

Ditsy Wife 1241

Chapter 1241 Should I send someone to follow him?

“What are you doing?” Sheng Yiting asked indifferently.

...

I’ve been back for so long, but I haven’t been around the capital before. I want you to be my tour guide,
” Lu duo’s voice was sweet and gentle, like the most innocent little sister. you can bring sister Siyao with you. The three of us can play together.

The sweeter her voice was, the more polite Sheng Yiting was to her. He wanted to stay as far away as possible from her ...

“I’m sorry, I’m out of town right now. I’m afraid I’ll only be back tomorrow afternoon.”

“Out of town?” Lu duo was stunned.

“Yes, I am. After dinner, I suddenly thought of it and brought Siyao here to play. We’ll go back tomorrow night.”

Oh, Hanhan, ” Lu duo replied dejectedly. another day then, Hanhan.

“Okay, good night. I’m going to sleep.”

Lu duo suddenly smiled and asked innocently, ” “Brother Yiting, are you living with sister Siyao? Go, go, don’t waste a good night!”

Sheng Yiting couldn’t help but laugh, ‘you wicked girl! Siyao told me to get her clothes, so I’ll go first.”

Lu duo was stunned. She hung up the phone with a stiff smile.

Sheng Yiting heaved a sigh of relief-if Lu duo really had feelings for him, she would have given up after hearing what he said, right?

However, he really wanted to help Siyao get her clothes.

.....

Lu duo angrily threw her phone on the coffee table, her face cold.

“What’s wrong?” David asked carefully.

“He said he’s out of town. I don’t know if it’s true, but he probably went to a hotel with Tong Siyao! Hmph, you actually rejected me time and time again, you’re looking for death!”

Lu duo’s eyes were cold as she spoke.

David asked, “should we send someone to follow him?” This way, we’ll know his movements.”

Lu duo shook her head and said, “ of course not. He wasn’t an important figure, so he couldn’t be monitored unless it was absolutely necessary. He was Sheng nanxuan’s son, and the security around Sheng nanxuan was comparable to the president’s. It was not that easy to monitor him. Don’t let him die before he can complete his mission and affect the big plan.”

On the day she reunited with Sheng Yiting, she was secretly relieved when she heard that they were going to Happy Garden.

It was easy to find out about the Lu and Yu families, but the Sheng family was too secretive. In particular, no one outside knew what had happened in joy garden.

That night, when everyone was ready to sleep, she came out of the guest room to look for Yu Xinran.

She knocked on the door, and it was Lu Yang who opened it.

“Uncle, I’d like to go out for a while,” she said gently, feeling a little nervous.

“What for?” Yu Xinran walked over. it’s already so late.

“Because of the concert, I’m going to see my manager.”

Yu Xinran glanced at Lu Yang, who said, “ go ahead then. Let Lu Song send you.

Lu duo nodded.

Lu Yang personally went to call Lu Song and told him to protect Lu duo.

“She’s my older sister, so she’s more like my protector,” Lu Song chuckled.

“You’re a man!” Lu Yang rolled his eyes at him.

Lu duo snickered and went downstairs with Lu Song to inform the servants of the Yu family.

The servant went to inform Yu xinzhuo, who then asked Yu Ze to follow the two.

However, Yu Ze didn’t have a driver’s license yet, so Lu Song was the only one driving.

The three of them went to the hotel and met David.

Yu Ze and Lu Song greeted him, and he invited the two to sit in the living room. He then led Lu duo to the study room to talk.

The door closed. Lu duo frowned and asked in a small voice, " "They're crying"

"Don't worry, I can't hear you." David asked, " why did you come out? What if you run around in the middle of the night and arouse suspicion?"

Chapter 1242 Go get the map of Happy Garden

because I have to go to joy garden at the last minute. That's the night God's place, so I naturally have to ask the organization if they have any arrangements. Lu duo said, " it's not safe to call the Yu family. What if someone overhears us? wouldn't the plan that we've set up for so many years be ruined? "

...

"Go to Happy Garden?" Dave opened his desk drawer and took out a glasses case. that's great! Go and get the map of joy garden. Be careful and let nature take its course, don't take any risks."

Lu duo opened the box and there was a pair of sunglasses inside.

"There's a chip in it," David said."It can record and transmit online." Wear it and it will record the situation around you. It's wider than what you can see with your eyes."

this Yingluo, " Lu duo said suspiciously. what if the sun doesn't rise tomorrow? "

"That's why I said to let nature take its course. If it's raining tomorrow, we'll have to do it next time." David said.

"Next time?" Lu duo frowned. based on the Lu family and the Yu family's relationship, there's a good chance there will be a next time. However, it's not our own home after all. It's good enough if we can go once a year.

that's why I told you to seduce Sheng Yiting, but you didn't agree.

Lu duo paused. She said in a low voice, " it's not that I don't agree. It's just that he already has a girlfriend now.

Dave nodded. I'm glad you think that way. I don't care what you're doing this for. We'll investigate his girlfriend and help you-"

"No need," Lu duo opened the bag and put the glasses in. I'll do it myself. After all, it's an emotional scene, so you have to be personally involved to make it look realistic."

"Alright," Dave smiled. I hope you don't overreach yourself."

"Have you ever seen me make any mistakes in all these years?"

"Then you have to be careful of Sheng nanxuan."

Lu duo nodded solemnly, 'I didn't even dare to talk to him today. I'm just a young girl, and I can't just talk to an uncle. It won't arouse any suspicion."

"Yes, I am. You've been abroad for many years, so it's natural that you're not familiar with them. You don't have to put on an act."

So the next day, she put on those glasses and went to Happy Garden.

At present, he had figured out more than half of Happy garden's terrain, but it was not useful for the time being and could only be used in case of an emergency.

As for Sheng Yiting, she had to take action. She could not let him be with another woman!

It didn't seem right to play dumb. Sheng Yiting was not a fool at all. He treated his girlfriend well when he had one. He didn't even look at other women, even Lu duo, who was his childhood sweetheart.

It seemed that if he wanted to separate them, he had to start with Tong Siyao.

As for Sheng Yiting, he had to use a gentle offensive to match him.

.....

Early in the morning, Tong Siyao was woken up by the sounds of training outside the window.

Opening her eyes, she was in a daze for a while before she remembered that this was the crystal island.

Not only were there people shouting slogans outside the window, but there were also sounds of fighter jets and warships.

She got out of bed, washed up, and sent a message to Sheng Yiting, only to find that there was no signal.

She realized that it must be because of the principle of confidentiality that she was not allowed to call anyone. No wonder Sheng Yiting had told her to look for him directly last night.

Chapter 1243 The aircraft carrier "Yao Lei"

She checked her appearance in the mirror, opened the door, and saw him leaning against the wall playing with his phone.

...

"I thought there's no signal?" she walked over, puzzled.

"Singleplayer chain." Sheng Yiting put away his phone.

pfft-” Tong Siyao couldn’t help but spit in his face. She pursed her lips and tugged at his sleeve. “You’ve been waiting for a long time, right?”

“Yes, I just ran two kilometers.”

“Two thousand meters?”

“Yup, I know. But they’re not as strong as those soldiers. They’ll probably need at least five thousand soldiers to run.”

“Why didn’t you wake me up earlier?” Tong Siyao was a little embarrassed.

“I’m tired from missing you, so I’ll let you rest more.” Sheng Yiting held her as they went downstairs. let’s eat in the canteen here and then go to Pearl Beach. We can go out for a walk when we’re back in the afternoon.”

Although Crystal island was a military base, it was not a deserted island. The residents who had been living on it for generations had not moved away, so the population on the island was still quite large. There were people who came here for vacation, but they were not allowed to get close to the base.

They were going to Pearl Beach in a while, so they wouldn’t go out for now. Otherwise, they would have to come back, which would be a little troublesome.

Pearl Beach didn’t have any ordinary people living there, only the military.

are we taking the plane or the boat? ” Sheng Yiting asked Tong Siyao.

Tong Siyao thought for a moment.

Her father must have gone there by boat.

Walking out of the dormitory building, Tong Siyao sighed. "It's a little dark."

"Yes."

After breakfast, the two of them took a boat and set off for Pearl Beach.

The sky was dark, the waves were loud, and the air was filled with a salty smell.

Less than half an hour after they got on the boat, Tong Siyao was seasick and vomited all the food she ate.

Sheng Yiting had not expected this to happen. He was shocked and quickly hugged her to take care of her.

Tong Siyao felt that she was in a sorry state, so she pushed him away.

He said helplessly, "don't be a coward. It's more comfortable to Lean on Me." How come you don't feel dizzy in the car or plane?"

maybe it's because the waves are too big, " Tong Siyao mumbled pitifully.

"Why don't you go in and lie down? Even the air smells fishy."

Tong Siyao shook her head and gave a weak smile. "It's this fishy smell that's comfortable to smell."

Suddenly, she saw something in front of her. It looked very far away, but it was very long. If she got close, she didn't know how big it was. It was probably an Island.

"We've arrived?" she asked in surprise.

Sheng Yiting smiled and said with pride, " "No, that's our aircraft carrier."

"Heavens!" Tong Siyao exclaimed, " that's too big.

"Yes, Yingluo."

"Is it Yao Lei?" Tong Siyao asked excitedly.

Just the year before last, an aircraft carrier named " Yao Lei " was in service. At that time, the news reported it without restraint, and it shocked everyone at home and abroad. Even her mother, who had never cared about national affairs, was watching the TV excitedly.

This was because the aircraft carriers in China were not advanced in technology, and there were only small and medium-sized aircraft carriers. The M Nation was the only country with large aircraft carriers, and they had several. China had always wanted to get a large aircraft carrier. It wasn't until two years ago that this dream came true, and that was the Yao Lei.

Yao Lei " made the entire country proud because it was better than the best aircraft carrier in the M Nation. It was unprecedentedly large, and it was said that it had also been greatly improved in other aspects, completely surpassing the previous aircraft carrier design.

To be able to look at it like this, Tong Siyao felt that it was enough for a lifetime.

"Yes, it's the Yao Lei." Sheng Yiting looked at the aircraft carrier in the distance for a long time.

Chapter 1244 Monument on Pearl

Yao Lei:

...

Since he was no longer around, he would use this method to guard the coastline.

The boat traveled for a few hours and got close to Pearl Beach.

Tong Siyao didn't get any more seasickness after seeing Yao Lei, probably because she was too excited.

Pearl Beach was completely a military fortress. From afar, he could see soldiers on guard and cruisers coming and going.

Tong Siyao and the others were also on cruisers. After landing, they saw a broken warship standing in front of them, and there were many people on it.

It was a statue.

Tong Siyao's hands trembled. She had a guess.

Sheng Yiting held her hand and brought her to the statue. On the Pearl.

As expected.

Tong Siyao's tears flowed down.

Twelve years ago, the battleship that Tong Yuan had boarded was called the Pearl, and the entire ship had sunk.

But now, it was standing there, as if it would guard the coastline forever.

"They're really bold." Tong Siyao said with hatred.

yes, ran ran. Sheng Yiting led her to the back of the sculpture. you do it.

Tong Siyao looked at the human figures on the sculptures. She didn't know if any of them were built in the same way as Tong Yuan.

He turned to the back of the sculpture, which was densely engraved with words.

Tong Siyao looked at it. It seemed to be a person's name. She suddenly had goosebumps all over.

"The names are arranged in pinyin order and are divided into three parts," Sheng Yiting said. At the very front was the list of those who had died, in the middle was the list of those who had gone missing, and at the back was the list of those who had survived. All the soldiers who participated in this war will be remembered here."

Tong Siyao walked to the far left and looked up.

She reached out her hand. She had to tiptoe to touch the name on the top.

As for the name at the bottom, she had to squat down to see it clearly.

She placed her finger on the name at the top and slowly slid down. After sliding down one line, she moved to the second line.

Tong Yuan had sacrificed himself. Back then, she and her mother had gone to Xizha airport to pick up his body.

At that time, there were reporters and students. She and her mother stood at the front of the crowd and saw Tong Yuan's coffin covered in flowers and national flags. It was carried out by fully armed soldiers, and there were armed soldiers guarding the front and back of the coffin.

Tong Siyao's tears blurred her eyes. Her fingers moved, and she even forgot to think about the pinyin of those surnames. When she saw Tong Yuan's name, she almost missed him.

She touched his name, and tears gradually fell.

She took off the silk scarf around her neck and used it to slowly wipe the dust on the monument.

After she was done, she stood up and looked at the entire list.

Sheng Yiting stood at the side, not saying a word.

After a long time, Tong Siyao suddenly walked to the front, stood on her toes, and started to wipe from the top with a silk towel.

Sheng Yiting saw that she was working hard on her tiptoes and reached out to help her. When he reached a suitable position, he let her wipe it herself.

When the first letter of the name jumped from y to a, Tong Siyao knew that it was a list of missing people.

“Have you found all these missing people?” she asked.

“They went missing because their bodies were not found.” Sheng Yiting shook his head.

Tong Siyao pursed her lips and couldn't stop her tears from flowing.

When they were alive, they protected the country, but the country did not protect them. They were dead. The country couldn't even find their bodies.

there was an explosion, and some people might have been ridiculed. Sheng Yiting sighed and did not continue.

Chapter 1245 Yao Lei should still be alive

Tong Siyao wiped her tears with her left hand and continued to wipe the dust with her right hand.

...

It brushed past a spot, and it happened to be on the left side of Tong Yuan.

She moved her hand over and wiped Tong Yuan's face again.

When she returned, she saw the name of a missing person-Yao Lei.

Yao Lei? "she was shocked. is it that Yao Lei?"

Sheng Yiting took the scarf from her hand and wiped the name clean.

I think so. He has made a great contribution.

Some people's lives could not be recorded on paper, but these people would be forever engraved on the monument.

it's really big," Tong Siyao sighed. it's really big.

When "Yao Lei" was serving in the military, she had guessed that it was a person's name. If he was, he must have made a great contribution to the country.

But the strange thing was that she couldn't find anything despite searching for a lot of information.

It seemed to be closely related to the aircraft carrier.

The aircraft carrier had only been built a short time ago, and everything related to it should be kept a secret, right?

And Yao Lei had gone missing.

If the truth were to be revealed one day, the people of the country would probably be moved to tears.

Her mother's surname was also Yao, and her name was Yao LAN. Unless it was absolutely necessary, she would not mention her mother's name. This was because " Yao LAN " sounded like a " cradle ". When others heard it, they would reveal a dumbfounded expression. She had had enough of it!

Back then, when Yao Lei was serving in the military, her mother was so excited that she even joked, " Could it be that there's someone called Yao Lei in mom's house? Are you building aircraft carriers?"

Yao LAN glared at her. we both share the same surname. Can't I share the honor? "

.....

At the presidential palace.

Sheng nanxuan and the current president were sitting in the office. They were drinking tea and talking about national affairs.

The door was suddenly pushed open and a man walked in. He said to the two of them, " Your Excellency, Mr. Sheng, the Minister of Defense has an urgent report.

The president glanced at Sheng nanxuan and said, " Let him in,"

After a while, a man in military uniform walked in, his face full of excitement.

"What's the matter?" the president asked with concern.

It had better not be that something had happened. This year was also the year of the election, and he still wanted to be re-elected.

The Minister of Defense saluted him and said in a trembling voice, "our intelligence personnel who went deep into J country's military department just sent back a piece of information. Mr. President, you definitely won't be able to guess what information there is.

"What news?" The president asked nervously.

The Minister of Defense smiled and said, "the intelligence password has been cracked. It's a group of numbers and a group of letters!" The number should be the latitude and longitude. We've checked, and that location belongs to J country. It's not marked on the map, so it should be a military base of J country. The letter was YL, so it could be Yao Lei! If that's the case, he should still be alive at the military base of J-country."

The president slammed the table. I was wondering why J country tried so hard to get close to our coastline. They even crashed into the Pearl at such a close distance. It turns out that their target was Yao Lei!

"Back then, we didn't even know about Yao Lei's talent," Sheng nanxuan said with a frown.

he's been sent out during his work, and it's likely that he's been monitored and contacted by J country's intelligence personnel.

The Minister of Defense looked at the two of them and asked, "What do we do now?"

"How often do the intelligence agents send back information?"

"It's too difficult in the military base. If you're unlucky, you might have to wait for ten or twenty years."

The president frowned and thought for a while before saying, "Yao Lei has made great contributions to the country."

“My predecessor said that Yao Lei alone is equivalent to an aircraft carrier!” The defense minister said.

Chapter 1246 think of a way to rescue

Sheng nanxuan smiled. The Yao Lei was built according to the manuscripts and blueprints he left behind!”

...

“Yup,” The Minister of Defense sighed. he wasn’t in the coastal defense Department at first. He had long made contributions to nuclear war Research. Later, he transferred to the coastal defense Department and joined the battlefield. If they had known that he could build aircraft carriers, they would not have let him take the risk at Pearl Beach! The coastal defense system we’re using now is also a design from his manuscript. The more I think about it, the more it’s a pity!”

he’s in a military base in J-country now?” Sheng nanxuan said solemnly, “ I hope that such a genius will not betray his country.

The defense minister was stunned and didn’t say anything for a while.

Yao Lei used to be just one of the countless National Defense technicians. He worked honestly behind the scientists, and many of the new theories he proposed did not attract everyone’s attention. It was not until his death that his comrades found countless manuscripts when they were packing up his belongings.

The sad thing was that many of the scientists and technicians at that time could not understand!

It was two years later when someone discovered the aircraft carrier blueprint.

How many people had to work through the night to slowly crack a design?

Everyone was too stupid, and Sheng nanxuan had helped a lot. Without him, there were some places that no one knew how to build.

This surprised Sheng nanxuan, "what is Yao Lei's brain made of?"

He thought that he was already very smart, but in front of Yao Lei, he was ashamed of his inferiority.

J country used a war to Rob him. They will definitely not let him off. The president said.

"Since the intelligence officer gave us the information, he probably wants us to save him, right?" the Minister of Defense asked after a pause.

"Then think of a way to rescue them!" Sheng nanxuan said, " Yao Lei has made a contribution to the country. Even if he is dead, we should do our best to find his body and let him return to his roots! He's still alive. Even if he can't do anything in the future, he should still be well taken care of by the country."

The Minister of Defense was moved by his words and replied with a loud " yes.

The president nodded in agreement.

"Does Yao Lei still have any relatives alive?" Sheng nanxuan asked.

The Minister of Defense shook his head. when he graduated from college, his father died in a car accident. A few years later, his mother also died of stomach cancer.

.....

When the plane landed, it was already ten O 'clock at night. Tong Siyao fell asleep on the sofa.

Sheng Yiting did not wake her up and carried her off the plane.

She woke up not long after she got into the car.

Sheng Yiting could not help but laugh. if you don't wake up, I'm going to bring you to my house.

Tong Siyao rubbed her eyes, looking a little confused.

Sheng Yiting pinched her nose and whispered in her ear, "The way you're looking at me makes me want to eat you."

Tong Siyao's face turned red. She looked at the driver in front of her and lowered her head.

"To media University of China." Sheng Yiting smiled.

Tong Siyao looked up and asked in a low voice, "You really didn't plan to send me back to school?"

"You were already asleep, and I didn't bear to wake you up. After sending you back, how am I supposed to send you back to the dormitory? The Auntie won't agree to it. "

"You're still in the right?" Tong Siyao glared at him angrily.

"Do you want to have supper?" he asked in a low voice.

No. Tong Siyao shook her head. No.

He had eaten when he first boarded the plane, so he didn't feel hungry at all.

When they arrived at school, Sheng Yiting sent her to her dormitory, and the two of them got intimate with each other for a while.

Chapter 1247 I'm afraid you'll ignore me again

When they said goodbye, Tong Siyao kissed her face and said gratefully, "Thank you for today."

...

Sheng Yiting hugged her and said, "you're welcome. I just want to do something for you."

Tong Siyao was even more grateful and wrapped her arms around his neck.

He patted her back, and after a while, he realized that she was reluctant to let go, so he couldn't help but say, "If you continue to hug me like this, I won't let you go back to the dormitory."

Tong Siyao immediately let go of her and ran away with a smile.

"Aren't you going to say goodbye?" Sheng Yiting couldn't help but call out.

Tong Siyao turned around and smiled. "didn't I just tell you?"

He waved his hand helplessly and watched her go in before turning to leave.

Back in the car, he closed his eyes to take a nap.

As the car moved, he traced the route in his heart. Just as they were about to reach home, the driver suddenly braked.

He was shocked. He opened his eyes and saw a woman in white blocking his way.

On closer look, it was Lu duo.

The driver broke out in a cold sweat and quickly turned to Sheng Yiting. "Young master ..."

"I'm fine. You can go back first." When Sheng Yiting realized that they had arrived at the entrance of the neighborhood, he got out of the car and walked towards Lu duo.

Lu duo looked at him in surprise, "brother Yiting, Yingluo."

"What's wrong with you?" Sheng Yiting asked in confusion.

Lu duo shook her head and pounced on him, hugging him tightly.

Sheng Yiting trembled.

"Brother Yiting, you always ignore me when I call you, and you always find excuses to avoid me," she sobbed. Are you angry because I said something wrong that day? I really didn't do it on purpose!"

Sheng Yiting came back to his senses and pushed her away in a hurry. "You're here in the middle of the night just because of this?"

Lu duo nodded, "I don't want you to be angry. You're angry at me, I'm uncomfortable, I'm afraid that Yingluo is afraid that you'll ignore me again."

Sheng Yiting's mind was in a daze. After a long time, he said, "Then what are you doing on the road? what if you get hit?"

They were still in the middle of the road, so he hurriedly pulled her to the side of the road.

I ... I'm looking for a car to go in," Lu duo said resentfully. I'm afraid you won't be able to see me.

“You could have called me!” Sheng Yiting said, exasperated.

If the chauffeur didn't stop in time and she was knocked down, how was she going to explain it to the Lu family?

you're scared. Lu duo looked at him timidly and lowered her head again. every time I call you, you always look like you're scared and don't want to talk to me.

“I didn't!” Sheng Yiting called out.

Lu duo burst into tears and cried, “Brother Yiting, are you angry again? I didn't do it on purpose! If you hate me, I'll leave now!”

“I'm not angry with you!” Sheng Yiting felt a headache coming on. don't cry! Where do you live? At first granduncle's house? I'll send you back.”

“Why are you sending me back?” Lu duo grabbed him nervously. brother Yiting, don't you want to see me? ”

“Of course not.”

Sheng Yiting looked at her hand and wanted to push it away, but she was too emotional and afraid that it would backfire on her. So, he could only maintain the status quo.

“It's very late now. You should go home and sleep.” He said in a kind tone, “ if there's anything, let's talk about it tomorrow, okay? ”

“Then, brother Yiting, are you really not angry with me?” Lu duo looked at him hopefully, her little face looking pitiful.

“Of course not.”

When Lu duo heard this, she broke into a smile and quickly wiped her tears. She looked at him happily, "I knew it, brother Yiting is the best to me!"

Chapter 1248 Do you hate me?

Sheng Yiting didn't want to face her. He turned around and wanted her to get in the car, but the chauffeur had already driven away.

...

"How did you get here?" he asked helplessly.

"Take a taxi,"

"Then I'll send you back."

Coincidentally, a taxi was driving over, so he reached out to stop it.

After getting into the car, Lu duo's tears gradually stopped.

Sheng Yiting looked at her, deep in thought.

She blushed and lowered her head shyly. "Brother Yiting, why are you looking at me?"

Yueyue. Sheng Yiting felt exhausted. This Lu duo seemed to know nothing about the ways of the world. He couldn't reason with her.

He turned his head away and did not speak.

Lu duo looked at him timidly and didn't dare to make a sound.

Sheng Yiting kept looking out of the window. He did not dare to look at her face, lest she misunderstood something and did something that should not happen.

Lu duo was really different from when she was young.

Everyone would probably change.

He sighed and did not feel as much pity for her anymore.

She was the one who had changed first, and she had also forgotten how to address him as " brother Hu Zi. this proved that she did not care about their past friendship, and he did not need to remember anything anymore.

He couldn't hurt Siyao for her, could he?

Lu duo was staying in the hotel now. Because she was going to move around in various major cities to perform, she had to stay with the concert team to make it easier for her to organize training.

When they arrived at the hotel, Sheng Yiting sat still in the car and said, " "You should rest early."

Lu duo looked at him dejectedly. Yueyue, aren't you going to send me in? " she asked.

"This is the entrance, it'll be fine,"

Lu duo bit her lip and asked again,'are you hungry? I'll treat you to supper."

"I came back after having supper."

Lu duo pulled a long face when she heard him. She was sad and angry. She pursed her lips and got out of the car. She stood outside the door and said to him, " "You hate me, don't you?"

The chauffeur in front turned around and said to Sheng Yiting, " "Young man, what do you want to say? it's not easy for a girl."

Sheng Yiting paid the fare and got out of the car helplessly.

Lu duo looked at him, and he asked tiredly, " "Duoduo, what do you want?"

Lu duo panicked and quickly shook her head, I didn't do anything! I just wanted to ..."

"You like me, don't you?" Sheng Yiting interrupted her and stared at her.

Lu duo became even more flustered and hurriedly shook her head. "No, I didn't! No! I only see you as a big brother. I know that you have a girlfriend now, so I know that she won't like you."

"That's good." Sheng Yiting heaved a sigh of relief. if you like me, I can't respond to you because I already have Siyao.

Lu duo's entire body trembled. She looked at him and asked carefully, " Sister Siyao is from Western Plains. Have you ever thought that she's with you for your money? "

"She's not that kind of person!" Sheng Yiting's face darkened and he looked at her sternly. Duoduo, I see you as my little sister. I hope that you and Siyao can be very good sisters. If you don't like her, let's just be ordinary friends. Moreover, you shouldn't discriminate against people based on their region. Your parents are saving others from the poorest and most miserable place!"

Lu duo was stunned. She looked at him in disbelief and screamed, " you're actually scolding me like this for her?!

"I'm not scolding you." Sheng Yiting's voice was calm.

“But you’re speaking up for her!”

“She’s my girlfriend, of course I have to speak up for her.”

“But Yingluo, we’ve known each other since we were young!” Lu duo looked at him in disappointment.

Chapter 1249 I don’t want to see you again

“So what?” Sheng Yiting’s eyes were cold. I’m going to marry Siyao in the future. She’ll be by my side for the rest of my life. She’ll be by my side even after my parents are gone. In the future, he will be the closest person to me in this life. Not to mention that we’ve known each other since we were young, even my own sister won’t be able to compare to her in the future. Because everyone will have their own days, their own lovers, their own new homes. Only the new person in the new home will be left. Although he comes late, he is the closest.”

...

When Lu duo heard this, she couldn’t take it anymore and shook her head. She backed away step by step and cried, “You’re no longer the brother Yiting I knew when I was young, Yingluo.”

You’re not the Duoduo I knew when I was young.

Lu duo was stunned. Her eyes widened. you like her that much? ” she asked.

Sheng Yiting looked into her eyes. Her eyes were wide open, like two deep holes.

Her face was full of tears and she looked extremely desperate, but he didn’t feel any pain in his heart.

But thinking back, if it was the Lu duo from the past who cried like this, he definitely wouldn’t have the heart to do it. It wasn’t because of her, it was because that Lu duo was worthy of heartache.

But now, she had changed. She was completely different from when she was young.

Maybe it was because he didn't have much contact with Lu duo when he was young. He only saw her good side and never really understood her.

After a moment of silence, he said, " I didn't like her that much at first. However, she's my girlfriend. It's my responsibility. I can't let her down.

When the two of them got together, it was just a feeling that they were right at the beginning. It was far from the point where they had to be with her.

After all, if he didn't catch up at that time, he would gradually feel relieved when he turned around.

However, when she did, the feelings she had for him slowly fermented as they spent time together. She liked him more and more, and she got used to him more and more. Once she lost him, she would be in so much pain that she would wish she were dead.

If they were together normally without any twists and turns, they might feel that there was no passion in their relationship and that they would be disdainful of everything.

However, Lu duo's appearance was like a catalyst. He was afraid that Tong Siyao would get hurt because of her. Unknowingly, Tong Siyao's weight in his heart slowly increased. That was why he liked her that much now!

"I don't want to see you anymore!" Lu duo shouted and ran into the hotel while crying.

Sheng Yiting sighed.

He knew that he had been a little heartless just now.

But with her attitude, if he didn't cut him off, she would misunderstand.

He couldn't hurt his true lover because of a moment of soft-heartedness.

Anyway, she would find someone she liked sooner or later, and then she would forget him.

.....

In the morning, Sheng Yiting got up and opened the door. He pressed a hand on his chest and pushed him in.

He took a look and saw that it was Gong mo.

Gong Mo closed the door mysteriously. He was dumbfounded and asked, "Mom, what are you doing?"

Gong mo took out his phone and opened his photo album. "Take a look at this."

When he saw it, he didn't care at first. Then, he grabbed the phone and looked at it seriously.

"There are still a few more at the back." Gong mo said.

Sheng Yiting flipped through the photos until he couldn't move anymore.

It was the scene of him and Lu duo getting off the car at the entrance of the hotel last night. Although it didn't look ambiguous, the hotel was right behind them, so it was hard not to let people's imagination run wild.

"It's on the news?" he asked in horror.

"Who would dare to publish this news? They've been intercepted."

He and Lu duo were involved in the two big media groups, Qingyu and Aimo, so no one dared to publish any news. Even if the young reporter was insensible, once the photos were in the hands of the chief editor, they were naturally suppressed. Whether or not to post it, it was up to Aimo and Qingyu to decide.

Chapter 1250 I can only rely on you

Sheng Yiting heaved a huge sigh of relief. If Tong Siyao saw this, he would not be able to explain himself.

...

“What’s going on between you and Duoduo?” Gong mo asked seriously.

Sheng Yiting wanted to say ‘she’s sick’, but he was afraid that she would beat him up because of Yu Xinran and the others. “It’s nothing. She came to see me yesterday, so I sent her home.”

“Then why did she look for you?” Gong mo looked at him suspiciously.

She knew that he had a good relationship with Lu duo in the past. He wouldn’t have developed feelings for Lu duo because of their friendship when they were young, and then two-time her, would he?

Sheng Yiting paused, opened the door helplessly, and pushed her out. “It’s fine, it’s fine. I’ll handle my own matters.”

Gong mo turned around and said, “Yiting, you can’t be muddleheaded when it comes to relationships. Siyao doesn’t come from a good family, but she’s a good girl. If you don’t like her anymore, don’t think she’s suitable, don’t like her, don’t keep her hanging. You have to break up with her, understand?”

“Are you cursing me?” Sheng Yiting stopped screaming and said sternly, “I’ll just say it now! I’m not going to marry anyone else but her!”

Gong mo was stunned by his domineering attitude and stared at him with wide eyes.

Sheng nanxuan's voice came from behind. "What are you doing? Quickly come and eat!"

.....

Yu Xinran also saw these photos, which were sent to her by the staff of Qing Yu media.

In fact, Lu duo's face was even clearer in the photo. She was very popular now and was the target of the paparazzi.

But Sheng Yiting didn't. He rarely appeared in public, and many reporters didn't even know him. They probably just thought he was Lu duo's rumored partner. Therefore, his face was not clear in the photo. It would be difficult to recognize him if he was not familiar with the person.

It was no problem for Yu Xinran to recognize him, but he already had a girlfriend. How could he have an ambiguous relationship with Lu duo?

Although there was no way to tell that they were in an ambiguous relationship in the photos, it would inevitably lead to speculation if these photos were really published.

Moreover, could Lu duo be interested in Sheng Yiting?

Yu Xinran thought about it and went to the hotel to find Lu duo.

Lu duo was discussing the concert's schedule with David. Her concert was a global tour, which would take at least a year and a half.

David said, " you have to be careful when you go to J country. The base wants you to visit Yao Lei. You have to find time to go.

Lu duo frowned in disgust. he still won't say anything? " she asked.

“He’s lost his memory now and he’s mentally unstable, Hanhan.”

“Didn’t you say that he might be pretending?”

Dave sighed, but the doctors couldn’t tell at all. He was so smart that it was not impossible for him to fool the equipment and doctors by acting crazy. So, I can only rely on you.”

The doorbell suddenly rang, and the two were shocked. They quickly put away their computers and David went to open the door.

Outside the door stood Yu Xinran. David was surprised and invited her in. He said to Lu duo, “It’s Mrs. Lu,”

Lu duo hurriedly came over and asked with a smile, “Auntie! What are you doing here? Have you had breakfast?”

“I’ve eaten.” Yu Xinran smiled.

“You came alone?” Lu duo looked behind her and said jokingly, “didn’t uncle come with you? ”

From the information she had gathered, Lu Yang loved Yu Xinran very much.

Yu Xinran blushed and looked at her helplessly. “He’s playing golf. I’m here to talk to you about something.”
