

Ditsy Wife 1251

Chapter 1251 Who is more important between Sheng Yiting and me?

Lu duo hurriedly asked her to sit down.

...

Dave poured some water and sat down on the other side.

Yu Xinran drank her water slowly and didn't speak.

Lu duo understood that she wanted to talk to her in private, so she gave David a look.

David smiled and stood up. I'll go out then. You guys take your time.

After he left, Yu Xinran put down her teacup, took out her phone, opened the photo, and showed it to Lu duo. "What's going on?"

Lu duo picked it up and her expression changed.

She suddenly raised her head and looked at Yu Xinran. "Auntie, this is Yingluo."

"The paparazzi took it. "Your residence might have leaked something." Yu Xinran paused for a moment."Even if it wasn't leaked, I can guess where it is." I'll wait for you. You should be more careful in the future."

I know, Hanhan. Lu duo lowered her head and looked at Sheng Yiting in the photo.

Yu Xinran's heart skipped a beat, and she quickly asked, "Is that Yiting?"

it's Yingluo," Lu duo said in a daze. Then, she reacted and hurriedly shook her head."No!"

Yu Xinran looked at her with a profound gaze. Duoduo, I know Yiting better than you do.

Lu duo had not seen Sheng Yiting for more than ten years, but she would see him several times a year.

Lu duo lowered her head and didn't say a word.

"Yingluo, don't tell me you're interested in him?" Yu Xinran asked, worried.

"....."

"Duoduo, say something!" don't tell me you like her? " Yu Xinran shouted.

Lu duo bit her lip. After a while, she raised her head and said with tears in her eyes, "I do like him, but I came back late and missed him, Hanhan."

Yu Xinran was shocked and looked at her with heartache. "Duoduo Qianqian"

"Aunty, I'm so sad." Lu duo cried and threw herself on her.

Yu Xinran hugged her and said anxiously, "Don't cry, don't cry. There are plenty of fish in the sea, and you will find a better one."

"But I like him now!" Lu duo called out.

Yu Xinran was stunned and said,"but he already has a girlfriend. You have to quit, you know?" No one can tell what will happen in the future. Don't be sad and desperate, and don't destroy other people's relationships. What's supposed to be yours will eventually become yours after thousands of twists and turns."

Just like how he urged Lu Yang to treat her.

Lu duo's relationship with Sheng Yiting and Tong Siyao was similar to her relationship with Gong Bai and Lu Yang.

Lu duo was Lu Yang, Sheng Yiting was her, and Tong Siyao was Gong Bai.

Sheng Yiting and Tong Siyao didn't match up in terms of social status. In the end, he might even marry Lu duo or some other rich young lady.

"Don't cry," She consoled Lu duo. "You've just started your career, so don't be sentimental about this kind of thing. Moreover, how many people's first love could last until the end? You don't need to be anxious."

Lu duo laid on top of her, knowing that she was afraid that she would cause trouble. Was he that kind of person in her heart?

Hehe Yingluo

Did she feel bad for Sheng Yiting?

Yu Xinran had a past with Gong Mo's cousin, Gong Bai. Gong Bai had grown into a Zhusha mole in her heart. Naturally, she would love her husband as well, but she treated Sheng Yiting differently. It was better to talk to an outsider than to talk to her husband's niece.

Lu duo really wanted to ask, 'in your heart, who is more important between me and Sheng Yiting?

However, she had always been a considerate and sensible little princess in the Lu family, so she would not say such things.

She raised her head and sniffled. I've already told him. I won't see him anymore.

Yu Xinran touched her hair, her heart aching. "If you don't want to see me, then don't. I wanted to invite everyone to dinner before I go back to beizhi, but since that's the case, I won't invite your uncle Sheng and aunt Gong."

Chapter 1252 Can't he warm up her heart?

Lu duo sent Yu Xinran off and David came back quickly. He asked, "What did she say?"

...

Lu duo told him the truth.

what's your plan?" David was confused. you told Sheng Yiting that?"

Lu duo smiled mysteriously, 'disappear! Don't you know that distance breeds beauty? When he needs me, I'll appear and he'll realize my good points."

"Are you confident?" Dave was still doubtful.

In his opinion, emotions were the most unreliable things without specific data to measure and measure.

"Just wait and see, he'll become mine very soon!" Lu duo said proudly.

.....

Yu Xinran was staying at Yu Qingping's house, in the same room as before their wedding.

After she went back, she thought about what Lu duo said and felt a little worried.

Lu duo had no experience in relationships. What if she couldn't think straight and went astray?

She didn't want a good girl to lose her sense of self for a man.

She thought about it and told Lu Yang about it when he came back.

Lu duo was still the daughter of the Lu family. She should let the Lu family know about everything.

"She won't see Yiting in the future?" Lu Yang asked, puzzled.

Yu Xinran nodded,"that's what she said. I don't know if she's being angry or if she's serious." Although it was a good thing not to see him, in case he couldn't control his heart and caused more trouble. But her determination was even more worrying. Lu Yang and the others are not here. If something happens, how can we explain it to them?"

Seeing her troubled, Lu Yang was full of heartache and guilt. He said sullenly, "They didn't even do their part, so how can they criticize us? Besides, you've taken good care of her. At this age, Duoduo would eventually fall in love. And love has never been smooth sailing."

Hearing that, Yu Xinran became silent. She moved her fingers uncomfortably at the thought of Gong Bai.

It had been more than twenty years since she last saw him, and she didn't know how he was doing now.

Sometimes, she would feel sorry for him. If he hadn't been with her back then, he wouldn't have had to leave his hometown.

Lu Yang looked at her. He knew that she was thinking about that person and his heart was inevitably blocked.

It had been twenty-three years. Could he still not warm her heart?

He held her in his arms and patted her back. don't take Duoduo's matter to heart. You've already done enough. Sometimes, I even feel sorry for you.

I'm sorry, ran ran," Yu Xinran murmured.

She could not give him love, so she could only make up for it in other ways.

"What did you just say?" Lu Yang lowered his head.

Yu Xinran buried herself in his arms and wiped her tears with his clothes. "I'm fine."

.....

Sheng Yiting was afraid that Lu duo would call him again, so he was on tenterhooks every time he went on a date with Tong Siyao.

Luckily, Lu duo didn't contact him for a whole month. He would occasionally see on the news that she was performing in various places and seemed to be in good shape, so he was relieved.

She said that she would never see him again, and it seemed like she was telling the truth.

At that moment, the university's recruitment fair was in full swing.

Al mo "had extended an olive branch to Tong Siyao. Tong Siyao had wanted to sign with Al mo, but now that she was in a relationship with the editor-in-chief's son, she subconsciously wanted to avoid suspicion. But if she refused, the Sheng family would definitely think that she had something against it, and there would be a Rift between her and Sheng Yiting.

So, she signed it. After work, it would be better to keep a clear line between work and private life.

On the day of the oral defense, Sheng Yiting came to the school to look for her.

She had finished her oral defense at three O'clock, but it was almost six O'clock when he arrived.

Chapter 1253 The two of them haven't reached that stage yet

In the summer weather, standing under the afterglow of the setting sun, the sun's temperature was still a little hot.

...

Tong Siyao ran out of the dormitory after receiving the call. Sheng Yiting asked, "Did your dissertation defense go smoothly?"

Tong Siyao nodded. no problem.

"So you'll be free from tomorrow onwards?"

"Ahem, Yingluo, yes." Tong Siyao smiled.

Actually, he was quite free recently. There were no classes, and it wasn't time to go to work yet. He had nothing to do all day.

On the other hand, he was like an office worker all day long. Sometimes, she was so bored that she wanted to play with him, but she was too embarrassed to mention it.

No matter what, it was a good thing for a man to work seriously.

Sheng Yiting led her out of the school and asked, "In that case, why don't we go on a trip?"

"Travel?" Tong Siyao was stunned. where are we going? "Do you have time?"

“Of course I do.”

Tong Siyao smiled. She was a little tempted but also a little hesitant. “It’s better not to delay work.”

Even if she was working at her family’s company, she couldn’t just take a break whenever she wanted to.

“Don’t worry, I have annual leave. I haven’t taken this year’s.” Sheng Yiting said dotingly.

“I see.” Tong Siyao was delighted. but I have a graduation ceremony next month. Moreover, I’ll be looking for a house soon, so I’ll be staying in school until the end of next month at most.”

“Isn’t there still more than a month left?” Sheng Yiting was silent for a few seconds. you want to rent an apartment? ”

“Of course. I’ve already agreed with ye Zi to rent it together.”

He said carefully, “I have a house, but I don’t usually live there.” You can move there, and I’ll give you a cheaper rent.”

Tong Siyao shook her head and looked at him without saying anything.

Would he really charge her rent for his house?

Furthermore, it made her feel as if she had delivered herself to his door. The two of them had not reached that stage yet.

Sheng Yiting knew her well and did not try to persuade her.

“If you run into any problems while renting the house, you can look for me,” he said after getting into the car.

Tong Siyao nodded.

“Are you going on a trip?” He asked.

Tong Siyao was very tempted! He probably wouldn't have such an opportunity after he started working.

However, if he had the time to travel, he might as well go home to visit Yao LAN and Qianqian.

Sheng Yiting saw that she was troubled. He smiled. take your time to think about it. Let's go and pick out a gift first.

“A present?” Tong Siyao was surprised. what gift? ”

“It's my dad's birthday next week,” Sheng Yiting said, “ your entire birthday! I have to pick out a gift for him. When the time comes, can you come over to eat?”

“Of course, Yingying should go.”

Tong Siyao was a little flustered. The Sheng family knew that they were dating, so it would not make sense if she did not show up on Sheng nanxuan's birthday. However, if he went, he should show his sincerity.

She quickly asked, “then I still have to give you a present. What should I give you?” Quickly give me some suggestions!”

“Your suggestions are more or less the same!” Sheng Yiting laughed. let's do it together. I'll pay for it and you'll come up with the idea.

“My idea?” Tong Siyao's eyes widened. I don't know him.

"I'm telling you. I give him presents a few times a year. Birthday presents are a must, and sometimes Father's Day and so on. She had sent him off dozens of times. In the beginning, he had racked his brains, but he couldn't think of a new one, so he just bought a tie or something. In the end, my dad was so weird. He likes a lot of things that my mom bought for him. He can use the tie that my mom bought for him to the point where it's unthreaded, but he can only wear the tie that I bought for him two or three times at most."

Tong Siyao laughed, "they're really close!"

Chapter 1254 He likes my mother the most, then my sister

that's great," Sheng Yiting said quietly. if you can satisfy my mother, she won't have a problem with you.

...

Hearing that, Tong Siyao asked nervously, "then Auntie, she's ..."

"She really likes you! When you interned at her place last year, she already thought very highly of you. When you just got into the car accident, she even scolded me. She was afraid that I'd destroy the good seedling she had high hopes for."

Tong Siyao's face turned red, but she was happy.

"Let's eat first and discuss the gift while we eat." Sheng Yiting said.

Tong Siyao nodded.

"What does your father like?" she asked while they were eating.

"He likes my mom the most, and then my sister!"

“What about you?” Tong Siyao blinked.

“Before Xuanji shuangxue was born, he liked me a lot.”

Tong Siyao couldn't help but smile and pat his hand to comfort him. “I'll like you in the future ~”

Sheng Yiting raised his eyebrows and asked affectionately, “The one you like the most?”

uh, hehe. Tong Siyao was stunned. She looked away guiltily. The first person she thought of was her mother.

Hmph! Sheng Yiting didn't want to argue with her. With such a serious personality, he could guess what she was thinking with his toes.

After the meal, Tong Siyao asked Sheng Yiting to list the gifts he had given Sheng nanxuan.

At first glance, she realized that this young master was really not short of money. The gifts he gave were a few hundred Yuan, a few hundred thousand Yuan, and a few million Yuan. Therefore, she gave him an idea that he didn't need to care about the price at all and could do whatever he wanted!

“Where did you buy this?” she asked, pointing at the antique inkstone.

an auction? it's so expensive! Sheng Yiting was taken aback. wait, this is not for him. It's for my mother. It's my mom's birthday next month. We can think about it while we're there.”

Tong Siyao was stunned and said with some difficulty, “I'd better show some appreciation.”

The two of them had celebrated their birthdays one after another, so it wouldn't be good if she didn't give him a gift. But if he gave one, it would be even worse if he only gave one.

Therefore, he had to prepare two gifts.

Sheng Yiting looked at her and rubbed her head. "There's really no need. They'll be even happier if we give them one each."

"Like this?" Tong Siyao didn't believe it.

However, she really didn't have the money to buy a gift.

An ordinary gift was not a problem, but given the Sheng family's situation, she could not afford a suitable gift even if she went bankrupt. It was the best choice to send it along with Sheng Yiting. Otherwise, if he gave them a nondescript one, they wouldn't be able to use it even if they wanted to.

She asked in confusion, "why does Auntie know how to use an inkstone?" Don't only men like to write?"

"Our family is the opposite. My dad doesn't like doing things that require a calm mind, but my mom likes it."

"No wonder aunty's temperament is so refined." Tong Siyao smiled. but we can also buy antiques for uncle. For example, a bracelet or something ~"

he has a bracelet. It's a gift from my first uncle's wife. He's been wearing it.

Hearing that, Tong Siyao continued to think.

Sheng Yiting said excitedly, "hey, let's go on a trip after my dad's birthday, shall we? We'll be traveling for half a month and come back to celebrate my mom's birthday. Then, I'll find you a house, move out, and attend your graduation ceremony."

"we're talking about the present for your dad," Tong Siyao said angrily. "what are you daydreaming about?"

"How about Italy?" Sheng Yiting asked again after a pause. "I'm looking for my uncle."

Chapter 1255 It's my first time, I can't let my guard down

Tong Siyao took a deep breath. She was going crazy. How could this person be like this? Wasn't he the one who asked her to come up with an idea?

...

Sheng Yiting looked at her innocently and said carefully, "You don't have to work too hard. If you really can't think of one, we can just buy one."

Tong Siyao suddenly glared at him.

"Are you really not going to discuss the trip?"

Tong Siyao choked and said after a long time, "I want to go on a trip, but I also want to go home for a walk."

Sheng Yiting's eyes lit up. The Western Plains is the most primitive place in China. The sky blue Grass, the green water, the fresh air, and the thought of it makes one yearn for it!"

Tong Siyao blushed. that's not very good, is it? "

If he were to go, wouldn't he be going to her house to see her mother?

"I think it's pretty good!" Sheng Yiting said seriously, " it's decided then. After my dad's birthday, we'll go on a trip to Western Plains!

.....

When Sheng Yiting got home, he said to Gong mo, " I'm planning to take Siyao on a trip after dad's birthday. We'll also go to her house. What do you think I should give her as a gift? "

Sheng nanxuan looked at him. traveling? " he asked.

Sheng Yiting nodded.

Gong mo said in a daze,"I don't have any experience in this." Cigarettes and wine?"

Sheng Yiting was speechless. her father is not around. Who's going to eat her? "

Gong mo thought for a moment. I'll ask your grandma then! It's your first time there, so you can't let your guard down. Otherwise, if she's not satisfied, your love life will be bumpy."

Sheng Yiting broke out in a cold sweat and thought,'thank you for thinking about me!

it's just a small matter, " Sheng nanxuan said disdainfully. why bother the old man? "

Gong mo glared at him and said,"what else can we do?" I can't use your situation when you went to my house as a reference!"

"Haven't I bought a gift before? Come, son, let me teach you. Don't listen to Your Mother! If you can't handle such a small matter, what will you do in the future?"

Sheng Yiting was taken aback and thought that it made sense. "Then what do you think we should do, dad?"

"Be more careful. It's the first time, so it can't be too expensive or too casual."

"Brother!" Sheng shuangxue suddenly called out.

“Why?” Sheng Yiting looked at her.

“Baidu it and you’ll know!” She said seriously.

The other three people:

It seemed like little Xue ‘er’s idea was worth a try.

.....

Soon, Sheng nanxuan’s birthday was approaching.

After all, it was his birthday. Even if he didn’t like to celebrate his birthday, he still had to celebrate. Moreover, his son was already in his twenties. The depression of being born on the same day as Sheng Dongyi had long disappeared.

The birthday was still held in Happy Garden, but the family had to go a day earlier.

Sheng Yiting had already taken his annual leave. Before he left, he was packing his luggage at home, preparing to leave for the airport directly from Huan Yuan the day after his birthday.

Sheng shuangxue ran over and asked, “brother, can you take me with you?” I heard that the horses in the Western Plains are very big, I want to go and ride a horse!”

“Ride in your own home, be good.” Sheng Yiting did not look at her and focused on packing his luggage.

You have to bring enough medicine, or you’ll fall sick on the road.

“Are you thinking of eloping?” Sheng shuangxue asked in dissatisfaction.

Sheng Yiting raised his head and said helplessly, " shuangxue, be good. You have to go to class now. You can't go even if you want to.

Sheng shuangxue left in a Huff.

Bad brother, he actually stepped on her sore spot!

She hated attending classes! If only he could become an adult, he could go out and travel by himself.

Sheng Yiting was halfway done packing his luggage when he heard a knock on the door. Then, Sheng nanxuan pushed the door open and entered. how's the packing? "

Chapter 1256

"It's almost time." It was not Sheng Yiting's first time traveling, so he had some experience. However, he was afraid that he would leave a bad impression on Tong Siyao if he brought her along.

...

Sheng nanxuan walked around his luggage and asked if he had brought this and that.

yes, I did, ran ran, "Sheng Yiting replied hurriedly.

Sheng nanxuan asked for a few more items. He had brought them all.

"Dad, are you very free?" he asked curiously.

Sheng nanxuan was furious. What kind of attitude was this? Did she despise him? "Did you wear a condom?" he glared at Sheng Yiting.

Sheng Yiting was dumbfounded.

Sheng nanxuan laughed smugly. hahaha! Yingluo, I knew you didn't!

He took out two condoms from his pocket and threw them into Sheng Yiting's suitcase. "Take it! When you're out, remember to take safety precautions!"

"Dad!" Sheng Yiting screamed. What kind of father was this? His father was an old hooligan!

"What is it called?" Sheng nanxuan rolled his eyes at him. you've all gone on a trip. When you're out, you'll be like a wild horse without restraint. It's inevitable that you'll be like firewood burning with fire.

"We'll live separately." Sheng Yiting was speechless.

"Hehe, I don't believe that you won't be moved by that time! Look at you, you're already in your twenties. After holding back for so many years, you finally managed to trick your girlfriend out! During the journey, there was no place in front of her, no acquaintance, no one responded to her every time she called."

"What nonsense are you spouting?" Sheng Yiting broke down. it's as if I tricked her into going out on purpose to do something to her.

"It's better to be well prepared." Sheng nanxuan picked up the condom and stuffed it into the pocket of his pants. He patted him on the shoulder and turned to leave.

Sheng Yiting, "Yueyue."

He pulled out the condoms and was about to throw them into the trash can, but after a moment of hesitation, he stuffed them into the bottom of the suitcase with a red face. Then, he thought, if it really came to that, how would these two be enough?

Ring ring ring

The phone rang.

Sheng Yiting was shocked. He quickly picked up his phone and saw that it was Tong Siyao.

He felt embarrassed, as if he had been caught doing something bad. He picked up the phone and asked uneasily, "Where are you now?"

"The dormitory." Tong Siyao was a little nervous. She was about to go to her boyfriend's house.

"I'll come and get you immediately!"

Sheng Yiting quickly packed the box and estimated that Qianqian had left nothing behind except for the condoms. If he missed anything, he could buy it on the way!

He carried his luggage out and said to Gong mo and the rest, "I'll go pick up Siyao first. See you at Happy Garden.

I ... I ... Sheng shuangxue ran over happily. I'll go with you!

"No!" Sheng Yiting shouted. He was still planning to do bad things on the way. How could he bring her along?

"Why?" Sheng shuangxue's face fell.

"Because daddy won't agree to it!"

Sheng Yiting glanced at Sheng nanxuan, who was looking at him teasingly. His face turned red, and he turned around awkwardly to escape with his suitcase.

He drove his own car and placed his luggage in the trunk. On the way, he passed by a pharmacy and slowly stopped the car. He took a deep breath, got out of the car, and strode over to buy a box of Kasaya condoms!

Cough, cough. He really didn't want to do anything bad. However, it's better to be prepared.

When he arrived outside of Tong Siyao's school, Tong Siyao was already waiting there.

When she saw his car, she walked over with her suitcase and placed it in the trunk.

She did not mind that Sheng Yiting did not get out of the car to help her. She put the car down, walked to the front passenger seat, and opened the door.

Chapter 1257 You have a fever?

Sheng Yiting blushed at the thought of that box of condoms.

...

"What's wrong?" Tong Siyao was shocked. Did you catch a cold?"

Sheng Yiting quickly shook his head.

They were all feeling guilty, what did it have to do with a cold? Facing her caring eyes, his face turned even redder. His mind was filled with random thoughts, and he couldn't help but pant.

Tong Siyao was even more worried. He was panting. Did he have a high fever?

She reached out and touched his forehead. He was so frightened that he quickly grabbed her hand. "Don't touch it!"

His mind was filled with indecent thoughts now. Being touched by her, he was going to die!

Tong Siyao touched his burning skin and said anxiously, "You have a fever? Have you gone to see a doctor?"

"No, no, no, it's not hot! Let's go first!" Sheng Yiting shook her off and started the car in a hurry.

Tong Siyao was shocked and shouted, "slow down!" Can you drive it? It's better to stop the car, Yiting! Slow down, I haven't put on my seat belt!"

Sheng Yiting's car was swerving, and he slowed down immediately.

Tong Siyao quickly fastened her seatbelt and looked at him worriedly.

His blood rushed to his head from being stared at. He stepped on the accelerator and the car sped away like crazy.

Tong Siyao felt that he wasn't normal today. He was driving too dangerously!

After running a red light, Tong Siyao's heart almost stopped. She looked at him and saw that he was staring straight ahead, as if he had not noticed anything.

Could this Yingluo be possessed?

Suddenly, someone knocked on the window.

Tong Siyao saw that it was the traffic police and called Sheng Yiting immediately. "Quickly stop the car!"

Sheng Yiting glanced out of the window, slowed down, and parked the car on the side under the traffic police's instructions.

When they got out of the car, the traffic police officer glanced at them and looked at Sheng Yiting. "Sir, do you know you ran a red light?"

"Yueyue," Sheng Yiting replied.

The traffic police thought, what's with Wanwan's attitude? As expected, rich second generations were unreasonable! Can't you follow the traffic rules when you drive such a good car?

Tong Siyao quickly apologized. I'm sorry, I'm sorry, Wanwan. Something happened to our family. We were in a hurry. I won't do it again.

The traffic police officer looked at Sheng Yiting awkwardly and said, "You're suspected of drunk driving now ..."

"Take a sniff. Do I smell of alcohol?" Sheng Yiting asked.

Tong Siyao hurriedly pulled her sleeves.

"Fine, I'll blow it," he said to the traffic police helplessly.

The traffic police officer couldn't help but laugh, thinking that he was still a henpecked husband. This man didn't look like someone to be trifled with. Fortunately, his wife was a reasonable person.

The traffic police took out an alcohol detector and let Sheng Yiting blow on it. When she realized that he wasn't drinking, she couldn't help but sigh in relief. Otherwise, it would be difficult to deal with such a Lord.

Since he didn't drink and drive, the traffic police didn't say anything. He just lectured him a little and let him go.

After getting into the car, Tong Siyao let out a sigh of relief. She looked at Sheng Yiting and asked, "Are you alright? You're the young master of the Sheng family. You should watch your image."

Sheng Yiting felt that it was right. He was going to run for president in the future, and he could not leave a stain on his reputation.

"I'm fine." He smiled and started the car again.

This time, he finally returned to normal. The car drove forward smoothly and soon left the city.

"Are you okay?" asked Tong Siyao.

Sheng Yiting looked straight ahead and said guiltily, "I think it's a heat stroke."

Tong Siyao quickly asked, "are you okay?" Do you need to see a doctor?"

"It's fine, it's fine," He looked at her guiltily and said with a smile, "much better."

Tong Siyao was stunned. She suddenly remembered that there was air conditioning in the car. How could she have a heat stroke? Was he lying to her?

Chapter 1258 Your kiss will cure all diseases

She looked at him in confusion.

...

He suddenly stopped the car, unbuckled his seat belt, and then unbuckled hers.

Tong Siyao thought he was going to take her out of the car. It was different from the car ride he had mentioned. She looked out of the window and saw nothing.

At this moment, he suddenly turned her shoulder around.

She turned her head and he kissed her directly.

"I'm fine now," he said with a smile. You see, your kiss can cure all diseases."

Tong Siyao's face turned red.

Sheng Yiting retracted his hand. He did not dare to look at her now, lest he lost his mind again.

He lowered his head and helped her buckle her seat belt.

The car started again. Tong Siyao suddenly had a guess that was close to the truth, and her face turned red. However, when did she offend him?

.....

The car drove to the vicinity of Happy Garden, and the scenery gradually became more pleasant.

When they entered a path with cypress trees on both sides, they saw a white building in front of them. After entering, he saw the gate of joy garden. It was made of white stone pillars and black iron gate, with a strong European style.

The gate slowly opened, and Sheng Yiting's car drove in.

The scenery inside was even more beautiful. There was a large expanse of green grass, and in the distance, there was a villa with red bricks and red tiles hidden in the green. It was as beautiful as an oil painting.

Tong Siyao looked at the house excitedly. After a while, the car drove past a field of ginkgo trees and stopped in front of the house.

Many people were busy around the house, looking like helpers.

Tong Siyao became nervous at the thought of meeting Gong mo and Sheng nanxuan.

Although it wasn't the first time they had met, it was more formal than the last time!

She got out of the car uneasily. When the people nearby saw her, they all stopped to greet Sheng Yiting. "Greetings, young master!" Then, he secretly looked at Tong Siyao.

It was the first time Sheng Yiting had brought his girlfriend home, so everyone was curious and took it seriously. If Sheng Yiting had inherited Sheng nanxuan's love, Tong Siyao would be his future wife and half the mistress of Happy Garden. Naturally, they wanted to see if she was easy to get along with.

"This is miss Tong," Sheng Yiting said to everyone.

"Hello, miss Tong," everyone greeted her respectfully.

Tong Siyao was startled. She did not know how to respond and looked at Sheng Yiting awkwardly.

"You guys can go ahead." Sheng Yiting waved at everyone. "I'll take you to your room first." she said to Tong Siyao.

Tong Siyao quickly nodded.

When Sheng Yiting went to the back of the car to pick up his luggage, someone immediately came to help him. He handed over the box and told her which one was Tong Siyao's. "I'll put it in the room next to mine."

Tong Siyao stood behind him and looked at him.

"Let's go in first, don't get too hot," he turned around and said.

"I'm not hot," she said, shaking her head shyly.

"Then let's go in and have a seat first. I'll take you out for a walk later."

Tong Siyao nodded and followed him in.

The villa was very quiet, and everything was clean and tidy. "Uncle and Auntie aren't here yet?" she asked, puzzled.

"Yes, they might have to wait for a while."

Tong Siyao nodded and looked around, not daring to look at him.

A man and a woman were alone in a room, and they were in his house. She felt that the air was ambiguous.

Sheng Yiting got up and left the living room. Tong Siyao panicked and glanced at his back. She grabbed the sofa cushion nervously and looked around.

Chapter 1259 Of course, you're in charge of my business

Fortunately, the servants were all outside and did not come in. Otherwise, she would definitely feel uncomfortable with someone staring at her.

...

She saw the piano in front of the floor-to-ceiling window and stretched her neck to take a look, but she couldn't see the details.

Even if she saw it clearly, she didn't understand it. She could only lower her head, relax herself, and pick up the magazine on the coffee table to read.

She had just read half a page when a glass of rose tea was placed in front of her.

She was stunned and looked over, only to see a slender hand leave.

The joints of his hands were very familiar. She looked up and saw Sheng Yiting.

Holding a cup of coffee, Sheng Yiting walked around the coffee table and sat beside her. He rested his chin on her shoulder. "What are you looking at?"

Tong Siyao hurriedly put down the magazine. She leaned forward slightly, and his chin slid down from his shoulder.

She took the opportunity to move to the side, picked up the Rose tea and said, "I'm just looking around. Your place is very beautiful."

Sheng Yiting felt dispirited by her actions. However, he quickly felt his blood boil again, thinking that she must be shy!

He watched her take a sip of tea and pulled her up. "Let's go take a look at your room and see if you're satisfied."

Before Tong Siyao could react, he had already pulled her a few steps.

When she reached the corner of the stairs, she saw the piano downstairs and thought, " It should be Sheng shuangxue, right?"

Sheng Yiting brought her to the guest room, where her luggage was already inside.

The room was very small, and there was almost no space left after being filled with furniture. However, the decorations were very heartwarming. Tian Cheng had lived here when she was young. It was only when Sheng Yiting moved in next door that this room became an ordinary guest room for his friends.

But from now on, this place had to be reserved for Tong Siyao, until Yingying moved into his room.

When he thought of that, he coughed uncomfortably and asked, " "What do you think of this place? If you don't like it, you can change it. "

Tong Siyao quickly said, "very good!" It's very beautiful!"

This was definitely the best bedroom she had ever seen in her life. It was far beyond her imagination. Everything was good, so how could she not like it?

"It's good that you like it," Sheng Yiting heaved a sigh of relief. my room is next door. You can come to me if you need anything.

Tong Siyao: " Yingluo. if I knew, I would have said I didn't like it.

"Let's go, I'll take you to see." Sheng Yiting was a little excited. This is the first time my girlfriend is at my house!

Tong Siyao had never been to a guy's room before, so she felt it was inappropriate. She said uncomfortably, " "I don't think so?"

"Then how did you know which room is mine?"

Oh? ” Tong Siyao was stunned. isn't it next door? ”

“There are a few rooms next door, right? The rooms on the left, right, and the ones in the past are considered neighbors?”

Tong Siyao rolled her eyes and squinted, ” “Isn't the next room just separated by a wall? A few more?”

“Even if it's only a few walls away, it's still considered a neighbor!” Sheng Yiting said innocently.

Tong Siyao thought for a moment and smiled slyly, ” “Alright ~ I'll watch it!”

Sheng Yiting immediately brought her to the next room.

The room next door was very large, with bright hard lines, mainly black and white. It was a man's room at first glance.

what?” Tong Siyao frowned, ” with this kind of decoration, aren't you afraid of depression?”

Sheng Yiting hugged her from behind and smiled. “Help me change it!”

Tong Siyao hurriedly pushed him away and said, ” “Who wants to meddle in your business?”

Sheng Yiting looked at her pitifully. of course you're in charge of my business, ran ran.

Chapter 1260 It seems like my son hasn't succeeded

I'm nobody to you, ” Tong Siyao said unhappily. go find your mom!

...

Yiting ... Gong Mo's voice was suddenly heard.

The two of them were shocked. Sheng Yiting said to Tong Siyao, "You really have a crow's mouth. Speak of the Devil and the devil will come."

Tong Siyao was embarrassed. She kicked his leg. that's your mother. Who's CAO Cao? "

Sheng Yiting went to open the door. Tong Siyao was stunned for a moment and suddenly thought, "If they opened the door like this and Gong mo saw them in the same room, they would never be able to clear their names.

She wanted to stop him, but it was too late. Sheng Yiting went out and stood at the door. "Mom, you've arrived?"

"Where's my daughter-in-law?" Gong mo lowered his voice so that no one in the guest rooms could hear him!

However, Tong Siyao wasn't in the guest room. She was in the room.

Hearing Gong Mo's words, she was both embarrassed and happy. Did the Sheng family acknowledge her?

Sheng Yiting turned around and looked at her.

Gong mo was shocked and immediately stretched his neck. His eyes widened when he saw her.

Tong Siyao said awkwardly, "Auntie, Yingying."

Gong mo was stunned for a moment. He quickly smiled and said, " Oh, you're here? if you have something to say, say it first. I'm going down.

Gong Mo's eyes darted from her body to the bed. It seemed that his son hadn't succeeded yet. He was really inferior to his father!

Downstairs, Sheng nanxuan sneezed. Sheng shuangxue stared at the coffee and roses on the coffee table. When she heard the sound, she looked up."Daddy?"

Sheng nanxuan rubbed his nose. maybe the air conditioner is too low. he said.

it's always this temperature here, " Sheng shuangxue said disdainfully. you must be old.

Sheng nanxuan: " waah. was he being despised by his precious daughter?

"I've really raised you for nothing!" He roared.

"What's wrong?" Gong mo walked down the stairs.

"Your daughter called me old!" He complained.

Gong mo choked. He didn't dare to agree with Sheng shuangxue's words. Otherwise, he would let her know how young and frail he was tonight. He didn't have to wait until tonight. He might do it immediately.

"Punish her by writing big characters." Gong mo shared the same hatred with him.

Sheng nanxuan smiled in satisfaction. Naturally, he would not really punish his daughter. "How's Yiting?" he asked as he looked upstairs.

Gong mo snickered and walked over quickly, " "They're in the same room. Maybe I came at the wrong time."

Sheng nanxuan chuckled in an extremely wretched manner. It seemed that his words had a certain impact on his son.

That's right. Get married and have a son quickly. That way, your heart and everything else will be settled. When the time comes, I'll force him to give up on the political career and take over the Huan mo group. If he took over, he could learn from his father-in-law and take Gong mo on a trip around the world. At the same time, he could follow in Yu qinghuan's footsteps. Then, he would not have to care about Qianqian and Sheng shuangxue at home.

While she was dreaming, Sheng Yiting came down with Tong Siyao.

Sheng shuangxue snorted and picked up a book to read.

"It's upside down," Gong mo whispered in her ear.

Sheng shuangxue was startled. She turned the book around and blushed in embarrassment. She didn't dare to raise her head.

"Dad, mom." Sheng Yiting walked over with Tong Siyao.

Tong Siyao had been very shy and timid just now, but when she was facing Sheng nanxuan and Gong mo, she calmed down and said, " "Uncle, aunty, we're here for shuangxue."

Sheng shuangxue was stunned. She wanted to snort, but she was afraid of being scolded, so she raised her head and laughed dryly. Then, she quickly lowered her head to read her book. She made sure that she had not taken the book out of place.
