but analyze Lu duo.

Lu duo’s words and actions were indeed very strange. It didn’t match her impression of her at all.

The heiress was dignified and magnanimous, gentle like Yu Xinran.

Lu duo was indeed like the bad woman on TV. She was not presentable at all. How was she acting like a rich young lady?

Could it be that he had been away from home all year round and had no relatives by his side, so his personality had become a little twisted?

She couldn't tell Yu Xinran about this. Yu Xinran had been living in beimang all these years, so they had only met a few times. In addition, Gong Bai was an important factor, so their relationship was not as good as before.

Even if it was their relationship in the past, she could not speak ill of the Lu family in front of her! Especially when Lu duo spent half of her time educating him.

He ran up to her and said, "there's something wrong with your Lu duo. Her personality isn't good. I'm afraid there's something wrong with her character."

Wasn't this a slap in the face? It was as if he was saying, "you're not doing your job well. You didn't teach Lu duo well."

Even if Yu Xinran didn't teach Lu duo, she was still a daughter of the Lu family. How could Yu Xinran be happy to say that she was bad? Was it an outsider's turn to criticize someone else's family?

He couldn't even say it to Yu Xinran, let alone to others. Otherwise, he would be gossiping behind their backs.

Sheng nanxuan couldn't tell her either. With his personality, he was the most protective of his family members. He couldn't bear to see his family being wronged, and he always liked to kill the signs in the cradle. If he knew, he would definitely tell Lu Yang directly.

How would the families get along then?

Gong mo sighed. It seemed like he could only keep this matter to himself.

just let us know, "she said to Sheng shuangxue. don't tell anyone else.

"I know." Sheng shuangxue frowned. it's just that I was disgusted last night. If I don't tell you, I'll feel uncomfortable.

Chapter 1235 Who would still dare to chase you?

In the afternoon, Sheng Yiting treated Tong Siyao's roommates to lunch.

...

Yesterday, Tong Siyao had forgotten to tell him about this. In the morning, when the two of them were eating in the cafeteria, they met one of her roommates. It was her roommate's first time seeing her boyfriend, so she curiously chatted with him and jokingly asked when she would treat him.

Sheng Yiting had eaten this kind of food a few times when he was in University. Every time his roommate got a girlfriend, he would invite his girlfriend's friends or roommates for a meal. His roommates would naturally call their friends to join. One of them was a Playboy and had invited him three times in a semester.

He understood this custom, so when Tong Siyao's roommate mentioned it, he immediately agreed.

Tong Siyao heaved a sigh of relief. She was afraid that he wouldn't agree.

"Let's do it today or tomorrow," he said.

It's good to treat them earlier, so that my roommates won't miss me. I can go on dates in peace in the future.

His roommate was also a straightforward person. Since he had already chosen a day, why not just do it this afternoon?

The two who had boyfriends had brought their boyfriends along.

Although Sheng nanxuan was famous, Sheng Yiting rarely appeared in public. Unless one was a veteran gossip lover, it would be difficult for anyone who saw him to recognize him.

Tong Siyao's roommates were all in the same profession. Reporters always had a good eye and paid more attention to the upper-class society than ordinary people. They could tell at a glance that Sheng Yiting was extraordinary, but they couldn't remember where they had seen him. It wasn't until she heard his surname that she had a guess in her heart. She immediately trembled and stiffened.

The boyfriend of the two roommates had originally thought, " This person seemed to have some background. It would be better to curry favor with him, which would be helpful in his career.

But the Sheng family's background was too great. The two knew that they had no capital to curry favor with them, and were so scared that they did not dare to act rashly.

Thus, the meal was very quiet and comfortable. There was no noise, no one urged them to drink, and at most, they were just joking with ye Zi.

The basin of water that ye Zi had splashed yesterday had already become popular on campus.

if your reputation spreads," Tong Siyao said, " who would dare to chase you? "

"You don't want me to chase someone else?" ye Zi asked.

Tong Siyao nodded,"okay!" That person yesterday was really not a good person. He played the zither and sang in public without giving you a heads up. Wasn't he trying to force you to do as he said?"

that's right, "Sheng Yiting laughed. this kind of drama can only end perfectly if both parties are willing.

I've already warned him, but he just wants to hit the muzzle. It's not that easy to chase after our ye Zi.

"You two are singing the same tune. Are you done?" ye Zi said.

“I was afraid that you would feel uncomfortable. We’re all in pairs, you should find one too.”

hehe ... ye Zi laughed. you’re not single anymore. You’re so cocky, huh? ” When we were still single, you and I would always be a couple when they went on dates.”

if you say that,”Sheng Yiting cried out,” I won’t dare to let Yaoyao hang out with you anymore.

Ye Zi sneered,”don’t worry. I’m a womanizer. When I see a new beauty, I won’t care about your Yaoyao anymore! If she’s sad, you must remember to comfort her ~”

Everyone laughed at her words.

After dinner, Tong Siyao and Sheng Yiting went on a date alone.

There were cultural relics to look at, and they could also stroll in the garden to look at the scenery and chat. With merchants settling in, eating, drinking, and having fun could all be settled.

As evening approached, the two of them were discussing where to go for dinner when Sheng Yiting received a call from Lu duo.

Chapter 1236 When are you getting married?

Lu duo said gently,’brother Yiting, do you and sister Siyao have time tonight? I want to treat you guys to a meal.”

...

Sheng Yiting thought for a while and asked in confusion, ” “Why?”

“No, no reason!” Lu duo said, “ aren’t you guys my friends? ”

“Didn’t you already treat me yesterday?” He chuckled.

Tong Siyao didn’t know who called at first, but when she heard him say that, she guessed it was Lu duo.

Lu duo said resentfully, “just ... Just because I treated you yesterday, I have to treat you today.” I know that sister Siyao was angry yesterday, and you don’t seem happy either. Although I don’t know what I did wrong, it’s all my fault, so I just want to apologize to you guys.”

Sheng Yiting did not know what to say.

This was not the Lu duo he knew in the past!

She actually didn’t know what she had done wrong? He said this as if he had suffered a great grievance.

Since that was the case, she didn’t have to force herself.

When Lu duo was young, she did have a special place in his heart. Perhaps because the two of them were of similar age and were of the same generation, they were closer than Yu Xinya, Lu Rou, and the others.

However, he couldn’t connect the current Lu duo with the Lu duo from before.

Besides, he already had Tong Siyao, so he couldn’t be nice to other women. He could only let her down. After all, she wasn’t his biological sister, and getting too close to her would cause misunderstandings.

If he didn’t have a girlfriend, he might be able to let her have her way.

He held Tong Siyao’s hand and walked forward slowly. He said to Lu duo, “ I’m treating Siyao’s roommate to dinner tonight, so I can’t go.

“Yingluo is like this.” Lu duo obviously didn’t expect him to reject her, so she couldn’t quite react.

“And you don’t have to take yesterday’s incident to heart. No one was angry, and you didn’t do anything wrong.”

“Really?” Lu duo asked, hopeful.

“Yingluo really is.” Was this really Lu duo? Did she experience something that made her so single and ‘pure’?

“Then, Zhenzhen”

“I have to go eat.” Sheng Yiting interrupted her. I heard that you’re going to perform in another city. Take care of your health and don’t tire yourself out.

Hearing that, Tong Siyao shook off his hand and strode forward.

Sheng Yiting was startled and quickly followed her.

On the phone, Lu duo happily said, ‘thank you, brother Yiting. I didn’t expect you to care so much about me! I thought Yingluo was angry at me.’”

“No, I’m hanging up.” Sheng Yiting hung up the phone and caught up with Tong Siyao. Siyao, what’s wrong?”

“Let’s go back to school!” Tong Siyao pulled a long face.

Sheng Yiting hugged her and smiled. “Are you angry? I’m not really concerned about her, I’m just being polite.”

“You’re being polite to me too?”

“What’s there to be polite about? I’m true to you.”

Tong Siyao pushed him away with a straight face. He hugged her tightly and asked nervously, “You’re really angry? Then I’ll ignore her in the future.”

She paused and said helplessly, “you’ve known each other for a long time. You’ve known each other since you were young. It’s not good to ignore me, right?”

Sheng Yiting looked at him pitifully. “Siyao Zhenzhen”

“I’m not angry,” Tong Siyao sighed.

“Really?”

“It’s true. I was a little angry just now, but I’m not anymore.” Tong Siyao said honestly, “but I’ll say the ugly things first. She’s not your girlfriend, so you should have a limit to your concern for her. If you don’t grasp it well and let her have thoughts she shouldn’t have, I should give up my position. If I give up my position, I won’t turn back.”

Sheng Yiting kissed her on the ear and said in a low voice, “I won’t. Seriously, when do you think we should get married?”

Chapter 1237 I like him more and more

Tong Siyao pushed him away in surprise and shouted, “Who’s talking to you about this?”

...

“We should discuss our future plans together.” He said seriously.

you ... Tong Siyao felt awkward. is this a proposal? ”

“Don’t worry, I have my own plans for the proposal. Tell me your original life plan, and I’ll know when to propose.”

Tong Siyao’s face turned red, and her heart was beating fast.

To her, Sheng Yiting was more attractive than anything else.

What did a woman want in her life?

Most women wished for a stable life, and a stable life required a responsible man.

A man’s responsibility was not to spend money to take out his wallet or to rush to the front when there was danger, but to have his own plans in his mind. Whether it was his career, his life, or his entire life.

If he never had such a plan and his life was a mess, how annoying would it be for a woman to marry him and not only have to take care of the family but also him? It was better to live alone, and not have to work so hard.

She also hoped to have a stable family and a man who could take on everything, but she also hoped that this man would support her career. Because she didn’t want to spend the rest of her life with a man and a few children. She wanted to have her own pursuits.

And this kind of pursuit required the support of the other half.

Too many men got married just to find a free housekeeper, free bedding, and free birth machine. They didn’t want women to pursue their careers, but they also wanted women to earn money, and they couldn’t earn more than him.

In short, he wanted to get the best out of everything, wanted to take advantage of everything, and never treated women as humans. When he was happy, he would talk about love with you, coax you, and make you think that he loved you. When I'm unhappy, I'll punch you and say that you don't know how to earn money and only know how to squander.

Tong Siyao didn't have a boyfriend before because she was afraid of meeting a man like him.

Sheng Yiting had been responsible since the moment they met. He did not run away after bumping into her, nor did he use his status to oppress her. He was also respectful to her.

Although he was sometimes a little chauvinistic, no matter how strong a woman was, they all had a weak side. She happened to like his occasional domineering side.

So, the

She liked him more and more.

Now that she had heard his words, she knew that she did not like the wrong person.

Anything could be discussed with him. He wouldn't arrange her life, which was good.

She looked at him, her eyes full of tenderness. "What if our future plans are different?"

can you also plan to go to the moon? " have you never thought about getting married? " Sheng Yiting asked.

this Wanwan, " Tong Siyao blushed. isn't it too early to think about this? " I wanted to work for a few years first before considering my personal matters."

"It's good that you're not a non-marriallist."

Tong Siyao paused and looked at him awkwardly.

He was shocked, "no way?!" "You don't want to get married?" "Do I have to follow in uncle CEng Shuai's footsteps?"

Sheng Yiting could see his tragic future.

No. Tong Siyao shook her head hurriedly. "before I met you, I had this thought. However, my mom will definitely not agree to it. So, I originally planned to work until I reach a certain age, go on a blind date, and find someone who's about the same age as me."

"You're too reckless!" "what about now?" "Sheng Yiting asked.

Tong Siyao blinked and blushed, " "Now, of course, I won't refuse to get married."

Sheng Yiting heaved a sigh of relief and hugged her. "You changed for me, right?"

Chapter 1238 Why do you want to be a war reporter?

Tong Siyao was silent for a moment, then asked in a low voice, " "Could it be that you've already set your mind on me?"

...

Sheng Yiting let go of her and said seriously, " "Before you, I never had a girlfriend, nor did I consider marriage. Now that I like you, I naturally want to include you in my life."

Tong Siyao smiled. "then I want to work for a few years first. I'll be in the news industry. I'll work in China first, but I might go abroad in the future."

"Overseas?"

Tong Siyao turned around and said seriously, "my biggest dream is to be a war reporter, Yingluo."

"War correspondent?" Sheng Yiting was shocked. do you know how dangerous that is? Besides, there aren't many places to fight now!"

"There will be. There were no wars, but there were natural and man-made disasters, so he could be a disaster reporter. The things that happened in that kind of place should be known to the people outside."

"You're crazy." Sheng Yiting took a deep breath. He did not expect that a young girl like her would have such a big idea.

War correspondent?

Not to mention a war reporter!

Even an overseas reporter could lose his life if he were to encounter a conflict.

What was the difference between a war correspondent and a soldier on the battlefield?

Although the soldiers were on the front line, they had been trained.

The reporters were at the back, but they had not been trained.

And why would a girl go to such a place?

Tong Siyao smiled, " but this kind of career plan is just a thought. It might not be possible in my life. After all, it was impossible to go without experience and arrangements. My idea is to help the people there and let others know about their situation. But at the same time, it was also a Vanity Fair. No matter what a reporter does after going to that kind of rebellion, as long as he comes back alive, he'll be famous."

Therefore, she would not fight for fame and fortune with others in the future.

No one would go to the truly dangerous places.

Everyone would fight to go to places that looked chaotic on the surface but were not actually that dangerous.

She continued, "I was thinking of getting married when I was 30, and I might be 35 later." Now, he thought of Yingying a little earlier. She was probably 28 or 29 years old. In other words, she would have six to seven years to work hard before marriage. If you're lucky, you might be sent abroad. If you're unlucky, you might not have any development."

Sheng Yiting thought, "if you marry me, you'll be the one who decides where you want to go. What's there to be lucky about?"

"It'll be a matter of a few years," he sighed, "we'll see how it goes in a few years."

Tong Siyao nodded. She didn't want to talk for a while.

"Why do you want to be a war reporter?" he asked, puzzled.

because of Yingluo, " Tong Siyao mumbled as she looked into the distance, her eyes hazy.

She sniffled and looked at him, "Didn't I tell you before?" My father is a soldier."

Sheng Yiting's heart skipped a beat.

"He died in the coastal defense war." She said.

Sheng Yiting pulled her into his arms and hugged her tightly.

Tong Siyao cried and leaned on him. "I miss daddy."

Chapter 1239 I'll take you somewhere

She remembered that when she was young, Tong Yuan had brought her to ride a horse on the grassland. He had said to her, "When you get married in the future, I will prepare a lot of horses, cars, planes, and tanks for you! I'll let you get married in a grand manner!"

...

She didn't want a car, a horse, an airplane, or a tank. She only wanted her father.

When he heard her sobbing, he hugged her tightly, trying to comfort her.

After a while, he suddenly let her go and pulled her forward. "Go! I'll take you to a place!"

.....

After getting into the car, Sheng Yiting made a call.

Tong Siyao's heart was heavy, and she vaguely heard him say something about the plane.

When she arrived at the airport, she finally reacted. "Where are you taking me?"

"You'll know in a while. Let's go eat first."

After he said that, Tong Siyao felt a little hungry.

Sheng Yiting led her to the VIP lounge. She ordered salmon and thought, " He wondered if the place where his father had died in battle produced this kind of fish.

After eating, the two of them boarded the plane.

"I haven't done the procedures yet," Tong Siyao said, confused.

"We'll take a private jet." Sheng Yiting held her hand and led her to the VIP passage.

Tong Siyao suddenly stopped talking.

This man was outstanding and rich. She did not seem to be worthy of him.

He might not be able to look forward to marriage, but there was nothing wrong with falling in love.

She immediately grabbed his arm tightly, not wanting to lose him.

Maybe Yingluo and the others would end up together? Who could tell what would happen in the future?

Tong Siyao landed on the plane in a daze. Sheng Yiting's heart ached for her. close your eyes and take a rest. We'll be there in about two hours.

Hearing this, Tong Siyao turned her head and looked around.

A private jet was many times more luxurious than the economy Class. If she hadn't met him, she might never have been able to sit on this seat.

She hugged his arm, leaned on his shoulder, and closed her eyes.

Sheng Yiting gestured to the flight attendant to get a blanket and put it on her.

Soon, the plane took off. Tong Siyao heard the rumbling sound and looked up at him.

“What’s wrong?” Sheng Yiting asked with concern.

“I think I’d better chat with you. Otherwise, you’ll be so bored,” she said with a smile.

“It’s okay, I can read the newspaper.”

Tong Siyao kissed him on the cheek and asked with a smile, “Do you want to take me somewhere to relax?”

“It might make you upset. Why don’t we go back?” he said seriously.

She shook her head. no, you can’t. Take me there. I have to go. Otherwise, I’ll keep thinking about where you’re taking me today. I’ll follow you wherever you go.”

Hearing that, Sheng Yiting pulled her into his arms and said in a low voice, “When the plane is stable, you can lie down for a while.”

“Can I lie under the window? I want to see the stars.”

“Of course you can.”

.....

Two hours later, the plane landed.

Tong Siyao took many pictures of the stars at the window.

She didn't bring a camera, but there was one on the plane, and the equipment was better than her own.

my mother likes photography, " Sheng Yiting said. I prepared this for her.

"Then I don't think it's a good idea to use it?"

"They were all eliminated by her, so they're left here as backup."

Those who were eliminated by " Wanwan " were all her dreams!

When they got off the plane, Sheng Yiting helped her remove the memory card from the camera.

Walking out of the cabin door, Tong Siyao smelled a salty and fishy smell. She looked around in confusion. This didn't look like an ordinary airport.

She looked at Sheng Yiting blankly.

"The crystal island." Sheng Yiting looked at the tightly-guarded building in the night.

Chapter 1240 You can't just come in here, can you?

Tong Siyao was stunned.

...

Crystal island?

This is the military airport of the mayfly Crystal island?

The crystal island was an important strategic island in China, located to the East of Beiming city. The heavy industry of Beiming city was developed, and a large reason was to support the National Defense of the crystal island.

In the history of China, it had been invaded by outsiders many times, especially J country.

And every time J country came, they would land from the crystal island, because it was close to them.

There was no civilian airport on the crystal island, and it was impossible for there to be one, because it was a famous military base in China.

Did Sheng Yiting bring her here because of her father?

The coastal defense war took place at Pearl Beach, which was not far from the southeast of the crystal island. To go to Pearl Beach, they had to pass through Crystal island.

When dad went to the battlefield that year, he must have passed by the crystal island first, and then got ready to go, and then took the warship to Pearl Beach.

The Pearl Beach was named after it produced a lot of pearls, and he didn't know if there were still any.

Sheng Yiting held her. Let's get some rest. We'll go to Pearl Beach tomorrow.

Tong Siyao nodded.

Someone came to pick them up and arranged dormitories for them.

The dormitory was very simple, with a bed, wardrobe, table and chairs, nothing else. However, it was quite convenient since it came with a bathroom.

this is the place where the soldiers live. They're very strict and have very few things. Just make do with it. Sheng Yiting said.

"It's much better than my dormitory." Tong Siyao sat on the bed and found that the bed was very soft. The bed in her dormitory was hard.

"Oh, that's right." She raised her head. how can you come in here? You can't just come in here, can you?"

"Thanks to my dad." He said without any hesitation.

Tong Siyao couldn't help but smile. She didn't ask anymore, but she was even more curious. Sheng nanxuan was only a businessman. How could he interfere in the military?

She was stunned for a moment, but then seemed to understand.

He had become the richest man in China in a short time and was about to become the richest man in the world. With the speed of accumulating capital, it was impossible for him to make no progress in other aspects.

"Hurry up and sleep." Sheng Yiting said, " I'm next door. You can come to me if you need anything.

Tong Siyao nodded and couldn't help but blush.

Why did she follow him out of town in a daze? He didn't return for the night.

Although they slept separately, the ambiguity between them still rose.

.....

Lu duo was practicing the violin in the hotel.

She stood by the window, looked at the score in front of her, and gently played the strings.

David sat on the sofa behind him, working on his laptop.

After a few songs, Lu duo accidentally sang out of tune. She paused and frowned.

Dave was too focused on the computer to notice anything unusual.

Then, she played the violin like crazy, and the violin made a harsh noise.

Dave was startled. He turned around to look at her.

With a straight face, she threw the violin on the ground.

David raised his eyebrows but did not say anything. Anyway, this was a practice zither, so it didn't matter how much he broke it.

Lu duo didn't care about the violin. She turned around and sat opposite him.

"Your brother Yiting ignored you. Are you angry?" he asked with a smile.

Lu duo glared at him coldly and he didn't dare to make another sound.

She picked up her phone, found Sheng Yiting's number, and dialed it.

.....

Sheng Yiting walked into the dormitory next to Tong Siyao's and was about to take a shower when his phone rang.

The caller ID showed Lu duo.

He frowned and hesitated for a moment before picking it up. He said hello in a calm voice.

Lu duo bit her lip and her eyes showed a hint of unhappiness. However, she asked sweetly, "Brother Yiting, are you free tomorrow?"
