

Ditsy Wife 1271

Chapter 1271: Your boyfriend is not friendly

Sheng Yiting burst into laughter. However, this is not something we need to worry about. The people above have their own plans.” Tong Siyao smiled and didn’t say anything.

...

In fact, she hated people from the government!

If they hadn’t fooled around that year, Tong Yuan wouldn’t have been sacrificed.

However, a country can’t do without them. So what if she hated them? We can’t erase their contributions, and we can’t erase their existence.

The only thing she could do was to avoid contact with people in the political world. Out of sight, out of mind.

Although it was clear from Sheng nanxuan’s birthday party yesterday that the Sheng family had a deep relationship with the political world, Qianqian did not interact with those people every day. If she was really in a relationship with Sheng Yiting, it would be easy to fool them if she met them occasionally.

is your air conditioner broken?” Sheng Yiting suddenly asked the driver.

The driver was unhappy and said to Tong Siyao, ” “Little girl, you’re a local, right? Your boyfriend’s not friendly!”

no, no, ran ran, ” Tong Siyao said hurriedly. She turned to Sheng Yiting. are you sick? ‘

No. Sheng Yiting knew that the natives of Xiyuan were tough. He quickly explained to the driver, " I just suddenly felt cold.

"That's because you're not in good health." The driver said, " the temperature isn't very low. Forget it, I'll just turn it off. The temperature in our Western Plains is low, so it's fine if we don't open it.

Sheng Yiting smiled. maybe I'm wrong. I just felt a gust of wind blow past Qianqian's head.

Tong Siyao shivered and looked at him in fear.

that's none of my business, " the driver said. you must have run into an evil spirit. You'd better go to the temple and pray! In the past, there was someone who was as cowardly as you." uh, hehe. Sheng Yiting looked at Tong Siyao with a troubled expression.

I gave you an amulet, " Tong Siyao whispered. didn't you bring it? '

"I did." Sheng Yiting reached out his hand, and the Pearl was still on his finger.

"Then I'll go and beg for another one!"

"Don't be so superstitious." Sheng Yiting said helplessly.

"I'm not being superstitious! Our place is very magical, it's better to be careful.

Anyway, we're going to visit the temple. At that time, we'll see if we can get the favor of the master and ask him to resolve it for you."

There was a big temple in Western Plains that was famous all over the world, and many people believed that there was a spirit here.

Sheng Yiting nodded in agreement.

Seeing that they were done, the driver interrupted, "our Western Plains is a mayfly blessed by the gods. then, she blabbered all the way and kept talking about all kinds of strange things related to the gods.

During this period, he did not see the red light several times. Sheng Yiting and Tong Siyao were so scared that they quickly reminded him. On the third time, he said,"remind me if there's a red light next time Sheng Yiting was dumbfounded. Who was the one driving?

He could only be glad that the road conditions in Xizha were good and not congested at all. The driver's skills were good, and he didn't hit anyone.

When they arrived at Tong Siyao's house, the driver still wanted more.

Tong Siyao and Sheng Yiting got out of the car as if they were escaping.

As they watched the car drive away, the two of them heaved a sigh of relief and laughed.

When he was done laughing, Sheng Yiting reached out to tidy up the hair by

Tong Siyao's ear and said softly, "All the taxi drivers in the country are the same."

Tong Siyao couldn't help but laugh again.

"Sister!"

With a shout, Tong Siyao suddenly turned her head.

A girl of similar height and age to Sheng shuangxue ran over. Sheng Yiting guessed that she must be Tong Siyao's sister..

Chapter 1272: Satisfied

He couldn't help but feel nervous.

...

Although he wasn't a parent, he still had to please his family. If she was as dishonest as Sheng shuangxue, she would be in trouble.

The girl ran to Tong Siyao and hugged her arm happily. Then, she stole a glance at Sheng Yiting.

this is Sheng Yiting," Tong Siyao said. you can call him big brother Sheng.

"Big brother Sheng!" The girl immediately shouted. "My sister, si Lu," Tong Siyao said to Sheng Yiting.

"Hello," he said. Sheng Yiting greeted her.

Tong silu smiled shyly.

She looked pretty, somewhat like Tong Siyao. Her hair was a little dry, and so was her face. Her skin was rough, so she couldn't compare to Sheng shuangxue in terms of appearance. But her eyes were bright and full of energy, and she looked simple and lively. When she grew up, she would probably be a rare beauty. She would dress up as well as Sheng shuangxue.

"Mom has been waiting for you for a long time." Tong silu whispered to Tong Siyao and reached out to pick up her suitcase.

"I'll do it." Tong Siyao said.

Sheng Yiting quietly took it away and said in a low voice, "Where do I need you to come?"

Tong silu snickered, and Tong Siyao pinched her, feeling a little embarrassed.

The Tong family lived in an old-fashioned neighborhood with a maximum of six floors. The Tong family lived in the inner part of the house, and it took them a while to reach there. The house was on the second floor, so it was easy to get up. They arrived before they had their fun.

Standing at the door, Tong Siyao wanted to take out her keys to open the door.

Tong silu couldn't wait any longer. She quickly knocked on the door and said, "Mom's here."

"You're not working?" Tong Siyao asked.

"It's Saturday today, are you out of your mind?"

Tong Siyao was embarrassed and glared at her. Then, she looked at Sheng Yiting, who was beside her. Seeing his nervous face, she couldn't help but gloat.

Sheng Yiting was speechless. What kind of girlfriend was this?

The door opened, and a middle-aged woman with a worn-out smile stood inside. One look and one could tell that she was Tong Siyao and Tong silu's mother. The three of them looked so similar!

"Mom!" Tong Siyao laughed and shouted.

Yao LAN let them in with a smile and sized Sheng Yiting up.

"Auntie, it's me, Yiting," Sheng Yiting quickly said.

Yao LAN nodded and smiled. let's talk inside. It's hot outside. Let's take a break.

"It's not hot," it's very cool, " Sheng Yiting said.

The average temperature in the summer of Xiyuan province was a few degrees lower than that in Beijing. How hot could it be? He would probably have to put on a coat when the sun set.

Yao LAN laughed,"which summer isn't hot?" It was just a little cooler than Beijing. Western Plains is not good in other aspects, but the weather is good." yes. Sheng Yiting nodded quickly. the air is fresh, and it's good for health and retirement.

There were several large private nursing homes in Western Plains, and Yu Qingliu had set up one here. Many sick and old people in the country and abroad were recuperating here. If you're sick, rest. If you're not, go out and enjoy the scenery. Life can't be too comfortable.

Yao LAN was a native of Western Plains and had never left Western Plains in her entire life. The longest journey she had ever made was from her hometown to Western Zha. Her feelings for Xiyuan were not ordinary. She was happy when Sheng Yiting said that Xiyuan was good.

Sheng Yiting heaved a sigh of relief when he saw her satisfied expression.

"Have a seat first. I'll go to the kitchen. There are still some vegetables in the pot," Yao LAN said.

Tong silu rolled her eyes and said to Tong Siyao,""I'll go help mom

Tong Siyao nodded and said to Sheng Yiting, ""Let's pack our luggage first."

She brought Sheng Yiting to her room. this is my room. You can sleep here tonight. I'll stay here with si Lu..

Chapter 1273: How far have you guys progressed?

sure! Sheng Yiting agreed immediately and started to look around her room.

...

Seeing him like this, Tong Siyao's face turned red. She turned around and dragged her suitcase into Tong silu's room.

She and Sheng Yiting were going on a trip tomorrow, so they didn't need to pack their things. They left after putting down their luggage.

Sheng Yiting tidied up his clothes and took out the gift he had bought.

Coincidentally, Yao LAN and Tong silu came out of the kitchen. One of them was holding a cup of tea while the other was holding a plate of washed fruits.

"Call me!" Tong Siyao said hurriedly.

Yao LAN still young, it's not like I don't know how to do it! You don't have to be busy since you're back so often."

"I don't care about those that I see often!" Tong silu said sourly.

Yao LAN patted her on the head. Her neck shrank back and she sat down obediently by the side.

When Sheng Yiting gave the gifts to the two of them, Yao LAN said, "What's the point of bringing things?"

"This is a must," Sheng Yiting said.

"Thank you, brother Sheng!" Tong silu said with a smile.

"It's good that you like it," Sheng Yiting said.

Yao LAN looked at her helplessly. She stuck out her tongue and drank the water.

Yao LAN asked Tong Siyao, "have you guys had lunch?" Are you hungry? Do you want to eat something first?"

I ate on the plane, " Tong Siyao said hurriedly. I'm not hungry.

"Have a seat, I'll go cook."

"I'll do it!" Tong Siyao got up in a hurry.

"You just got off the plane--"

"I'm not airsick, it's fine.'

Sheng Yiting chimed in, 'that's right. How can we just sit here and let Auntie cook? I'll do it with Siyao."

Yao LAN was taken aback and looked at him in astonishment. "You can?" cough I can help Siyao.

Tong Siyao covered her mouth and laughed. She said to Yao LAN, "It's decided then, Yiting and I will do it. We're leaving tomorrow, so let me do my best to show my filial piety. I won't be staying at home for long anyway."

Yao LAN was stunned for a moment before she nodded her head.

When she went to bed at night, she called Tong Siyao to her room to sleep with her and took the opportunity to ask, "Are you and Yiting really going on a

"Of course, we've already agreed on it." Tong Siyao asked nervously, "mom, you don't want to?"

"No, I didn't," Yao LAN said irritably, "I'm just afraid of Yingluo."

"What are you afraid of?"

Yao LAN hesitated for a moment before sighing softly. She then asked in a soft voice, "Tell me the truth, how far have you guys progressed?"

Tong Siyao blushed and mumbled, "what do you mean?"

"What do you think? What if you're cheated by him when you're traveling with him?"

"What's there to lie about? We've been dating him for half a year, and I've been to his house and seen his family. The cost of his service is too high."

Yao LAN choked and said angrily, "you're siding with him now?" I've really raised you in vain."

Hearing that, Tong Siyao immediately hugged her arm and acted coquettishly.

mom, don't worry. I know what to do. Besides, it's in Western Plains, not a long journey!"

"You're leaving tomorrow. When will you come back?"

I'll see if I have time on the day I return to Beijing. After that, I'll have to wait for the new year.

Yao LAN sighed. go on, go on, Zhenzhen. I think he's a good person. You should also take advantage of this fate.

Tong Siyao smiled and leaned on her shoulder with her eyes closed.

She did not tell Yao LAN about the situation in the Sheng family, so Yao LAN did not know anything about it. At most, she could tell that the Sheng family was better than the Tong family from Sheng Yiting. However, Yao LAN had no idea how much better he was.

Tong Siyao thought of the matter of going to the crystal island and wanted to tell Yao LAN. She opened her mouth but realized that she couldn't explain the problem of ordinary people going to Pearl Beach, so she gave up.

He would keep it a secret for now. If there was a chance in the future, he would take her to see the monument..

Chapter 1274: Let us be together forever

Sheng Yiting did not sleep well that night.

...

Tong Siyao's room seemed to be filled with a refreshing fragrance, which made him restless and unable to calm down. The more he sniffed, the more agitated his blood became. He wanted to rush to Tong Siyao, hold her in his arms, kiss her, and love her.

After a night of wet dreams, she was a little tired when she woke up in the morning.

It seemed that some things must be done, otherwise, his body would get sick.

He and Tong Siyao had only set off in the afternoon. In the morning, he, Yao LAN, and Tong silu had gone around Xizha city. After visiting two scenic spots, he went to sweep Tong Yuan's grave.

Tong Yuan's death anniversary was in a few days, but Tong Siyao and Sheng Yiting probably wouldn't be back in time, so they went to pay their respects in advance.

Tong Siyao had been studying in Beijing for the past few years and couldn't make it back for each death anniversary.

She pursed her lips and felt guilty, but she did not want Sheng Yiting to change his schedule for her. In any case, if it wasn't for him, she wouldn't have come back at all.

They walked to the gravestone, which had Tong Yuan's photo on it.

Tong Yuan was wearing a well-ironed military uniform, and his hair was shaven to a crew cut, revealing the Beauty's tip on his forehead. He looked handsome and valiant.

Sheng Yiting couldn't help but glance at Tong silu beside him.

Tong silu's hair was tied up in a ponytail, and the Beauty's tip on her forehead was very obvious.

However, Tong Siyao didn't have a Beauty's tip. Sheng Yiting was afraid that he remembered it wrong, so he took a look at it.

what's wrong? " Tong Siyao asked in a low voice, confused. what's wrong? "

"You didn't inherit uncle's sharp beauty," he said in a low voice. Tong Siyao pouted, "then I'm not pretty?"

"Beautiful." He said softly, his voice sincere and powerful.

Tong Siyao smiled and held his hand. She turned to look at Tong Yuan's tombstone.

Yao LAN lit up the incense and handed it to her. She handed three sticks to Sheng Yiting, but was stunned halfway through. She took it back and asked softly, "Do you want to offer incense?"

"Nonsense!" He couldn't wait and immediately snatched the incense. Tong Siyao lowered her head in embarrassment, her face burning.

"Report the results to your dad," Yao LAN said to Tong silu. "Why didn't you ask your sister to report?" Tong silu pouted.

your sister has already graduated. She used to report to me.

Tong silu had to report her results in a low voice and said, "Dad, you must bless me to get into university. I want to go to the capital to study like my sister."

Yao LAN couldn't help but smile. She closed her eyes and lifted the joss stick. "Siyao's grown up and found a pretty good boyfriend. I've brought him here for you to see. Thank you for protecting her for so many years, even after death. From now on, I'll take care of si Lu with all my heart and soul, Yingluo!"

Sheng Yiting said in his heart, uncle, I like Siyao very much. I'll take good care of her. I'll also take care of Auntie and my sister. You must bless Siyao to marry me and let us be together forever, Qianqian.

In the afternoon, Sheng Yiting and Tong Siyao left Xizha city. After a few hours on the bus, they arrived at a town.

It was already dark, so the two of them found a hotel to stay at. The rooms had already been booked. There were two single rooms and they were very comfortable.

Taking the room card, Tong Siyao mumbled, "It's a waste to live like this, Yingluo."

"Then we'll stay in a double room?" Sheng Yiting asked.

Tong Siyao paused and said in an even lower voice, "It's better not to change."

It felt dangerous for the two of them to live together.

Sheng Yiting sighed in disappointment.

Tong Siyao gave him a fake kick and shouted, "Why are you sighing?"

Chapter 1275: This hotel is too dirty

"Is sighing against the law?" Sheng Yiting blinked.

...

Tong Siyao choked and went back to her room, mumbling.

Sheng Yiting entered the room next door and found a box of condoms on the bedside table. He suddenly felt that the box he had bought was a little unnecessary.

He put down his luggage and went to find Tong Siyao for dinner.

There were tourists in the town. Although it was not as lively as the city, the shops were all open.

The two of them ate outside, wandered around, and went back to rest.

When they reached the door, Sheng Yiting looked at the time and asked, '

“You’re sleeping just like that?”

“Watch some TV and go online.” Tong Siyao said.

“Then I’ll come find you later and watch it together.”

Tong Siyao nodded, opened the door, and went in to take a shower.

Seeing the “beddings” at the head of the bed, she felt a little awkward and muttered in her heart, “ This hotel was really too dirty. It specialized in seducing people to do bad things!

At the thought of Sheng Yiting’s arrival, she wanted to hide these signs of crime!

However, the arrangements on his side would definitely be the same. Wouldn’t it be too strange to hide it?

Why don’t you just pretend to be generous and act like you didn’t see it!

She took a shower and changed her clothes, as if she was going out.

Naturally, he would not go out. However, she did not dare to wear her pajamas when Sheng Yiting came.

Looking at the clothes she had changed into, she felt a little helpless. It was so troublesome to travel in the summer.

She resigned herself to her fate and began to wash her undergarments. After she was done, she was about to wash her clothes when she heard the doorbell ring. Her phone rang as well.

It was a text message from Sheng Yiting. He opened the door.

She smiled and immediately went to open the door.

Sheng Yiting stood outside the door. give me your dirty clothes. I'll let the hotel wash them.

"No need, right? It's not dirty, you can just rub it yourself."

"It's better to be lovey-dovey together than to waste that time."

Tong Siyao smiled and returned to her room. "Then let's shower together?"

Sheng Yiting's eyes brightened. He quickly nodded and handed her the bag. "Help me hold it first!" She returned to her room after she finished speaking.

Tong Siyao was stunned. She opened the bag and saw the clothes he had changed out of.

She stood at the door and waited for a while. In less than a minute, Sheng Yiting came back with a few clothes hangers from the hotel.

She smiled and took his clothes to the bathroom.

Sheng Yiting closed the door behind him and threw the clothes rack on the bed. His eyes flickered when he saw the condoms on the bed.

He walked into the bathroom and put his hand in front of Tong Siyao.

"What?" Tong Siyao was stunned.

A pair of worn men's underwear fell out of his hand. "There's still one more."

Tong Siyao, "shua shua shua."

ah- I' Tong Siyao screamed. She splashed water on him and asked angrily, " why are you like this?!"

Sheng Yiting coughed lightly, held his pants, and pushed her gently. "You go out, I'll wash up."

wuwuwu. Tong Siyao was so angry that she cried. She washed the foam off her handq

Sheng Yiting saw her sitting on the sofa and wiping her tears. He threw his pants down and went to find her.

"What's wrong?" He stood in front of her. I'm sorry, I was wrong, okay? Never again. "

"Why aren't you washing up yet?" Tong Siyao shouted.

Sheng Yiting was taken aback. Seeing that she seemed fine and was probably just angry, he hesitantly returned to the bathroom.

He soaked his clothes in the sink and looked at her as he rubbed them.

Tong Siyao wiped her tears and raised her head to scold, " "Shameless! I didn't expect you to be this kind of person!"

Sheng Yiting lowered his head and washed the clothes in resignation.

Tong Siyao was angry for a while. When her tears ran out, she picked up the remote control and turned on the TV..

Chapter 1276: I'll talk to you tomorrow

The sound of running water came from the bathroom, but she ignored him and only asked when he came out, "Are you clean?" yes. Sheng Yiting lowered his head and asked carefully, "do you want to dry it yourself or do you want to dry it?"

Tong Siyao remembered that her underwear was still out there, so she herself! "then I'll go back to dry Yueyue. Sheng Yiting picked up the clothes hanger on the bed and his clothes, then went back to the room next door. [what happened to washing clothes together? what the hell is wrong with him? he actually missed the opportunity to be lovey-dovey!] If I don't court death, there might be great progress.

...

Sheng Yiting walked away with his head hung low. Tong Siyao sat for a while before she went to hang the clothes. Then, she changed into her pajamas and got ready to sleep.

Just as she turned off the lights, her phone rang.

She picked it up and saw that it was a message from Sheng Yiting. I don't be angry, okay?

It was as if she could see his pitiful look, just to beg for her forgiveness.

She couldn't help but feel her heart ache. She thought about it and realized that he was indeed very detestable. However, they were a couple. He was just teasing her. It was just a form of fun. Wasn't she making a mountain out of a molehill?

She put down her phone, sat up, turned on the light, and hugged her leg in a daze.

Suddenly, footsteps could be heard from outside the door.

Tong Siyao stared at him and took a long time to come back to her senses. She felt that she must have looked very embarrassed.

He had almost stripped her naked, so what did he mean by saying such disgraceful words?

No, she knew what he meant. As long as she pushed him away, he would not continue.

He was giving her a choice.

The night sky of Western Plains was very clean, the ground was flat, and one could see the stars and moon without looking up.

It was the middle of the moon today, and the sky was full of moons. It hung there quietly, and whether or not anyone was looking at it, it would never change.

Sheng Yiting laid on top of Tong Siyao, panting and sweating profusely.

Tong Siyao collapsed under him, her eyes full of tears.

He raised his head and kissed her on the cheek. He tasted the saltiness of her tears and asked with heartache, "Yaoyao, does it still hurt?" Tong Siyao looked at him. How could she not be in pain?

Her tears fell immediately, and he hurriedly said, "I'm sorry, I'll be gentler next time!"

Tong Siyao turned her head and sniffed. "I'm hungry."

Sheng Yiting was taken aback. He turned to look at the things in the room and asked, "Do you want to eat instant noodles?"

Tong Siyao glared at him and complained, "You want me to eat instant noodles at this time? As expected, men don't know how to cherish what they have!" "No, no, no!" Sheng Yiting immediately hugged her and comforted her. "I was wrong! I'll go buy it for you now. Wait for me."

When he got up, Tong Siyao immediately pulled the blanket over herself and didn't dare to look at him.

He put on his clothes and kissed her on the cheek. He asked softly, "What do you want to eat?"

She stared at it for a few seconds, then for some reason, she started crying.

She turned around and saw Sheng Yiting sitting beside her. He had one arm around her and the other was pressing the remote control.

She took a look and saw that the television was on, but on silent mode.

What's there to see?

He felt her movement and immediately put down the remote control and lowered his head. His eyes were filled with gentleness and friendship that could not be hidden. "You're awake?"

Tong Siyao blushed and immediately hid under the blanket.

Sheng Yiting smiled. He believed that she cried last night not because she regretted giving herself to him, but because she was saying goodbye to her identity as a girl.

He hugged her, his hands sliding across her smooth back, his voice hoarse and seductive. "Wifey Yingluo"

Tong Siyao shuddered and immediately pushed him away. She sat up far away from him and asked, "What did you just call me?" my dear wife Sheng Yiting smiled like a spring breeze.

Don't shout!" Tong Siyao said angrily.

Sheng Yiting shrugged and said disappointedly, "be my wife sooner or later, Yingluo." "I'm not now!"

"But we're already like this, Yingluo."

"Just don't scream! "I'll call you Yaoyao then." Sheng Yiting paused.

Tong Siyao paused and turned her head. She didn't object.

She had perspired a lot last night and she felt uncomfortable. However, she was already hungry, so she washed up and went to eat.

Sheng Yiting had bought all the breakfast he could find in town!

"Why are there so many?" Tong Siyao was surprised.

Not to mention two people, even five people wouldn't be able to finish it!

Chapter 1277: He felt that she had been wronged

"I was afraid that you wouldn't like one or two of them, so I bought them all," Sheng Yiting said awkwardly and eagerly. You can eat whatever you like."

...

Tong Siyao looked at him with a strange expression.

“What’s the matter?” he asked, puzzled.

you wouldn’t have been like this before, ran ran, Tong Siyao lowered her head and mumbled.

Although he was good to her, it was the first time he had done something so extravagant and exaggerated. He had always been a mature man, so why was he acting like a coward today?

Sheng Yiting paused and coughed uncomfortably. “What do you think? What do you want? It seems cold. I’ll go get you a warm one. That’s right, this noodle can’t do either, it’s already burnt.”

Tong Siyao suddenly kissed his face. He was stunned and stared at her.

She blushed and lowered her head. She picked up the porridge and said, “It’s okay. It’s edible like this.”

Sheng Yiting looked at her beautiful face and felt a little relieved, but he still felt a little apologetic.

He wanted to make it up to her more for what happened last night.

He had always wanted to pounce on her, but when he really did, he realized that he was too much of a bastard!

It happened so suddenly in such a place and he even made her angry. It wasn’t a six-star or above hotel. There were no roses and champagne, and there wasn’t even any soothing music. In the morning, they couldn’t find food from all over the world for her. She could only go around the streets and buy a few more things to make do with it.

He felt that he had wronged her.

Seeing her scoop up the porridge and put it in her mouth, he said with heartache, 'I'll go get you a warm one.'

He was about to stand up when Tong Siyao said anxiously, "Don't go!" Sheng Yiting was stunned and looked at her.

She put down the porridge and climbed over, sitting on top of him and pressing her forehead against his. "Can you not leave me behind?"

Sheng Yiting moved and hugged her tightly. He smiled. "Good Zhenzhen, let's advance and retreat together."

Tong Siyao couldn't help but laugh. After a moment, she pushed him away. Her face was red, and she looked a little cute.

"I'm not a clingy person." She said.

"I understand," Sheng Yiting fixed his eyes on her, his eyes filled with tenderness. but now, we should stick together.

Tong Siyao's face turned even redder. She picked up the dessert and started eating.

She had tried almost every breakfast. After all, it was his kind gesture and she did not want to waste it.

After they were full, Sheng Yiting asked, 'are you feeling well? If you're not feeling well, you can rest today and play tomorrow.'

Tong Siyao's face turned red. She lowered her head and said in a low voice, "I'll go take a shower first."

Sheng Yiting was taken aback. He remembered that they did not wash up after having sex last night. "Alright then. I'll shower after you."

Tong Siyao glared at him, got up, and hid in the bathroom. She shouted, "You're still not going out?"

"I still want ..."

"I'll go to your side to wash up!"

"I don't want to leave you behind." Sheng Yiting walked to the door. shall we shower together?

Tong Siyao suddenly opened the door and glared at him. "Do you think I won't kick you out?"

Sheng Yiting quickly surrendered and retreated to the sofa to watch TV.

When he heard the sound of water in the bathroom, he couldn't help but look over. His mind was filled with random thoughts, and his body was reacting.

When Tong Siyao came out, he let out a breath and quickly said, "I'm going to my place to take a shower. Do you want to come over? The hotel staff should be coming to clean up the room later."

Tong Siyao stopped combing her hair. She looked at him in horror and then at the bed.

Under the blanket, there was a patch of red.

Sheng Yiting walked over and kissed her on the lips. "Let's go to my place. We're definitely not the first couple to make a scene here. Theyre already used to it..

Chapter 1278: the end

Tong Siyao glared at him unhappily. She took her phone and went to the next room, planning to hide for a while.

...

When Sheng Yiting went to take a shower, she heard the sound of running water and couldn't help but let her imagination run wild.

At some point, a shadow had appeared beside him.

She looked up and saw Sheng Yiting standing beside her with a towel wrapped around him. Water droplets were dripping from his hair and sliding down his pectoral muscles.

Tong Siyao couldn't help but swallow her saliva and immediately lowered her head.

He held her shoulders and pressed her down on the bed, his entire body on top of hers.

"What are you doing?" Tong Siyao was shocked.

Sheng Yiting kissed her on the lips and swallowed her voice. He was telling her

what he was going to do.

After it was over, the two of them were drenched in sweat. He carried her to the bathroom to take a shower.

Tong Siyao stood firmly, so she could only let him help her wash.

He wasn't that honest, so he naturally caused trouble again.

As he was washing, he suddenly smiled.

“What are you laughing at?” she asked, annoyed.

He kissed her ear and said, “I remember you saying ‘let’s cuddle and shower together’ last night. So it’s not to wash clothes, but to take a bath.” Tong Siyao’s face turned red and she stepped on his foot in anger.

But not wearing shoes didn’t hurt him at all.

The two of them rested in the hotel for two whole days, almost all on the bed, and she was loved by him from head to toe.

He only let her go when she couldn’t stand it anymore, and the two of them slowly embarked on their journey.

On the way, he naturally did not let her off. No matter if they were in a hotel with decent conditions, a simple homestay, or even the tent they set up in the wild, the two of them were always stuck together like a honeymoon.

However, she spent too much time in bed, and the time she spent on the trip was compressed, and the journey was delayed again and again.

In the end, he didn’t even make it back for Gong Mo’s birthday.

Tong Siyao felt guilty. She was afraid that the Sheng family would say that she had led Sheng Yiting astray.

In all honesty, she wished that he would let her go!

These days, she hoped to be with him all the time. It was as if they had returned to the time when they first started dating. It was probably because they had sex that she felt a sense of belonging to him.

However, her snuggling up to him was to walk with Him hand in hand, to lean in his arms and look at the stars, not to do that thing all the time!

His actions were simply like “from now on, the king will not attend morning court”!

Seeing that she was blaming herself, Sheng Yiting tried to comfort her. “It doesn’t matter if I don’t appear occasionally. She knows that I’m with you and won’t worry about my safety. Besides, my dad doesn’t like me being a third wheel. He’s relieved that I don’t go back, so he can take my mom to have fun.”

“The two of them might be even crazier than us,” he said in a low voice..

Chapter 1279: bewitched by you

Tong Siyao shyly still talking!” He even said! This is so embarrassing! no one knows what we’ve done. They just think we’ve gone crazy! Sheng Yiting comforted her.

...

Tong Siyao covered her face in embarrassment.

Sheng Yiting paused. Afraid that she would despise him, he whispered in her ear, I ‘ “You’re the only one I’ve gone overboard with. If you dont like it, I’ll be more obedient in the future.”

Tong Siyao glared at him. Her face was still red, and she didn’t have the confidence to be fierce. “When are we returning?” she asked.

“I can go back to your house before your graduation ceremony.” go back directly. Don’t go back to my house. Tong Siyao said gloomily.

Although she was a beginner, she had read a lot of books.

It was said that once a girl became a woman, her temperament would be different. He had been tormenting her for the past few days, and Yao LAN would most likely be able to tell when she returned home. She did not dare to face Yao Lan's questioning.

So, the two decided to return to Beijing two days before Tong Siyao's graduation ceremony.

Ye Zi had already found a house, but she couldn't see Tong Siyao, so she was about to explode! When he heard that she was going back, he even chided her over the phone.

When they were packing, Sheng Yiting kept pestering Tong Siyao. "Stay with me. You're already mine, so you should live with me.

ye Zi has already paid her rent. Where is she going to find someone to share the house with?

"There will be."

"But I'm the best with her, I can't leave her."

"What if I want you in the future?"

"You still dare to say that!" Tong Siyao was furious and hit him hard with the clothes in her hand. you only know about this every day. Do you really like me?

"Of course I do." Sheng Yiting grinned and hugged her. my soul and body are one.

"You shut up!" Tong Siyao pushed him away. the more you act like this, the less I want to live with you! You're simply possessed, you must calm down!" Sheng Yiting touched his nose. is it a sin to be bewitched by you?

“I’m guilty, right? I’ll take the initiative to stay away from you and not let you continue to make mistakes!”

Sheng Yiting was shocked. He hugged her and said anxiously, “My bad! I can restrain it! Don’t say such scary things, it’s so creepy.”

Tong Siyao thought about it carefully. Her words were like the lines of a breakup. It was indeed a bit scary.

She quickly softened her voice and hugged his arm to kiss him on the lips. “Alright, we’re just a couple. It’s not appropriate for us to live together. What if your parents think I’m too casual?”

“Uh, hehe.”

Tong Siyao blushed and said shyly, “As for Yingluo and that, there’s always a way.”

Sheng Yiting smiled and hugged her. “I know my wife is the best. How can I bear to starve?”

“Aiya!” Tong Siyao had only turned into a woman for a few days, so she couldn’t stand his vulgarities. She lifted her foot and stepped on the back of his foot.

Sheng Yiting let go of her and fell onto the bed, howling like a pig being slaughtered.

Tong Siyao was shocked and rushed over. “What’s wrong? Are you alright?”

Sheng Yiting paused for a moment, and a sly look flashed across his eyes. He rolled around on the bed with her in his arms. “I’ll be fine after a kiss.” Tong Siyao’s eyes widened and she gritted her teeth. “Sheng ...”

He immediately kissed her and started the intimate prelude.

After the graduation ceremony, Tong Siyao would report to the Aimo news agency and immediately start her career.

On her first day at work, she met Gong mo during a company meeting..

Chapter 1280: Where is this place?

Tong Siyao felt a little uncomfortable. She sat upright below and didn't dare to look at her.

...

The Aimo news agency had recruited three fresh graduates this year. Gong mo gave a speech to encourage them.

After the meeting, Tong Siyao let out a sigh of relief.

When she ran into Gong mo in the toilet, she was shocked and shouted, 'Chief editor.'

Gong mo smiled and patted her shoulder.

After she left, Tong Siyao couldn't help but laugh. Fortunately, he didn't call her Auntie. This was the company, and public and private matters should be clearly distinguished.

When she got off work, she received a call from Sheng Yiting.

'I'm downstairs,' Sheng Yiting replied.

Tong Siyao was shocked. She rushed downstairs and saw his car parked across the road.

She looked around and ran over. Seeing that there was no one familiar, she got into the car.

Sheng Yiting fastened her seat belt and smiled. it's your first day of work. I'll take you to celebrate!

Tong Siyao didn't care about this and complained, "What are you doing here? It wouldn't be good if his colleagues saw him. They thought I came in through the back door."

Sheng Yiting pinched her nose and said lovingly, "You didn't go through the back door, why are you afraid of others talking about it?"

Tong Siyao choked and turned her head away angrily. "I'm an ordinary person, of course I'm afraid of people talking about it. I have my own abilities, I don't want others to belittle me.

Okay, okay, okay, Qianqian. Sheng Yiting immediately went along with her. I won't come here again, okay?

uh, Yingluo. Tong Siyao turned to look at him and said guiltily, I didnt mean it that way.

"Then should I come back in the future?"

"Uh, hehe."

"Forget it, I'd rather not come." Sheng Yiting said dejectedly, I ' I've finally realized that your job is more important than mine.

Tong Siyao looked at him and asked helplessly, 'Why would you be jealous?

"Of course I want to eat!" Sheng Yiting started the car, looking depressed.

Tong Siyao bit her lip and peeked at him.

When the car stopped at a red light, she leaned over to kiss him and said coquettishly, "alright you're the most important, okay?"

Sheng Yiting turned his head abruptly, grabbed her, and kissed her fiercely. He only let go of her when the car honked.

Tong Siyao lowered her head and blushed.

how do you feel on your first day at work?" Sheng Yiting asked as he drove.

"It's pretty good. I saw aunty, she's so handsome."

"Handsome?"

Tong Siyao nodded. when she stood on the stage and spoke, she was full of energy. It was as if she was pointing out the country. She was so handsome!

"I've actually never seen this side of her. No wonder she's so scary when she's angry. She's been training in the company."

"I'm not fierce!" Tong Siyao admired Gong mo and felt that she would be as good as Gong mo in the future. She couldn't stand others talking about her. "How can you not be? I was most afraid of her when I was young, and now shuangxue is afraid of her too."

"You're not afraid of uncle?"

Sheng Yiting paused and said helplessly, "I'm scared too." Anyway, if my dad is angry, I will ask my mom for help. If mom is angry, I will ask Dad for help."

“What if they all get angry?”

Sheng Yiting looked at her and said never made such a big mistake to make them both angry. To be honest, every time they're fierce, it's all about insignificant things. They're just messing around. I'm not the kind of person to look for trouble Every Day.” tsk narcissistic

When the car stopped, Tong Siyao realized they were in a strange place. Where is this place?

Sheng Yiting said nothing. He opened the door and got out of the car. She had no choice but to follow him.

“Follow me.” He locked the car and held her hand as they walked through a gate by the road.

Tong Siyao looked around and felt that it was a small neighborhood. She had an idea and guessed that it was his private residence. She hurriedly stopped him. “What are you doing? If you don't explain clearly, I won't leave!”

“Then I'll carry you?”
